**Item 3.01. Notice of Delisting or Failure to Satisfy a Continued Listing Rule or Standard; Transfer of Listing**

On September 27, 2012, China Advanced Construction Materials Group, Inc. (the Company) received a letter from The Nasdaq Stock Market (NASDAQ) notifying the Company that for the preceding 30 consecutive trading days, the market value of publicly held shares (MVPHS) of the Company's common stock had closed below the minimum \$5 million requirement for continued listing on The Nasdaq Global Market as required by to NASDAQ Listing Rule 5450(b)(1)(C). The letter stated that the Company has 180 days (or until March 26, 2013) to demonstrate compliance with the MVPHS requirement by maintaining a MVPHS of at least \$5 million for a minimum of 10 consecutive trading days.

The letter advised the Company that, in the event the Company believes that it will be unable to regain compliance with the MVPHS requirement by March 26, 2013, that the Company may want to consider submitting an application to transfer to the NASDAQ Capital Market should the Company meet the requirements for continued listing on that market. The Company intends to monitor the MVPHS of its common stock and consider available options to resolve the deficiency and regain compliance with the MVPHS requirement by March 26, 2013.

In the event that the Company does not regain compliance with the MVPHS requirement prior to March 26, 2013, or, alternatively, successfully transfer to the NASDAQ Capital Market, the Company's common stock will be subject to delisting.
