**Item 1.01 Entry into a Material Definitive Agreement.**

***General***

On April 17, 2013, EVERTEC Group, LLC ( EVERTEC, LLC ), which is a wholly owned indirect subsidiary of EVERTEC, Inc. ( EVERTEC or the Company ), entered into a credit agreement (the Credit Agreement ) governing the senior secured credit facilities, consisting of a \$300.0 million term loan A facility which matures on April 17, 2018, a \$400.0 million term loan B facility which matures on April 17, 2020 and a \$100.0 million revolving credit facility which matures on April 17, 2018, with a syndicate of lenders and JPMorgan Chase Bank, N.A., as administrative agent, collateral agent swingline lender and L/C issuer. The material terms and conditions of the senior secured credit facilities are summarized below. The description of the Credit Agreement, and guarantees and collateral arrangements thereunder, contained herein is qualified in its entirety by reference to the full text of the Credit Agreement, Guarantee Agreement and Collateral Agreement, which are attached hereto as Exhibits 10.1, 10.2 and 10.3.

***Scheduled Amortization Payments***

The term loan A facility amortizes on a basis of 1.25% during each of the first twelve quarters starting from the quarter ending September 30, 2013, 1.875% during each of the four subsequent quarters and 2.50% during each of the final three quarters, with the balance payable on the final maturity date.

The term loan B facility provides for quarterly amortization payments totaling 1.00% per annum of the original principal amount of the term loan B facility, with the balance payable on the final maturity date.

***Voluntary Prepayments and Reduction and Termination of Commitments***

The terms of the senior secured credit facilities allow EVERTEC, LLC to prepay loans and permanently reduce the loan commitments under the senior secured credit facilities at any time, subject to the payment of customary LIBOR breakage costs, if any, *provided* that, in connection with certain refinancing or repricing of the term loan B facility on or prior to the one year anniversary of the closing date of the Credit Agreement, a prepayment premium of 1.00% will be required.

***Interest***

The interest rates with respect to loans to EVERTEC, LLC under the term loan A facility and revolving credit facility are based on, at EVERTEC, LLC's option, (a) (x) adjusted LIBOR plus (y) an interest margin of 2.50% or (b) (x) the greater of the higher of the Federal Funds Effective Rate plus 0.5% and JPMorgan Chase Bank, N.A.'s prime rate ( ABR ) plus (y) an interest margin of 1.50%. The interest rates with respect to loans to EVERTEC, LLC under the term loan B facility are based on, at EVERTEC, LLC's option, (a) (x) the greater of adjusted LIBOR and 0.75% plus (y) an interest margin of 2.75% or (b) (x) the greater of ABR and 1.75% plus (y) an interest margin of 1.75%. The interest margins under the senior secured credit facilities are subject to reduction based on achievement of specified first lien secured leverage ratios.

***Guarantees and Collateral***

EVERTEC, LLC's obligations under the senior secured credit facilities and under any cash management, interest rate protection or other hedging arrangements entered into with a lender or any affiliate thereof are guaranteed by EVERTEC Intermediate Holdings, LLC ( Holdings ), which is a direct wholly owned subsidiary of EVERTEC, and each of EVERTEC, LLC's existing and subsequently acquired or organized wholly-owned subsidiaries, subject to certain exceptions.

Subject to certain exceptions, the senior secured credit facilities are secured to the extent legally permissible by substantially all of the assets of (1) Holdings, including a perfected pledge of all of the limited liability company interests of EVERTEC, LLC, and (2) EVERTEC, LLC and the subsidiary guarantors, including but not limited to: (a) a pledge of substantially all capital stock held by EVERTEC, LLC or any guarantor and (b) a perfected security interest in substantially all tangible and intangible assets of EVERTEC, LLC and each guarantor.

***Covenants***

The senior secured credit facilities contain affirmative and negative covenants that the Company believes are usual and customary for a senior secured credit agreement. The negative covenants in the senior secured credit facilities include, among other things, limitations (subject to exceptions) on the ability of EVERTEC, LLC's and its restricted subsidiaries to:

declare dividends and make other distributions;

redeem or repurchase capital stock;

grant liens;

make loans or investments (including acquisitions);

merge or enter into acquisitions;

incur additional indebtedness;

prepay, redeem or repurchase certain indebtedness;

modify the terms of certain debt;

restrict dividends from subsidiaries;

change the business of EVERTEC, LLC or its subsidiaries; and

enter into transactions with their affiliates.

In addition, the term loan A facility and the revolving credit facility (to the extent that more than 30.00% of the revolving credit facility is outstanding (including outstanding swingline loans and letters of credit)) require EVERTEC, LLC to maintain a maximum first lien secured leverage ratio.

***Events of Default***

The events of default under the senior secured credit facilities include, without limitation, nonpayment, material misrepresentation, breach of covenants, insolvency, bankruptcy, certain judgments, change of control (as defined in the Credit Agreement governing the senior secured credit facilities) and cross-events of default on material indebtedness.

**Item 1.02 Termination of a Material Definitive Agreement.**
