ITEM 7.01. Regulation FD Disclosure.

On March 3, 2010, Conexant Systems, Inc. (the Company) announced the commencement of three separate transactions.

The Company announced that, on March 3, 2010, it had priced, and entered into an agreement to issue and sell, \$175 million aggregate principal amount of 11.25% senior secured notes due 2015 (the Notes) in a private placement (the Notes Offering) that is exempt from the registration requirements of the Securities Act of 1933, as amended (the Securities Act). The Notes have been offered only to qualified institutional buyers in reliance on Rule 144A under the Securities Act, and outside the United States only to non-U.S. investors pursuant to Regulation S. The Notes will not be registered under the Securities Act or any state securities laws and may not be offered or sold in the United States absent an effective registration statement or an applicable exemption from registration requirements or a transaction not subject to the registration requirements of the Securities Act or any state securities laws.

The Company also announced its intent to offer 14 million shares of its common stock (the Common Stock) in an underwritten public offering (the Common Stock Offering). The Common Stock will be offered by the Company pursuant to a registration statement on Form S-3 previously filed and declared effective by the Securities and Exchange Commission.

In connection with the Notes Offering and the Common Stock Offering, the Company announced its intent to commence a tender offer to purchase for cash any and all of the Company s outstanding 4.00% Convertible Subordinated Notes due March 2026 (the Convertible Notes). The Company s obligation to purchase the Convertible Notes in the tender offer is conditioned upon, among other things, the consummation of the Notes Offering and the Common Stock Offering in an amount sufficient to pay the total consideration owed to any tendering holders of Convertible Notes. The tender offer will be made pursuant to an Offer to Purchase, which will more fully set forth the terms and conditions of the tender offer.

A copy of the press release with respect to these announcements is attached hereto as Exhibit 99.1 and is incorporated herein by reference.

This report shall not constitute an offer to sell or the solicitation of an offer to buy the securities described herein and shall not constitute an offer, solicitation or sale in any jurisdiction in which such offering, solicitation or sale would be unlawful.

The information in this Item 7.01 and Exhibit 99.1 is being furnished pursuant to Item 7.01 and shall not be deemed filed for purposes of Section 18 of the Securities Exchange Act of 1934, as amended (the Exchange Act), or otherwise subject to the liabilities of that section and shall not be incorporated by reference into any registration statement or other document filed under the Securities Act or the Exchange Act.

ITEM 8.01. Other Events.

On January 19, 2010, the Company announced that it had agreed to sell approximately 25 acres of property adjacent to its Newport Beach, California headquarters to City Ventures LLC for \$26.1 million, contingent upon further due diligence by City Ventures and customary closing

conditions. The companies have agreed to extend the diligence period, and City Ventures has asked for concessions that include a price reduction and a financing contingency, so it is now unlikely that the transaction will close prior to the end of March 2010 as originally anticipated.

Separately, the Company is re-filing the Loan and Security Agreement, dated as of December 22, 2009, by and between Conexant CF, LLC and Silicon Valley Bank (previously filed as Exhibit 99.2 to the Company's Current Report on Form 8-K filed on December 24, 2009). This agreement is being re-filed to correct the previously filed version.
