**Item 2.01. Completion of Acquisition or Disposition of Assets**

On June 2, 2015, Summit Hotel OP, LP, the operating partnership of Summit Hotel Properties, Inc., and certain affiliated entities (collectively, the Company) entered into two separate agreements, as amended on July 15, 2015 (collectively, the ARCH Agreements), to sell a portfolio of 26 hotels containing an aggregate of 2,793 guestrooms to affiliates of American Realty Capital Hospitality Trust, Inc. (ARCH) for an aggregate cash purchase price of approximately \$347.4 million (the ARCH Sale). The hotels are being sold in three separate closings. The first closing of 10 hotels containing 1,090 guestrooms was completed on October 15, 2015 for an aggregate cash payment of \$150.1 million (the First Closing).

The second closing of 10 hotels containing 996 guestrooms is expected to occur before December 31, 2015 for an aggregate selling price of \$89.1 million (the Second Closing) and the third closing of six hotels containing 707 guestrooms is expected to occur in the first quarter of 2016 for an aggregate selling price of \$108.2 million (the Third Closing). The Second Closing and Third Closing are subject to the satisfaction of customary closing conditions. None of the closings are conditioned on the sale of the other hotels at that closing or any other closing. If any of the hotels are not sold, then the cash purchase price will be adjusted by the parties in accordance with the applicable agreement. However, we believe that it is probable that all of the hotels will be sold.

The Company does not have any material relationship with ARCH or its subsidiaries, other than through the ARCH Agreements and other related contracts to be entered into upon closing of the transactions described in the ARCH Agreements.

The proceeds from the First Closing were used to complete certain reverse exchanges under Section 1031 of the Internal Revenue Code of 1986, as amended (1031 Exchange), related to purchases of two hotels in the MCR Portfolio completed in July 2015 and the purchase of two hotels in the Additional Acquisitions in June 2015 for an aggregate purchase price of \$115.8 million, as described below. The four acquired hotels contain 496 guestrooms.

Additionally, on October 19, 2015, the Company closed on the purchase of the Hyatt House Airport in Miami, Florida from Noble I/HY Miami, LLC (Noble I) for a purchase price of \$39.0 million. The hotel contains 156 guestrooms. The purchase from Noble I was executed through a qualified intermediary under a 1031 Exchange primarily using cash proceeds from the First Closing.

On October 20, 2015, the Company closed on the purchase of the Courtyard Atlanta Decatur Downtown from Noble I Decatur, LLC (Noble II) for a purchase price of \$44.0 million. The hotel contains 179 guestrooms. The purchase from Noble II was completed through a qualified intermediary under a reverse 1031 Exchange using funds drawn on the Company's senior unsecured revolving line of credit. We anticipate completion of the like-kind exchange upon the sale of the hotels to be sold to ARCH in the Third Closing.

The Company does not have any material relationship with Noble I or Noble II or other affiliated companies (the Noble Companies) other than through the purchase and sale agreements for the purchase of the Hyatt House Airport in Miami, Florida and the Courtyard Atlanta Decatur Downtown (the Noble Portfolio).

The Company has executed two purchase and sale agreements, each dated August 5, 2015, for the purchase of two hotels containing a total of 386 guestrooms for an aggregate purchase price of \$109.0 million (the Pending Acquisitions). We expect the Pending Acquisitions to close prior to December 31, 2015. Each closing is subject to the satisfaction of customary closing conditions. Neither of the

closings is conditioned on the purchase of the other hotel. However, we believe that it is probable that both of the closings will occur. One of the Pending Acquisitions is expected to be completed through a qualified intermediary under a reverse 1031 Exchange using funds drawn on the Company's revolving line of credit to complete a like-kind exchange with hotels to be sold to ARCH in the Third Closing while the other will be purchased using proceeds from the Second Closing.

## Edgar Filing: Summit Hotel Properties, Inc. - Form 8-K

On July 24, 2015, we closed the purchase of the Residence Inn by Marriott in Baltimore (Hunt Valley), Maryland containing 141 guestrooms and the purchase of the Residence Inn by Marriott in Branchburg, New Jersey containing 101 guestrooms on July 24, 2015 (the Residence Inn Portfolio ) for a combined purchase price of \$56.8 million. The purchase of the Residence Inn portfolio was executed through a qualified intermediary under reverse 1031 Exchanges using cash drawn on our revolving line of credit until like-kind exchanges with hotels sold to ARCH in the First Closing were completed.

On June 18, 2015, we closed the purchase of the Hampton Inn in Boston (Norwood), Massachusetts containing 139 guestrooms for a purchase price of \$24.0 million and on June 30, 2015, we closed the purchase of the Hotel Indigo in Asheville, North Carolina containing 115 guestrooms for a purchase price of \$35.0 million (collectively, the Additional Acquisitions ). The consummation of the Additional Acquisitions was completed through a qualified intermediary under reverse 1031 Exchanges using cash drawn on our revolving line of credit until like-kind exchanges with hotels sold to ARCH in the First Closing were completed.
