2. Ratify the appointment of Ernst & Young LLP as the Company s independent registered public accounting firm for fiscal year 2015;

3. Transact such other business as may properly come before the Annual Meeting
The Board of Directors recommends a vote FOR each of proposals 1 and 2. These items are more fully described in the following pages, which are made part of this notice.

The Board of Directors has fixed the close of business on April 30, 2015, as the record date for the determination of stockholders entitled to notice of and to vote at the Annual Meeting and any adjournments and postponements thereof. To ensure that your vote is recorded promptly, please vote as soon as possible, even if you plan to attend the Annual Meeting in person. Most stockholders have three options for submitting their vote: (1) via the Internet, (2) by phone or (3) by mail, using the enclosed proxy card. For further details, see your proxy card. If you have Internet access, **we encourage you to record your vote on the Internet.** It is convenient for you, and it also saves the Company significant postage and processing costs.

Based on New York Stock Exchange rules, brokers are only permitted to vote on proposal 2 without instructions from the beneficial owner, as discussed in more detail in the Proxy Statement. Therefore, if your shares are held through a brokerage firm, bank or other nominee, they will not be voted on the election of directors, unless you provide voting instructions to your brokerage firm, bank or other nominee.

PROXY STATEMENT
FOR ANNUAL MEETING OF STOCKHOLDERS

Important Notice Regarding the Availability of Proxy Materials for the Stockholder Meeting to be Held on
June 22, 2015

The Proxy Statement and accompanying Annual Report to Stockholders are available at

<http://service.virco.com/financialinfo>

GENERAL INFORMATION

This Proxy Statement is being mailed to stockholders of Virco Mfg. Corporation, a Delaware corporation (the Company), on or about May 22, 2015, in connection with the solicitation by the Board of Directors of proxies to be used at the 2015 Annual Meeting of Stockholders (the Annual Meeting) of the Company to be held on Monday, June 22, 2015, at 10:00 a.m. Pacific Time at the Company's Corporate Headquarters located at 2027 Harpers Way, Torrance, California, 90501 and any and all adjournments and postponements thereof.

The cost of preparing, assembling and mailing the Notice of the Annual Meeting, Proxy Statement and form of proxy and the solicitation of proxies will be paid by the Company. Proxies may be solicited in person or by telephone, telegraph, e-mail or other electronic means by personnel of the Company who will not receive any additional compensation for such solicitation. The Company will reimburse brokers or other persons holding stock in their names or the names of their nominees for the expenses of forwarding soliciting material to their principals.

RECORD DATE AND VOTING

The close of business on April 30, 2015, has been fixed as the record date for the determination of stockholders entitled to notice of and to vote at the Annual Meeting. On that date there were 14,852,640 shares of the Company's common stock, par value \$.01 per share (common stock), outstanding. All voting rights are vested exclusively in the holders of the Company's common stock. Each share of common stock is entitled to one vote on any matter that may be presented for consideration and action by the stockholders, except that as to the election of directors, stockholders may cumulate their votes. Because two directors are to be elected, cumulative voting means that each stockholder may cast a number of votes equal to two times the number of shares actually owned. That number of votes may be cast for one nominee, divided equally among each of the nominees or divided among the nominees in any other manner. Stockholders wishing to cumulate their votes should make an explicit statement of their intent by so indicating in writing on the proxy card.

Table of Contents

Below is a summary of the vote required for adoption of each proposal and the respective effect of abstentions and broker non-votes. For more detailed information see the discussion of the respective proposal below.

Proposal	Vote Required for Approval of Proposal	Effect of Abstentions	Effect of Broker Non-Votes
Election of directors	Plurality of shares voted	No effect	No effect
Ratification of Ernst & Young LLP	Majority of shares voted	Vote Against	No effect

A broker non-vote occurs when a bank, broker or other nominee does not have authority to vote on a particular item without instructions from the beneficial owner and has not received instructions. Brokers only have discretion to vote on routine matters, such as the ratification of the selection of the independent registered public accounting firm. The election of directors is not considered a routine matter and, as a result, your broker will not have the discretion to vote on that matter at the 2015 Annual Meeting unless you provide applicable instructions to do so. Therefore, we strongly encourage you to follow the voting instructions on the materials you receive.

Each proxy received will be voted for the Board's nominees for election as directors and for the ratification of Ernst & Young, LLP, unless the stockholder otherwise directs in his or her proxy. Where the stockholder has appropriately directed how the proxy is to be voted, it will be voted according to his or her direction. Stockholders wishing to cumulate their votes with respect to the election of directors should make an explicit statement of the intent to cumulate votes by so indicating in writing on the proxy card or when voting by telephone or internet. Stockholders holding shares beneficially in street name who wish to cumulate votes should contact their broker, trustee or nominee.

Any stockholder has the power to revoke its proxy at any time before it is voted at the 2015 Annual Meeting by submitting written notice of revocation to the Secretary of the Company at the Company's principal executive offices located at 2027 Harpers Way, Torrance, California 90501, by appearing at the 2015 Annual Meeting and voting in person or by filing a duly executed proxy bearing a later date, either in person at the 2015 Annual Meeting, via the Internet, by telephone, or by mail. Please consult the instructions included with your proxy card for how to vote your shares.

CORPORATE GOVERNANCE

Meetings and Independence

Each director of the Company serving in fiscal 2014 attended at least 75% of the total number of meetings of the Board of Directors and committees on which he served. The Board of Directors held 14 meetings in fiscal 2014. In addition, the independent directors hold two regularly scheduled executive session meetings each fiscal year outside the presence of management as well as additional meetings as are necessary. Directors are expected to attend the 2015 Annual Meeting of Stockholders. Last year all of the directors then in office attended the 2014 Annual Meeting of Stockholders.

The Board of Directors has determined that the following directors, who, as of the Annual Meeting, will constitute a majority of the Board of Directors, are independent directors as defined by the NASDAQ Stock Market listing standards: Michael DiGregorio, Robert Lind and Donald Rudkin. Mr. Robert A. Virtue is Mr. Douglas A. Virtue's father.

Leadership Structure

On May 7, 2014 the Board of Directors unanimously approved an amendment to the Company's Bylaws to decrease the size of the Board to five (5) persons. In addition to reducing its size, the Board of Directors determined it was in the best interests of the stockholders to reconstitute the Board with new outside directors. In connection therewith, the Board accepted the resignations of independent directors other than Mr. DiGregorio, who joined the Board in February 2014. Messrs. Lind and Rudkin were appointed to fill the two vacancies that were created by such resignations. The new, smaller Board has helped save the company approximately \$260,000 in direct costs on an annualized basis by eliminating the fees and expenses of four directors. The Board change was also part of repositioning the Company for a more successful future.

Table of Contents

Currently, Mr. Robert Virtue serves as Chairman and Chief Executive Officer (CEO) of the Company. Because the Board also believes that strong, independent Board leadership is a critical component of effective corporate governance, the Board has established the position of lead independent director. The lead independent director position rotates among the independent directors periodically as determined by the independent directors.

Mr. DiGregorio was appointed lead independent director to replace the resigning lead independent director. The lead independent director's responsibilities and authority include providing input to the Chairman and CEO on preparation of agendas for Board and committee meetings and communicating to the Chairman and CEO the substance of the discussions and consensus reached at the meetings of independent directors. On May 7, 2014, the Board amended its charter so the lead independent director also serves as chair of the Corporate Governance and Nominating Committee. In addition, the Company has strong governance structures and processes in place to review and confirm the independence of the Board, eliminate conflicts of interest, and prevent dominance of the Board by management. For example, all directors, with the exception of Mr. Robert Virtue and Mr. Douglas Virtue, are independent as defined by the listing standards of the NASDAQ Stock Market, and all committees are made up entirely of independent directors.

Audit Committee

The Board of Directors has a standing Audit Committee which is composed of Messrs. Rudkin (Chair), DiGregorio and Lind. The Audit Committee held five on-site meetings and three telephonic meetings in fiscal 2014. The Audit Committee acts pursuant to a written charter adopted by the Board of Directors. Among other things, the Audit Committee is directly responsible for: the appointment, compensation, retention and oversight of the independent registered public accounting firm; reviewing the independent registered public accounting firm's qualifications and independence; reviewing the plans and results of the audit engagement with the independent registered public accounting firm; reviewing the financial statements of the Company; reviewing the scope of the annual audit by the Company's independent registered public accounting firm; reviewing the audit reports rendered by such independent registered public accounting firm; approving professional services provided by the independent registered public accounting firm and approving financial reporting principles and policies; considering the range of audit and non-audit fees; reviewing the adequacy of the Company's internal accounting controls; and working to ensure the integrity of financial information supplied to stockholders. The Audit Committee also has the other responsibilities enumerated in its charter. The Audit Committee's charter is available on the Company's website at www.virco.com in the Corporate Governance section of the About Virco webpage. Each of the Audit Committee members is an independent director as that term is defined for audit committee members by the listing standards of the NASDAQ Stock Market. The Board of Directors determined that each member of the audit committee is qualified as an audit committee financial expert, as that term is defined in Item 407(d)(5) of Regulation S-K of the Securities Exchange Act of 1934, as amended (the Exchange Act). The Board reevaluates the composition of the Audit Committee on at least an annual basis to ensure that its composition remains in the best interests of the Company and its stockholders.

Compensation Committee

The Board of Directors has a standing Compensation Committee which is composed of Messrs. Lind (Chair), DiGregorio, and Rudkin. The Compensation Committee held three on-site meetings in fiscal 2014. The function of the Compensation Committee is, among other things, to: set the Company's compensation policy and administer the Company's compensation plans; make decisions on the compensation of key Company executives (including the review and approval of merit/other compensation budgets and payouts under the Company's incentive plans); review and approve compensation and employment agreements of the Company's executive officers; and recommend pay levels for members of the Board of Directors for consideration and approval by the full Board of Directors. The Compensation Committee oversees the design and implementation of the incentives and risks associated with the Company's compensation policies and practices. The Compensation Committee may consult with the Chief Executive Officer and other members of senior management as it deems necessary and engage the assistance of outside

consultants to assist in determining and establishing the Company's compensation policies. During fiscal 2014, the Company contracted with compensation consultants to obtain an evaluation of the compensation for all corporate officers. The Compensation Committee acts pursuant to a written charter adopted by the Board of Directors, a copy of which is available on the Company's website at www.virco.com in the Corporate Governance section of the About Virco webpage.

Corporate Governance and Nominating Committee

The Board of Directors has a standing Corporate Governance and Nominating Committee which is composed of Messrs. DiGregorio (Chair), Lind, and Rudkin. All members of the Corporate Governance and Nominating Committee are independent directors as defined in the listing standards of the NASDAQ Stock Market. During fiscal 2014, the Corporate Governance and Nominating Committee held seven on-site meetings. Each of these meetings was held outside the presence of management. The Corporate Governance and Nominating Committee acts pursuant to a written charter adopted by the Board of Directors, a copy of which is available on the Company's website at www.virco.com in the Corporate Governance section of the About Virco webpage. The Corporate Governance and Nominating Committee recommended to the Board of Directors each nominee the Board selected.

Table of Contents

The Corporate Governance and Nominating Committee's functions are to identify and recommend to the Board of Directors from time to time candidates for nomination for election as directors of the Company at the Annual Meeting, recommend the composition of the Board of Directors and its committees, monitor a process to assess Board effectiveness and develop and implement Company corporate governance guidelines. Candidates may come to the attention of the Corporate Governance and Nominating Committee through members of the Board of Directors, stockholders or other persons. Consideration of new Board nominee candidates typically involves a series of internal discussions, review of information concerning candidates and interviews with selected candidates. Candidates may be evaluated at regular or special meetings, and may be considered at any point during the year, depending on the Company's needs. In evaluating nominations, the Corporate Governance and Nominating Committee considers a variety of criteria, including business experience and skills, independence, judgment, integrity, the ability to commit sufficient time and attention to Board of Directors activities and the absence of potential conflicts with the Company's interests. The Corporate Governance and Nominating Committee does not establish any specific minimum qualification standards for nominees to the Board of Directors, although from time to time the Corporate Governance and Nominating Committee may identify certain skills or attributes (*e.g.*, financial experience, business experience) as being particularly desirable to meet specific Board of Director needs that may arise. To recommend a prospective nominee for the Corporate Governance and Nominating Committee's consideration, stockholders should submit a candidate's name and qualifications to the Company's Corporate Secretary at 2027 Harpers Way, Torrance, California 90501, Attention: Robert E. Dose, Secretary.

Communications with the Board of Directors

Any stockholder interested in communicating with individual members of the Board of Directors, the Board of Directors as a whole, any of the committees of the Board or the independent directors as a group may send written communications to the Board of Directors, any committee of the Board of Directors or any director or directors of the Company at 2027 Harpers Way, Torrance, California 90501, Attention: Robert E. Dose, Secretary. Communications received in writing are forwarded to the Board of Directors, or the committee or individual director or directors to whom the communication is directed, unless, at his discretion, the Secretary determines that the communication is of a commercial or frivolous nature, is unduly hostile, threatening, illegal, does not reasonably relate to the Company or its business, or is otherwise inappropriate for the Board of Directors' consideration. In such cases, such correspondence may be forwarded elsewhere in the Company for review and possible response. The Secretary has the authority to discard or disregard any inappropriate communications or to take other appropriate actions with respect to any such inappropriate communications.

Code of Ethics

The Company has adopted a Code of Conduct and Ethics for Directors, Officers and Employees (the "Code"). The Code applies to all Company directors, employees and officers, including the Company's Chief Executive Officer and senior financial officers, including the principal financial and accounting officers. The Code is available on the Company's website at www.virco.com in the Corporate Governance section of the About Virco webpage. The Company intends to post any amendments to or waivers under the Code that apply to its Chief Executive Officer, principal financial officer and principal accounting officer on its website. Upon written request, the Company will provide a copy of the Code free of charge. Requests should be directed to Virco Mfg. Corporation, 2027 Harpers Way, Torrance, California 90501, Attention: Robert E. Dose, Secretary.

PROPOSAL 1

ELECTION OF DIRECTORS

The Certificate of Incorporation of the Company provides for the division of the Board of Directors into three classes as nearly equal in number as possible, with the term of one class expiring each year. The Company currently has five members on its Board of Directors, with one member in Class I, and two members in each of Class II and Class III. The two nominees for election to the Board as Class II directors with terms expiring at the 2018 Annual Meeting of Stockholders are Robert A. Virtue and Donald R. Rudkin.

PROPOSAL 2

RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Company's Audit Committee has selected Ernst & Young LLP, independent registered public accounting firm, to audit its financial statements for the fiscal year ending January 31, 2016, and recommends that the stockholders vote for ratification of that appointment. The Company's Audit Committee has reviewed the professional services provided by Ernst & Young LLP, as described above, has considered the possible effect of such services on the independence of the firm, and has determined that such services have not affected Ernst & Young LLP's independence. Notwithstanding this selection, the Audit Committee, at its discretion, may direct the appointment of new auditors at any time during the fiscal year if the Audit Committee determines that such a change would be in the best interests of the Company and its stockholders.

The affirmative vote of a majority of the votes cast is required to ratify the Audit Committee's selection. The Company is not required to submit the selection of the independent registered public accounting firm to the stockholders for approval, but is doing so as a matter of good corporate governance. If the stockholders reject the selection, the Board

of Directors will reconsider its selection.

The Board of Directors recommends a vote FOR the ratification of the appointment of Ernst & Young LLP as the Company's independent registered public accounting firm for fiscal 2015.

Retirement Benefits

The Company maintains two defined benefit pension plans in which the Named Executive Officers participate, the Virco Employees Retirement Plan (Employee Plan) and the Virco Important Performers Retirement Plan (VIP Plan). The Company and its subsidiaries cover all employees under the Employee Plan, which is a qualified noncontributory defined benefit retirement plan. Benefits under the Employee Plan are based on years of service and career average earnings. The Company also provides a supplementary retirement plan for certain key employees, the VIP Plan. The

VIP Plan provides a benefit up to 50% of average compensation for the last five years in the VIP Plan, offset by benefits earned under the Employee Plan. Effective December 31, 2003, the Company froze all future benefit accruals under the plans. Employees can continue to vest under the benefits earned to date, but no covered participants will earn additional benefits under the plan freeze.

Potential Payments upon Termination or Change-in-Control

The Company does not have employment agreements with any of the Named Executive Officers. Retirement, death, disability and change-in-control events do not trigger the payment of compensation to the Named Executive Officers that is not available to all salaried employees (including the amounts included in the Retirement Benefits discussion above). Named Executive Officers do not have a contractual right to receive severance benefits.

Table of Contents

As noted in Post-Employment and Other Events, pursuant to the Company's 2007 and 2011 Stock Incentive Plans, the vesting of all outstanding stock awards is accelerated upon a change-in-control. In addition, under the Virco Important Performers (VIP) Plan, the vesting of retirement benefits is accelerated upon the occurrence of a change-in-control or the death of the participant, however, all of the Named Executive Officers are already fully vested in their retirement benefits under the VIP Plan. Change-in-control is defined as a party other than the members of the Virtue family accumulating 20% or more of the Company's common stock.

DIRECTOR COMPENSATION

Directors who are also officers of the Company receive no additional compensation for their services as directors. Directors receive an annual retainer of \$75,000 composed of (i) \$50,000 in the form of quarterly cash payments and (ii) \$25,000 in the form of restricted stock granted each year on the date of the Annual Meeting of Stockholders. The Directors are reimbursed for travel and related expenses incurred to attend meetings. The Company previously established a pension plan for non-employee directors who have served as such for at least 10 years, providing for a series of quarterly payments (equal to the portion paid to the non-employee directors' annual service fee) for such director's lifetime following the date on which such director ceases to be a director for any reason other than death. Effective December 31, 2003, the Company froze all future benefit accruals under the pension plan. The current Directors are not covered by this Plan.

The Company's guidelines with regard to common stock ownership by directors are for each director to own common stock with a market value of three times or more the annual cash retainer.

The following table sets forth the compensation paid to each independent director who served during fiscal 2014:
