PROXY STATEMENT
QUESTIONS AND ANSWERS ABOUT THE PROXY MATERIALS AND
OUR 2010 ANNUAL MEETING

Q: Why am I receiving these materials?

A: Our board of directors is providing these proxy materials to you in connection with our board's solicitation of proxies for use at our 2010 Annual Meeting of Stockholders, which will take place on June 10th, 2010. Stockholders are invited to attend the 2010 Annual Meeting and are requested to vote on the proposals described in this proxy statement.

Q: What information is contained in these materials?

A: The information included in this proxy statement relates to the proposals to be voted on at the 2010 Annual Meeting, the voting process, the compensation of our directors and our most highly paid executive officers, and certain other required information.

Q: Why did I receive a notice in the mail regarding the Internet availability of proxy materials instead of a full set of proxy materials?

A: In accordance with SEC rules, we may furnish proxy materials, including this proxy statement and our 2009 Annual Report to Stockholders, which includes our audited consolidated financial statements for the year ended December 31, 2009, to our stockholders by providing access to these documents on the Internet instead of mailing printed copies. Our stockholders will not receive printed copies of the proxy materials unless they request them. Instead, the Notice of Internet Availability that was mailed to our stockholders will instruct you as to how you may access and review all of the proxy materials on the Internet. This notice also instructs you as to how you may submit your proxy on the Internet. If you would like to receive a paper or email copy of our proxy materials, including a copy of our 2009 Annual Report, you should follow the instructions in the notice for requesting these materials.

Q: How do I get electronic access to the proxy materials?

A: The Notice of Internet Availability will provide you with instructions regarding how to:
view our proxy materials for the Annual Meeting on the Internet; and
instruct us to send our future proxy materials to you electronically by email.

Choosing to receive your future proxy materials by email will save us the cost of printing and mailing documents to you and will reduce the impact of printing and mailing these materials on the environment. If you choose to receive future proxy materials by email, you will receive an email next year with instructions containing a link to those materials and a link to the proxy voting site. Your election to receive proxy materials by email will remain in effect until you terminate it.

Q: What proposals will be voted on at the 2010 Annual Meeting?

A: There are two proposals scheduled for a vote at the 2010 Annual Meeting:
the election of three directors for a three-year term each; and

the ratification of the appointment of Deloitte & Co S.R.L. as our independent registered public accounting firm for the fiscal year ending December 31, 2010.

Table of Contents

Q: What are our board's voting recommendations?

A: Our board recommends that you vote your shares **FOR** each of the nominees to our board and **FOR** the ratification of the appointment of our independent registered public accounting firm.

Q: How many shares are entitled to vote?

A: Each share of our common stock outstanding as of the close of business on April 15, 2010, the record date, is entitled to one vote at the 2010 Annual Meeting. At the close of business on April 15, 2010, 44,126,557 shares of our common stock were outstanding and entitled to vote. You may vote all of the shares owned by you as of the close of business on the record date and each share of common stock held by you on the record date represents one vote. These shares include shares that are (1) held of record directly in your name and (2) held for you as the beneficial owner through a stockbroker, bank, or other nominee.

Q: What is the difference between holding shares as a stockholder of record and as a beneficial owner?

A: Most stockholders of MercadoLibre hold their shares beneficially through a stockbroker, bank, or other nominee rather than directly in their own name. There are some distinctions between shares held of record and shares owned beneficially, specifically:

Shares held of record

If your shares are registered directly in your name with our transfer agent, BNY Mellon Shareowner Services, you are considered the stockholder of record with respect to those shares, and the Notice of Internet Availability was sent directly to you by MercadoLibre. As the stockholder of record, you have the right to grant your voting proxy directly to us or to vote in person at the 2010 Annual Meeting. If you requested to receive printed proxy materials, we have enclosed or sent a proxy card for you to use. You may also vote on the Internet or by telephone, as described in the notice and below under the heading **How can I vote my shares without attending the Annual Meeting?**

Shares owned beneficially

If your shares are held in a stock brokerage account or by a bank or other nominee, you are considered the beneficial owner of shares held in street name, and the Notice of Internet Availability was forwarded to you by your broker or nominee who is considered, with respect to those shares, the stockholder of record. As the beneficial owner or nominee, you have the right to direct your broker or other nominee on how to vote the shares in your account, and you are also invited to attend the 2010 Annual Meeting.

However, because you are not the stockholder of record, you may not vote these shares in person at the 2010 Annual Meeting unless you request and receive a valid proxy from your broker or other nominee. If you do not wish to vote in person or you will not be attending the Annual Meeting, you may vote by proxy. You may vote by proxy over the Internet or by telephone, as described in the notice and below under the heading **How can I vote my shares without attending the Annual Meeting?**

Q: Can I attend the 2010 Annual Meeting?

A: You are invited to attend the 2010 Annual Meeting if you are a stockholder of record or a beneficial owner as of April 15, 2010. If you are a stockholder of record, you must bring proof of identification such as a valid driver's license. If you hold your shares through a stockbroker or other nominee, you will need to provide proof of ownership by bringing either a copy of the voting instruction card provided by your broker or a copy of a brokerage statement showing your share ownership as of April 15, 2010. If you do not attend the 2010 Annual Meeting, you can listen to a live webcast of the proceedings at our investor relations site at investor.mercadolibre.com.

Table of Contents

Q: How can I vote my shares in person at the 2010 Annual Meeting?

A: Shares held directly in your name as the stockholder of record may be voted in person at the 2010 Annual Meeting. If you choose to vote in person, please bring proof of identification. Even if you plan to attend the 2010 Annual Meeting, we recommend that you vote your shares in advance as described below so that your vote will be counted if you later decide not to attend the 2010 Annual Meeting. Shares held in street name through a brokerage account or by a bank or other nominee may be voted in person by you if you obtain a valid proxy from the record holder giving you the right to vote the shares.

Q: How can I vote my shares without attending the 2010 Annual Meeting?

A: Whether you hold shares directly as the stockholder of record or beneficially in street name, you may vote without attending the 2010 Annual Meeting as follows:

If you are a stockholder of record, you may vote by proxy. You can vote by proxy over the Internet by following the instructions provided in the Notice of Internet Availability, or, if you requested to receive printed proxy materials, you can also vote by mail or telephone pursuant to instructions provided on the proxy card.

If you hold shares beneficially in street name, you may also vote by proxy over the Internet by following the instructions provided in the Notice of Internet Availability, or, if you requested to receive printed proxy materials, you can also vote by telephone or mail by following the voting instruction card provided to you by your broker, bank, trustee or nominee. Under Delaware law, votes cast by Internet or telephone have the same effect as votes cast by submitting a written proxy card.

Q: Can I change my vote or revoke my proxy?

A: If you are the stockholder of record, you may change your proxy instructions or revoke your proxy at any time before your proxy is voted at the 2010 Annual Meeting. Proxies may be revoked by any of the following actions: filing a timely written notice of revocation with our Corporate Secretary at our principal executive office (Tronador 4890, 8th Floor, Buenos Aires, Argentina, C1430DNN); granting a new proxy bearing a later date (which automatically revokes the earlier proxy) using any of the methods described above (and until the applicable deadline for each method); or attending the 2010 Annual Meeting and voting in person (attendance at the meeting will not, by itself, revoke a proxy).

If your shares are held through a brokerage account or by a bank or other nominee, you may change your vote by: submitting new voting instructions to your broker, bank, or nominee following the instructions they provided; or if you have obtained a legal proxy from your broker, bank, or nominee giving you the right to vote your shares, by attending the Annual Meeting and voting in person.

Q: How are votes counted?

A: In the election of directors, you may vote **FOR** all of the nominees or your vote may be **WITHHELD** with respect to one or more of the nominees. For other items of business, you may vote **FOR**, **AGAINST**, or **ABSTAIN**. If you **ABSTAIN**, it has the same effect as a vote **AGAINST**. If you sign and return your proxy card or broker voting instruction card without giving specific voting instructions, your shares will be voted **FOR** each of proposals and at the discretion of the proxies in any other matters properly brought before the meeting. If you are a beneficial holder and do not return a voting instruction card, your broker may only vote on the ratification of the auditors.

Table of Contents

Q: Who will count the votes?

A: A representative of Hunton & Williams LLP will tabulate the votes and act as the inspector of elections.

Q: What is the quorum requirement for the 2010 Annual Meeting?

A: The quorum requirement for holding the 2010 Annual Meeting and transacting business is a majority of the outstanding shares entitled to be voted. The shares may be present in person or represented by proxy at the 2010 Annual Meeting. Both abstentions and broker non-votes are counted as present for the purpose of determining the presence of a quorum.

Q: What is the voting requirement to approve each of the proposals?

A: In the election for directors, the three persons receiving the highest number of FOR votes will be elected. The proposal to ratify the appointment of the auditors requires the affirmative FOR vote of a majority of those shares present to be approved. If you are a beneficial owner and do not provide the stockholder of record with voting instructions, your shares may constitute broker non-votes.

Q: What are broker non-votes and what effect do they have on the proposals?

A: Generally, broker non-votes occur when shares held by a broker in street name for a beneficial owner are not voted with respect to a particular proposal because (1) the broker has not received voting instructions from the beneficial owner and (2) the broker lacks discretionary voting power to vote those shares. A broker is entitled to vote shares held for a beneficial owner on routine matters without instructions from the beneficial owner of those shares, but is not entitled to vote shares held for a beneficial owner on any non-routine matter without instruction from the beneficial owner. The ratification of our independent registered public accounting firm is considered to be a routine matter. However, the election of directors is not considered to be routine matters and, accordingly, brokers that have not received voting instructions from their clients cannot vote on their clients' behalf on this proposal. Accordingly, broker non-votes will decrease the number of votes cast in the election of directors. **Therefore, it is very important that you provide your broker with voting instructions with respect to the election of directors in one of the manners set forth in this proxy statement.**

Q: Where can I find the voting results of the 2010 Annual Meeting?

A: We will publish final results in a current report on Form 8-K within four business days after the 2010 Annual Meeting, which will be available on our website.

Q: Who will bear the cost of soliciting votes for the 2010 Annual Meeting?

A: We will pay the entire cost of preparing, assembling, printing, mailing, and distributing these proxy materials. If you choose to access the proxy materials and/or vote over the Internet, you are responsible for Internet access charges you may incur. If you choose to vote by telephone, you are responsible for telephone charges you may incur. In addition to the mailing of these proxy materials, the solicitation of proxies or votes may be made in person, by telephone or by electronic communication by our directors, officers and employees, who will not receive any additional compensation for such solicitation activities.

A director elected to fill a vacancy (including a vacancy created by an increase in the size of our board) will serve for the remainder of the term of the class of directors in which the vacancy occurred and until his or her successor is elected and qualified, or until his or her earlier death, resignation, or removal. The nominating and corporate governance committee recommended, and our board nominated, each of Emiliano Calemzuk, Marcos Galperín and Veronica Allende Serra as nominees for election as Class III members of our board at the 2010 Annual Meeting. If elected at the 2010 Annual Meeting, each of the nominees would serve until our 2013 annual meeting and until his or her successor is elected and qualified, or until his or her earlier death, resignation, or removal.

If any of the nominees is unexpectedly unavailable for election, shares represented by validly delivered proxies will be voted for the election of a substitute nominee proposed by our nominating and corporate governance committee or our board may determine to reduce the size of our board. Each person nominated for election has agreed to serve if elected.

Director Independence and Family Relationships

NASDAQ rules require listed companies to have a board of directors with at least a majority of independent directors. Under NASDAQ's rules, in order for a director to be deemed independent, our board must determine that the individual does not have a relationship that would interfere with the director's exercise of independent judgment in carrying out his or her responsibilities. As part of our corporate governance guidelines, our board has adopted guidelines setting forth categories of relationships that it has deemed material for purposes of making a determination regarding a director's independence. On an annual basis, each member of our board is required to complete a questionnaire designed to provide information to assist our board in determining whether the director is independent under NASDAQ rules and our corporate governance guidelines. Our board has determined that each of Messrs. Calemzuk, de los Santos, Levy, Spence and Vázquez and Ms. Serra, is independent under the listing standards of The NASDAQ Global Market and our corporate governance guidelines. Our governance guidelines require any director who has previously been determined to be independent to inform the chairman of our board and our corporate secretary of any change in circumstance that may cause his or her status as an independent director to change.

Other than Marcos Galperín and Nicolás Galperín, who are brothers, there are no family relationships among our officers and directors, nor are there any arrangements or understandings between any of our directors or officers or any other person pursuant to which any officer or director was or is to be selected as an officer or director.

Board Leadership Structure

We do not have a fixed policy with respect to the separation of the offices of the chairman of the board and chief executive officer and believe that any determination in this regard is part of the CEO succession planning process. The board understands that there is no single, generally accepted approach to providing board leadership and, in light of the competitive and dynamic environment in which we operate, the appropriate board leadership structure may vary from time to time as circumstances warrant.

Mr. Galperín currently serves as both our chairman and our president and chief executive officer. Our board believes service in these dual roles is in the best interests of the company and our shareholders. Mr. Galperín co-founded the company, has served as chief executive officer since our inception and is the only member of management on the board. The board is confident that he possesses the most thorough knowledge of the issues, opportunities and challenges facing us and our business and, accordingly, is the person best positioned to develop agendas that ensure that the board's time and attention are focused on the most critical matters. His combined role enables decisive leadership, ensures clear accountability, and enhances our ability to communicate our message and strategy clearly and consistently to our shareholders, employees and users.

Because the board also believes that strong, independent board leadership is a critical aspect of effective corporate governance, the board has established the position of lead independent director. The lead independent director is an independent director elected annually by the board. Ms. Serra currently serves as the lead independent director. As lead independent director, she chairs and can call formal closed sessions of the outside directors, leads board meetings

in the absence of the chairman, and leads the annual board self-assessment process. In addition, the lead independent director, together with the chair of the corporate governance and nominating committee, conducts interviews to confirm the continued qualification and willingness to serve of each director whose term is expiring at an annual meeting prior to the time at which directors are nominated for re-election.

Our board will continually evaluate the current leadership structure of the board with the goal of maximizing its effectiveness.

Risk Oversight

Our board of directors provides various forms of risk oversight. As part of this process, the board seeks to identify, prioritize, source, manage and monitor our critical risks. To this end, our board periodically, and at least annually, reviews the material risks faced by us, our risk management processes and systems and the adequacy of our policies and procedures designed to respond to and mitigate these risks.

The board has generally retained the primary risk oversight function and has an active role, as an entirety and also at the committee level, in overseeing management of our material risks. The board regularly reviews information regarding our operations, strategic plans and liquidity, as well as the risks associated with each. The audit committee oversees management of financial and internal control risks as well as the risks associated with related party transactions. Our director of internal audit reports directly to the audit committee. The compensation committee is responsible for overseeing the management of risks relating to our executive compensation plans and arrangements. The nominating and corporate governance committee oversees the management of risks associated with the composition and independence of our board and oversees our corporate governance policies and procedures related to risk management, including our whistleblower procedures, insider trading policy and corporate governance guidelines. While each committee is responsible for evaluating certain risks and overseeing the management of such risks, the entire board of directors is regularly informed through committee reports about such risks.

Stockholder Communications with our Board

Stockholders may communicate with our board or individual directors, including the lead independent director, c/o Corporate Secretary, Tronador 4890, 8th Floor, Buenos Aires, Argentina, C1430DNN. The nominating and corporate governance committee has delegated responsibility for initial review of stockholder communications to our Vice President of Investor Relations. In accordance with the committee's instructions, our Vice President of Investor Relations will summarize all correspondence and make it available to each member of our board. In addition, the Vice President of Investor Relations will forward copies of all stockholder correspondence to each member of the nominating and corporate governance committee, except for communications that are (a) advertisements or promotional communications, (b) solely related to complaints by users with respect to ordinary course of business customer service and satisfaction issues, or (c) clearly unrelated to our business, industry, management, or board or committee matters.

Attendance at Annual Meetings

We do not have a policy regarding director attendance at the 2010 Annual Meeting. No members of our Board of directors were able to attend our 2009 Annual Meeting in person.

Formal Closed Sessions

At the conclusion of each regularly scheduled board meeting, the outside directors have the opportunity to meet without our management or the other directors. The lead independent director leads these discussions.

Board Compensation

Board compensation is determined by the compensation committee. Only the directors who our board determines to be outside directors receive compensation for their service. Board compensation for our outside directors has historically consisted of both cash and equity compensation. Director compensation is reviewed from time to time by the compensation committee. Current board compensation is described under the heading "Compensation of Directors" below.

Outside Advisors

The board and each of its committees may retain outside advisors and consultants of their choosing at our expense. The board need not obtain management's consent to retain outside advisors.

Conflicts of Interest

We expect our directors, executives, and employees to conduct themselves with the highest degree of integrity, ethics, and honesty. MercadoLibre's credibility and reputation depend upon the good judgment, ethical standards and personal integrity of each director, executive, and employee. In order to better protect MercadoLibre and its stockholders, we periodically review our code of business conduct and ethics to ensure that it provides clear guidance to our employees and directors.

Transparency

We believe it is important that our stockholders understand our governance practices. In order to help ensure the transparency of our practices, we have posted information regarding our corporate governance procedures on our website at investor.mercadolibre.com.

Board Effectiveness and Director Performance Reviews

It is important to us that our board and its committees are performing effectively and in the best interest of the company and its stockholders. The board and each committee performs an annual self-assessment to evaluate its effectiveness in fulfilling its obligations. As part of this annual self-assessment, directors are able to provide feedback on the performance of other directors. Our lead independent director follows up on this feedback and takes such further action with directors receiving comments and other directors as she deems appropriate.

Succession Planning

The board recognizes the importance of effective executive leadership to MercadoLibre's success, and meets to discuss executive succession planning at least annually. As part of this process, our board reviews the capabilities of the company's senior leadership as set out in written succession planning documents and identifies and discusses potential successors for members of the company's executive staff, including the chief executive officer. Our nominating and corporate governance committee leads the succession planning process for our CEO and other senior officers and performs a similar analysis with respect to the rest of our board.

Auditor Independence

We have taken a number of steps to ensure the continued independence of our independent registered public accounting firm. Our independent registered public accounting firm reports directly to the audit committee, and we limit the use of our auditors for non-audit services. The fees for services provided by our auditors in 2008 and 2009 and our policy on pre-approval of non-audit services are described under the section below entitled "Proposal Two Ratification of Independent Registered Public Accounting Firm."

Corporate Hotline

We have established a corporate telephone hotline and Internet site to allow any employee to confidentially and anonymously lodge a complaint about any accounting, internal control, auditing, or other matter of concern.

Board Committees

Board committees help our board perform effectively and efficiently, but do not replace the oversight of our board as a whole. There are currently three principal standing board committees: the audit committee, the compensation committee and the nominating and corporate governance committee. Each committee meets regularly and has a written charter that has been approved by our board, which is available on our investor relations website at <http://investor.mercadolibre.com>. In addition, at each regularly scheduled board meeting, a member of each committee reports on any significant matters addressed by the committee. Each committee performs an annual self-assessment to evaluate its effectiveness in fulfilling its obligations.
