This Post-Effective Amendment No. 1 to the Registration Statement on Form S-8 (File No. 333-37000), filed with the Securities and Exchange Commission (the SEC) on May 15, 2009 by the Predecessor Registrant (as amended, the Registration Statement), relating to the Predecessor Registrant s 1999 Stock Option Plan of SDR Technologies, Inc. In accordance with Rule 414(d) under the Securities Act, the Registrant, as successor to the Predecessor Registrant, hereby expressly adopts the Registration Statement as its own for all purposes of the Securities Act and the Securities Exchange Act of 1934, as amended (the Exchange Act).

PART II

Item 4. Description of Securities.

Not applicable.

Item 5. Interests of Named Experts and Counsel.

None.

Item 6. Indemnification of Officers and Directors.

As permitted by the Delaware General Corporation Law of the State of Delaware (the "DGCL"), the Registrant's Certificate of Incorporation provides its directors will not be personally liable to the Registrant or its stockholders for monetary damages for breach of fiduciary duty as a director, except for liability: (i) for any breach of the director's duty of loyalty to the corporation or its stockholders, (ii) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (iii) under Section 174 of the DGCL, or (iv) for any transaction from which the director derived an improper personal benefit.

Section 145 of the DGCL gives the Registrant the power, subject to certain conditions and limitations, to indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than action by or in the right of the Registrant) by reason of the fact that the person is or was a director, officer, employee or agent of the Registrant, or is or was serving at the request of the Registrant as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise. Article X of the Registrant's Certificate of Incorporation provides Section 145 coverage of indemnification and advancement of expenses to each person who is or was a director or officer of the Registrant or is or was a director or officer of the Registrant serving at the Registrant's request as a director, officer, employee or agent of any other corporation, partnership, joint venture, trust or employee benefit plan, to the fullest extent permitted under Delaware law.

The Registrant maintains insurance for the benefit of its directors and officers to insure these persons against certain liabilities, including liabilities under the securities laws.

The Registrant enters into indemnification agreements with each of its directors and executive officers. The indemnification agreements supplement existing indemnification provisions of the Registrant's Certificate of Incorporation and Bylaws and, in general, provide for indemnification of and advancement of expenses to the indemnified party, subject to the terms and conditions provided in the indemnification agreement. The indemnification agreements also establish processes and procedures for indemnification claims, advancement of expenses and other determinations with respect to indemnification.

Item 9. Undertakings.

(a) The undersigned Registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement.

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement;

Provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) do not apply if the registration statement is on Form S-8, and the information required to be included in the post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by the Registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in this Registration Statement.

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(3) To remove from registration by means of a post effective amendment any of the securities being registered which remain unsold at the termination of the offering.

Edgar Filing: NIC INC - Form S-8 POS

(b) The undersigned Registrant hereby undertakes that for purposes of determining any liability under the Securities Act, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act (and, where applicable, each filing of any employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in the Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Commission such indemnification is against public

policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
