FORWARD-LOOKING STATEMENTS

This press release may contain forward-looking statements. These statements are statements that are not historical facts, and are based on management's current view and estimates of future economic circumstances, industry conditions, company performance and financial results. The words "anticipates", "believes", "estimates", "expects", "plans" and similar expressions, as they relate to the company, are intended to identify

forward-looking statements. Statements regarding the declaration or payment of dividends, the implementation of principal operating and financing strategies and capital expenditure plans, the direction of future operations and the factors or trends affecting financial condition, liquidity or results of operations are examples of forward-looking statements. Such statements reflect the current views of management and are subject to a number of risks and uncertainties. There is no guarantee that the expected events, trends or results will actually occur. The statements are based on many assumptions and factors, including general economic and market conditions, industry conditions, and operating factors. Any changes in such assumptions or factors could cause actual results to differ materially from current expectations.

#147;would, could or should, the negative of these terms or other comparable terminology. Examples of forward-looking statements in this Current Report on Form 8-K include statements relating to the Company's expectations regarding the transactions described above. These forward-looking statements are subject to a number of risks and uncertainties that could cause actual results to differ materially from those contained in any forward-looking statement, such as delays or failures associated with the acquisitions and marketing agreement and the failure to successfully integrate or otherwise achieve anticipated benefits from such acquired businesses and marketing agreement; failure to successfully expand business internationally; the impact of foreign exchange rates on operations, revenue and income; the effects of general economic conditions on commercial activity, as well as the other risks and uncertainties identified under the caption "Risk Factors" in the Company's Annual Report on Form 10-K for the year ended December 31, 2012, filed with the Securities and Exchange Commission (the "SEC") on March 1, 2013. The Company believes these forward-looking statements are reasonable; however, forward-looking statements are not a guarantee of performance, and undue reliance should not be placed on such statements. The forward-looking statements included in this Current Report on Form 8-K are made only as of the date hereof, and the Company does not undertake, and specifically disclaims, any obligation to update any such statements or to publicly announce the results of any revisions to any of such statements to reflect future events or developments.
