**Item 8.01 Other Events**

On June 7, 2018, the Company issued a press release announcing a corporate update and revised cash guidance. In the press release, the Company announced that it submitted a formal dispute resolution request ( FDRR ) with the FDA s Office of Drug Evaluation III ( ODEIII ) for Twirla® (AG200-15). The dispute pertains to the determination from the FDA s reviewing Division of Bone, Reproductive and Urologic Products that concerns surrounding the *in vivo* adhesion properties of Twirla prevent its approval and cannot be addressed through the Company s proposed patient compliance programs. The Company has requested a meeting with the ODEIII Director, which, according to FDA s guidance, should occur within 30 days of the request. After the meeting, the Director should provide a decision within thirty days. Through the formal dispute resolution process, the Company has the ability to escalate its appeal to additional levels of FDA management, if necessary.

In the press release, the Company also announced a reduction in its workforce, which will result in the termination of approximately thirty percent of its employees. This workforce reduction, along with other reductions in its planned operating expenses, is designed to reduce operating expenses and preserve cash while the Company pursues formal dispute resolution. The Company now expects that its cash and cash equivalents as of March 31, 2018, will be sufficient to meet its operating requirements into the second quarter of 2019.

A copy of the Company s press release is attached hereto as Exhibit 99.1 and is hereby incorporated by reference herein.
