WHERE YOU CAN FIND MORE INFORMATION

We have filed with the SEC, under the *United States Securities Act of 1933*, as amended (the **Securities Act**), a registration statement on Form F-10 relating to the Securities. This prospectus, which constitutes a part of the registration statement, does not contain all of the information contained in the registration statement, certain items of which are contained in other parts of and in the exhibits to the registration statement as permitted by the rules and regulations of the SEC. Statements included or incorporated by reference in this prospectus about the contents of any contract, agreement or other document referred to are not necessarily complete, and in each instance, prospective investors should refer to the exhibits for a complete description of the matter involved. Under the registration statement, we may, from time to time, sell any combination of the Securities described in this prospectus in one or more offerings up to an aggregate principal amount of US\$5,000,000,000 (or the equivalent in other currencies or currency units) or, if any Debt Securities are issued at an original issue discount, such greater amount as shall result in an aggregate issue price of US\$5,000,000,000 (or the equivalent in other currencies or currency units). Each time we sell Securities under the registration statement, we will provide a prospectus supplement that will contain specific information about the terms of that offering. The prospectus supplement may also add, update or change information contained in this prospectus.

Table of Contents

We file annual and quarterly financial information and material change reports and other material with the securities regulatory authorities in each of the provinces and territories of Canada and with the SEC. Under the multijurisdictional disclosure system adopted by the United States, documents and other information that we file with the SEC may be prepared in accordance with the disclosure requirements of Canada, which are different from those of the United States. Prospective investors may read and download any public document that we have filed with the securities regulatory authorities in each of the provinces and territories of Canada on SEDAR at www.sedar.com. Prospective investors may read and copy any document we have filed with the SEC at the SEC's public reference room in Washington D.C., and may also obtain copies of those documents from the public reference room of the SEC at 100 F Street, N.E., Washington, D.C. 20549 by paying a fee. Additionally, prospective investors may read and download some of the documents MFC has filed on EDGAR at www.sec.gov.

ENFORCEABILITY OF CIVIL LIABILITIES

MFC is a corporation incorporated under and governed by the ICA. Most of our directors and officers, and certain of the experts named in this prospectus are Canadian residents, and a significant portion of our assets are located outside of the United States. It may be difficult for holders of securities to effect service within the United States upon our directors and officers and the experts named in this prospectus who are not residents of the United States or to enforce against them, both in and outside of the United States, judgments of courts of the United States predicated upon civil liability under United States federal securities laws. We believe that a monetary judgment of a United States court predicated solely upon civil liability under United States federal securities laws would likely be enforceable in Canada if the United States court in which the judgment was obtained had a basis for jurisdiction in the matter that was recognized by a Canadian court for such purposes. We cannot assure you that this will be the case. It is less certain that an action could be brought in Canada in the first instance on the basis of liability predicated solely upon such laws.

MANULIFE FINANCIAL CORPORATION

MFC is a life insurance company incorporated under the ICA. MFC was incorporated on April 26, 1999 for the purpose of becoming the publicly traded holding company of MLI following its demutualization. MLI was incorporated on June 23, 1887, by a Special Act of Parliament of the Dominion of Canada. Pursuant to the provisions of the *Canadian and British Insurance Companies Act* (Canada), the predecessor legislation to the ICA, MLI undertook a plan of mutualization and became a mutual life insurance company on December 19, 1968. As a mutual life insurance company, MLI had no common shareholders and its Board of Directors was elected by its participating policyholders in accordance with the ICA. Pursuant to Letters Patent of Conversion, effective September 23, 1999, MLI implemented a plan of demutualization under the ICA and converted to a life insurance company with common shares and became a wholly owned subsidiary of MFC.

We are a leading international financial services group that helps people achieve their dreams and aspirations by putting customers' needs first and providing the right advice and solutions. We operate primarily as John Hancock in the United States and Manulife elsewhere. Our principal operations are in Asia, Canada and the United States where we have served customers for more than 100 years. We also provide investment management services with respect to our general fund assets, segregated fund assets, mutual funds, and to institutional customers. For a full description of the terms and provisions, see MFC's by-laws, which are available electronically at www.sedar.com and www.sec.gov. The particular terms and provisions of a series of Preferred Shares offered pursuant to this prospectus will be set forth in the applicable prospectus supplement, and the extent to which the general terms and provisions described below may apply to those Preferred Shares, will be described in the prospectus supplement.

Certain Provisions of the Class A Shares as a Class

The following is a summary of certain provisions attaching to the Class A Shares as a class.

Priority

Each series of Class A Shares ranks on a parity with every other series of Class A Shares and every series of Class B Shares with respect to dividends and return of capital. The Class A Shares shall be entitled to a preference over the Class B Shares, the Common Shares and any other shares ranking junior to the Class A Shares with respect to priority in payment of dividends and in the distribution of assets in the event of the liquidation, dissolution or winding-up of MFC, whether voluntary or involuntary, or any other distribution of the assets of MFC among its shareholders for the specific purpose of winding up its affairs. If any cumulative dividends, whether or not declared, or declared non-cumulative dividends or amounts payable on return of capital are not paid in full in respect of any series of Class A Shares, the Class A Shares of all series shall participate rateably in respect of such dividends in accordance with the sums that would be payable on such shares if all such dividends were declared and paid in full, and in respect of such return of capital in accordance with the sums that would be payable on such return of capital if all sums so payable were paid in full; provided, however, that if there are insufficient assets to satisfy in full all such claims as aforesaid, the claims of the holders of the Class A Shares with respect to return of capital shall be paid and satisfied first and any assets remaining thereafter shall be applied towards the payment and satisfaction of claims in respect of dividends. The Class A Shares of any series may also be given such other preferences not inconsistent with the rights, privileges, restrictions and conditions attached to the Class A Shares as a class over the Class B Shares, the Common Shares and any other shares ranking junior to the Class A Shares as may be determined in the case of such series of Class A Shares.

Certain Provisions of the Class B Shares as a Class

The following is a summary of certain provisions attaching to the Class B Shares as a class.

Priority

Each series of Class B Shares ranks on a parity with every other series of Class B Shares with respect to dividends and return of capital. The Class B Shares shall rank junior to the Class A Shares and the Class 1 Shares with respect to priority in payment of dividends and in the distribution of assets in the event of the liquidation, dissolution or winding up of MFC, whether voluntary or involuntary, or any other distribution of the assets of MFC among its shareholders for the specific purpose of winding up its affairs, but the Class B Shares shall be entitled to a preference over the Common Shares and any other shares ranking junior to the Class B Shares with respect to priority in payment of dividends and the distribution of assets in the event of the liquidation, dissolution or winding up of MFC, whether voluntary or involuntary, or any other distribution of the assets of MFC among its shareholders for the specific purpose of winding up its affairs. If any cumulative dividends, whether or not declared, or declared non-cumulative dividends or amounts payable on return of capital are not paid in full in respect of any series of Class B Shares, the Class B Shares of all series shall participate rateably in respect of such dividends in accordance with the sums that would be payable on such shares if all such dividends were declared and paid in full, and in respect of such return of capital in accordance with the sums that would be payable on such return of capital if all sums so payable were paid in full; provided, however, that if there are insufficient assets to satisfy in full all such claims as aforesaid, the claims of the holders of the Class B Shares with respect to return of capital shall be paid and satisfied first and any assets remaining thereafter shall be applied towards the payment and satisfaction of claims in respect of dividends. The Class B Shares of any series may also be given such other preferences not inconsistent with the rights, privileges, restrictions and conditions attached to the Class B Shares as a class over the Common Shares and any other shares ranking junior to the Class B Shares as may be determined in the case of such series of Class B Shares.

Certain Provisions of the Class 1 Shares as a Class

The following is a summary of certain provisions attaching to the Class 1 Shares as a class.

Priority

Each series of Class 1 Shares ranks on a parity with every other series of Class 1 Shares and every series of Class A Shares with respect to dividends and return of capital. The Class 1 Shares shall be entitled to a preference over the Class B Shares, the Common Shares and any other shares ranking junior to the Class 1 Shares with respect to priority in payment of dividends and in the distribution of assets in the event of the liquidation, dissolution or winding-up of MFC, whether voluntary or involuntary, or any other distribution of the assets of MFC among its shareholders for the specific purpose of winding up its affairs. If any cumulative dividends, whether or not declared, or declared non-cumulative dividends or amounts payable on return of capital are not paid in full in respect of any series of Class 1 Shares, the Class 1 Shares of all series shall participate rateably in respect of such dividends in accordance with the sums that would be payable on such shares if all such dividends were declared and paid in full, and in respect of such return of capital in accordance with the sums that would be payable on such return of capital if all sums so payable were paid in full; provided, however, that if there are insufficient assets to satisfy in full all such claims as aforesaid, the claims of the holders of the Class 1 Shares with respect to return of capital shall be paid and satisfied first and any assets remaining thereafter shall be applied towards the payment and satisfaction of claims in respect of dividends. The Class 1 Shares of any series may also be given such other preferences not inconsistent with the rights, privileges, restrictions and conditions attached to the Class 1 Shares as a class over the Class B Shares, the Common Shares and any other shares ranking junior to the Class 1 Shares as may be determined in the case of such series of

Class 1 Shares.

Table of Contents

Certain Provisions Common to the Class A Shares, Class B Shares and Class 1 Shares

The following is a summary of certain provisions attaching to the Class A Shares as a class, to the Class B Shares as a class and to the Class 1 Shares as a class.

Directors Right to Issue in One or More Series

The Class A Shares, Class B Shares and Class 1 Shares may be issued at any time and from time to time in one or more series. Before any shares of a series are issued, the Board of Directors of MFC shall fix the number of shares that will form such series, if any, and shall, subject to any limitations set out in the by-laws of MFC or in the ICA, determine the designation, rights, privileges, restrictions and conditions to be attached to the Class A Shares, Class B Shares or Class 1 Shares, as the case may be, of such series, the whole subject to the filing with the Superintendent of Financial Institutions (Canada) (the **Superintendent**) of the particulars of such series, including the rights, privileges, restrictions and conditions determined by the Board of Directors of MFC.

Voting Rights of Preferred Shares

Except as referred to below or as required by law or as specified in the rights, privileges, restrictions and conditions attached from time to time to any series of Class A Shares, Class B Shares or Class 1 Shares, the holders of such Class A Shares, Class B Shares or Class 1 Shares as a class shall not be entitled as such to receive notice of, to attend or to vote at any meeting of the shareholders of MFC.

Amendment with Approval of Holders of Preferred Shares

The rights, privileges, restrictions and conditions attached to each of the Class A Shares, Class B Shares and Class 1 Shares as a class may be added to, changed or removed but only with the approval of the holders of such class of Preferred Shares given as hereinafter specified.

Approval of Holders of Preferred Shares

The approval of the holders of a class of Preferred Shares to add to, change or remove any right, privilege, restriction or condition attaching to such class of Preferred Shares as a class or in respect of any other matter requiring the consent of the holders of such class of Preferred Shares may be given in such manner as may then be required by law, subject to a minimum requirement that such approval be given by resolution signed by all the holders of such class of Preferred Shares or passed by the affirmative vote of at least two-thirds (2/3) of the votes cast at a meeting of the holders of such class of Preferred Shares duly called for that purpose.

Notwithstanding any other condition or provision of any class of Preferred Shares, the approval of the holders of any class, voting separately as a class or series, is not required on a proposal to amend the by-laws of MFC to:

- (i) increase or decrease the maximum number of authorized Class A Shares, Class B Shares or Class 1 Shares, as the case may be, or increase the maximum number of authorized shares of a class of shares having rights or privileges equal or superior to such class of Preferred Shares;

- (ii)

effect the exchange, reclassification or cancellation of all or any part of the Class A Shares, Class B Shares or Class 1 Shares, as the case may be; or

- (iii) create a new class of shares equal to or superior to the Class A Shares, the Class B Shares or the Class 1 Shares, as the case may be.

Table of Contents

The formalities to be observed with respect to the giving of notice of any such meeting or any adjourned meeting, the quorum required therefor and the conduct thereof shall be those from time to time required by the ICA as in force at the time of the meeting and those, if any, prescribed by the by-laws or the administrative resolutions of MFC with respect to meetings of shareholders. On every poll taken at every meeting of the holders of a class of Preferred Shares as a class, or at any joint meeting of the holders of two or more series of a class of Preferred Shares, each holder of such class of Preferred Shares entitled to vote thereat shall have one vote in respect of each relevant Preferred Share held.

Certain Provisions of the Common Shares as a Class

The authorized common share capital of MFC consists of an unlimited number of Common Shares without nominal or par value. Each holder of Common Shares is entitled to receive notice of and to attend all meetings of the shareholders of MFC, and is entitled to one vote for each share held, except meetings at which only holders of a specified class or series of shares of MFC are entitled to vote separately as a class or series. The holders of Common Shares are entitled to receive dividends as and when declared by the Board of Directors of MFC, subject to the preference of the holders of Class A Shares, Class B Shares, Class 1 Shares and any other shares ranking senior to the Common Shares with respect to priority in payment of dividends. After payment to the holders of Class A Shares, Class B Shares, Class 1 Shares and any other shares ranking senior to Common Shares with respect to priority in the distribution of assets in the event of the liquidation, dissolution or winding up of MFC, the holders of Common Shares shall be entitled to receive prorated the net assets of MFC remaining, after the payment of all creditors and liquidation preferences, if any, that pertain to shareholders.

DESCRIPTION OF DEBT SECURITIES

The following sets forth certain general terms and provisions of the Debt Securities. The particular terms and provisions of Debt Securities offered pursuant to this prospectus will be set forth in the applicable prospectus supplement, and the extent to which the general terms and provisions described below may apply to such Debt Securities, will be described in the applicable prospectus supplement.

Senior Debt Securities will be issued in Canada under the trust indenture dated as of May 19, 2005, as supplemented from time to time, between MFC and BNY Trust Company of Canada (formerly CIBC Mellon Trust Company) as trustee, or such other trust indenture as MFC may enter into in the future. Subordinated Debt Securities will be issued in Canada under the trust indenture dated as of May 25, 2016, as supplemented from time to time, between MFC and BNY Trust Company of Canada, as trustee, or such other trust indenture as MFC may enter into in the future with a financial institution authorized to carry on business as a trustee. Senior Debt Securities will be issued in the United States under the trust indenture dated as of September 17, 2010, as supplemented from time to time, between MFC and The Bank of New York Mellon as trustee. Subordinated Debt Securities will be issued in the United States either under (i) the trust indenture dated as of February 21, 2017, as supplemented from time to time, among MFC, The Bank of New York Mellon, as U.S. trustee, and BNY Trust Company of Canada, as Canadian trustee, or (ii) the trust indenture to be entered into among MFC, The Bank of New York Mellon, as U.S. trustee, and BNY Trust Company of Canada, as Canadian trustee. The indenture under which any Debt Securities are issued will be specified in the applicable prospectus supplement.

Priority

The Debt Securities will be senior or subordinated indebtedness of MFC as described in the relevant prospectus supplement. If the Debt Securities are senior indebtedness for purposes of the ICA, they will rank equally and rateably with all other unsecured indebtedness of MFC, from time to time issued and outstanding, which is not subordinated.

Table of Contents

If the Debt Securities are subordinated indebtedness for the purposes of the ICA, except as otherwise provided in an applicable prospectus supplement, they will rank equally and rateably with all other subordinated indebtedness of MFC from time to time issued and outstanding (other than subordinated indebtedness which has been further subordinated in accordance with its terms).

In the event of the insolvency or winding-up of MFC, the subordinated indebtedness of MFC, including the subordinated Debt Securities, will be subordinated and postponed in right of payment to the prior payment in full of: (i) all policy liabilities of MFC; and (ii) all other liabilities and indebtedness of MFC, other than indebtedness that, by its terms, ranks equally with or subordinate to such subordinated indebtedness.

The Debt Securities are Unsecured Obligations

The Debt Securities will be direct unsecured obligations of MFC. *The Debt Securities will not constitute deposits that are insured under the CDIC Act or by the FDIC.*

MFC is a holding company that relies on dividends and interest payments from its insurance and other subsidiaries as the principal source of cash flow to meet its obligations, including with respect to its indebtedness, and to pay dividends. As a result, MFC's cash flows and ability to service its obligations are dependent upon the earnings of its subsidiaries and the distribution of those earnings and other funds by its subsidiaries to it. Substantially all of MFC's business is currently conducted through its subsidiaries.

MLI is MFC's principal operating subsidiary. The payment of dividends to MFC by MLI is subject to restrictions set out in the ICA. The ICA prohibits the declaration or payment of any dividend on shares of an insurance company if there are reasonable grounds for believing: (i) the company does not have adequate capital and adequate and appropriate forms of liquidity; or (ii) the declaration or the payment of the dividend would cause the company to be in contravention of any regulation made under the ICA respecting the maintenance of adequate capital and adequate and appropriate forms of liquidity, or of any direction made to the company by the Superintendent. In addition, the Superintendent is considering capital requirements for MLI on a standalone basis that could further restrict dividends and other distributions to MFC. All of our U.S. and Asian operating life insurance companies are subsidiaries of MLI. Accordingly, a restriction on dividends from MLI would prevent MFC from obtaining dividends from its U.S. and Asian insurance businesses.

Certain of MFC's U.S. insurance subsidiaries also are subject to insurance laws in Michigan, New York, Massachusetts and Vermont, the jurisdictions in which these subsidiaries are domiciled, which impose general limitations on the payment of dividends and other upstream distributions by these subsidiaries to MLI. Our Asian insurance subsidiaries are also subject to restrictions in the jurisdictions in which these subsidiaries are domiciled which could affect their ability to pay dividends to MLI in certain circumstances. In addition, the ability of MFC's insurance subsidiaries to pay dividends to MFC in the future will depend on their earnings and regulatory restrictions. These subsidiaries are subject to a variety of insurance and other laws and regulations that vary by jurisdiction and are intended to protect policyholders and beneficiaries in that jurisdiction first and foremost, rather than investors. These subsidiaries are generally required to maintain solvency and capital standards as set by their local regulators and may also be subject to other regulatory restrictions, all of which may limit the ability of subsidiary companies to pay dividends or make distributions to MFC. Such limits could have a material adverse effect on MFC's liquidity, including its ability to pay dividends to shareholders and service its debt.

MFC's subsidiaries will not be obligated to pay any amounts due on the Debt Securities. Furthermore, except to the extent MFC has a priority or equal claim against its subsidiaries as a creditor, the Debt Securities will be structurally subordinated to debt and preferred stock at the subsidiary level because, as the common shareholder of its subsidiaries,

MFC will be subject to the prior claims of creditors of its subsidiaries. Consequently, the Debt Securities will be structurally subordinated to all liabilities of any of MFC's subsidiaries, including liabilities to policyholders and contract holders.

ICA RESTRICTIONS AND APPROVALS

Under the ICA, MFC, with the prior consent of the Superintendent, may redeem or purchase any of its shares, including the Preferred Shares or Common Shares, as the case may be, unless there are reasonable grounds for believing that MFC is, or the redemption or purchase would cause MFC to be, in contravention of any regulation or guidelines made under the ICA respecting the maintenance by life insurance companies of adequate capital and adequate and appropriate forms of liquidity, or any direction to MFC made by the Superintendent pursuant to subsection 515(3) of the ICA regarding its capital or its liquidity. No such direction to MFC has been made to date. MFC is also prohibited under the ICA from paying or declaring a dividend if there are reasonable grounds for believing that MFC is, or the payment would cause MFC to be, in contravention of any regulation made under the ICA representing the maintenance by life insurance companies of adequate capital and adequate and appropriate forms of liquidity, or any direction to MFC made by the Superintendent pursuant to subsection 515(3) of the ICA regarding its capital or its liquidity. As of the date hereof, this limitation would not restrict a payment of quarterly dividends on the Preferred Shares or Common Shares, and no such direction to MFC has been made. In addition, MFC must provide at least 15 days prior notice to the Superintendent before paying any dividends.

CONSTRAINTS ON SHARES

The ICA contains restrictions on the purchase or other acquisition, issue, transfer and voting of the shares of MFC. Pursuant to these restrictions, no person is permitted to acquire any shares of MFC if the acquisition would cause the person to have a significant interest in any class of shares of MFC unless the prior approval of the Minister of Finance is obtained. The restrictions also prohibit any person from becoming a major shareholder of MFC. In addition, MFC is not permitted to record in its securities register any transfer or issue of shares if the transfer or issue would cause the person to breach the ownership restrictions. For these purposes, a person has a significant interest in a class of shares of MFC where the aggregate of any shares of that class beneficially owned by that person, any entity controlled by that person and by any person associated or acting jointly or in concert with that person exceeds 10% of all the outstanding shares of that class of shares of MFC. A person is a major shareholder if the aggregate of any shares in a class of voting shares held by that person and by any entity controlled by that person exceeds 20% of the outstanding shares of that class, or, for a class of non-voting shares, a holding exceeds 30% of that class. If a person contravenes any of these restrictions, the Minister of Finance may, by order, direct such person to dispose of all or any portion of those shares. In addition, the ICA prohibits life insurance companies, including MFC, from recording in its securities register a transfer or issue of any share to Her Majesty in right of Canada or of a province, an agent or agency of Her Majesty, a foreign government or an agent or agency of a foreign government and provides further that no person may exercise the voting rights attached to those shares of an insurance company. The ICA exempts from such constraints certain foreign financial institutions which are controlled by foreign governments and eligible agents provided certain conditions are satisfied.

Under applicable insurance laws and regulations in Michigan, New York, Massachusetts and Vermont, no person may acquire control of any of our insurance company subsidiaries domiciled in any such state without obtaining prior approval of such state's insurance regulatory authority. Under applicable laws and regulations, any person acquiring, directly or indirectly, 10% or more of the voting securities of any other person is presumed to have acquired control of such person. Thus, any person seeking to acquire 10% or more of the voting securities of MFC must obtain the prior approval of the insurance regulatory authorities in certain states including Michigan, Massachusetts, Vermont and New York, or must demonstrate to the relevant insurance commissioner's satisfaction that the acquisition of such securities will not give them control of MFC. Under U.S. law, the failure to obtain such prior approval would entitle MFC or the insurance regulatory authorities to seek injunctive relief, including enjoining any proposed acquisition, the voting of such securities at any meeting of the holders of Common Shares, or seizing shares owned by such person, and such shares may not be entitled to be voted at any meeting of the holders of Common Shares.

ADDITIONAL RESTRICTIONS ON DECLARATION OF DIVIDENDS

Pursuant to an agreement made between MFC, MLI, CIBC Mellon Trust Company and Manulife Financial Capital Trust II (a subsidiary of MLI), MFC and MLI have covenanted for the benefit of holders of the outstanding Manulife Financial Capital Trust II Notes Series I (the **Trust II Notes**) that, if an Other Deferral Event as defined in the applicable agreement occurs, MLI will not declare or pay cash dividends on any MLI Public Preferred Shares (as defined below), if any are outstanding, and if no MLI Public Preferred Shares are outstanding, MFC will not declare or pay cash dividends on its Preferred Shares and Common Shares, in each case, until the sixth month following the relevant Other Deferral Event date. An Other Deferral Event will occur if interest is not paid in full in cash on the Trust II Notes on any interest payment date or if MLI elects that holders of Trust II Notes invest interest payable on the Trust II Notes on any interest payment date in a new series of MLI Class 1 Shares. MLI Public Preferred Shares means, at any time, preferred shares of MLI which at that time: (a) have been issued to the public (excluding any preferred shares of MLI held beneficially by affiliates of MLI); (b) are listed on a recognized stock exchange; and (c) have an aggregate liquidation entitlement of at least \$200 million, provided however, if at any time, there is more than one class of MLI Public Preferred Shares outstanding, then the most senior class or classes of outstanding MLI Public Preferred Shares shall, for all purposes, be the MLI Public Preferred Shares.

The prospectus supplement for any of the Securities being offered thereby will set forth the terms of the offering of such Securities, including the type of Security being offered, the name or names of any underwriters or agents, the purchase price of such Securities, the proceeds from such sale, any underwriting discounts and other items constituting underwriters' compensation, any public offering price and any discounts or concessions allowed or re-allowed or paid to dealers. The obligations of the underwriters to purchase such Securities will be subject to certain conditions precedent, and the underwriters will be obligated to purchase all the Securities of the series offered by the prospectus supplement if any of such Securities are purchased. Any public offering price and any discounts or concessions allowed or re-allowed or paid to dealers may be changed from time to time.

The Securities may also be sold directly by us at such prices and upon such terms as agreed to by us and the purchaser or through agents designated from time to time. Any agent involved in the offering and sale of the Securities in respect of which this prospectus is delivered will be named, and any commissions payable to such agent will be set forth, in the prospectus supplement. Unless otherwise indicated in the prospectus supplement, any agent would be acting on a best efforts basis for the period of its appointment.

Table of Contents

We may agree to pay the underwriters, dealers or agents a commission for various services relating to the issue and sale of any Securities offered hereby. Any such commission will be paid out of our general corporate funds. Underwriters, dealers or agents who participate in the distribution of the Securities may be entitled under agreements to be entered into with us to indemnification by us against certain liabilities, including liabilities under securities legislation, or to contribution with respect to payments which such underwriters, dealers or agents may be required to make in respect thereof.

In connection with any offering of the Securities, the underwriters, dealers or agents may over-allot or effect transactions which stabilize or maintain the market price of the Securities offered at a higher level than that which might exist in the open market. These transactions may be commenced, interrupted or discontinued at any time.

PART II

INFORMATION NOT REQUIRED TO BE DELIVERED

TO OFFEREES OR PURCHASERS

Indemnification of Directors and Officers

Under the Insurance Companies Act (Canada), a company may not, by contract, resolution or by-law, limit the liability of its directors for breaches of their fiduciary duties. However, the company may indemnify a director or officer, a former director or officer or a person who acts or acted at the company's request as a director or officer of, or in a similar capacity for, another entity, against all costs, charges and expenses, including an amount paid to settle an action or satisfy a judgment, reasonably incurred by him or her in respect of any civil, criminal, administrative, investigative or other proceeding in which he or she is involved because of that association with the company or other entity, if:

- (1) that person acted honestly and in good faith with a view to the best interests of, as the case may be, the company or the other entity for which he or she acted at the company's request as a director or officer or in a similar capacity; and
- (2) in the case of a criminal or administrative action or proceeding that is enforced by a monetary penalty, that person had reasonable grounds for believing that his or her conduct was lawful.

These individuals are entitled to indemnity from the company if the person was not judged by the court or other competent authority to have committed any fault or omitted to do anything he or she ought to have done and fulfills the conditions set out in (1) and (2) above. A company may, with the approval of a court, also indemnify that person against all costs, charges and expenses reasonably incurred by them in connection with an action by or on behalf of the company or other entity to procure a judgment in its favor, to which the person is made a party by reason of being or having been a director or officer of the company or entity, if he or she fulfills the conditions set out in (1) and (2) above.

The by-laws of MFC provide that the board of directors of MFC shall make provisions, by resolution, for the indemnification of directors, officers, employees and such other persons as the directors shall decide on such terms and conditions as they establish. MFC's administrative resolutions provide that MFC shall indemnify a director, officer or employee, a former director, officer or employee, or a person who acts or acted at MFC's request as a director, officer, employee or trustee of another corporation, partnership, joint venture, trust or other enterprise against all expenses, judgments, fines and amounts in settlement, actually and reasonably incurred by them in connection with such action, suit or proceeding, whether civil, criminal or administrative, against them from the execution of their duties if such individual acted honestly, in good faith, with a view to the best interests of MFC or the enterprise the person is serving at the request of MFC, and within the scope of his or her authority and normal activities, and, in the case of any criminal or administrative action or proceeding, the individual had reasonable grounds for believing that his or her conduct was lawful, subject to the limitations described in the administrative resolutions. MFC's administrative resolutions also provide that MFC shall also, with the approval of the board of directors of MFC, indemnify such persons in respect of any action by any person by or on behalf of MFC to procure a judgment in its favor to which the person is made a party by reason of being or having been a director, officer or employee of MFC, against all costs, charges and expenses reasonably incurred by him or her in connection with such action if he or she fulfills the conditions set out in (1) and (2) above.

MFC's administrative resolutions provide that MFC will have no obligation to indemnify any person for:

any act, error or omission committed with actual dishonest, fraudulent, criminal or malicious purpose or intent;

any act of gross negligence or willful neglect;

any liability of others assumed by any person otherwise entitled to indemnification under MFC's administrative resolutions;

II-1

Table of Contents

any claims by or against any enterprise which is owned, operated, managed or controlled by any person otherwise entitled to indemnification under MFC's administrative resolutions or any claims by such person against an enterprise;

any claims arising out of, or based on, any pension plans sponsored by any person otherwise entitled to indemnification under MFC's administrative resolutions;

bodily injury, sickness, disease or death of any person or injury to or destruction of any tangible property including loss of use thereof; or

any liabilities in respect of which the person would otherwise be entitled to indemnification if in the course of that person's actions, he or she is found by the board of directors of MFC to have been in breach of compliance with MFC's Code of Business Conduct and Ethics or Conflict of Interest guidelines.

MFC has entered into agreements to indemnify its current and former directors and officers and directors and officers who are acting or have acted at MFC's request for some other entity. These agreements indemnify our directors and officers for certain expenses, including, among other things, attorneys' fees, costs, fines and settlement amounts, reasonably incurred by any such person in any civil, criminal, administrative or other proceeding related to such person's services as a director or officer of MFC, or any other entity to which the person provides services at MFC's request. MFC's obligation to indemnify such persons is subject to similar limitations as those set forth in MFC's administrative resolutions described above.

MFC maintains a directors' and officers' liability insurance policy with a policy limit of US\$300,000,000. The policy is renewed annually. The policy provides protection to directors and officers against liability incurred by them in their capacities as directors and officers of MFC and its subsidiaries. The policy also provides protection to MFC (of which US\$125,000,000 is available to MFC) for claims made against directors and officers for which MFC has granted directors and officers indemnity, as required or permitted under applicable law and for securities claims made against MFC, in each case, subject to a deductible of US\$25,000,000 per claim.

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers or persons controlling MFC pursuant to the foregoing provisions, MFC has been informed that in the opinion of the U.S. Securities and Exchange Commission (the "Commission") such indemnification is against public policy as expressed in the Securities Act and is therefore unenforceable.
