Severance Plan

On March 12, 2019, the Board of Directors of Toll Brothers, Inc. (the “Company”) adopted the Toll Brothers, Inc. Executive Severance Plan (the “Severance Plan”) to provide severance benefits to certain eligible employees of the Company and its affiliates who experience a termination of employment under the conditions described in the Severance Plan. Eligible employees under the Severance Plan include each of the Chairman and Chief Executive Officer (“CEO”) Douglas C. Yearley, Chief Financial Officer Martin P. Connor and President and Chief Operating Officer Richard T. Hartman (collectively, the “Named Executive Officers”). The Severance Plan is effective as of March 12, 2019. Terms not otherwise defined herein have the meanings assigned to them in the Severance Plan.

Non-Change-in-Control Severance. Under the terms of the Severance Plan, if certain Participants, who currently consist solely of the Named Executive Officers, experience a “covered termination” (as described below) not in connection with a change-in-control of the Company, the Company will provide the Participant with the following severance payments and benefits, subject to his or her continued compliance with the Non-Interference Agreement and the execution and non-revocation of a release of claims:

- an amount equal to 1.5 times (2.0 times for the CEO) the sum of the Participant’s annual base salary and target annual bonus, payable in a single lump sum within 60 days following the Participant’s covered termination;

- a prorated annual bonus for the year of termination of employment based on actual performance, payable at the same as the bonus paid to other similarly-situated employees under the Company’s annual incentive award program (and in all events prior to March 15 of the calendar year immediately following the calendar year in the covered termination occurs);

- an amount equal to the product of (x) the Participant’s monthly COBRA premium for continued health insurance coverage and (y) 18 (24 for the CEO), payable in a lump sum within 60 days following the Participant’s covered termination; and

- reasonable outplacement services for a period corresponding to the time period that is the lesser of (i) 18 months (24 months for the CEO) and (ii) the period beginning on the date of the covered termination and ending on the two-year anniversary of the covered termination.

Change-in-Control Severance. Under the terms of the Severance Plan, if a Participant experiences a covered termination (i) within two years after the occurrence of a change in control of the Company or (ii) within six months prior to a change in control and such termination is reasonably demonstrated to be in connection with or in anticipation of a change in control, or is at the request of a third party who has reasonably calculated or intended to effect a change in control of the Company, the Company will provide the Participant severance payments and benefits, subject to his or her continued compliance with the Non-Interference Agreement and the execution and non-revocation of a release of claims. For the Named Executive Officers, these payments and benefits are as follows:

- an amount equal to 2.0 times (2.5 times for the CEO) the sum of the Participant’s annual base salary and target annual bonus, payable in a single lump sum within 60 days following the Participant’s covered termination;

- a prorated target annual bonus for the year of termination of employment, payable at the same as the bonus paid to other similarly-situated employees under the Company’s annual incentive award program (and in all events prior to March 15 of the calendar year immediately following the calendar year in the covered termination occurs);

- an amount equal to the product of (x) the Participant’s monthly COBRA premium for continued health insurance coverage and (y) 24 (30 for the CEO); and

- reasonable outplacement services for a period equal to the lesser of (i) 24 months (30 months for the CEO) or (ii) the period beginning on the date of the covered termination and ending on the two-year anniversary of the covered termination.

Eligible employees who receive severance benefits under the Severance Plan will be bound by certain restrictive covenants in favor of the Company, including the confidentiality, non-disparagement, non-competition and non-solicitation covenants included in the Non-Interference Agreement attached as an exhibit to the Severance Plan. Pursuant to the Non-Interference Agreement, each Participant will be subject to non-compete and non-solicitation periods of two years following the Participant's termination of employment for any reason.

Covered Termination. A "covered termination" means the Participant's employment is terminated by the Company without Cause or the Participant resigns with Good Reason, subject to the limitations described in the Severance Plan. Section 280G. The Severance Plan provides that if payments and benefits provided to the Participant would constitute an "excess parachute payment" for purposes of Section 280G of the tax code, the Participant will either have his or her payments and benefits reduced to the highest amount that could be paid without triggering Section 280G or receive the after-tax amount of his or her payment and benefits, whichever results in the greater after-tax benefit, taking into account the excise tax imposed under Section 4999 of the tax code and any applicable federal, state and local taxes. Termination or Amendment of the Plan. The Severance Plan may be amended, terminated or discontinued in whole or in part, at any time and from time to time at the discretion of the Company's Board of Directors or its Executive Compensation Committee; provided, however, that no adverse amendment, termination or discontinuance may be made without the consent of a Participant who has undergone a covered termination prior to the effective date of any such adverse amendment, termination or discontinuance. In addition, following a change in control of the Company, the Severance Plan may not be amended, terminated or discontinued in whole or in part, at any time prior to the second anniversary of the date of such change in control without the written consent of an affected Participant. The foregoing description of the Severance Plan does not purport to be complete and is qualified in its entirety by reference to the full text of the Severance Plan, which is attached hereto as Exhibit 10.1 and incorporated herein by reference.
