**Item 1.01. Entry into a Material Definitive Agreement**

On January 19, 2006, the Compensation Committee of the Company's Board of Directors approved bonus targets for 2006 awards under the Company's Annual Incentive and Management Stock Purchase Plan (the "MSPP"). Under the terms of the MSPP, bonuses are paid 50% upon award and the remaining 50% is deferred for one year at 5% interest, compounded daily. The deferred portion is matched with a number of restricted stock units (the "Restricted Stock Units") equal to the amount of the deferred portion divided by the fair market value of the Company's common stock on the date such bonus would otherwise be paid. Provided the executive officer remains employed by us, these Restricted Stock Units will vest in full in three years. If the executive officer's employment with the Company is terminated due to death or disability, or upon a change in control of the Company, the Restricted Stock Units will immediately vest. If the executive officer's employment with the Company is terminated due to retirement or without cause, then the Restricted Stock Units will vest on a pro-rata basis.

Bonus amounts for 2006 will be dependent upon the achievement of certain adjusted EBITDA and cash flow targets, individual performance and unit performance in the case of certain executives. Set forth in the table below is the bonus target for each Named Executive Officer as a percentage of base salary and a breakdown of the various components that will comprise the executive's 2006 award, if any:

<u>Executive Officer</u>	<u>2006 Base Salary</u>	<u>Target Bonus Percentage</u>	<u>Company Performance</u>	<u>Individual Performance</u>	<u>Unit Performance</u>
