- Rule 13p-1 under the Securities Exchange Act (17 CFR 240.13p-1) for the reporting period from January 1 to December 31, 2015.

Introduction

This Specialized Disclosure Report (Form SD) for Huntington Ingalls Industries, Inc. (HII or the Company) is provided in accordance with Rule 13p-1 under the Securities Exchange Act of 1934 (the Rule) for the reporting period from January 1 to December 31, 2015 (the Reporting Period).

Conflict Minerals are defined by the Securities and Exchange Commission (SEC) as cassiterite, columbite-tantalite, wolframite and gold, and their derivatives, which are limited to tin, tantalum and tungsten (referred to as 3TGs). The Rule requires an SEC registrant to determine if its products contain 3TGs and whether their origin is derived from any of the Covered Countries, which include the Democratic Republic of Congo (DRC), the Republic of the Congo, the Central African Republic, South Sudan, Uganda, Rwanda, Burundi, Tanzania, Zambia and Angola.

HII conducted a Reasonable Country of Origin Inquiry (RCOI) to determine the origin of 3TGs identified in its supply chain. Due to the unavailability of details and information through the supply chain back to smelters, HII is not able to determine the origin of all 3TGs in its products covered by this Reporting Period.

Item 1.01 Conflict Minerals Disclosure and Report

Details regarding HII s RCOI can be found in HII s Conflict Minerals Report provided as Exhibit 1.01 hereto and is publicly available at <http://www.huntingtoningalls.com/about/ethics/conflictminerals>.

This Form SD and the Conflict Minerals Report filed as Exhibit 1.01 contain statements that are forward-looking, as that term is defined by the Private Securities Litigation Reform Act of 1995 or by the SEC in its rules, regulations and releases. Forward-looking statements also include any statement that is not based on historical fact, including statements containing the words believes, may, plans, will, could, should, estimates, continues, anticipates, expects and similar expressions. The Company intends that such forward-looking statements be subject to the safe harbors created thereby. All forward-looking statements are based on current expectations regarding important risk factors and should not be regarded as a representation by the Company or any other person that the results expressed therein will be achieved. HII assumes no obligation to revise or update any forward-looking statements for any reason, except as required by law. Important factors that could cause actual outcomes to differ materially from those contained in any forward-looking statement include those described in the Company s reports, including its Form 10-K for the year ended December 31, 2015, and other forms filed by the Company with the SEC.
