VOTING SECURITIES AND RECORD DATE

Stockholders of record at the close of business on March 31, 2006 (the "Record Date") will be entitled to notice of, and to vote at, the annual meeting and at any adjournment thereof. At the close of business on the Record Date, the Company had outstanding and entitled to vote 1,841,906 shares of common stock, the only voting securities of the Company. Holders of record of shares of common stock outstanding on the Record Date will be entitled to one vote for each share held of record on that date upon each matter presented to the stockholders to be voted upon at the meeting.

If the enclosed proxy card is properly executed and received in time for the annual meeting, unless previously revoked, shares of common stock represented thereby will be voted at the annual meeting as specified by the stockholder on the proxy. If no such specification is made, shares represented by such proxy will be voted FOR the election as director of the nominee of the Board of Directors named herein, FOR adoption of the Company's 2006 Equity Incentive Plan and FOR ratification of the appointment of Grant Thornton LLP as independent accountants to audit the Company's financial statements for the year 2006. REQUIRED VOTE

The presence, in person or by proxy, of the holders of a majority of the shares of common stock outstanding on the Record Date is necessary to constitute a quorum at the annual meeting. Abstentions and broker non-votes will be counted as present and represented at the annual meeting for purposes of determining a quorum. A director will be elected at the annual meeting by a plurality of the votes cast by the stockholders present in person or by proxy and entitled to vote. Abstentions and broker non-votes will have no effect on the outcome of the election of the director. The affirmative vote of the holders of a majority of the shares of common stock of the Company present in person or represented by proxy at the annual meeting and entitled to vote thereon is required for approval of the Company's 2006

Equity Incentive Plan. Abstentions will have the same effect as a vote against and broker non-votes will have no effect on the proposal to approve the Company's 2006 Equity Incentive Plan.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR ELECTION OF ITS NOMINEE, HUGH J. MORGAN, JR.

INFORMATION REGARDING BOARD OF DIRECTORS AND COMMITTEES

Director Independence. The Company's Board of Directors has determined that the following directors are "independent" within the meaning of The Nasdaq Stock Market ("Nasdaq") listing standards: Hugh J. Morgan, Jr., Ronald N. (Nicky) Spaulding, Roger F. Stebbing and John P. Stupp, Jr.

Meetings. The Board of Directors held four meetings during 2005. Each director attended at least 75% of the aggregate of (i) the total number of meetings of the Board of Directors and (ii) the total number of meetings of all committees on which he served held in 2005 during the time he served as a director or as a member of such committees.

Nominating Process. In light of its small size, the Board of Directors has determined, and has adopted a resolution providing, that nominees for election to the Board of Directors will be selected by a majority vote of the directors meeting the Nasdaq independence requirements and, consequently, does not have a separate nominating committee or a nominating committee charter. In accordance with resolutions adopted by the Board of Directors, in selecting nominees for election as directors, the Board of Directors, with the assistance of the Corporate Governance Committee, will review and evaluate candidates submitted by directors and management and by the Company's stockholders pursuant to the procedures set forth in the Company's Bylaws and described in "STOCKHOLDER PROPOSALS -- Stockholder Nominations for Directors" below. The Board of Directors, in considering possible nominees, will take into account the following: (a) each director should be an individual of the highest character and integrity; (b) each director should have substantial experience that is relevant to the Company; (c) each director should have sufficient time available to devote to the affairs of the Company; and (d) each director should represent the best interest of all stockholders. All possible nominees are to be reviewed in the same manner, regardless of whether they have been submitted by

Edgar Filing: ATRION CORP - Form DEF 14A

stockholders, directors or management.

3

Committees. The Board of Directors has four standing committees: the Executive Committee, the Corporate Governance Committee, the Compensation Committee and the Audit Committee. The Executive Committee is currently comprised of Emile A. Battat, Richard O. Jacobson and Hugh J. Morgan, Jr. The Executive Committee did not meet during 2005. The Corporate Governance Committee, which is currently comprised of Richard O. Jacobson and Roger F. Stebbing, is to assist in the evaluation of possible nominees for election to the Board of Directors as requested by the Board of Directors, review annually and advise the Board of Directors with respect to the compensation of directors and recommend to the Board of Directors (a) the number of directors to be fixed in connection with each annual meeting of stockholders, (b) the directors to be appointed to each of the committees of the Board, (c) corporate governance guidelines and (d) proposed changes to the charter of the Corporate Governance Committee. The Corporate Governance Committee met one time in 2005. The Compensation Committee, which is currently comprised of Richard O. Jacobson, Hugh J. Morgan, Jr. and John P. Stupp, Jr., makes recommendations to the Board of Directors as to the remuneration of all executive officers of the Company, administers the Atrion Corporation 1997 Stock Incentive Plan (the "1997 Stock Incentive Plan") and reviews and makes recommendations regarding the Company's other incentive compensation plans. The Compensation Committee met one time in 2005. The Audit Committee, the current members of which are Hugh J. Morgan, Jr., Roger F. Stebbing and John P. Stupp, Jr., appoints, determines the appropriate compensation for and oversees the work of the Company's independent auditors, and assists the Board of Directors in its oversight of the Company's accounting and financial reporting principles and policies and internal audit controls and procedures and oversees related party transactions. The Board of Directors has adopted a written charter for the Audit Committee. The Audit Committee reviews, at least annually, the Audit Committee Charter and is to recommend any changes to the Audit Committee Charter to the Board of Directors. The Board of Directors has determined that each member of the Audit Committee is independent within the meaning of the Nasdaq listing standards and is financially literate and that Mr. Stupp qualifies as an audit committee financial expert. The Audit Committee met nine times in 2005.

Board Compensation. Each outside director is paid a fee of \$24,000 per year. In addition, the Chairmen of the Corporate Governance Committee and the Compensation Committee are each paid a fee of \$6,000 per year, and the Chairman of the Audit Committee is paid a fee of \$12,000 per year. The Company reimburses each director for travel and out-of-pocket expenses incurred in connection with attending meetings of the Board of Directors.

Stockholder Communications to the Board of Directors. Any stockholder wishing to communicate with the Board of Directors about any matter should send the communication, in written form, to Emile A. Battat, Chairman and President, at the Company's principal office in Allen, Texas. Mr. Battat will promptly send the communication to the other members of the Board of Directors.

Attendance at Stockholder Meetings. The Board of Directors has adopted a policy encouraging each director to attend, if practicable, the annual meeting of stockholders of the Company. The 2005 annual meeting was attended by five directors.

APPROVAL OF 2006 EQUITY INCENTIVE PLAN

INTRODUCTION

The Atrion Corporation 2006 Equity Incentive Plan was adopted by the Board of Directors in February 2006, subject to approval by the Company's

Edgar Filing: ATRION CORP - Form DEF 14A

stockholders. If approved by the stockholders, the 2006 Equity Incentive Plan will become effective as of May 22, 2006, the date of the annual meeting. Under the 2006 Equity Incentive Plan, the Company is authorized to grant equity-based awards in the form of stock options, restricted common stock, restricted stock units, deferred stock units, stock appreciation rights and performance share units to key employees (including executive officers) and consultants of the Company and its subsidiaries. The purpose of the 2006 Equity Incentive Plan is (a) to recognize and compensate selected employees and consultants who contribute to the success of the Company and its subsidiaries, (b) to attract and retain key employees and consultants and (c) to provide incentive compensation to key employees and consultants based on the performance of the Company and its subsidiaries.

SUMMARY OF 2006 EQUITY INCENTIVE PLAN

The following is a summary of the 2006 Equity Incentive Plan. The statements contained herein are qualified in their entirety by reference to the 2006 Equity Incentive Plan, a copy of which is attached as Appendix A to this Proxy Statement.

General. The 2006 Equity Incentive Plan authorizes the Company to grant to eligible persons the following types of equity-based awards: options to purchase common stock that qualify as "incentive stock options" within the meaning of Section 422 of the Internal Revenue Code of 1986, as amended (the "Code"); options to purchase common stock that do not qualify as incentive stock options under the Code, which also are referred to as "nonqualified stock options;" shares of restricted stock that are subject to certain transferability and forfeiture restrictions that lapse after specified restricted periods; restricted stock units; deferred stock units; stock appreciation rights, also known as "SARs;" and performance share units.

Eligible Persons. Key employees and consultants of the Company will be eligible to participate in the 2006 Equity Incentive Plan. Under present law, incentive stock options may be granted only to employees. As of March 15, 2006, approximately 40 employees and consultants of the Company and its subsidiaries would be eligible to participate in the 2006 Equity Incentive Plan. The selection of key employees and consultants to participate in the 2006 Equity Incentive Plan and the types of awards will be entirely within the discretion of the Compensation Committee of the Board of Directors.

6

Shares Available. The maximum number of shares of common stock subject to all awards granted under the 2006 Equity Incentive Plan will be 100,000 shares, constituting approximately 5.5% of the shares of common stock outstanding on March 15, 2006. The maximum number of shares of common stock that may be awarded to any one person during any one year is 20,000 shares. The awards granted under the 2006 Equity Incentive Plan and the foregoing share limitations are subject to equitable adjustment or substitution, as determined by the Compensation Committee in its sole discretion, in the event of certain changes in the Company's outstanding shares of common stock or its capital structure resulting from a dividend or other distribution in the form of cash, common stock, other securities or other property, on account of a recapitalization, reclassification, stock split, reverse stock split, reorganization, merger, consolidation, split-up, spin-off, combination, repurchase, liquidation, dissolution, or sale, transfer, exchange or other disposition of all or substantially all of the assets of the Company, or exchange of the common stock or other securities of the Company, issuance of warrants or other rights to purchase common stock or other securities of the Company, or other similar event

Edgar Filing: ATRION CORP - Form DEF 14A

that effects the common stock. In the event that any stock option, restricted common stock, restricted stock unit, deferred stock unit, SAR, or performance share unit expires or is surrendered, terminated, or forfeited, the shares of common stock no longer subject to such award will be released and thereafter available for new awards under the 2006 Equity Incentive Plan.

Administration. The Compensation Committee is authorized to administer the 2006 Equity Incentive Plan. The Compensation Committee has the power, subject to the provisions of the 2006 Equity Incentive Plan, to interpret the 2006 Equity Incentive Plan and the agreements pursuant to which stock options, restricted common stock, restricted stock units, deferred stock units, SARs and performance units are granted or awarded, and to adopt such rules for the administration, interpretation and application of the 2006 Equity Incentive Plan as are consistent therewith and to interpret, amend or revoke any such rules. The Compensation Committee has the power, subject to the provisions of the 2006 Equity Incentive Plan, to designate the key employees and consultants to receive awards from time to time; to determine the nature and extent of the awards to be made; to determine the time when awards will be made; to establish the performance goals and determine the period of time within which performance is measured; to establish the various targets and bonus amounts which may be earned; to specify the relationship between the performance goals and the targets and amounts that may be earned; to determine the period of time during which shares of restricted stock and restricted stock units are subject to restrictions; to determine the conditions for the payment of awards; and to prescribe the forms of agreements and documents evidencing the awards. The Compensation Committee, in its absolute discretion, will determine the effect of a participant's termination on unvested options, restricted common stock and restricted stock units unless otherwise provided in the 2006 Equity Incentive Plan.

TYPES OF EQUITY-BASED AWARDS

Stock Options. The Compensation Committee may grant stock options to eligible persons under the 2006 Equity Incentive Plan. Each option granted pursuant to the 2006 Equity Incentive Plan is designated at the time of grant as either an option intended to qualify as an incentive stock option under Section 422 of the Code or as an option that is not intended to so qualify, referred to as a nonqualified stock option. Nonqualified stock options may be granted to all eligible persons, but incentive stock options may be granted only to employees of the Company and its subsidiaries. The Compensation Committee may set the exercise price of stock options, provided that the exercise price per share is not less than the par value of a share of common stock and is not less than the fair market value of the underlying common stock on the date of grant. Stock options will vest and become exercisable in such a manner and on such date or dates as are determined by the Compensation Committee. Any incentive stock options granted pursuant to the 2006 Equity Incentive Plan will expire after a period not exceeding ten years from the date of grant, as determined by the Compensation Committee, subject to earlier termination in the event that the participant's employment or service with the Company or a subsidiary ceases before the end of the option period. If an incentive stock option is granted to a key employee who owns or is deemed to own more than 10% of the combined voting power of all classes of the Company's stock, the option period may not exceed five years and the exercise price may not be less than 110% of the fair market value of the underlying common stock on the date of grant. The exercise price for any option is generally payable in cash or, in certain circumstances, by the surrender, at the fair market value on the date on which the option is exercised, of shares of the Company's common stock having a value equal to the exercise price. The 2006 Equity Incentive Plan permits optionholders to exercise their options prior to the date on which the options will vest, subject to Compensation Committee action. In such case, the optionholder will, upon payment for the shares, receive restricted stock having vesting terms that are identical to the vesting terms under the original option and subject to repurchase by the

Company while the restrictions on

7

vesting are in effect. Each stock option is to be evidenced by an award agreement containing such provisions, consistent with the 2006 Equity Incentive Plan, as are determined by the Compensation Committee.

Restricted Common Stock. The Compensation Committee may award restricted common stock to key employees and consultants under the 2006 Equity Incentive Plan. The participant's rights to the restricted common stock are subject to certain transferability and forfeiture restrictions during a restricted period which commences on the date of grant of the restricted common stock and expires from time to time in accordance with a schedule established by the Compensation Committee. While the restrictions are in place, the participant generally has the rights and privileges of a stockholder as to the restricted common stock, including the right to vote the restricted common stock and to receive dividends thereon. Upon the expiration of the restricted period, the restrictions are of no further force or effect with respect to the restricted common stock. Each restricted common stock award is to be evidenced by an award agreement between the Company and the participant setting forth the applicable restrictions.

Restricted Stock Units and Deferred Stock Units. The Compensation Committee may award restricted stock units and deferred stock units to key employees and consultants under the 2006 Equity Incentive Plan, each for the duration that it determines in its discretion. Each restricted stock unit and each deferred stock unit is equivalent in value to one share of common stock and entitles the participant receiving the award to receive one share of common stock for each restricted stock unit at the end of the vesting period applicable to such restricted stock unit and for each deferred stock unit at the end of the deferral period. Participants are not required to pay any additional consideration in connection with the settlement of restricted stock units or deferred stock units. A holder of restricted stock units or deferred stock units has no voting rights, right to receive cash distributions or other rights as a stockholder until shares of common stock are issued to the holder in settlement of the stock units. However, participants holding restricted stock units or deferred stock units are entitled to receive dividend equivalents with respect to any payment of cash dividends on an equivalent number of shares of common stock. Such dividend equivalents are credited in the form of additional stock units.

Stock Appreciation Rights. The Compensation Committee may award stock appreciation rights to key employees and consultants, alone or in tandem with stock options, pursuant to the 2006 Equity Incentive Plan. SARs are awards that give the participant the right to receive an amount equal to (1) the number of shares exercised under the right, multiplied by (2) the amount by which the Company's stock price exceeds the exercise price. Payment may be in cash, in shares of the Company's common stock with equivalent value, or in some combination, as determined by the Compensation Committee. The Compensation Committee will determine the exercise price, vesting schedule and other terms and conditions of stock appreciation rights; however, SARs expire under the same rules that apply to stock options.

Performance Units. The Compensation Committee is authorized to establish performance programs and may award performance units to key employees and consultants in accordance with such programs under the 2006 Equity Incentive Plan. Holders of performance units will be entitled to receive payment in cash or shares of our common stock (or in some combination of cash and shares) if the performance goals established by the Compensation Committee are achieved or the

Edgar Filing: ATRION CORP - Form DEF 14A

awards otherwise vest. Each performance unit will have an initial value established by the Compensation Committee. The Compensation Committee will set performance objectives, and such performance objectives may be based upon the achievement of Company-wide, subsidiary or individual goals.

Transferability. A participant's interest in and rights under the 2006 Equity Incentive Plan, including amounts receivable on account of the equity-based awards thereunder, may not be sold, assigned, donated, transferred, or otherwise disposed of, and may not be mortgaged, pledged or encumbered, except in the event of a participant's death to a designated beneficiary to the extent permitted in the 2006 Equity Incentive Plan, or by will or the laws of descent and distribution in the absence of any such designation. The Compensation Committee, however, may allow for the transfer of awards other than incentive stock options to other persons or entities.

Change of Control Provisions. Under the 2006 Equity Incentive Plan, if the Company experiences a change of control, a participant's then unvested options will automatically vest and be fully exercisable, and restricted stock and restricted stock units will vest and no longer be subject to forfeiture, unless otherwise provided in the participant's award agreement or employment agreement. A "change of control" is defined as any of the followings events:

8

- any person, entity or affiliated group, excluding the Company or any employee benefit plan of the Company, acquiring more than 25% of the then outstanding shares of voting stock of the Company,
- the consummation of any merger or consolidation of the Company into another company, such that the holders of the shares of the voting stock of the Company immediately before such merger or consolidation own less than 50% of the voting power of the securities of the surviving company or the parent of the surviving company,
- the adoption of a plan for complete liquidation of the Company or the sale or disposition of all or substantially all of the Company's assets, such that after the transaction, the holders of the shares of the voting stock of the Company immediately prior to the transaction own less than 50% of the voting securities of the acquiror or the parent of the acquiror, or
- during any period of two (2) consecutive years, individuals who at the beginning of such period constituted the Board (including for this purpose any new director whose election or nomination for election by the Company's stockholders was approved by a vote of at least a majority of the directors then still in office who were directors at the beginning of such period) cease for any reason to constitute at least a majority of the Board.

Amendment and Termination. The Board of Directors may amend or terminate the 2006 Equity Incentive Plan at any time. The Board of Directors may also

Edgar Filing: ATRION CORP - Form DEF 14A

suspend and, if suspended, reinstate the 2006 Equity Incentive Plan in whole or in part at any time and from time to time. Any amendment of the 2006 Equity Incentive Plan must be approved by the Company's stockholders to the extent that such approval is required by the 2006 Equity Incentive Plan, applicable law, regulations or rules.

FEDERAL INCOME TAX CONSEQUENCES

The following is a summary of the material United States federal income tax consequences of the 2006 Equity Incentive Plan to the Company and the participants. The summary is based on current federal income tax law, which is subject to change, and does not address state, local, or foreign tax consequences or considerations.

Stock Options. The grant of stock options under the 2006 Equity Incentive Plan will not result in taxable income at the time of the grant for either the Company or the optionee. Upon exercising an incentive stock option, the optionee will have no taxable income (except that the alternative minimum tax may apply) and the Company will receive no deduction. Upon exercising a nonqualified stock option, the optionee will recognize ordinary income in the amount by which the fair market value of the common stock at the time of exercise exceeds the option exercise price, and the Company will be entitled to a deduction for the same amount. The optionee's income is subject to withholding tax as wages. The tax treatment of the optionee upon a disposition of shares of common stock acquired through the exercise of a stock option is dependent upon the length of time that the shares have been held and on whether such shares were acquired by exercising an incentive stock option or a nonqualified stock option. If an employee exercises an incentive stock option and holds the shares for two years from the date of grant and one year after exercise, then any gain or loss realized based on the exercise price of the option will be treated as long-term capital gain or loss. Shares obtained upon exercise of an incentive stock option that are sold without satisfying these holding periods will be treated as shares received from the exercise of a nonqualified stock option. Generally, upon the sale of shares obtained by exercising a nonqualified stock option, the optionee will treat the gain realized on the sale as a capital gain. Generally, there will be no tax consequence to the Company in connection with the disposition of shares of common stock acquired under an option, except that the Company may be entitled to a deduction in the case of a disposition of shares acquired upon exercise of an incentive stock option before the applicable holding periods have been satisfied.

Restricted Stock. An award of restricted stock will not result in taxable income to the participant at the time of grant. Upon the lapse of the restrictions, the participant will recognize ordinary income in the amount of the fair market value of the shares of common stock at the time that the restriction lapses. Alternatively, within 30 days after receipt of the restricted stock, a participant may make an election under Section 83(b) of the Code, which would allow the participant to include in income in the year that the restricted common stock is awarded an amount equal

to the fair market value of the restricted stock on the date of such award determined as if the restricted common stock were not subject to restrictions. The Company will be entitled to a deduction for the year in which the participant recognizes ordinary income with respect to the restricted stock in an amount equal to such income. Upon disposition of the stock awarded as restricted stock, the participant will recognize capital gain or loss equal to the difference between the selling price and the sum of the amount paid for such

Edgar Filing: ATRION CORP - Form DEF 14A

stock plus any amount recognized as ordinary income upon issuance or vesting of the stock. Such gain or loss will be long term or short term depending on whether the stock was held for more than one year.

Restricted Stock Units. No taxable income will be recognized upon the award of a restricted stock unit. The participant will generally recognize ordinary income in the year in which the shares subject to that unit are actually vested and issued to the participant in an amount equal to fair market value of the shares on the date of issuance. The Company will be entitled to an income tax deduction equal to the amount of ordinary income recognized by the participant at the time the shares are issued.

Deferred Stock Units. The award of a deferred stock unit generally will not be taxable to the participant and will not be deductible by the Company at the time of the award. At the time a deferred stock unit award is settled in shares of common stock, the participant will recognize ordinary income and the Company will be entitled to a corresponding deduction. Generally the measure of the income and deduction will be the fair market value of the common stock at the time the deferred stock unit is settled.

Stock Appreciation Rights. No taxable income will be realized upon the award of a stock appreciation right. Upon exercise of the stock appreciation right, the fair market value of the shares (or cash in lieu of shares) received is recognized as ordinary income to the participant in the year of such exercise. Generally, the Company will be entitled to an income tax deduction in the year in which such ordinary income is recognized by the participant.

Performance Units. The award of a performance unit generally will not be taxable to the participant at the time of the award, and the Company will not be entitled to a deduction at that time with respect to the award. When the performance goals applicable to the performance unit are attained and amounts are due under the award, the holder of the performance unit will be treated as receiving compensation taxable as ordinary income, and the Company will be entitled to a corresponding deduction.

Potential Limitation on Deductions. Section 162(m) of the Code denies a deduction to any publicly-held corporation for compensation paid to certain "covered employees" in a taxable year to the extent that compensation to each covered employee exceeds \$1,000,000. It is possible that compensation attributable to awards under the 2006 Equity Incentive Plan, when combined with all other types of compensation received by a covered employee from the Company, may cause this limitation to be exceeded in any particular year. However, certain kinds of compensation, including qualified "performance-based compensation," are disregarded for purposes of the deduction limitation.

NEW PLAN BENEFITS

No awards will be granted under the 2006 Equity Incentive Plan until it is approved by the Company's stockholders. In addition, awards granted under the 2006 Plan are subject to the discretion of the Compensation Committee. Therefore, it is not possible to determine the benefits that will be received in the future by key employees and consultants in the 2006 Equity Incentive Plan or the benefits that would have been received by such persons if the 2006 Plan had been in effect in the year ended December 31, 2005.

COMMON STOCK PRICE

The closing price of the Company's common stock on March 28, 2006 as reported on Nasdaq was \$76.76 per share.

In the fourth quarter of each year, the Audit Committee is to review the services expected to be performed by the independent auditor. The Audit Committee will pre-approve fee levels for the up-coming fiscal year for each of the following categories: audit, audit-related and tax compliance/planning services (individual projects less than \$10,000). Tax compliance/planning projects exceeding \$10,000 and all other services not pre-approved in the categories above will require specific pre-approval from the Audit Committee on an individual project basis. Approval for such services may be requested at the next Audit Committee meeting or, if earlier approval is

The Audit Committee will not delegate its responsibilities to pre-approve services performed by the independent auditor to management. However, the Audit Committee has delegated pre-approval authority to the Audit Committee Chairman for unplanned services that arise during the year. The Chairman has the authority to review and approve permissible services up to \$10,000 per service, provided that the aggregate amount of such services does not exceed \$25,000 in any calendar year. The Audit Committee Chairman must report, for informational purposes only, any pre-approval decisions to the Audit Committee at its next scheduled meeting. During 2005, no services were provided by Grant Thornton LLP other than in accordance with the pre-approval policies and procedures then in place.

RETIREMENT PLAN

The Company maintains a cash balance retirement plan (the "Cash Balance Plan") that includes all full-time active employees of the Company and its subsidiaries, other than Quest Medical, Inc., that were hired prior to May 1, 2005. Each participant has an account balance which represents his or her benefit under the Cash Balance Plan. The Cash Balance Plan provides for the Company to make annual allocations to a participant's cash balance account in an amount equal to 3% of the participant's eligible compensation up to the Social Security wage base and 6% in excess thereof and for an interest credit each plan year equal to the rate on 30 year U.S. Treasury bonds during November of the preceding plan year. For the 2005 plan year, the interest rate was 4.89%. "Eligible compensation" is, for the Named Executive Officers, the salary as included in the Summary Compensation Table above, subject to an annual limitation imposed by law which for 2005 was \$210,000 and is \$220,000 in 2006. Generally, each participant becomes fully vested in the benefits under such plan after five years of employment. Benefits may be paid, subject to certain limitations under the Internal Revenue Code of 1986, as amended, upon termination of employment, retirement or death. The Cash Balance Plan specifies various options that participants may select for the distribution of their accrued balance, including forms of annuity payments and lump sum distributions. Both of the Named Executive Officers participate in the Cash Balance Plan. The estimated annual retirement benefits that would be payable to the Named Executive Officers under the Cash Balance Plan at normal retirement age of 65, assuming 4% annual increases in eligible compensation until retirement, no change from 2006 levels of maximum includable compensation and Social Security wage base, and a 30 year U.S. Treasury bond rate of 5.5%, are as follows: Mr. Battat, \$8,801; and Mr. Strickland, \$76,152.

CERTAIN AGREEMENTS, PLANS AND TRANSACTIONS

The Company has an employment agreement with Emile A. Battat, the Company's Chairman, President and Chief Executive Officer, that provides for his employment for an initial term that expires on December 31, 2006. The base salary for each calendar year is \$500,000. In addition, Mr. Battat is entitled to receive a cash bonus each year that is not less than \$100,000. If Mr. Battat's employment is terminated during the term by the Company for other than "just cause" or by Mr. Battat for "good reason" (as those terms are defined in the agreement) or upon Mr. Battat's death or disability, Mr. Battat will receive (1) a cash payment equal to the sum of (i) all cash compensation accrued but not paid and (ii) the base salary and the annual bonus for the remainder of the term, (2) immediate vesting of all stock options or equity granted to him, and (3) continued participation in the Company's health benefit plans for the remainder of the term. In addition, the Company will reimburse Mr. Battat for excise

Edgar Filing: ATRION CORP - Form DEF 14A

taxes imposed on him in the event payments or benefits received by him result in "parachute payments" under the Internal Revenue Code and for income taxes on such reimbursement.

The Company has a severance plan pursuant to which Jeffery Strickland, Vice President and Chief Financial Officer, Secretary and Treasurer of the Company, will be entitled to severance compensation if his employment is terminated under certain conditions set forth in the plan. The severance pay is to be equal to Mr. Strickland's annual base salary for the 12 months preceding the termination of employment.

David A. Battat is the President of Halkey-Roberts Corporation, a Company subsidiary. He was paid \$122,313 base salary and bonus compensation for his services during 2005. In addition, during 2005 he was awarded options to purchase 4,500 shares of the Company's common stock under the 1997 Stock Incentive Plan. David Battat is the son of Emile A. Battat, the Company's Chairman, President and Chief Executive Officer.

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

The Compensation Committee, which is currently comprised of Richard O. Jacobson, Hugh J. Morgan, Jr. and John P. Stupp, Jr., establishes the overall executive compensation program for the Company and makes recommendations for base salaries, salary increases and bonuses for the Company's executive officers. In addition, the Compensation Committee administers the Company's incentive programs that cover the Company's executive officers. The executive compensation program, which is periodically reviewed and modified, as necessary, by the Compensation Committee, is designed to attract, retain and motivate management personnel and includes compensation that is tied to enhanced stockholder value.

Compensation Policies

The principal components of compensation for the Company's executive officers are base salaries, cash bonus and incentive compensation and stock awards. The base salary of one of the Company's executive officers is fixed by contract, and the base salary of the Company's other executive officer is reviewed annually and adjustments made generally on the basis of the Company's performance as measured by certain financial and non-financial criteria, various survey information respecting compensation of executive officers, compensation levels for executive officers in a broad range of companies (which range is broader than the group of companies included in the peer group index used in comparing cumulative stockholder return), cost-of-living information and individual performance of that executive officer. The Compensation Committee has not assigned relative weights or values to any of such criteria. With respect to the financial performance of the Company, the Compensation Committee generally takes into consideration the Company's earnings from continuing operations, earnings per share and total stockholder return. Subject to the terms of any employment agreement or incentive compensation plan, executive officers of the Company are eligible for discretionary bonuses as determined by the Compensation Committee. At the recommendation of the Compensation Committee, the Company and its subsidiaries have implemented cash incentive plans covering certain key employees. These plans are intended to foster a corporate culture focused on bottom line results by providing key employees with a substantial stake in reducing costs and increasing sales and productivity while conserving capital resources.

Stock awards are designed to motivate executives to improve the long-term performance of the Company's Common stock in the market, to encourage them to achieve superior results over the long term and to align the interests of executive officers with those of stockholders. Decisions respecting stock awards are made on the basis of the criteria referred to above.

Compensation of Chief Executive Officer

The Company has an employment agreement with Mr. Battat that expires at the end of 2006. (For a description of the terms of Mr. Battat's employment agreement, see "EXECUTIVE COMPENSATION - Certain Agreements and Plans.") Under the employment agreement, Mr. Battat's base salary is fixed for each year of the term at \$500,000 and he is to receive an annual bonus of not less than \$100,000. In addition to cash compensation under his employment agreement, Mr. Battat is entitled to receive stock-based incentive awards. In making determinations regarding the amount of such bonus and stock-based incentive awards, the Compensation Committee

16

generally reviews the performance of the Company, Mr. Battat's contributions and leadership and the compensation of chief executive officers of other companies. For 2005, the Compensation Committee, at Mr. Battat's request, maintained Mr. Battat's cash bonus at the minimum contractual amount of \$100,000.

Notwithstanding the provisions of this Section 2.2, no shares of Common Stock may again be optioned, granted or awarded pursuant to an Incentive Stock Option if such action would cause such Option to fail to qualify as an Incentive Stock Option under Section 422 of the Code.

4

ARTICLE 3. ELIGIBILITY; GRANTS; AWARD AGREEMENTS

3.1 ELIGIBILITY. Any Key Employee or Consultant selected to participate pursuant to Section 3.2 shall be eligible to participate in the Plan.

3.2 AWARDS. The Committee shall determine which Key Employees and Consultants shall receive Awards, whether the Key Employee or Consultant will receive Options, Restricted Common Stock, Restricted Stock Units, Deferred Stock Units, SARs or Performance Units, whether an Option grant shall be of Incentive Stock Options or Non-Qualified Stock Options, and the number of shares of Common Stock subject to such Award. Notwithstanding the foregoing, the terms and conditions of an Award intended to qualify as performance-based compensation as described in Section 162(m) (4) (C) of the Code shall include, but not be limited to, such terms and conditions as may be necessary to meet the applicable provisions of Section 162(m) of the Code.

3.3 PROVISIONS APPLICABLE TO SECTION 162(M).

3.3.1 Notwithstanding anything in the Plan to the contrary, the Committee may grant Options, Restricted Common Stock, Restricted Stock Units, SARs or Performance Units to a Key Employee that vest upon the attainment of performance targets for the Company which are related to one or more of the following performance goals: (i) pre-tax income, (ii) operating income, (iii) cash flow, (iv) earnings per share, (v) return on equity, (vi) return on invested capital or assets, (vii) cost reductions or savings, (viii) earnings from continuing operations, (ix) total stockholder return, or (x) such other identifiable and measurable performance objectives, as determined by the Committee.

Following the completion of each fiscal year or other designated fiscal period, the Committee shall certify in writing whether the applicable performance targets have been achieved for such fiscal year or other designated fiscal period. In determining the amount earned by such Key Employee, the Committee shall have the right to reduce (but not to increase) the amount payable at a given level of performance to take into account additional factors that the Committee may deem relevant to the assessment of individual or corporate performance for the fiscal year or other designated fiscal period.

Edgar Filing: ATRION CORP - Form DEF 14A

3.4 AWARD AGREEMENT. Upon the selection of a Key Employee or Consultant to receive an Award, the Committee shall cause a written Award Agreement to be issued to such individual encompassing the terms and conditions of such Award, as determined by the Committee in its

5

sole discretion; provided, however, that, if applicable, the terms of such Award Agreement shall comply with the terms of such Key Employee's or Consultant's Employment Agreement, if any. Such Award Agreement shall provide for the exercise price for Options and SARs; the purchase price for Restricted Common Stock, Restricted Stock Units and Deferred Stock Units; the performance criteria for Performance Units; and the exercisability and vesting schedule, payment terms and such other terms and conditions of such Award, as determined by the Committee in its sole discretion. Each Award Agreement shall be executed by the Participant and an officer of the Company authorized to sign such Award Agreement and shall contain such terms and conditions that are consistent with the Plan, including but not limited to the exercisability and vesting schedule, if any, as the Committee in its sole discretion shall determine. All Awards shall be made conditional upon the Participant's acknowledgment, in writing in the Award Agreement or otherwise by acceptance of the Award, that all decisions and determinations of the Committee shall be final and binding on the Participant, his beneficiaries and any other person having or claiming an interest under such Award.

ARTICLE 4. OPTIONS

4.1 AWARD AGREEMENT FOR OPTION GRANT. Option grants shall be evidenced by an Award Agreement, pursuant to Section 3.4. All Award Agreements evidencing Options intended to qualify as performance-based compensation as described in Section 162(m) (4) (C) of the Code shall contain such terms and conditions as may be necessary to meet the applicable provisions of Section 162(m) of the Code. All Award Agreements evidencing Incentive Stock Options shall contain such terms and conditions as may be necessary to meet the applicable provisions of Section 422 of the Code.

4.2 OPTION PRICE. The price per share of the Common Stock subject to each Option shall be set by the Committee; provided, however, that (i) such price shall not be less than the par value of a share of Common Stock and shall not be less than one hundred percent (100%) of the Fair Market Value of a share of Common Stock on the date the Option is granted, (ii) in the case of Incentive Stock Options granted to an individual then owning (within the meaning of Section 424(d) of the Code) more than ten percent (10%) of the total combined voting power of all classes of stock of the Company or any Subsidiary or parent corporation thereof (within the meaning of Section 422 of the Code), such price shall not be less than one hundred and ten percent (110%) of the Fair Market Value of a share of Common Stock on the date the Option is granted.

4.3 QUALIFICATION FOR INCENTIVE STOCK OPTIONS. The Committee may grant an Incentive Stock Option to an individual only if such person is an employee of the Company or is an employee of a Subsidiary as permitted under Section 422(a) (2) of the Code.

4.4 CHANGE IN INCENTIVE STOCK OPTION GRANT. Any Incentive Stock Option granted under this Plan may be modified by the Committee to disqualify such Option from treatment as an Incentive Stock Option under Section 422 of the Code. To the extent that the aggregate Fair Market Value of shares of Common Stock with respect to which Incentive Stock Options (within the meaning of Section 422 of the Code, but without regard to Section 422(d) of the Code) are exercisable for

Edgar Filing: ATRION CORP - Form DEF 14A

the first time by a Participant during any calendar year (under the Plan and all other Incentive Stock Option plans of the Company) exceeds one hundred thousand dollars

6

(\$100,000), such Options shall be treated as Non-Qualified Stock Options to the extent required or permitted by Section 422 of the Code. The rule set forth in the preceding sentence shall be applied by taking Options into account in the order in which they were granted. For purposes of this Section 4.4, the Fair Market Value of shares of Common Stock shall be determined as of the time the Option with respect to such shares of Common Stock is granted, pursuant to Section 4.7.

4.5 OPTION TERM. The term of an Option shall be set by the Committee in its discretion; provided, however, in the case of Incentive Stock Options, the term shall not be more than ten (10) years from the date the Incentive Stock Option is granted, or five (5) years from such date if the Incentive Stock Option is granted to an Employee then owning (within the meaning of Section 424(d) of the Code) more than ten percent (10%) of the total combined voting power of all classes of stock of the Company or any Subsidiary or parent corporation thereof (within the meaning of Section 422 of the Code). Such Incentive Stock Options shall be subject to Section 5.6, except as limited by the requirements of Section 422 of the Code and regulations and rulings thereunder applicable to Incentive Stock Options.

4.6 OPTION EXERCISABILITY AND VESTING.

4.6.1 The period during which Options in whole or in part become exercisable and vest in the Participant shall be set by the Committee and shall be as provided for in the Award Agreement. At any time after the grant of an Option, the Committee may, in its sole and absolute discretion and subject to whatever terms and conditions it selects, accelerate the period during which an Option becomes exercisable and vests.

4.6.2 Each Award Agreement shall set forth the extent to which, if any, the Participant shall have the right to exercise the Options after the Participant's Termination of Employment. Such provisions shall be determined in the sole discretion of the Committee, need not be uniform among the Options granted and may differentiate between the reasons for the Participants' Termination of Employment.

4.6.3 At any time on or after the grant of an Option, the Committee may provide in an Award Agreement that the Participant may elect to exercise part or all of an Option before it otherwise has become exercisable. Any shares of Common Stock so purchased shall be restricted Common Stock and shall be subject to a repurchase right in favor of the Company during a specified restriction period, with the repurchase price equal to the lesser of (i) the price per share paid by the Participant for the Common Stock, or (ii) the Fair Market Value of such Common Stock at the time of repurchase, or such other restrictions as the Committee deems appropriate. The Participant shall have, unless otherwise provided by the Committee in the Award Agreement, all the rights of an owner of Common Stock, subject to the restrictions and provisions of his Award Agreement, including the right to vote such Common Stock and to receive all dividends and other distributions paid or made with respect to Common Stock.

4.6.4 Any Options which are not exercisable and vested immediately prior to a Change of Control, including shares of restricted Common Stock received upon the exercise of an Option as described in Section 4.6.3 above, shall, upon a Change

Edgar Filing: ATRION CORP - Form DEF 14A

of Control, become one hundred percent (100%) exercisable, if not previously exercised, and one hundred percent (100%) vested, unless the Award Agreement or the Participant's Employment Agreement provides otherwise.

7

ARTICLE 5. EXERCISE OF OPTIONS

5.1 EXERCISE. At any time and from time to time prior to the time when any exercisable Option or portion thereof becomes unexercisable under the Plan or the Award Agreement, such Option or portion thereof may be exercised in whole or in part; provided, however, that the Company shall not be required to issue fractional shares of Common Stock and the Committee may, by the terms of the Option, require any partial exercise to be with respect to a minimum number of shares of Common Stock.

5.2 MANNER OF EXERCISE. An exercisable Option, or any exercisable portion thereof, may be exercised solely by delivery to the Company of all of the following prior to the time when such Option or such portion becomes unexercisable under the Plan or the Award Agreement:

5.2.1 A written notice signed by the Participant or other person then entitled to exercise such Option or portion thereof, stating that such Option or portion is being exercised, provided such notice complies with all applicable rules established by the Committee from time to time.

5.2.2 Such representations and documents as the Committee, in its absolute discretion, deems necessary or advisable to effect compliance with all applicable provisions of the Securities Act of 1933, as amended, and any other federal or state securities laws or regulations. The Committee may, in its absolute discretion, also take whatever additional actions it deems appropriate to effect such compliance including, without limitation, causing legends to be placed on certificates for shares of Common Stock and issuing stop-transfer notices to agents and registrars.

5.2.3 In the event that the Option shall be exercised pursuant to Section 10.1 by any person or persons other than the Participant, appropriate proof of the right of such person or persons to exercise the Option or portion thereof.

5.2.4 Full payment (in cash or by check) for the shares of Common Stock with respect to which the Option or portion thereof is exercised, including the amount of any withholding tax due, unless with the prior written consent of the Committee:

5.2.4.1 payment, in whole or in part, is made through the delivery of shares of Common Stock owned by the Participant, duly endorsed for transfer to the Company with a Fair Market Value on the date of delivery equal to the aggregate exercise price of the Option or exercised portion thereof, provided, that shares of Common Stock used to exercise the Option have been held by the Participant for the requisite period of time to avoid adverse accounting consequences to the Company with respect to the Option;

5.2.4.2 payment, in whole or in part, is made through the surrender of shares of Common Stock then issuable upon exercise of the Option having a Fair Market Value on the date of Option exercise equal to the aggregate exercise price of the Option or exercised portion thereof; or

5.2.4.3 payment is made through any combination of the consideration provided for in this Section 5.2.4 or such other method approved by the Committee

consistent with applicable law.

5.3 CONDITIONS TO ISSUANCE OF COMMON STOCK. The Company shall not be required to issue or deliver any certificate or other indicia evidencing ownership of shares of Common Stock

8

purchased upon the exercise of any Option or portion thereof prior to fulfillment of all of the following conditions:

5.3.1 The obtaining of any approval or other clearance from any state or federal governmental agency which the Committee shall, in its sole discretion, determine to be necessary or advisable.

5.3.2 The lapse of such reasonable period of time following the exercise of the Option as the Committee may establish from time to time for reasons of administrative convenience.

5.3.3 The receipt by the Company of full payment for such Common Stock, including payment of any applicable withholding tax.

5.3.4 The Participant agreeing to the terms and conditions of the Plan and the Award Agreement.

5.4 RIGHTS AS STOCKHOLDERS. The holders of Options shall not be, nor have any of the rights or privileges of, stockholders of the Company in respect of any shares of Common Stock purchasable upon the exercise of any part of an Option unless and until certificates or other indicia representing such shares of Common Stock have been issued by the Company to such holders.

5.5 OWNERSHIP AND TRANSFER RESTRICTIONS. The Committee, in its absolute discretion, may impose at the time of grant such restrictions on the ownership and transferability of the shares of Common Stock purchasable upon the exercise of an Option as it deems appropriate. Any such restriction shall be set forth in the Award Agreement and may be referred to on the certificates or other indicia evidencing such shares of Common Stock.

5.6 LIMITATIONS ON EXERCISE OF OPTIONS.

5.6.1 Vested Incentive Stock Options may not be exercised after the earlier of (i) their expiration date, (ii) twelve (12) months from the date of the Participant's Termination of Employment by reason of his death, (iii) twelve (12) months from the date of the Participant's Termination of Employment by reason of his Permanent Disability, or (iv) the expiration of three (3) months from the date of the Participant's Termination of Employment for any reason other than such Participant's death or Permanent Disability, unless the Participant dies within said three (3) month period and the Award Agreement or the Committee permits later exercise. Leaves of absence for less than ninety (90) days shall not cause a Termination of Employment for purposes of Incentive Stock Options.

5.6.2 Non-Qualified Stock Options may be exercised up until their expiration date, unless the Committee provides otherwise in the Award Agreement.

ARTICLE 6. STOCK AWARDS

6.1 AWARD AGREEMENT. Awards of Restricted Common Stock, Restricted Stock Units and Deferred Stock Units shall be evidenced by an Award Agreement, pursuant to Section 3.4. All Award Agreements evidencing Restricted Common Stock, Restricted Stock Units and Deferred Stock Units intended to qualify as performance-based compensation as described in Section 162(m)(4)(C) of the Code shall contain such terms and conditions as may be necessary to meet the applicable provisions of Section 162(m) of the Code.

6.2 AWARDS OF RESTRICTED COMMON STOCK, RESTRICTED STOCK UNITS AND DEFERRED STOCK UNITS.

6.2.1 The Committee may from time to time, in its absolute discretion, consistent with this Plan:

6.2.1.1 determine which Key Employees and Consultants shall receive Stock Awards;

6.2.1.2 determine the aggregate number of shares of Common Stock to be awarded as Stock Awards to Key Employees and Consultants;

6.2.1.3 determine the terms and conditions applicable to such Stock Awards; and

6.2.1.4 determine when the restrictions, if any, lapse.

6.2.2 The Committee may establish the purchase price, if any, and form of payment for a Stock Award. If the Committee establishes a purchase price, the purchase price shall be no less than the par value of the Common Stock to be purchased, unless otherwise permitted by applicable state law.

6.2.3 Upon the selection of a Key Employee or Consultant to be awarded Restricted Common Stock, the Committee shall instruct the Secretary of the Company to issue such Restricted Common Stock and may impose such conditions on the issuance of such Restricted Common Stock as it deems appropriate, subject to the provisions of Article 9.

6.2.4 Upon the selection of a Key Employee or Consultant to be awarded Restricted Stock Units or Deferred Stock Units, the Committee shall instruct the Secretary of the Company to establish a Stock Award Account on behalf of each such Participant. The Committee may impose such conditions on the issuance of such Restricted Stock Units or Deferred Stock Units as it deems appropriate.

6.2.5 Awards of Restricted Common Stock and Restricted Stock Units shall vest pursuant to the Award Agreement.

6.2.6 Upon the occurrence of a Change of Control, all Restricted Common Stock and Restricted Stock Units shall become one hundred percent (100%) vested, unless the Participant's Award Agreement or the Participant's Employment Agreement provides otherwise.

10

6.2.7 A Participant shall be one hundred percent (100%) vested in the number of Deferred Stock Units held in his or her Stock Award Account at all times. The term for which the Deferred Stock Units shall be deferred shall be provided for in the Award Agreement.

Edgar Filing: ATRION CORP - Form DEF 14A

6.3 RIGHTS AS STOCKHOLDERS.

6.3.1 Upon delivery of the shares of Restricted Common Stock to the Participant or the escrow holder pursuant to Section 6.7, the Participant shall have, unless otherwise provided by the Committee in the Award Agreement, all the rights of an owner of Common Stock, subject to the restrictions and provisions of his Award Agreement; provided, however, that in the discretion of the Committee, any extraordinary distributions with respect to the Common Stock shall be subject to the restrictions set forth in Section 6.4.

6.3.2 Nothing in this Plan shall be construed as giving a Participant who receives an Award of Restricted Stock Units or Deferred Stock Units any of the rights of an owner of Common Stock unless and until shares of Common Stock are issued and transferred to the Participant in accordance with the terms of the Plan and the Award Agreement. Notwithstanding the foregoing, in the event that any dividend is paid by the Company with respect to the Common Stock (whether in the form of cash, Common Stock or other property), then the Committee shall, in the manner it deems equitable or appropriate, adjust the number of Restricted Stock Units or Deferred Stock Units allocated to each Participant's Stock Award Account to reflect such dividend.

6.4 RESTRICTION. All shares of Restricted Common Stock issued under this Plan (including any Common Stock received as a result of stock dividends, stock splits or any other form of recapitalization, if any) shall at the time of the Award, in the terms of each individual Award Agreement, be subject to such restrictions as the Committee shall, in its sole discretion, determine, which restrictions may include, without limitation, restrictions concerning voting rights, transferability, vesting, Company performance and individual performance; provided, however, that by action taken subsequent to the time shares of Restricted Common Stock are issued, the Committee may, on such terms and conditions as it may determine to be appropriate, remove any or all of the restrictions imposed by the terms of the Award Agreement. Restricted Common Stock may not be sold or encumbered until all restrictions are terminated or expire.

6.5 LAPSE OF RESTRICTIONS. The restrictions on Awards of Restricted Common Stock and Restricted Stock Units shall lapse in accordance with the terms of the Award Agreement. Each Award Agreement shall set forth whether shares of Restricted Common Stock or Restricted Stock Units then subject to restrictions are forfeited or if the restrictions shall lapse upon the Participant's Termination of Employment. Such provisions shall be determined in the sole discretion of the Committee, need not be uniform among the Awards of Restricted Common Stock or Restricted Stock Units and may differentiate between the reasons for the Participant's Termination of Employment.

6.6 REPURCHASE OF RESTRICTED COMMON STOCK. The Committee may provide in the terms of the Award Agreement awarding Restricted Common Stock that the Company shall have call rights, a right of first offer or a right of refusal regarding shares of Restricted Common Stock then subject to restrictions.

11

6.7 ESCROW. The Company may appoint an escrow holder to retain physical custody of each certificate or control of each other indicia representing shares of Restricted Common Stock until all of the restrictions imposed under the Award Agreement with respect to the shares of Common Stock evidenced by such certificate expire or shall have been removed.

6.8 LEGEND. In order to enforce the restrictions imposed upon shares of

Edgar Filing: ATRION CORP - Form DEF 14A

Restricted Common Stock hereunder, the Committee shall cause a legend or restrictions to be placed on certificates of Restricted Common Stock that are still subject to restrictions under Award Agreements, which legend or restrictions shall make appropriate reference to the conditions imposed thereby.

6.9 CONVERSION. Upon vesting in the case of Restricted Stock Units, and upon the lapse of the deferral period in the case of Deferred Stock Units, such Restricted Stock Units or Deferred Stock Units shall be converted into an equivalent number of shares of Common Stock that will be distributed to the Participant, or in the case of the Participant's death, to the Participant's legal representative. Such distribution shall be evidenced by a stock certificate, appropriate entry on the books of the Company or of a duly authorized transfer agent of the Company, or other appropriate means as determined by the Company.

ARTICLE 7. STOCK APPRECIATION RIGHTS

7.1 AWARD AGREEMENT FOR SARs. Awards of SARs shall be evidenced by an Award Agreement, pursuant to Section 3.4. All Award Agreements evidencing SARs intended to qualify as performance-based compensation as described in Section 162(m) (4) (C) of the Code shall contain such terms and conditions as may be necessary to meet the applicable provisions of Section 162(m) of the Code.

7.2 GENERAL REQUIREMENTS. The Committee may grant SARs separately or in tandem with any Option (for all or a portion of the applicable Option). The Committee shall determine which Key Employees and Consultants shall receive Awards of SARs and the amount of such Awards.

7.3 BASE AMOUNT. The Committee shall establish the base amount of the SAR at the time the SAR is granted. Unless the Committee determines otherwise, the base amount of each SAR shall be equal to the price per share of the related Option or, if there is no related Option, the Fair Market Value of a share of Common Stock as of the date of grant of the SAR.

7.4 TANDEM SARs. Tandem SARs may be granted either at the time the Option is granted or at any time thereafter while the Option remains outstanding; provided, however, that, in the case of an Incentive Stock Option, SARs may be granted only at the time of grant of the Incentive Stock Option. In the case of tandem SARs, the number of SARs granted to a Key Employee or Consultant that shall be exercisable during a specified period shall not exceed the number of shares of Common Stock that the Key Employee or Consultant may purchase upon the exercise of the related Option during such period. Upon the exercise of an Option, the SARs relating to the Common Stock covered by such Option shall terminate. Upon the exercise of the SARs, the related Option shall terminate to the extent of an equal number of shares of Common Stock.

12

7.5 SAR EXERCISABILITY.

7.5.1 The period during which SARs in whole or in part become exercisable shall be set by the Committee and shall be as provided for in the Award Agreement. At any time after the grant of an SAR, the Committee may, in its sole and absolute discretion and subject to whatever terms and conditions it selects, accelerate the period during which the SAR becomes exercisable.

7.5.2 In each Award Agreement, the Committee shall indicate whether the portion of the SAR, if any, that remains non-exercisable upon the Participant's Termination of Employment with the Company is forfeited. In so specifying, the

Edgar Filing: ATRION CORP - Form DEF 14A

Committee may differentiate between the reason for the Participant's Termination of Employment.

7.6 VALUE OF SARS. When a Participant exercises an SAR, the Participant shall receive in settlement of such SAR an amount equal to the value of the stock appreciation for the number of SARs exercised payable in cash, Common Stock or a combination thereof. The stock appreciation for an SAR is the amount by which the Fair Market Value of the underlying Common Stock on the date of exercise of the SAR exceeds the base amount of the SAR.

7.7 FORM OF PAYMENT. The Committee shall determine whether the appreciation in an SAR shall be paid in the form of cash, Common Stock or a combination of the two, in such proportion as the Committee deems appropriate. For purposes of calculating the number of shares of Common Stock to be received, shares of Common Stock shall be valued at their Fair Market Value on the date of exercise of the SAR. If shares of Common Stock are received upon exercise of a SAR, cash shall be delivered in lieu of any fractional shares of Common Stock.

ARTICLE 8. PERFORMANCE UNITS

8.1 AWARD AGREEMENT FOR PERFORMANCE UNITS. Awards of Performance Units shall be evidenced by an Award Agreement, pursuant to Section 3.4. All Award Agreements evidencing Performance Units intended to qualify as performance-based compensation as described in Section 162(m)(4)(C) of the Code shall contain such terms and conditions as may be necessary to meet the applicable provisions of Section 162(m) of the Code.

8.2 GENERAL REQUIREMENTS. Each Performance Unit shall represent the right of the Participant to receive an amount based on the value of the Performance Unit, if performance goals established by the Committee are met. A Performance Unit shall be based on the Fair Market Value of a share of Common Stock or such other measurement base as the Committee deems appropriate. The Committee shall determine and set forth in the Award Agreement the number of Performance Units to be granted and the requirements applicable to such Performance Units. The Committee shall determine which Key Employees and Consultants shall receive Awards of a Performance Unit and the amount of such Awards.

8.3 PERFORMANCE PERIOD AND PERFORMANCE GOALS. When Performance Units are granted, the Committee shall establish the performance period during which performance shall be measured (the "Performance Period"), performance goals applicable to the Performance Units ("Performance Goals") and such other conditions of the Award as the Committee deems appropriate. Performance Goals may relate to the financial performance of the Company or its

13

Subsidiaries, the performance of Common Stock, individual performance or such other criteria as the Committee deems appropriate.

8.4 PAYMENT WITH RESPECT TO PERFORMANCE UNITS. At the end of each Performance Period, the Committee shall determine to what extent the Performance Goals and other conditions of the Performance Units are met, the value of the Performance Units (if applicable), and the amount, if any, to be paid with respect to the Performance Units. Payments with respect to Performance Units shall be made in cash, in Common Stock or in a combination of the two, as determined by the Committee.

ARTICLE 9. ADMINISTRATION

Edgar Filing: ATRION CORP - Form DEF 14A

9.1 COMMITTEE. The Plan shall be administered by the Compensation Committee of the Board. The Board may remove members, add members, and fill vacancies on the Committee from time to time, all in accordance with the Company's Certificate of Incorporation, Bylaws, and with applicable law. The majority vote of the Committee, or for acts taken in writing without a meeting by the unanimous written consent of the members of the Committee, shall be valid acts of the Committee. Committee members may resign at any time by delivering written notice to the Board.

9.2 DUTIES AND POWERS OF COMMITTEE. It shall be the duty of the Committee to conduct the general administration of this Plan in accordance with its provisions. The Committee shall have the power to designate the Key Employees and consultants who shall participate in the Plan and to construe and interpret this Plan and the agreements pursuant to which Options, Restricted Common Stock, Restricted Stock Units, Deferred Stock Units, SARs and Performance Units are granted or awarded, and to adopt such rules for the administration, interpretation, and application of this Plan as are consistent therewith and to interpret, amend or revoke any such rules. Any such Award under this Plan need not be the same with respect to each Participant. Any such interpretations and rules with respect to Incentive Stock Options shall be consistent with the provisions of Section 422 of the Code. All determinations and decisions made by the Committee pursuant to the provisions of the Plan shall be final, conclusive and binding.

9.3 COMPENSATION; PROFESSIONAL ASSISTANCE; GOOD FAITH ACTIONS. Unless otherwise determined by the Board, members of the Committee shall receive no compensation for their services pursuant to this Plan. All expenses and liabilities which members of the Committee incur in connection with the administration of this Plan shall be borne by the Company. The Committee may, with the approval of the Board, employ attorneys, consultants, accountants, appraisers, brokers, or other persons. The Committee, the Company and the Company's officers and directors shall be entitled to rely upon the advice, opinions or valuations of any such persons. All actions taken and all interpretations and determinations made by the Committee or the Board in good faith shall be final and binding upon all Participants, the Company and all other interested persons. No members of the Committee or Board shall be personally liable for any action, determination or interpretation made in good faith with respect to this Plan or any Awards made hereunder, and all members of the Committee and the Board shall be fully protected by the Company in respect of any such action, determination or interpretation.

14

ARTICLE 10. MISCELLANEOUS PROVISIONS

10.1 TRANSFERABILITY.

10.1.1 No Option, Restricted Common Stock, Restricted Stock Unit, Deferred Stock Unit, SAR, Performance Unit, or any right therein or part thereof shall be liable for the debts, contracts or engagements of the Participant or his successors in interest or shall be subject to disposition by transfer, alienation, anticipation, pledge, encumbrance, assignment or any other means, whether such disposition be voluntary or involuntary or by operation of law by judgment, levy, attachment, garnishment or any other legal or equitable proceedings (including bankruptcy), and any attempted disposition thereof shall be null and void and of no effect; provided, however, that nothing in this Section 10.1.1 shall prevent transfers by will or by the applicable laws of descent and distribution or as permitted in Section 10.1.2 below. The Committee shall not be required to accelerate the exercisability of an Award or otherwise

Edgar Filing: ATRION CORP - Form DEF 14A

take any action pursuant to a divorce or similar proceeding in the event Participant's spouse is determined to have acquired a community property interest in all or any portion of an Award. Except as provided below, during the lifetime of the Participant, only he may exercise an Award (or any portion thereof) granted to him under the Plan. After the death of the Participant, any exercisable portion of an Award, prior to the time when such portion becomes unexercisable under the Plan or the applicable Award Agreement or other agreement, may be exercised by his personal representative or by any person empowered to do so under the deceased Participant's will or under the then applicable laws of descent and distribution.

10.1.2 Notwithstanding the foregoing, the Committee may provide in an Award Agreement, or amend an otherwise outstanding Award Agreement to provide, that a Participant may transfer Non-Qualified Stock Options to family members, or one or more trusts or other entities for the benefit of or owned by family members, consistent with applicable securities laws, according to such terms as the Committee may determine; provided that the Participant receives no consideration for the transfer of a Non-Qualified Stock Option and the transferred Non-Qualified Stock Option shall continue to be subject to the same terms and conditions as were applicable to the Non-Qualified Stock Option immediately before the transfer and shall be exercisable by the transferee according to the same terms as applied to the Participant.

10.2 AMENDMENT, SUSPENSION OR TERMINATION OF THIS PLAN.

10.2.1 Except as otherwise provided in this Section 10.2, this Plan may be wholly or partially amended or otherwise modified, suspended or terminated at any time or from time to time by the Board; provided, however, no action of the Board may be taken that would otherwise require stockholder approval as a matter of applicable law, regulation or rule, without the consent of the stockholders. The Board and the Committee cannot reprice, replace or regrant through cancellation or by lowering the price per share of a previously granted Option unless the stockholders of the Company provide prior approval. No amendment, suspension or termination of this Plan shall impair any rights or obligations under any Award theretofore made to a Participant, unless such right has been reserved in the Plan or the Award Agreement, without the consent of the Participant holding such Award. No Award may be made during any period of suspension or after termination of this Plan. In no event may any Award be made under this Plan after May 22, 2016.

15

10.2.2 Notwithstanding the foregoing, the Board or the Committee may take any action necessary to comply with a change in applicable law, irrespective of the status of any Award as vested or unvested, exercisable or unexercisable, at the time of such change in applicable law.

10.3 CHANGES IN COMMON STOCK OR ASSETS OF THE COMPANY, ACQUISITION OR LIQUIDATION OF THE COMPANY AND OTHER CORPORATE EVENTS.

10.3.1 In the event that the Committee determines, in its sole discretion, that any dividend or other distribution (whether in the form of cash, Common Stock, other securities, or other property), on account of a recapitalization, reclassification, stock split, reverse stock split, reorganization, merger, consolidation, split-up, spin-off, combination, repurchase, liquidation, dissolution, or sale, transfer, exchange or other disposition of all or substantially all of the assets of the Company, or exchange of Common Stock or other securities of the Company, issuance of warrants or other rights to purchase Common Stock or other securities of the Company, or other similar

Edgar Filing: ATRION CORP - Form DEF 14A

event, affects the Common Stock such that an adjustment is appropriate in order to prevent dilution or enlargement of the benefits or potential benefits intended to be made available under the Plan, then the Committee may, in such manner as it may deem equitable, adjust any or all of the following:

10.3.1.1 the maximum number of shares of Common Stock available for Awards;

10.3.1.2 the maximum number of shares of Common Stock subject to the Plan;

10.3.1.3 the number and kind of Company stock with respect to which an Award may be made under the Plan;

10.3.1.4 the number and kind of Company stock subject to an outstanding Award; and

10.3.1.5 the exercise price or purchase price with respect to any Award.

10.3.2 In the event of any transaction or event described in Section 10.3.1 or any unusual or nonrecurring transactions or events affecting the Company, or the financial statements of the Company, or of changes in applicable laws, regulations, or accounting principles, the Committee in its discretion is hereby authorized to take any one or more of the following actions whenever the Committee determines, in its sole discretion, that such action is appropriate in order to prevent dilution or enlargement of the benefits or potential benefits intended to be made available under the Plan or with respect to any Award or right under this Plan, to facilitate such transactions or events or to give effect to such changes in laws, regulations or principles:

10.3.2.1 the Committee may provide, by the terms of the Award Agreement or by action taken prior to the occurrence of such transaction or event and either automatically or upon the Participant's request, for (i) the purchase of any such Award for the payment of an amount of cash equal to the amount that could have been attained upon the exercise of such Award or realization of the Participant's rights had such Award been currently exercisable, payable, fully vested or the restrictions lapsed, or (ii) the replacement of such Award with other rights or property selected by the Committee;

16

10.3.2.2 the Committee may provide, by the terms of such Award Agreement or by action taken prior to the occurrence of such transaction or event, that the Award cannot be exercised after such event;

10.3.2.3 the Committee may provide, by the terms of such Award or by action taken prior to the occurrence of such transaction or event, that for a specified period of time prior to such transaction or event such Award shall be exercisable, notwithstanding anything to the contrary in Section 4.6 or the provisions of such Award;

10.3.2.4 the Committee may provide, by the terms of such Award or by action taken prior to the occurrence of such transaction or event, that upon such event, such Award be assumed by the successor or survivor corporation, or a parent or subsidiary thereof, or shall be substituted for by similar Awards covering the stock of the successor or survivor corporation, or a parent or subsidiary thereof, with appropriate adjustments as to the number and kind of shares and prices;

10.3.2.5 the Committee may make adjustments in the number, type and kind of shares of Common Stock subject to outstanding Options, Restricted Common Stock,

Edgar Filing: ATRION CORP - Form DEF 14A

Restricted Stock Units, Deferred Stock Units, SARs and Performance Units and in the terms and conditions of (including the grant or exercise price), and the criteria included in, outstanding Awards, and rights and awards which may be granted in the future; and

10.3.2.6 the Committee may provide, by the terms of an Award of Restricted Common Stock or Restricted Stock Units or by action taken prior to the occurrence of such event, that for a specified period of time prior to such event, the restrictions imposed under an Award Agreement upon some or all shares of the Restricted Common Stock or the Restricted Stock Units may be terminated, and some or all shares of such Restricted Common Stock or some or all of such Restricted Stock Units may cease to be subject to forfeiture under Section 6.5 or repurchase under Section 6.6 after such event.

10.3.3 Subject to Section 10.7, the Committee may, in its sole discretion, at the time of grant, include such further provisions and limitations in any Award Agreement or certificate, as it may deem appropriate and in the best interests of the Company; provided, however, that no such provisions or limitations shall be contrary to the terms of the Participant's Employment Agreement or the terms of this Plan.

10.3.4 Notwithstanding the foregoing, in the event of a transaction or event described in Sections 10.3.1 or any unusual or nonrecurring transactions or events affecting the Company, no action pursuant to this Section 10.3 shall be taken that is specifically prohibited under applicable law, the rules and regulations of any governing governmental agency or national securities exchange, or the terms of the Participant's Employment Agreement.

10.4 CONTINUED EMPLOYMENT. Nothing in this Plan or in any Award Agreement hereunder shall confer upon any Participant any right to continue his employment, consulting or similar relationship with the Company, whether as an employee or consultant or otherwise, or shall interfere with or restrict in any way the rights of the Company, which are hereby expressly reserved, to discharge or terminate the relationship with any Participant at any time for any

17

reason whatsoever, subject to the terms of any Employment Agreement entered into by the Participant and the Company.

10.5 TAX WITHHOLDING. The Company shall be entitled to require payment in cash or deduction from other compensation payable to each Participant of any sums required by federal, state or local tax law to be withheld with respect to the issuance, vesting, exercise or lapse of any restriction of any Option, Restricted Common Stock, Restricted Stock Unit, Deferred Stock Unit, SAR or Performance Unit. The Committee may, in its sole discretion and in satisfaction of the foregoing requirement, allow such Participant to elect to have the Company withhold shares of Common Stock otherwise issuable under such Award (or allow the return of shares of Common Stock) having a Fair Market Value equal to the sums required to be withheld; provided, however, that any shares of Common Stock withheld shall be no greater than an amount that does not exceed the Participant's minimum applicable withholding tax rate for federal (including FICA), state and local tax liabilities.

10.6 FORFEITURE PROVISIONS. Pursuant to its general authority to determine the terms and conditions applicable to Awards, the Committee shall have the right to provide, in the terms of such Award, or to require the Participant to agree by separate written instrument, that the Award shall terminate and any unexercised portion of such Award (whether or not vested) shall be forfeited if (i) a

Edgar Filing: ATRION CORP - Form DEF 14A

Termination of Employment occurs prior to a specified date, or within a specified time period following receipt or exercise of the Award, (ii) the Participant at any time, or during a specified time period, engages in any activity in competition with the Company, or which is inimical, contrary or harmful to the interests of the Company, as further defined by the Committee or as specified in the Participant's Employment Agreement, or (iii) the Company terminates the Participant with or without cause.

10.7 LIMITATIONS APPLICABLE TO SECTION 16 PERSONS AND PERFORMANCE-BASED COMPENSATION. Notwithstanding any other provision of this Plan, any Option, Restricted Common Stock, Restricted Stock Unit, Deferred Stock Unit, SARs, or Performance Units granted or awarded to any individual who is then subject to Section 16 of the Exchange Act shall be subject to any additional limitations set forth in any applicable exemptive rule under Section 16 of the Exchange Act (including any amendment to Rule 16b-3 of the Exchange Act). To the extent permitted by applicable law, Options granted or awarded hereunder shall be deemed amended to the extent necessary to conform to such applicable exemptive rule. Furthermore, notwithstanding any other provision of this Plan to the contrary, any Award that is intended to qualify as performance-based compensation as described in Section 162(m)(4)(C) of the Code shall be subject to any additional limitations set forth in Section 162(m) of the Code (including any amendment to Section 162(m) of the Code) or any regulations or rulings issued thereunder that are requirements for qualification as performance-based compensation as described in Section 162(m)(4)(C) of the Code, and this Plan shall be deemed amended to the extent necessary to conform to such requirements.

10.8 EFFECT OF PLAN UPON OPTION AND COMPENSATION PLANS. The adoption of this Plan shall not affect any other compensation or incentive plans in effect for the Company. Nothing in this Plan shall be construed to limit the right of the Company (i) to establish any other forms of incentives or compensation for employees or consultants, or (ii) to grant or assume options or other rights otherwise than under this Plan in connection with any proper corporate purpose

18

including but not by way of limitation, the grant or assumption of options in connection with the acquisition by purchase, lease, merger, consolidation or otherwise, of the business, stock or assets of any corporation, partnership, limited liability company, firm or association.

10.9 COMPLIANCE WITH LAWS. This Plan, the granting and vesting of Awards under this Plan and the issuance and delivery of shares of Common Stock and the payment of money under this Plan or under Awards awarded hereunder are subject to compliance with all applicable federal and state laws, rules and regulations (including but not limited to state and federal securities law and federal margin requirements) and to such approvals by any listing, regulatory or governmental authority as may, in the opinion of counsel for the Company, be necessary or advisable in connection therewith. Any securities delivered under this Plan shall be subject to such restrictions, and the person acquiring such securities shall, if requested by the Company, provide such assurances and representations to the Company as the Company may deem necessary or desirable to assure compliance with all applicable legal requirements. To the extent permitted by applicable law, the Plan shall be deemed amended to the extent necessary to conform to such laws, rules and regulations.

10.10 EFFECTIVE DATE. This Plan shall be effective on the date it is approved by the stockholders of the Company.

10.11 TITLES. Titles are provided herein for convenience only and are not to

serve as a basis for interpretation or construction of this Plan.

10.12 GOVERNING LAW. This Plan and any agreements hereunder shall be administered, interpreted and enforced under the laws of the State of Texas, without regard to that state's conflicts of laws rules.
