**INFORMATION CONTAINED IN THIS FORM 6-K REPORT**

Attached to this Report on Form 6-K as Exhibit 1 is a copy of the press release issued by Euroseas Ltd. (the Company ) on January 12, 2011: Euroseas Ltd. Announces Time Charter Agreement for its Panamax Bulk Carrier M/V Aristides N P.

**Euroseas Ltd. Announces Time Charter Agreement for its Panamax Bulk Carrier M/V Aristides N P.**

**01/12/11** Maroussi, Athens, Greece, January 12, 2011 Euroseas Ltd., (NASDAQ:ESEA) an owner and operator of drybulk carriers and container vessels and provider of seaborne transportation for dry bulk and containerized cargoes, announced today that a subsidiary of the Company has entered into time charter agreement for the following vessel:

M/V Aristides N P, a 69,268 dwt, 1993 built Panamax bulk carrier, has been chartered until May 2012 at a gross daily rate of \$14,950. The charter will commence upon completion of its present charter within the next few days and might be terminated a month or extended by a month at the option of the charterer. This employment is expected to generate approximately \$7.2 million of gross revenues during the period of the charter.

Following the above mentioned charter, approximately 66% of Euroseas total fleet days for 2011 and approximately 18% in 2012 are secured under period charters or Forward Freight Agreements (FFAs)\*\*. Thus all drybulk vessels are fully covered for 2011 and 50% covered for 2012.

Aristides Pittas, Chairman and CEO of Euroseas, commented: "We are pleased to announce that we have secured time charter Agreement for M/V Aristides NP in this challenging environment at levels which are accretive to our earnings. We believe that this fixture will provide us with substantial additional secured cash for the next year and a half, allowing us more flexibility in pursuing further growth opportunities.

As of January 12, 2011, Euroseas Ltd. fleet profile is as follows:

#### Forward - Looking Statement

## Edgar Filing: EUROSEAS LTD. - Form 6-K

This press release contains forward-looking statements (as defined in Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended) concerning future events and the Company's growth strategy and measures to implement such strategy; including expected vessel acquisitions and entering into further time charters. Words such as "expects," "intends," "plans," "believes," "anticipates," "hopes," "estimates," and variations of such words and similar expressions are intended to identify forward-looking statements. Although the Company believes that the expectations reflected in such forward-looking statements are reasonable, no assurance can be given that such expectations will prove to have been correct. These statements involve known and unknown risks and are based upon a number of assumptions and estimates that are inherently subject to significant uncertainties and contingencies, many of which are beyond the control of the Company. Actual results may differ materially from those expressed or implied by such forward-looking statements. Factors that could cause actual results to differ materially include, but are not limited to changes in the demand for dry bulk vessels and container ships, competitive factors in the market in which the Company operates; risks associated with operations outside the United States; and other factors listed from time to time in the Company's filings with the Securities and Exchange Commission. The Company expressly disclaims any obligations or undertaking to release publicly any updates or revisions to any forward-looking statements contained herein to reflect any change in the Company's expectations with respect thereto or any change in events, conditions or circumstances on which any statement is based.
