Item 2.02. Results of Operations and Financial Condition.

On September 21, 2010, ConAgra Foods, Inc. (the Company) issued a press release and posted a question and answer document (Q&A) on its website containing information on the Company's first quarter fiscal 2011 financial results. The press release and Q&A are furnished with this Current Report on Form 8-K as exhibits 99.1 and 99.2, respectively.

The press release and Q&A include the non-GAAP financial measures of adjusted operating profit for the Consumer Foods segment, adjusted unallocated corporate expense and adjusted diluted earnings per share from continuing operations. Management considers GAAP financial measures as well as such non-GAAP financial information in its evaluation of the Company's financial statements and believes these non-GAAP measures provide useful supplemental information to assess the Company's operating performance and financial position. These measures are reconciled in the press release and Q&A to the most directly comparable measures as reported in accordance with GAAP, and should be viewed in addition to, and not in lieu of, the Company's diluted earnings per share and operating performance and financial measures as calculated in accordance with GAAP.

Item 9.01. Financial Statements and Exhibits.
