PROXY STATEMENT

The Board of Directors of the Company (the "Board") is soliciting proxies for this year's Annual Meeting. This proxy statement contains important information for you to consider when deciding how to vote on the matters brought before the Annual Meeting. Please read it carefully.

The Board set March 31, 2015, as the record date for the Annual Meeting. Shareholders who owned the Company's common stock on that date are entitled to vote at the Annual Meeting, with each share entitled to one vote. There were 6,854,189 shares of Company stock outstanding on the record date.

Voting materials, which include this proxy statement dated April 16, 2015, a proxy card, the 2014 Annual Report and the Company's Annual Report on Form 10-K, are first being mailed to shareholders on or about April 16, 2015, unless the shareholder has elected electronic delivery. If the shareholder has elected electronic delivery, we have provided a notice of internet availability of proxy materials which contains instructions on how to access proxy materials via the internet or how to request a printed set of proxy materials. Additionally, this proxy statement, the 2014 Annual Report and the Company's Annual Report on Form 10-K are available at www.northrim.com by clicking the "Investor Relations" link. In accordance with Securities and Exchange Commission rules, our proxy materials posted on both our website and the website described below do not contain any cookies or other tracking features.

QUESTIONS AND ANSWERS ABOUT VOTING AND THE ANNUAL SHAREHOLDERS' MEETING

Why am I receiving this proxy statement and proxy card?

You are receiving this proxy statement and proxy card because you own shares of the Company's common stock. This proxy statement describes matters on which we would like you to vote.

When you sign the proxy card, you appoint the persons named in the proxy, R. Marc Langland and Joseph M. Beedle, as your representatives at the Annual Meeting, and those persons will vote your shares at the Annual Meeting as you have instructed on the proxy card. This way, your shares will be voted even if you cannot attend the Annual Meeting.

Who is soliciting my proxy, and who is paying the cost of solicitation?

The enclosed proxy is solicited by and on behalf of the Board, and the Company will bear the costs of solicitation. Certain directors, officers, and employees of the Company and/or its subsidiary, Northrim Bank (the "Bank"), may solicit proxies by telephone, facsimile, the Internet, and personal contact.

The Company does not expect to pay any compensation to employees, officers, or directors for soliciting proxies, but will reimburse brokers, nominees, and similar record holders for reasonable expenses in mailing proxy materials to beneficial owners of the Company's common stock.

What am I voting on, and what vote is required for approval?

At the Annual Meeting, you will be asked to vote on:

- the election of 12 directors to serve on the Board until the 2016 Annual Shareholders' Meeting or until their successors have been elected and have qualified ("Proposal 1");
- a non-binding advisory vote on the compensation of the named executive officers as disclosed in the Compensation Discussion and Analysis, the accompanying compensation tables, and the related narrative disclosure in this proxy statement ("Proposal 2");
- the ratification of Moss Adams LLP as the Company's independent registered accounting firm for 2015 ("Proposal 3").

All proposals will require the affirmative vote of a majority of the shareholders in person or represented by a duly executed proxy at the Annual Meeting.

Who is entitled to vote?

Only shareholders who owned the Company's common stock as of the close of business on the record date, March 31, 2015, are entitled to receive notice of the Annual Meeting and to vote the shares that they held on that date at the Annual Meeting, or any postponement or adjournment of the Annual Meeting.

How do I vote, and how are the votes counted?

Registered shareholders may vote in person at the Annual Meeting, on the Internet, or by mail.

Voting in Person. If you attend the Annual Meeting, you may vote as instructed at the Annual Meeting. However, if you hold your shares in street name (that is, through a broker/dealer or other nominee), you will need to bring to the Annual Meeting a proxy delivered to you by such nominee reflecting your share ownership as of the record date.

Voting on the Internet. Go to www.proxyvote.com and follow the instructions. You should have your proxy in hand when you access the website.

Voting by Mail. Complete, date, sign and mail the proxy in the enclosed postage pre-paid envelope. If you mark your voting instructions on the proxy, your shares will be voted as you instruct. Please see the proxy for voting instructions. If you own your shares through a brokerage account or in other nominee form, you should follow the instructions you receive from the record holder to see which voting methods are available. If your shares are registered in your own name and you attend the Annual Meeting, you may deliver your completed proxy card in person. "Street name" shareholders, that is, those shareholders whose shares are held in the name of and through a broker or other nominee, who wish to vote at the Annual Meeting will need to obtain a proxy from the institution that holds their shares. Your broker or nominee will generally provide you with the appropriate forms at the time you receive this proxy statement. If you own your shares through a broker or other nominee, you cannot vote in person at the Annual Meeting unless you receive a proxy card from the broker or nominee.

Each shareholder will be entitled to one vote for each share of common stock held of record by the shareholder on the record date, March 31, 2015. With regard to the election of directors, you may cast your vote in favor of some or all of the nominees, or you may withhold your vote for any nominee in the election of directors. Withheld votes will be excluded entirely from the vote and will have no effect on the outcome. On other proposals, you can "abstain". If you abstain, your shares will be counted as present at the Annual Meeting for purposes of that proposal and your abstention will have the effect of a vote against the proposal.

If shares are held in street name, the broker or nominee is permitted to exercise voting discretion under certain circumstances. At this meeting, if the broker or nominee is not given specific voting instructions, the shares may not be voted on Proposal 1 or on Proposal 2 by the broker or nominee in their own discretion. If your shares are held in street name and you do not give instructions to your broker or nominee on how to vote them, the votes will be "broker non-votes," which will have the effect of excluding your vote from the tallies. However, in these cases, and in cases where the shareholder abstains from voting on a matter, those shares will be counted for the purpose of determining whether a quorum is present. We expect that brokers or nominees will be allowed to exercise discretionary authority for beneficial owners who have not provided voting instructions with respect to Proposal 3 to ratify the Company's selected independent registered public accounting firm, but abstentions will have the effect of a vote "AGAINST" the proposal.

If your shares are held in your own name and you do not vote, your shares will not be voted.

On each matter before the Annual Meeting, including the election of directors, shareholders are entitled to one vote for each share of common stock they held at the record date, March 31, 2015. Shareholders may not cumulate their votes for the election of directors.

What does it mean if I receive more than one proxy card?

It means that you hold shares in multiple accounts. Please complete and return all proxies (either by mail or over the internet) to ensure that your shares are all voted in accordance with your instructions.

Can I change my vote after I return my proxy card?

Yes. If the enclosed proxy is duly executed and received in time for the Annual Meeting, the persons named in the proxy will vote the shares represented by the proxy "FOR" the 12 nominees listed in the proxy statement, "FOR" the approval of the compensation of the named executive officers, and "FOR" the ratification of the Company's independent registered public accounting firm. If you grant a proxy, you may revoke it at any time before its exercise by submitting a second proxy with a subsequent date either over the Internet or by mail to the attention of the Corporate Secretary at 3111 C Street Suite 200, Anchorage, Alaska 99503. or by announcing your revocation to the secretary at the Annual Meeting prior to the taking of a shareholder vote. The shares represented by properly executed proxies that are not revoked will be voted in accordance with the specifications in such proxies.

Can I vote on other matters or submit a proposal to be considered at the Annual Meeting

The Company has not received timely notice of any shareholder proposals to be considered at the Annual Meeting, and shareholders may submit matters for a vote only in accordance with the Company's bylaws. The Board does not presently know of any other matters to be brought before the Annual Meeting.

For shareholders seeking to include proposals in the proxy materials for the 2016 Annual Meeting, the proposing shareholder or shareholders must comply with all applicable regulations, including Rule 14a-8 under the Securities Exchange Act of 1934, as amended (the "1934 Act"), and the proposals must be received by the Secretary of the Company on or before December 17, 2015. Upon receipt of such proposal, the Company will determine whether or not to include the proposal in its proxy materials for the 2016 Annual Meeting in accordance with applicable law. A shareholder that wishes to present a proposal at the 2016 Annual Meeting, but not submit such proposal for inclusion in our proxy statement for our 2016 Annual Meeting must submit such proposal to the Corporate Secretary on or before March 2, 2016. Shareholder proposals should be sent to the attention of the Corporate Secretary, Northrim BanCorp, Inc., 3111 C Street Suite 200, Anchorage, Alaska 99503.

How many votes are needed to hold the Annual Meeting?

A majority of the Company's outstanding shares as of the record date (a quorum) must be present at the Annual Meeting in order to hold the Annual Meeting and conduct business. Shares are counted as present at the Annual Meeting if a shareholder is present and votes in person at the Annual Meeting or has properly submitted an executed proxy card either over the Internet or by mail. Broker non-votes will be counted for purposes of determining the presence or absence of a quorum for the transaction of business at the Annual Meeting. As of the record date for the Annual Meeting, 6,854,189 shares of the Company's common stock were outstanding and eligible to vote.

Where and when will I be able to find the results of the voting?

The results of the voting will be announced at the Annual Meeting. Final results will be disclosed in the Company's Current Report on Form 8-K to be filed with the Securities and Exchange Commission within four business days of the Annual Meeting.

How do I communicate with Directors?

The Board provides a process for shareholders to send communications to the Board or any of the directors. Shareholders may send communications to the Board or any of the directors at: c/o Corporate Secretary, Northrim BanCorp, Inc., 3111 C Street Suite 200, Anchorage, Alaska 99503. All communications will be compiled by the Corporate Secretary of the Company and submitted to the Board or the individual directors on a periodic basis.

PROPOSAL 1: ELECTION OF DIRECTORS

General

How many directors are nominated?

The Company's Articles of Incorporation provide that the Board will consist of not less than five nor more than 25 directors. Currently, the Board consists of 12 directors, and the Board has set the number of directors to be elected at the Annual Meeting at 12. Shareholder Nominations for 2015 Annual Shareholders' Meeting

In accordance with the Company's Bylaws, shareholder nominations for the 2015 Annual Shareholders' Meeting ordinarily must be delivered in writing to the Secretary of the Company not less than fourteen nor more than fifty days prior to the Annual Meeting. Any shareholder nomination should contain the following information to the extent known to the nominating shareholder: (i) the name and address of each proposed nominee; (ii) each proposed nominee's principal occupation; (iii) the total number of shares of the Company's common stock that will be voted for each proposed nominee; (iv) the name and residence of the nominating shareholder; (v) the number of shares of the Company's common stock owned by the nominating shareholder as of the record date for the Annual Meeting; and (vi) whether the nominee had agreed to serve if elected.

Nominations not made in accordance with the above requirements may be disregarded at the sole discretion of the Chairman of the Annual Meeting, and upon the Chairman's instruction the vote teller may disregard all votes cast for that nominee.

Information Regarding the Board of Directors and Its Committees

All nominees other than Mr. Langland and Mr. Beedle are independent within the meaning of currently applicable rules of the Securities and Exchange Commission and the NASDAQ Global Select Market listing requirements. Additionally, all directors who served on the Company's and the Bank's Board in 2014 were independent except for Mr. Langland, Mr. Beedle, and Mr. Richard Lowell, who passed away on February 10, 2015. See "Interests of Management in Certain Transaction - Other Related Party Transactions" in this proxy statement for further information on the reasons why Mr. Lowell was determined not to be an independent director in 2014. Both the Company's and the Bank's Board met ten times during 2014. The Company's Board has adopted certain standing committees, including an Audit Committee, a Compensation Committee, and a Governance and Nominating Committee. During 2014, except for Ms. Thomas who attended one out of the two meetings of the Governance and Nominating Committee held since she become a member, all directors attended at least 75% of the total meetings of the Board and 75% of the total meetings that they were each required to attend, respectively, for all committees of which they were members.

John C. Swalling serves as the Company's independent lead director. The lead director's primary responsibilities are to preside over executive sessions of non-management directors, to conduct annual interviews with all directors regarding each director's own self-assessment of his/her contribution to the Board prior to nominations for election at the Annual Meeting, and to recommend to the Governance and Nominating Committee, in consultation with the Chairman of the Board, proposed committee assignments and chairmanships.

The Company and the Bank have in place policies and procedures to manage risks that could impact Northrim's operational and strategic position as a profitable, safe and sound financial institution. The Bank's Internal Audit Department provides written results of internal and out-sourced audits, including review of the credit quality of the loan portfolio, directly to the Audit Committee and management. The Audit Committee reviews and reports to the Board on the results of these audits. The Audit Committee also reports to the Board on any deficiencies identified, as well as any steps deemed necessary to resolve and mitigate risk. An officer, appointed by the Board, serves as Northrim's risk manager and is responsible for monitoring and maintaining Northrim's company-wide contingency plan. This contingency plan addresses and provides guidelines for the restoration of business in the event of man-made and natural disruptive events.

With regard to certain risks affecting the Company and the Bank, we recognize that not maintaining the privacy and security of customer information could damage our reputation and cause us to incur additional costs or even litigation. On an annual basis, the Bank's Board of Directors reviews its Information Security Policy with its appointed Information Security Officer. We work to educate our customers about the importance and understanding of their role in protecting their identities and the privacy of their information. We consider customer education regarding the use of electronic convenience products to be especially important due to the Bank's increased exposure to loss related to these products if procedures are not followed. A Vendor Management Policy is in place which is approved by the Bank's Board of Directors annually. The Vendor Management Policy calls for the assignment of levels of risk to each vendor based upon an assessment of the degree to which their relationship could expose the Company to risk in relation to the Company's reliance on the vendor's promise to perform and to protect customer privacy, and based on the vendor's fiscal strength.

The Company monitors its interest rate risk through a review of its sensitivity to upward and downward movements of interest rates and their impact on the Company's interest-earning assets, interest-bearing liabilities, and the net interest margin. The Company monitors concentrations and economic trends in the communities it serves and in the global economy in order to respond to issues that could impact the economic climate in which it operates. The Company reports its analysis of these areas to the Bank's Board of Directors on a periodic basis.

It is management's policy to discuss a detailed analysis of any proposed major project with the Board. This analysis generally includes management's reasons for the proposal, results of due diligence analysis, potential risks, costs, and the estimated time frame for implementation of the project, and the Company's Compliance Department and Operations and Technology Committee recommendations prior to seeking the Board's approval.

From time to time, the Company engages the services of experienced consultants to facilitate director education and discussion as to bank directorship issues, the management of risk, miscellaneous timely topics affecting the Company, as well as future corporate governance matters.

Audit Committee The Audit Committee's principal functions include reviewing and approving the services of the independent registered public accounting firm, reviewing the Company's financial statements, reviewing the plan, scope, and audit results of the internal and external auditors, and reviewing the reports of regulatory authorities. The Company's Board has adopted a written charter for the Audit Committee. A copy of the Audit Committee charter is attached to this proxy statement as Exhibit A. Members of the Audit Committee in 2014 were Mark G. Copeland, David J. McCambridge, and David G. Wight. Each of the members of the Committee is independent of management within the meaning of the Securities and Exchange Commission rules applying to audit committee members and the NASDAQ Global Select Market listing standards. The Committee and the Board has determined that Mr. McCambridge qualifies as an audit committee financial expert within the meaning of such rules.

During 2014, the Audit Committee had eight meetings, during which the Audit Committee was kept informed of the processes and procedures in place for maintaining the Company's compliance with Section 404 of the Sarbanes-Oxley Act of 2002 ("SOX") as evaluated by the Company's internal audit manager, internal SOX Committee, and the independent registered public accounting firm.

Compensation Committee The primary functions of the Compensation Committee, which met six times in 2014, are to review and approve executive and all Vice President and above officer compensation, select and approve employee benefits and retirement plans, and administer the Company's stock incentive plans and profit sharing plan. The Company's Board has adopted a written charter for the Compensation Committee. A copy of the Compensation

Committee charter is attached to this proxy statement as Exhibit B. Compensation Committee members are Ronald A. Davis, David J. McCambridge, John C. Swalling, and Karl L. Hanneman. All members of the Compensation Committee are independent directors within the meaning of currently applicable rules of the Securities and Exchange Commission and the NASDAQ Global Select Market listing requirements. Mr. Davis was appointed to the Compensation Committee in 2002. Mr. Swalling was appointed to the Compensation Committee in 2005. Mr. McCambridge was appointed to the Compensation Committee in 2011. Mr. Hanneman was appointed to the Compensation Committee in 2014.

Governance and Nominating Committee The Governance and Nominating Committee was formed in August of 2011 with the adoption of the Company's Governance and Nominating Committee charter. The Governance and Nominating Committee met five times in 2014. The primary functions of the Governance and Nominating Committee are to evaluate the size and composition of the Board; to develop criteria for Board membership; to identify, recruit, interview, and evaluate individuals qualified to become Board members; and to evaluate the independence of existing and prospective directors. A copy of the Governance and Nominating Committee charter is attached to this proxy statement as Exhibit C. With respect to nomination of director candidates, the Governance and Nominating Committee will consider nominations from the Company's shareholders using the same criteria as far all other nominations. Shareholder nominations must be made in writing and delivered or mailed to the Corporate Secretary not less than fourteen days nor more than fifty days prior to any meeting of shareholders called for the election of directors. However, if less than twenty-one days' notice of the meeting is given to the shareholders such nomination may be mailed or delivered not later than the close of business on the seventh day following the day on which the notice of meeting was mailed. Any nomination not made in accordance with these provisions may, at the discretion of the chairperson of the meeting, be disregarded.

Additionally, the Governance and Nominating Committee recommends appointments of directors to the Board's Committees, reviews and approves the related party nature of all related party transactions, and reviews the adequacy of the Company's Corporate Governance Guidelines and the Company's Code of Business Conduct and Ethics and recommends any proposed changes to the Board for approval. Current members of the Governance and Nominating Committee are Larry S. Cash, John C. Swalling, Linda C. Thomas, and David G. Wight. Messrs. Cash, Swalling, and Wight were appointed to the Governance and Nominating Committee in 2011, and Ms. Thomas was appointed in 2014. All of the members of the Governance and Nominating Committee are considered independent directors within the meaning of currently applicable rules of the Securities and Exchange Commission and the NASDAQ Global Select Market listing requirements.

Director Nomination Criteria The Governance and Nominating Committee believes that certain criteria should be met by director nominees to ensure effective corporate governance of the Company. Qualified candidates are those who, in the judgment of the Governance and Nominating Committee, possess certain personal attributes, a diversity of ideas and viewpoints, and a sufficient mix of experience and related attributes to assure effective service on the Board. The personal attributes of director nominees that the Governance and Nominating Committee considers include:

Integrity. Each candidate shall be an individual who has demonstrated integrity, honesty, fairness, responsibility, good judgment, and ethics in his or her personal and professional life and has established a record of professional accomplishment in his or her chosen field;

Leadership. Each candidate should be or have been in a generally recognized position of leadership in the candidate's field of endeavors;

Independence. No candidate, or family member (as defined in NASDAQ rules) or affiliate or associate (as defined in federal securities laws) of a candidate, shall have any material personal, financial or professional interest in any present or potential competitor of the Company;

Active Participation. Each candidate must be prepared to participate fully in Board activities, attendance at, and active participation in, meetings of the Board and the committee(s) of which he or she is a member, and not have other personal or professional commitments that would, in the Governance and Nominating Committee's sole judgment, interfere with or limit his or her ability to do so;

Best Interests of All Shareholders. Each candidate must be prepared to represent the best interests of all the Company's shareholders and be willing to state their independent opinions in a constructive manner; and

Collegiality. Each candidate should be able to work well with other Directors and executives of the Company.

The Governance and Nominating Committee will consider and evaluate all candidates identified through the processes described above, including incumbents and candidates proposed by the Company's shareholders. After consideration, the Governance and Nominating Committee will finalize its list of recommended candidates to the Board for its consideration. Candidates who are then approved by the Board are included in the recommended slate of director nominees in the Company's proxy statement.

Director Compensation In 2014, all non-officer directors except Mr. Swalling received a \$10,000 annual cash retainer. Mr. Swalling, who serves as the Company's lead director, received a \$13,000 annual cash retainer in 2014. All non-officer directors received an additional \$10,000 in cash to be used for the purchase of the Company's common stock on the open market, payable following our Annual Shareholders' meeting. Additionally, each non-officer director received a fee of \$900 for each Board meeting attended. Members of the Audit, Governance and Nominating, and Compensation Committees received \$750 for each meeting

attended with the exception of the committee chairpersons who received \$1,500 for each committee meeting they attended. For information as to specific amounts paid to each of our directors in 2014 see "Director Compensation" in this proxy statement.

Compensation Committee Interlocks and Insider Participation No member of the Compensation Committee was, during the year ended December 31, 2014, an officer, former officer or employee of the Company or any of its subsidiaries. COMPENSATION DISCUSSION AND ANALYSIS

This section provides information regarding the compensation program in place for our Chief Executive Officer, Chief Financial Officer, and the three most highly compensated executive officers (collectively, the “named executive officers”). This section includes information regarding the overall objectives of our compensation program and each element of compensation that we provide.

The Compensation Committee believes that the Company’s current annual and long-term incentive compensation programs for its executives, senior managers and key employees serve to appropriately focus these individuals on Northrim’s current and future business needs. The Company’s compensation program is designed to mitigate risk by capping performance based payments and defining performance criteria focused not only on profitability and growth, but also on managing risk and expenses and improving credit quality. The Compensation Committee continually assesses the Company’s compensation objectives, philosophy, and forms of compensation for the Company’s executives, and has determined that the Company’s current compensation practices and policies do not create risks that are reasonably likely to have a material adverse effect on the Company.

The Company has included Proposal 2, a non-binding advisory vote on executive compensation, in this proxy statement in accordance with the provisions of the Dodd-Frank Wall Street Reform and Consumer Protection Act (the “Dodd-Frank Act”) and regulations of the Securities and Exchange Commission. Proposal 2 provides the shareholders of the Company with a non-binding advisory vote on compensation programs for our named executive officers (sometimes referred to as “say on pay”) as described in the Compensation Discussion and Analysis section of this proxy statement. Although the vote is nonbinding, the Board and the Compensation Committee value the opinions of our shareholders and will consider the outcome of the vote when making future compensation decisions for our named executive officers. At the Annual Meeting that was held on May 19, 2011, the Company’s shareholders expressed a preference that an advisory vote on executive compensation of the Company’s named officers should occur every year. Accordingly, this advisory vote will not be included in the proposals presented for shareholder vote until 2017. At that time, shareholders will again be given the opportunity to vote on whether or not the advisory vote on executive compensation of the Company’s named executive officers should occur every one, two, or three years. The Compensation Committee has concluded that the compensation policies of the Company are not likely to have a material adverse effect on the Company.

Overview of Compensation Program

The Compensation Committee of the Board bases its compensation strategy on maintaining the Company’s primary strategic goal: to maintain, over the next several years, a well-capitalized, superior customer first service-focused financial institution headquartered in Anchorage and serving the greater Anchorage, Matanuska Valley, Fairbanks, and Southeast Alaska areas, as well as various other markets in and outside Alaska. We believe that achieving the Company’s business and growth strategies will create long-term value for shareholders and will protect the interests of

our customers.

Compensation Philosophy and Objectives

The Compensation Committee believes that compensation packages for the Company's named executive officers, key personnel, and other employees should be based to a substantial extent on achievement of the goals and strategies the Board has established. When establishing salaries, performance based payments, and stock option awards for named executive officers, the

10

Compensation Committee considers (i) the Company's financial performance during the past year; (ii) the individual officer's performance during the past year based on the officer's scope and level of responsibility and how well she or he managed and carried out those responsibilities to achieve the Company's goals, as well as how well that officer dealt with unexpected challenges and opportunities that were not anticipated in the Company's annual goal setting process; and (iii) market data related to the salaries of executive officers and key personnel in similar positions with companies of comparable size, as well as other companies within the financial institutions industry. For named executive officers other than the Chief Executive Officer, the Compensation Committee gives consideration to recommendations made by the Chief Executive Officer.

The Company has developed and implemented policies for determining salary structure, annual performance based payments, and employee stock option and other stock-based awards based on recommendations of independent, nationally recognized compensation consultants. These consultants periodically evaluate the Company's executive compensation programs at the request of the Compensation Committee.

Role of Executive Officers in Compensation Decisions

The Compensation Committee makes all decisions related to the compensation of the Company's Chief Executive Officer, subject to the Board's further approval, and approves recommendations made by the Chief Executive Officer and Chief Operating Officer for performance based payments and equity awards to other named executive officers of the Company.

The Chairman, President and Chief Executive Officer and the Chief Operating Officer annually review the individual performance of the Company's key employees. Their recommendations for performance based payments and equity awards, based upon individual officer performance evaluations, are presented to and discussed with the Compensation Committee. The Compensation Committee can at its discretion modify any recommended adjustments or awards as deemed to be appropriate.

Independent Consultants

The Compensation Committee has the authority to engage independent compensation consultants. The Compensation Committee, from time-to-time as deemed appropriate, has engaged the services of Frederic W. Cook and Co., Inc. ("FWCC") to analyze and evaluate the Company's overall compensation program and practices as compared to a selected group of publicly traded peer group banks of similar size within the Pacific Northwest region and California. The Company engaged FWCC in 2012, 2013, and 2014 to assist the Compensation Committee with a compensation survey in connection with the review of named executive officers and other senior officers. Additionally, in 2013 and 2014 FWCC advised the Compensation Committee regarding the creation of the 2014 Stock Incentive Plan.

In connection with its engagements with FWCC, the Compensation Committee considered various factors bearing upon FWCC's independence, including, but not limited to, FWCC's policies and procedures designed to prevent conflicts of interest and the existence of any business or personal relationship that could impact FWCC's independence. After reviewing these and other factors, the Compensation Committee determined that FWCC was independent and that FWCC's engagements with the Compensation Committee did not present any conflicts of interest.

Executive Compensation

The Company's executive compensation program currently consists of four key elements: (i) base salary; (ii) a performance-based annual payment; (iii) periodic stock option grants and other stock-based compensation awards; and (iv) retirement and other deferred benefits. The Compensation Committee engages the services of a qualified compensation consultant as appropriate, and it considers the Company's executive compensation package as a whole. Each component of the executive's package is in large part provided for under the terms of the executive's employment agreement including base salary, which can change from time to time, as well as entitlements to a performance based payment opportunity under the Company's Profit Sharing Plan and retirement benefits according to the prescribed terms of the executive's employment agreement. The Compensation Committee's and the Company's philosophy is to be consistent in the timing of its review of the executives' performance and opportunities for compensatory recognition. Review occurs multiple times in a given year. The Compensation Committee and the Company believe that this practice facilitates the retention of the executive over the short and long-term and

appropriately rewards performance based upon each executive's level of responsibility, accountability, leadership, and measured contributions to the organization.

The Compensation Committee believes that this four-part approach best serves the interests of the Bank, the Company, and its shareholders. This approach enables the Company to meet the requirements of the highly competitive banking and lending environment in which it currently operates while ensuring that executive officers are compensated in a way that advances both the short and long-term interests of shareholders. The performance based annual payment opportunity, which is provided for under the Company's Profit Sharing Plan, rewards and motivates individual performance, and is based in large part on the contribution

made by the officer to the Company's overall performance. Stock options and other stock-based awards relate a significant portion of long-term remuneration directly to stock price appreciation and serve to further promote the executives' continued service with the Company. These awards also closely align the interests of the executives and the Company's shareholders.

The Compensation Committee annually evaluates both executive performance and the structure of executive compensation to ensure that the Company maintains its ability to attract and retain superior, customer service motivated employees in key positions. Additionally, this evaluation ensures that compensation for executives is reasonable but competitive with similar positions held in peer group organizations in the local Alaska market, Pacific Northwest, and California. The peer group that the Compensation Committee used for this evaluation in 2014 consists of fifteen Pacific Northwest and California commercial banks similar in size to Northrim: TriCo Bancshares, F & M BanCorp, Cascade BanCorp, First Financial Northwest, Inc., Pacific Continental, Heritage Financial, Riverview Bancorp, North Valley Bancorp, Bank of Commerce, Bank of Marin Bancorp, First Northern Community Bancorp, Home Street, Inc., Intermountain Community Bancorp, Oak Valley Bancorp, and Pacific Financial. The Compensation Committee objectively evaluates the performance of the Company's compensation program by periodically comparing the weight and values of its components to the Company's peer group of Pacific Northwest and California financial institutions as surveyed by independent consultants who gather pertinent salary, benefit, and equity compensation data from then current proxy statement disclosures.

The Compensation Committee's approach for giving consideration to each element of the Company's executive compensation package multiple times during a given year is intended to bring consistency to the overall program, and to support the Company's philosophy to provide more than one opportunity during a given year to measure and recognize the performance and contributions of individual executive officers and officers in key positions. For example, in the first quarter, the Compensation Committee considers and approves awards to participants under the Company's Profit Sharing Plan and approves discretionary service based contributions to the Company's Savings Incentive 401k Plan. In the first or second quarter of the year, the Compensation Committee selects criteria for the Company's Profit Sharing Plan's plan year and conducts the annual officer and executive officer salary review. In the fourth quarter, the Compensation Committee considers and approves stock option grants and stock awards with pricing based upon the closing price of the Company's stock on the date of grant.

The Compensation Committee takes an approach based on both quantitative and qualitative factors when considering the compensation of the Company's Chief Executive Officer. The Compensation Committee considers the Company's financial results for a given year compared to the Company's plan and actual results for the previous year. The Compensation Committee also considers certain qualitative accomplishments of the Chief Executive Officer in terms of the Company's realization of its corporate objectives, his foresight, his extensive community involvement, as well as his leadership in strategically positioning the Company for future significant developments in the banking industry and the Company's market and developing long-term strategies for the future direction and growth of the organization.

Elements of Executive Compensation

Each year, the Compensation Committee determines whether or not the employment agreements of the Company's named executive officers should be renewed, and whether or not a change in terms is appropriate. See further discussion of the employment agreements under "Executive Compensation - Employment Agreements".

The Company and the Bank do not have any arrangements in place for or with the named executive officers whereby their compensation may be comprised of proportionate amounts of base salary, performance based annual payments, options and other stock-based compensation, or retirement and other deferred benefits. Instead, compensation is comprised of such components in amounts as determined by the Compensation Committee at its discretion.

Base Salary Based on its consideration of competitive industry salaries and general economic conditions within the Company's market area and the financial institution industry, the Company's Human Resources Department has established a graded salary structure for all of the Company's employees. Every salary grade is structured to allow for personal growth ranging from the grade's entry level benchmark through the mid-point range and to the upper-most level of annual salary for each grade. The matrix used to objectively calculate annual merit increases applies factors related to the position of the individual's current salary within the established ranges for her or his salary grade, predetermined rates of increase based on an annual survey of market data, and an evaluation of the employee's

performance. The Human Resources Department reviews the schedule of matrix driven changes to individual officer annual base salaries and can make recommendations for any additional adjustments. Additionally, individual base salaries for named executive officers, other than the Chief Executive Officer, and other officers in key positions such as Vice Presidents and Senior Vice Presidents are reviewed and may be adjusted by the Chief Executive Officer. The Compensation Committee makes all decisions related to the compensation of the Company's Chief Executive Officer. Officer base salary levels are reviewed annually in the first quarter of the Company's fiscal year and any increases to base annual salaries are recommended to the Compensation Committee by the Chief Executive Officer for approval based on an assessment of an

executive's scope of responsibilities, experience, the officer's individual performance, and contributions to the success of the organization.

Performance Based Annual Payment In November of 2011, the Board approved the Company's Profit Sharing Plan. Executive officers, in addition to all current employees of the Company and Bank who commenced employment prior to the January 1 that precedes or coincides with a performance period, are eligible to participate in payments made from a profit sharing pool calculated in accordance with the provisions of the Company's Profit Sharing Plan. The selection of the Company's Profit Sharing Plan criteria occurs within 120 days of the beginning of the Company's fiscal year. The selection of the criteria for 2014 occurred in March of 2014. Under the provisions of the Profit Sharing Plan, criteria established each year will include:

- designation of one or more performance periods for the fiscal year,
- determination of the formula for determining the profit share pool for each performance period, including the performance goals used in the formula,
- assignment of an initial profit share pool allocation for each performance period for each eligible employee of the Bank and the Company based on responsibility level, and
- designation of a performance rating factor for each eligible employee of the Bank and the Company.

The Company's Profit Sharing Plan also provides that the Compensation Committee of the Board may designate any employee, including an executive officer, as ineligible to receive a profit sharing allocation at its complete discretion.

Additionally, the Committee may adjust any employee's profit sharing allocation from the profit sharing pool at its discretion. However, no individual profit sharing allocation can exceed 7.5% of the entire profit sharing pool for any performance period, and total profit sharing allocations for any performance period cannot exceed 100% of the profit sharing pool for the performance period. Lastly, no individual profit sharing allocation can exceed 50% of that individual's base salary, and total profit sharing allocations made to executive officers of the Company cannot exceed 25% of the profit sharing pool in any performance period.

The performance goals established by the Compensation Committee for the Company's Profit Sharing Plan for 2014 include measures based on the Company's strategic goals for 2014. The Compensation Committee reviewed and approved management's recommended thresholds for each criterion. In 2014, the Company had to meet the following minimum criteria in order for a profit sharing pool to be established:

- a consolidated return on average assets, which is calculated as consolidated net income divided by average total assets, of at least 0.75%;
- a ratio of total regulatory capital to risk-weighted assets of at least 10% for both the Bank and the Company;
- a ratio of tier one regulatory capital to risk-weighted assets of at least 6% for both the Bank and the Company;
- a ratio of tier one regulatory capital to total average assets of at least 5% for both the Bank and the Company;
- and
- a ratio of classified assets to total risk-based regulatory capital for the Bank of no more than 35%. Classified assets include loans classified as substandard, doubtful or loss assets within the Bank's internal risk rating system, plus other real estate owned and other repossessed assets.

Once the Company determined that the above criteria were met, the profit sharing pool for 2014 was calculated by multiplying eligible pre-tax net income (pre-tax net income excluding the gain recognized on the sale of a branch location and the gain recognized for the step up in basis in our investment in Residential Mortgage Holding Company, LLC related to our acquisition of Residential Mortgage Holding Company, LLC) by 5% for the consolidated return on average assets up to 1.00%. For consolidated return on average assets in excess of 1% and up to 1.25%, the Company multiplies pre-tax net income by 3%. No additional profit sharing pool is established if the Company's consolidated return on average assets exceeds 1.25%. Additionally, the Compensation Committee has complete discretion to reduce the size of the profit sharing pool as it deems appropriate regardless of the calculated amount described above. The Compensation Committee approved management's recommendation based upon the calculated payout under the Profit Sharing Plan's methodology resulting in an aggregate payout of \$994,000 for 2014, \$149,000 of which was paid, in the aggregate, to the named executive officers.

Options and Other Stock-Based Compensation The Compensation Committee is of the philosophy that offering stock-based incentives to executives and key employees: (i) attracts and retains the best available personnel for the long-term; (ii) enhances long-term profitability and shareholder value; and (iii) encourages employees to acquire and maintain stock ownership in the Company, thereby more closely aligning the interests of employees and shareholders. The Compensation Committee follows this philosophy and, subject to the Company's employee stock incentive plans, may determine the employees eligible to receive options and awards and to assess the amount of each option and award.

The Company's 2014 Stock Incentive Plan ("2014 Plan"), an omnibus plan approved by shareholders, authorizes the Board or the Compensation Committee to administer the Plan and to grant to eligible key employees nonqualified stock options, restricted stock, restricted units, performance shares, performance units, stock appreciation rights, or dividend equivalent rights. The Compensation Committee has not delegated any aspect of the administration of any of the Company's stock incentive plans, including the 2014 Plan, to any other persons.

The 2014 Plan is designed to afford the Compensation Committee flexibility, consistency, and balance in determining and governing the terms and mix of the annual grant of long-and-shorter-term equity based compensation awards to the Company's executive officers and other employees key to the safe and profitable operation of the Bank. The majority of participants in the Plan are members of the Bank's senior management team. Participants, including the Company's named executives, are grouped within five tier levels for purposes of granting awards. These tiers are defined by the scope of the participants' responsibility and roles within the organization. In 2014, Mr. Beedle was classified in the top tier, Messrs. Schierhorn and Hartung were classified in the second tier, and Ms. Frye was classified in the third tier. Mr. Langland no longer participates in the 2014 Plan. The proportion of stock options and restricted stock units granted may vary depending upon an employee's position within the five tier levels.

The Compensation Committee believes that the awards of stock options and shorter-term restricted units serve to tie the executives' interests to those of the Company's shareholders. These awards also provide an incentive for the executives' long-term retention given the competitive climate in the Bank's marketplace for experienced and seasoned bankers. The methodology for calculating the total value of equity awards that will be awarded to employees, including the executives, starts with calculating the aggregate value that will be allocated to employees. The aggregate value is calculated by taking the Company's market capitalization times 0.50%. This value is then allocated to employees based on the five tiers described above. Employees are placed into one of the five tiers based on their level of responsibility within the Company. The Chief Executive Officer recommends proposed grantees and proposed award levels based on performance. The Committee has full discretion to approve, deny, or change any recommendations from the Chief Executive Officer. The Compensation Committee also analyzes the financial impact of the grant on the Company's income statement and the potential dilution of the grant to existing shareholders compared to prior grants and the Company's peer group.

The Company has not established any program whereby executives, key personnel, or directors are required to own and purchase within any specific schedule a defined number of shares of the Company's common stock.

Retirement and Other Deferred Benefits

Deferred Compensation Plan Effective as of January 1, 1995, as amended effective as of October 3, 1996 and January 1, 2005, the Bank established a Deferred Compensation Plan ("DCP") for the purpose of providing benefit planning to key employees of the Bank by permitting them to defer the receipt of compensation. All officers of the Bank and the Company, including the named executive officers, are eligible to participate and other key employees may become eligible to participate if so notified by the Compensation Committee. Currently, only Mr. Langland participates in the DCP.

The DCP provides that on or prior to December 31 of each year the plan is in effect, any eligible employee may elect in writing to defer receipt of at least five percent to a maximum of one hundred percent of their salary to be paid in the calendar year following the year of election. Any election is irrevocable as to any salary payable in the next year and effective with respect to future years unless revoked by the participant prior to December 31 of the year preceding the year in which the deferral is to take effect. Under the DCP, eligible employees, including the named executive officers, may elect to defer receipt of all or a portion of their remaining salary to be paid in the current calendar year if such written election is made within 30 days after she or he is first notified by the Compensation Committee of her or his eligibility to become a participant. The DCP provides that any eligible employee may elect to defer receipt of at least five percent to a maximum of one hundred percent of their performance based payments for services to be performed in a succeeding plan year under the same conditions described above. All amounts deferred are credited to participant accounts with interest compounded annually. According to the DCP, interest while an eligible employee is not eligible for distributions is based on the Bank's average yield on its total assets calculated on January 1, based on the prior year's performance, less one percentage point. Interest after an employee starts taking distributions from the DCP is based on the market yield on U.S. Treasury securities for a term equal to two-thirds of the installment period

of payments to the employee. Therefore, the rate of interest calculated for 2014 was 2.94%. None of the named executive officers elected to defer receipt of compensation in 2014.

Northrim Bank Savings Incentive Plan 401k Executive officers participate in the Company's qualified retirement plan, the Northrim Bank Savings Incentive Plan ("401k Plan") to the same extent and subject to the same rules and limitations as the Company's and the Bank's other employees. The 401k Plan provides for a mandatory \$0.25 match for each \$1.00 contributed by an employee up to 6% of the employee's salary such that the mandatory match will not exceed 1.50% of the employee's salary. The 401k Plan also provides for a three-tier discretionary service based match regardless of the employee's participation in the 401k Plan. The first tier matches 1% of an employee's salary if an employee has worked at the Bank for more than one but less

than three years. The second tier matches 2% of an employee's salary if an employee has worked at the Bank for more than three but less than six years, and the third tier matches 4% of an employee's salary if an employee has worked at the Bank in excess of six years. The 401k Plan allows for an additional discretionary contribution of up to \$0.75 for each \$1.00 contributed by an employee up to 6% of that employee's salary such that the discretionary match will not exceed 4.5% of the employee's salary. A residual discretionary contribution after all the previously listed contributions have been made is also provided for under the 401k Plan. Based upon the Bank's performance in 2014, the service based match was approved by the Compensation Committee and the Board of Directors. There was no discretionary match approved in 2014.

Supplemental Executive Retirement Plan Effective July 1, 1994, the Bank adopted the Northrim Bank Supplemental Executive Retirement Plan ("SERP") for the benefit of its executive officers, including the named executive officers. As provided by the SERP, the Company makes annual contributions to participant accounts on January 1 at a percentage rate of annual base salary determined and approved by the Compensation Committee. The Compensation Committee can exercise its authority to determine and approve changes to this percentage, as well as approve new participants under the SERP. The Compensation Committee generally makes these determinations based upon recommendations of the Chief Executive Officer or the Chief Operating Officer and upon consideration of the percentage rates of annual base salary contributed by the Company for each SERP participant and relative levels of each participant's current responsibility.

Earnings under the SERP are credited for the year on January 1 and based on the Bank's average yield on its total assets, less a three year rolling average of net loan charge-offs as a percentage of average loans outstanding for the respective periods. The SERP provides for payment of a specified amount to plan beneficiaries or their survivors upon retirement, with early retirement permitted after the participant's 55th birthday, if she or he has been a plan participant for at least five years prior to retirement. Benefits are payable monthly beginning 90 days after retirement, with the amount payable being equal to the total plan account balance for that participant (including interest at a specified fixed rate) divided by 12 months, divided by the number of years over which the participant elects to receive payments, with 15 years being the maximum period over which payout is permitted. If the participant dies prior to commencement of benefits, benefits are paid to the participant's survivors in equal installments over 15 years unless the Compensation Committee elects to accelerate payment.

Supplemental Executive Retirement Deferred Compensation Plan The Compensation Committee, the Board and management have deemed it prudent for the Bank to have life insurance protection on certain executives, considering the out-of-pocket costs related to replacing an executive officer, as well as the intangible but real loss due to disruptions in management and loss of existing or new business because of the death of a key individual. For these reasons, the Compensation Committee and the Board authorized the Bank to establish the Supplemental Executive Retirement Deferred Compensation Plan ("SERDCP"), a non-qualified deferred compensation plan. Certain executives, as identified by the Compensation Committee, are entitled to participate in the SERDCP. The SERDCP is intended to provide a source of funds for participants' retirement through the Bank's purchase and ownership of key man insurance coverage in the form of a variable adjustable life policy in an amount approved by the Compensation Committee and the Board for each participant. The annual premium payment covers the cost of providing the Bank with a full death benefit for the face amount of the policy, and the cost of providing the executive the deferred compensation retirement benefit or a death benefit to the executive's beneficiaries in the event of the executive's death before retirement. Earnings are based upon the participant's discretionary selection of investment opportunities available through the insurance provider to develop the cash surrender value of the portion of the premiums paid and allocated for that purpose.

In the event of the participant's retirement, the cash surrender value of the policy can be paid out in a lump sum or in installments not to exceed ten years. The participant can also elect to receive the insurance policy net of a distribution of cash value sufficient to pay taxes upon receipt of the policy. In the event of the participant's death, an amount equal to the greater of the cash surrender value or a stated death benefit, as described in the SERDCP document, would be paid to the participant's beneficiary.

Tax and Accounting Treatment of Executive Compensation
Deductibility of Executive Compensation

The Compensation Committee is aware of the limits set on individual grants to provide for the Company's deductibility of options and performance-based awards under Section 162(m) of the Code. Individual grants of options and stock appreciation rights are limited to 100,000 shares during any three consecutive calendar years; individual grants of restricted stock, restricted stock units, performance shares, and performance units are limited to 50,000 during any three consecutive calendar years. Performance measures are included in the 2014 Plan as required for performance shares and performance units to qualify for exemption under Section 162(m).

Nonqualified Deferred Compensation

Section 409A of the Code imposes election, payment, and funding requirements on “nonqualified deferred compensation” plans. If a nonqualified deferred compensation arrangement subject to Section 409A of the Code fails to meet, or is not operated in accordance with, the requirements of Section 409A, then compensation deferred under the arrangement may become immediately taxable and subject to a 20% additional tax. Certain awards that may be issued under the plan may constitute a “deferral of compensation” subject to the requirements of Section 409A of the Code.

Prohibition against Hedging

The Board has approved a policy that prohibits our directors and executive officers from hedging their ownership of our shares of common stock including trading in options, puts, calls or other derivative instruments relating to our securities.

2014 Advisory Vote on Executive Compensation

The Company provided shareholders a non-binding advisory vote on executive compensation in 2014. At the Company’s 2014 Annual Meeting of Shareholders, shareholders expressed substantial support for the compensation of the Company’s named executive officers, with approximately 98% of the votes cast for approval of the “say-on-pay” vote on executive compensation. The Compensation Committee considered the results of the 2014 advisory vote. The Compensation Committee also considered many other factors in evaluating the interaction of the Company’s compensation programs with its business objectives. While all of these factors bore on the Compensation Committee’s decisions regarding named executive officer compensation, the Compensation Committee did not make any changes to the Company’s executive compensation program and policies as a result of the shareholders’ 2014 “say-on-pay” advisory vote.

Employment Agreements

The Company and the Compensation Committee share the philosophy that employment agreements serve to further strengthen the relationships between the Company, its key executives, and its shareholders, particularly in light of the highly competitive climate in which the Bank and the Company currently operate.

The employment agreements at December 31, 2014 for Messrs. Langland, Schierhorn, Beedle, and Hartung included the following entitlements: a monthly automobile allowance, reasonable health insurance, disability and other employee benefits on a basis at least as favorable as that accorded to any other officer, as well as allowance for adjustments to annual base salary as deemed appropriate by the Compensation Committee. The employment agreement at December 31, 2014 for Ms. Frye included the same entitlements, excluding a monthly automobile allowance.

Messrs. Langland and Hartung entered into new employment agreements effective January 1, 2015. Messrs. Schierhorn and Beedle and Ms. Frye entered into new employment agreements effective March 27, 2015. The contracts of Messrs. Schierhorn, Beedle and Hartung and Ms. Frye included nearly identical terms and provisions as their previous employment agreements, with the exception that the new employment agreements: (i) increase the base salary multiple payable in the event of a change-of-control from one times such executive's highest base salary over the prior three years to two times such amount; and (ii) add an amount equal to two times the average of such executive's profit share received in the prior three years to be paid in the event of a change-of-control. The new employment agreements for each of Messrs. Langland, Beedle, Schierhorn, and Hartung and Ms. Frye also change the length of time during which the Company will provide continuing health and dental benefits from 18 months to two years, in the event of a change-of-control or termination without cause or for good reason. Finally, the new employment agreements between each of Messrs. Langland, Beedle, Schierhorn, and Hartung reflect the deletion of the car allowances previously granted to these executives.

In addition, the terms of Mr. Langland's new employment agreement provide for a change in Mr. Langland's title to Chairman of the Board of Directors of the Company and the Bank, as well as an adjustment in Mr. Langland's base salary to \$100,000. Mr. Beedle's new employment agreement provides for a change in Mr. Beedle's title to President and Chief Executive Officer of the Company and Chief Executive Officer of the Bank, as well as an adjustment in Mr. Beedle's base salary to \$290,000. The terms of Mr. Schierhorn's new employment agreement provide for a change in Mr. Schierhorn's title to President and Chief Operating Officer of the Bank and an adjustment in Mr. Schierhorn's base salary to \$285,000. The terms of Mr. Hartung's new employment agreement provide for an adjustment in Mr. Hartung's base salary to \$253,148. The terms of Ms. Frye's new employment agreement provide for an annual contribution to the Company's supplemental executive retirement plan equal to five percent of her base salary and provide for an adjustment in Ms. Frye's base salary to \$160,000. Each of the new employment agreements has an initial term ending on December 31, 2015, which term will be automatically extended for additional one-year terms unless at least 90 days prior to any January 1, either party gives notice of its intent not to extend such term or the employment agreement is terminated in accordance with its termination provisions.

All of the employment agreements except that of Mr. Langland reflect the named executive officer's eligibility to participate in the Company's Profit Sharing Plan. The named executive officers agree to a Covenant Not to Compete, which stipulates that for a period of one year following termination of the agreement, or one year following the close of a transaction constituting a change of control, they will not be directly or indirectly employed by or own any business activity that is competitive with the Company or Bank. As defined in each of their employment agreements, each of the named executive officers except Mr. Langland is entitled to the severance benefits discussed herein under the heading Potential Payments Upon Termination or Change of Control. Severance benefits were removed from Mr. Langland's benefit package in 2012 as part of his transition to part time employment with the Company.

R. Marc Langland

The employment agreement dated January 1, 2015 between the Company, the Bank, and R. Marc Langland, our Chairman of the Company and the Bank, reflects Mr. Langland's current annual salary, \$100,000. Mr. Langland is entitled to participate in the Company's SERP, however no additional contributions will be made on his behalf except for interest earnings on his current accruing balance. Interest on the accruing balance is credited based on the average yield of the Bank's assets less a three year moving average rate of loan charge-offs. In connection with his transition to part-time employment with the Company in 2012, Mr. Langland no longer participates in the Company's SERDCP plan and withdrew the balance of his SERDCP benefits in accordance with the terms of the plan in December 2012. Potential Payments Upon Termination or Change in Control

In accordance with the terms of the 2014 Plan, which applied to all named executives, if the Company or the Bank is subjected to a change of control, any outstanding stock option grants or stock awards held by the named executive officers would not automatically vest. However, if the awards were not assumed by or replaced with comparable awards by the successor company, the Compensation Committee may, at its sole discretion, immediately vest all shares.

Additionally, the current employment agreements with Mr. Schierhorn, Mr. Beedle, Mr. Hartung, and Ms. Frye specify that if the Company or the Bank is subjected to a change of control and either the Company terminates a named executive officer's employment without cause or if a named executive terminates his or her employment for good reason within 730 days of the change in control, the named executive is entitled to:

- all base salary earned and all reimbursable expenses incurred through the termination date payable by the Company in a lump sum no later than 45 days after the day on which employment is terminated;
- an amount equal to two times his or her highest base salary over the prior three years also payable by the Company in a lump sum no later than 45 days after the day on which employment is terminated;
- an amount equal to two times his or her average profit share received over the prior three years payable by the Company in a lump sum no later than 45 days after the day on which employment is terminated;
- the continuation of health and insurance benefits for two years following the termination date of his or her agreement; and

receive age credit and credit for period of service towards all SERP plans for the remaining period of time covered by each named executive officer's individual employment agreement

For Mr. Schierhorn, Mr. Beedle, Mr. Hartung, and Ms. Frye, if the Company terminates the named executive officer's employment without cause, or if he or she terminates his or her employment for good reason, the named executive officer's is entitled to:

- all base salary earned and all reimbursable expenses incurred under the agreement through his or her termination date payable by the Company in a lump sum no later than 45 days after the day on which employment is terminated;

- an amount equal to one times his or her highest base salary over the prior three years, to be paid on the first day of the month following a period of six months after the termination;

- continuation of health and insurance benefits for 12 months following the termination date of his agreement; and receive age credit and credit for period of service towards all SERP plans for the remaining period of time covered by each named executive officer's individual employment agreement.

For Mr. Schierhorn, Mr. Beedle, Mr. Hartung, and Ms. Frye, in the event the Company terminates the named executive officer's employment for cause or the named executive officer terminates his or her employment for without good reason, the named executive officer is entitled only to payment of all base salary earned and all reimbursable expenses incurred through the termination date payable upon the effective date of termination and will have no right to receive compensation or other benefits for any period after termination.

In accordance with the terms of his most recent employment agreement, Mr. Langland is not entitled to any payments if the Company or the Bank is subjected to a change of control, if the Company terminates Mr. Langland's employment with or without cause, or if Mr. Langland terminates his employment for good reason or without good reason, except for base salary earned but not yet paid and all reimbursable expenses incurred as of the termination date, age credit and credit for period of service towards all SERP plans for the remaining period of time covered by his employment agreement, and a continuation of health and insurance benefits for 24 months following the termination date of such agreement.

If the Company terminates the employment of Messrs. Langland, Schierhorn, Beedle, Hartung or Ms. Frye on account of any mental or physical disability that prevents him or her from performing his or her duties, then he or she is entitled to one lump sum payment, on the first day of the month following a period of six months after employment was terminated, of all base salary earned and reimbursable expenses incurred through the termination date, as well as full base salary and health and dental insurance benefits provided, at the Company's expense, for one year following the termination date.

If a named executive officer's employment agreement is terminated due to his or her death, under the terms of the agreement, his or her beneficiaries will receive that portion of his or her base salary that otherwise would have been paid to him or her for the month in which his or her death occurred and any other amounts due him or her pursuant to the Company's SERP, any supplemental deferred compensation plan, and any other death, insurance, employee benefit plan or stock benefit plan provided to him or her by the Company according to the terms of the respective plans.

The following table sets forth potential payments payable to our named executive officers in the event of termination of their employment or a change of control of the Company or the Bank as of December 31, 2014 under the provisions of their employment agreements as described above. The value of unvested options and restricted stock units in the discussion below is based on the closing price of the Company's common stock on December 31, 2014 at \$26.24 per share.

In addition to the above provisions, the employment agreements of Messrs. Langland, Schierhorn, Beedle, Hartung and Ms. Frye contain what is commonly referred to as a “claw back provision” with respect to bonuses or profit sharing allocations paid under the Company's Profit Sharing Plan. Under this provision, if the Company is required to restate the financial statements due to material noncompliance with generally accepted accounting principles, the Company will recover from the named executives any excess incentive compensation that was paid as a result of the restatement during the three years prior to the restatement.

Grants of Plan-Based Awards

The Compensation Committee approved awards under our Profit Sharing Plan and awarded stock options and restricted stock grants under our 2014 Stock Incentive Plan to our named executive officers during 2014. Set forth below is information regarding awards granted during 2014:

Name	Grant Date	Estimated Future Payouts Under Non-Equity Incentive Plan Awards			Estimated Future Payouts Under Equity Incentive Plan Awards	All Other Stock Awards: Number of Stock or Units	All Other Option Awards: Number of Shares Underlying Options	Exercise or Base Price of Option Awards per share	Grant Date Fair Value of Stock and Option Awards

Latosha M. Frye	11/19/2014	\$13,999	NA	\$21,466	\$—	699	2,833	\$27.28	\$38,135

Profit Sharing Plan The dollar values reflected in the above table as to estimated future payouts under the non-equity incentive plan awards to the named executives are based on a formula driven methodology applied to determine the annual profit sharing allocation to the Company's Profit Sharing Plan participants recommended by the Chief Executive Officer as described above in the section entitled "Performance Based Annual Payment". The Company's Profit Sharing Plan defines minimum threshold and maximum payouts but it does not define a target payout.

2014 Employee Stock Incentive Plan The provisions of the 2014 Plan under which the above grants were made permit the Compensation Committee flexibility in determining the terms of the stock option agreements and letter agreements for stock and restricted units granted, respectively, as related to the death, disability, retirement, and termination of the employee, and in the event of a change in control.

Shares Available for Issuance

The 2014 Plan provides that a total of 350,000 shares may be issued to eligible participants. Additionally, any shares under the 2014 Plan that are forfeited back to the Company and shares that are withheld by the Company to pay for taxes with respect to awards other than options or stock appreciation rights shall again be available for issue pursuant to new awards granted under this plan. For purposes of calculating available shares, stock options or stock appreciation rights granted are counted as one share for every one share granted, and any shares that are subject to awards other than stock options or stock appreciation rights are counted as three shares for every one share granted. As of December 31, 2014 under the 2014 Plan there were a total of 179,990 options, 59,486 shares of restricted stock, and no performance shares or performance units outstanding and there were 287,043 shares available for issuance.

Stock Options

The 2014 Plan provides that the exercise price of stock options or any other awards as set by the Compensation Committee shall in no event be less than 100% of the fair market value of the shares at the close of business on the date of grant. Outstanding options may not be repriced without shareholder approval. All options granted under the 2014 Plan will expire not more than 10 years from the date of grant. Each option is exercisable subject to the vesting schedule determined by the Compensation Committee. The exercise price for shares purchased upon the exercise of an option must be paid in cash or such other consideration, including shares of the Company's common stock, as the Compensation Committee deems acceptable.

Stock Awards

Stock awards are earned and vest over a period of at least three years and can be governed by conditions, restrictions, and contingencies determined at the discretion of the Compensation Committee such as continuous service and/or the achievement of performance goals. The stock awards will be in the form of restricted stock, restricted units,

performance shares, and performance units.

24

Stock Appreciation Rights

The 2014 Plan also authorizes the grants of stock appreciation rights, which are grants of rights that entitle the holder to payment equal to the difference between the fair market value of a share at the time of grant versus the fair market value at the time the stock appreciation right is exercised. Stock appreciation rights may be granted in connection with options or separately. Similarly, the 2014 Plan authorizes the grant of dividend equivalent rights, either in connection with other awards (particularly stock awards and stock appreciation rights) or separately.

Administration

Historically, it has been the Compensation Committee's overall practice to consider and grant stock based incentives to employees in the fourth quarter of the Company's fiscal year. In the fourth quarter of 2014, the Compensation Committee analyzed and considered the estimated impact of proposed grants on the Company's income statement, as well as the potential dilution from options outstanding and available for future grant. The Compensation Committee determined that the potential dilution as a percentage of fully diluted shares outstanding is close to our peer median, and the Company's shares granted in 2014 as a percent of fully diluted shares outstanding was 0.59% as compared to 0.61% for our peer median. Peer median data was obtained from data received from FWCC, an independent, nationally recognized compensation consulting firm, in 2014. The banks that were used to obtain this peer group median are fifteen Pacific Northwest and California commercial banks similar in size to Northrim: TriCo Bancshares, F & M BanCorp, Cascade BanCorp, First Financial Northwest, Inc., Pacific Continental, Heritage Financial, Riverview Bancorp, North Valley Bancorp, Bank of Commerce, Bank of Marin Bancorp, First Northern Community Bancorp, Home Street, Inc., Intermountain Community Bancorp, Oak Valley Bancorp, and Pacific Financial.

Amendment and Termination

The 2014 Plan may be modified, amended or terminated by the Board, except that shareholder approval is required for any amendment which increases the number of shares subject to the 2014 Plan other than in the cases of certain automatic adjustments such as changes in capitalization, which increase or expand the category of eligible recipients, or whenever applicable law requires that a proposed amendment of the 2014 Plan receive shareholder approval. The Compensation Committee may amend the terms and conditions of outstanding stock options as long as such amendments do not terminate the option or otherwise adversely affect the holders of such stock options without the holders' consent. Amendments to terms and conditions of outstanding stock options are subject to veto by the Board.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the 1934 Act ("Section 16(a)") requires that the Company's officers and directors and persons who own more than 10% of the Company's outstanding shares of common stock file reports of ownership and changes in ownership with the Securities and Exchange Commission. Based solely upon a review of the copies of these reports and upon written representations by the Company's directors and officers regarding their compliance with the applicable reporting requirements under Section 16(a), the Company believes that all of the Company's directors and officers filed all reports required by Section 16(a) in a timely manner for the year ended December 31, 2014.

INTEREST OF MANAGEMENT IN CERTAIN TRANSACTIONS

Bank Loan Transactions

As prescribed by regulation and specifically incorporated into the Bank's Loan Policy, Regulation O promulgated under the Federal Reserve Act, governs loans made to or guaranteed by directors, executive officers, and principal shareholders or their related interests. As a group, these people and related interests are referred to as "insiders." All loans subject to Regulation O, which include new, modified and/or increased loans to insiders, or loans guaranteed by insiders are further subject to the provisions and procedures of the Bank's Loan Policy. The Bank's Loan Policy requires that loans to insiders, after proper approval by the Bank's Loan Committee, must also be approved by a majority of the Bank's directors who are not members of the Loan Committee. Director approval of those loans is documented and provided to the Board.

During 2014, certain directors and executive officers of the Company and the Bank and/or their associates were also customers of the Bank. It is anticipated that directors, executive officers, and their associates will continue to be customers of the Bank in the future. All transactions between the Bank and directors, executive officers, and their associates were made in the ordinary course of business on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions with other persons not related to the Bank. These transactions did not involve more than the normal risk of collectability or present other unfavorable features. At December 31, 2014, the Bank had outstanding \$2.3 million in loans to directors and their related interests.

The Bank did not have any unfunded loan commitments to these directors and their related interests at December 31, 2014.

Other Related Party Transactions

Under our Corporate Governance Guidelines, directors are required to disclose to the Governance and Nominating Committee any financial interest or personal interest that such director may have in any contract or transaction being

considered

32

by the Board for approval. The Governance and Nominating Committee is charged with review and approval of all related person transactions. All proposed related person transactions that are not subject to Regulation O must be presented to the Governance and Nominating Committee and ultimately to the Board for review, discussion, and consideration. In addition, any interested director, after full disclosure, does not participate in the discussion related to and abstains from voting on the transaction or issue brought before the Board.

Mr. Richard Lowell served on the Board of the Company and the Bank since the inception of the Bank in 1990 until his death in February of 2015. Mr. Tim Brady, who was the son-in-law of Mr. Lowell, is the President of Ken Brady Construction, Inc., a general contractor specializing in design/build and traditional public works projects. During 2013 and 2014, Ken Brady Construction, Inc. served as the general contractor with respect to several construction projects for the Bank. Ken Brady Construction, Inc. received a total of approximately \$1.2 million and \$5.4 million in payments from the Bank for general contracting services provided in 2013 and 2014, respectively. Mr. Lowell had no ownership interest or other relationship in or with Ken Brady Construction, Inc. The transactions which occurred in 2013 and 2014 between the Bank and Ken Brady Construction, Inc., were reviewed and discussed by the Governance and Nominating Committee and were approved by the Board. In all cases, Mr. Lowell abstained from the discussion and approval of these transactions. The amount of payments made to Ken Brady Construction, Inc. in 2014 exceed 5% of gross revenues for that company; therefore, the Governance and Nominating Committee of the Board determined that Mr. Lowell was not an independent director under the standards established by the NASDAQ Stock Market during 2014.

The Bank engaged the services of RIM Architects, LLC, an architectural and design firm, for work related to several construction projects in 2014. Mr. Larry Cash serves as President and CEO of RIM Architects, LLC. During 2014, RIM Architects, LLC received approximately \$208,000 in payments from the Bank for general architectural design services. The transactions which occurred in 2014 between the Bank and RIM Architects, LLC, were reviewed and discussed by the Governance and Nominating Committee and were approved by the Board. Mr. Cash abstained from the discussion and approval of these transactions.

During 2014, neither the Company nor the Bank participated in any additional transactions with related persons that had a direct or indirect material interest in an amount exceeding \$120,000. Except as disclosed above, there are no currently proposed transactions with related persons that exceed \$120,000.

COMMITTEE REPORTS

The following reports of the Audit Committee and Compensation Committee are made pursuant to the rules of the Securities and Exchange Commission and the listing standards of the NASDAQ Stock Market, Inc. These reports shall not be deemed incorporated by reference by any general statement incorporating by reference this proxy statement into any filing under the Securities Act of 1933, as amended, or the 1934 Act, except to the extent that the Company specifically incorporates the information by reference, and shall not otherwise be deemed filed under such acts.

AUDIT COMMITTEE REPORT

The Audit Committee Charter of the Company and its subsidiaries specifies that the purpose of the Audit Committee is to assist the Board in its oversight of:

The integrity of the Company's financial reporting process and financial statements and systems of internal controls;

The Company's accounting practices and internal controls;

The independent registered public accounting firm's qualifications, independence, and performance; and

The performance of the Company's internal audit function.

The Audit Committee has reviewed and discussed the audited financial statements of the Company for the year ended December 31, 2014 with the Company's management and has discussed with Moss Adams LLP the matters required to be discussed

by Auditing Standard No. 16 (Communications with Audit Committees). The Audit Committee discussed with the Company's internal and external independent auditors the overall scope and plans for their respective audits. The Audit Committee meets with the internal and external independent auditors, with and without management present, to discuss the results of their examinations, the evaluations of the Company's internal controls, and the overall quality of the Company's financial reporting.

The Audit Committee has received the written disclosures and the letter from the independent registered public accounting firm required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent registered public accounting firm's communications with the Audit Committee concerning independence. The Audit Committee also discussed with the independent registered public accounting firm the independent accountant's independence.

Based on the review and discussions referred to above, the Audit Committee recommended to the Board that the audited financial statements for the fiscal year ended December 31, 2014, be included in the Company's Annual Report on Form 10-K for that year for filing with the Securities and Exchange Commission.

PROPOSAL 2: ADVISORY VOTE ON EXECUTIVE COMPENSATION

Executive compensation is an important matter for our shareholders. The Company's named executive officers are compensated in a manner consistent with the Company's strategy, competitive practice, sound corporate governance principles, and shareholder interests and concerns. We believe our compensation program, with its balance of short and long term incentives, is strongly aligned with the interests of our shareholders. We urge you to read the Compensation Discussion and Analysis section of this proxy statement for additional details on executive compensation, including the Company's compensation philosophy and objectives and the 2014 compensation of the named executive officers.

In accordance with the Dodd-Frank Act and regulations passed by the Securities and Exchange Commission, the Company is providing shareholders with an advisory (nonbinding) vote on compensation programs for our named executive officers (sometimes referred to as "say on pay"). As an advisory vote, this proposal is nonbinding. Although the vote is nonbinding, the Board of Directors and the Compensation Committee value the opinions of our shareholders and will consider the outcome of the vote when making future compensation decisions for our named executive officers.

THE BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE "FOR" APPROVAL OF THE COMPENSATION OF THE NAMED EXECUTIVE OFFICERS AS DISCLOSED IN THE COMPENSATION DISCUSSION AND ANALYSIS, THE ACCOMPANYING COMPENSATION TABLES, AND THE RELATED NARRATIVE DISCLOSURE IN THIS PROXY STATEMENT.

PROPOSAL 3: RATIFICATION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Moss Adams LLP currently serves as our independent registered public accounting firm, and that firm conducted the audit of our financial statements for the fiscal years ended December 31, 2014, 2013, and 2012.

Appointment of the Company's independent registered public accounting firm is not required to be submitted to a vote of our shareholders for ratification. However, the Board of Directors determined that submitting the appointment of Moss Adams LLP to the shareholders for ratification was a matter of good corporate practice. If shareholders do not ratify the appointment, the Audit Committee will reconsider whether to retain that firm. However, if the appointment is ratified, the Audit Committee in its discretion may direct the appointment of a different principal independent registered public accounting firm at any time.

Representatives of Moss Adams LLP are expected to be present at the Annual meeting and will have the opportunity to make a statement, if they desire to do so, and will be available to respond to appropriate questions.

THE BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE "FOR" THE RATIFICATION OF MOSS ADAMS LLP AS THE COMPANY'S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR FISCAL YEAR 2015.

INFORMATION CONCERNING SHAREHOLDER PROPOSALS

A shareholder proposing to transact business at the Company's 2016 Annual Shareholders' Meeting must provide notice of such proposal to the Company no later than March 2, 2016. For shareholder proposals to be considered for inclusion in the Company's proxy statement and form of proxy relating to its Annual Shareholders' Meeting, such proposals must be received by the Company no later than December 17, 2015. If the Company receives notice of a shareholder proposal after March 2, 2016, the persons named as proxies in the proxy statement and/or form of proxy will have discretionary authority to vote on such shareholder proposal.

HOUSEHOLDING

The Securities and Exchange Commission has adopted rules that permit companies and intermediaries (e.g., brokers) to satisfy the delivery requirements for proxy statements with respect to two or more shareholders sharing the same address by delivering a single proxy statement addressed to those shareholders. This process, which is commonly referred to as "householding," potentially means extra convenience for shareholders and cost savings for companies. We have not implemented householding rules with respect to our record holders. However, a number of brokers with account holders who are shareholders may be "householding" our proxy materials. If a shareholder receives a householding notification from his, her or its broker, a single proxy statement will be delivered to multiple shareholders sharing an address unless contrary instructions have been received from an affected shareholder. Once you have received notice from your broker that they will be "householding" communications to your address, "householding" will continue until you are notified otherwise.

Shareholders who currently receive multiple copies of the proxy statement at their address and would like to request "householding" of their communications should contact their broker. In addition, if any shareholder that receives a "householding" notification wishes to receive a separate annual report or proxy statement at his, her or its address, such shareholder should also contact his, her or its broker directly. Shareholders who in the future wish to receive multiple copies may also contact the Company c/o Corporate Secretary, Northrim BanCorp, Inc., 3111 C Street, Anchorage, Alaska 99503.

Shareholders of record sharing an address can request delivery of a single copy of annual reports to security holders, proxy statements, and notices of internet availability of proxy materials by contacting the Company at: c/o Corporate Secretary, Northrim BanCorp, Inc., 3111 C Street, Anchorage, Alaska 99503.

2014 REPORT TO SHAREHOLDERS AND ANNUAL REPORT — FORM 10-K

The Company's 2014 Annual Report (which is not part of the Company's proxy soliciting materials), and 2014 Annual Report on Form 10-K for the fiscal year ended December 31, 2014, accompanies this proxy statement. These reports are also available at our website at www.northrim.com under "Investor Relations". Additional hard copies will be furnished to shareholders upon request to: Corporate Secretary, Northrim Bank, P.O. Box 241489, Anchorage, Alaska

99524-1489, or by telephone to (907) 562-0062, or by fax to (907) 562-1758.

OTHER MATTERS

The Board knows of no other matters to be brought before the Annual Meeting. However, if other matters should properly come before the Annual Meeting, it is the intention of the persons named in the proxy to vote the proxy in accordance with the recommendations of management on such matters.

WE URGE YOU TO SIGN AND RETURN THE ENCLOSED PROXY OR VOTE USING THE INTERNET AS PROMPTLY AS POSSIBLE WHETHER OR NOT YOU PLAN TO ATTEND THE MEETING IN PERSON. IF YOU ATTEND THE MEETING, YOU MAY THEN WITHDRAW YOUR PROXY AND VOTE AT THE MEETING, IF YOU WISH. THE PROXY MAY BE REVOKED AT ANY TIME PRIOR TO ITS EXERCISE.
