PROXY STATEMENT

ANNUAL MEETING OF SHAREHOLDERS

To Be Held May 8, 2019

The enclosed proxy is solicited by and on behalf of the Board of Directors (the “Board”) of Scott’s Liquid Gold-Inc., a Colorado corporation (the “Company”), for use at the Company’s Annual Meeting of Shareholders (the “Annual Meeting”) to be held at 9:00 a.m., Mountain Time, on May 8, 2019 at the Doubletree by Hilton, 3203 Quebec Street, Denver, Colorado 80207, or any adjournment(s) or postponement(s) thereof. This Proxy Statement and the accompanying form of proxy card are first being mailed or given to the shareholders of the Company on or about April 2, 2019.

Any shareholder signing and mailing the enclosed proxy card may revoke it at any time before it is voted by giving written notice of the revocation to the Company’s Corporate Secretary, delivering a later executed proxy card before the meeting or voting in person at the meeting. If you would like to obtain directions to be able to attend the Annual Meeting and vote in person, you should contact the Company’s Corporate Secretary by telephone at (303) 373-4860.

All voting rights are vested exclusively in the holders of the Company’s \$0.10 par value common stock (“Common Stock”). Each share of the Company’s Common Stock is entitled to one vote. Cumulative voting in the election of directors is not permitted. Holders of a majority of shares entitled to vote at the meeting, when present in person or by proxy, constitute a quorum. On March 20, 2019, the record date for shareholders entitled to vote at the meeting, the Company had 12,408,177 shares of its Common Stock issued and outstanding.

When a quorum is present, in the election of directors, those six nominees having the highest number of votes cast in favor of their election will be elected to the Company’s Board. Consequently, any shares not voted (whether by abstention, broker non-vote or otherwise) will have no impact in the election of directors except to the extent the failure to vote for an individual nominee results in another individual nominee receiving a larger number of votes. With respect to any other matter, unless a greater number of votes are required by law, a matter is approved by the shareholders if the votes cast in favor of the matter exceed the votes cast in opposition. Any shares not voted (whether by abstention, broker non-vote or otherwise) have no impact on the vote for such other matters, if any, so long as a quorum is present.

Neither Colorado law nor the Company’s Restated Articles of Incorporation or Amended and Restated Bylaws (“Bylaws”) entitle shareholders to any appraisal or similar rights of dissenters with respect to any of the proposals to be acted upon at the Annual Meeting.

CONSENT TO ELECTRONIC DELIVERY OF PROXY MATERIALS

If you are a shareholder of record or a member of the Company’s Employee Stock Ownership Plan, you may, if you wish, receive future proxy statements and annual reports online rather than receiving proxy materials in paper form. Electronic delivery of proxy materials reduces the costs and environmental impact incurred by the Company in printing and mailing proxy materials. If you elect to consent to electronic delivery, you will receive an e-mail message notifying you when the materials are available, along with a web address for viewing the materials and instructions for voting by telephone or on the Internet. You may sign up for electronic delivery at any time by visiting www.proxyvote.com. If you received this Proxy Statement electronically, you do not need to do anything to continue receiving proxy materials electronically in the future. If you hold your shares in a brokerage account, you may also have the opportunity to receive proxy materials electronically. Please follow the instructions of your broker.

PROPOSAL 1 – ELECTION OF DIRECTORS

Our Board proposes that Mark E. Goldstein, Leah S. Bailey, Gerald J. Laber, Philip A. Neri, Kevin A. Paprzycki and Andrew J. Summers be elected as directors of the Company, to hold office until the next annual meeting of shareholders or until their respective successors are duly elected and qualified. Our Board has fixed the number of directors on our Board at six, in accordance with the provisions of the Company's Bylaws.

Unless contrary instructions are given, the persons named in the enclosed proxy card will vote the shares represented by such proxy for the election of the six nominees for director named below. If, at the time of the meeting, any of these nominees shall have become unavailable for any reason to serve as a director, the persons entitled to vote will vote for such substitute nominee or nominees, if any, as they determine in their discretion.

Our Board unanimously recommends using the enclosed proxy card to vote "FOR" each of the Board's six nominees.

If elected, the nominees for director will hold office until the next annual meeting of shareholders or until their successors are elected and qualified. The nominees for director, each of whom has consented to serve if elected, are as follows:

Mr. Summers brings to the Board an experienced investor perspective, as well as significant capital markets and public company investing experience.

All of the foregoing persons are currently directors of the Company. Their positions on standing committees of the Board are shown below under “Directors’ Meetings and Committees.”

There are no family relationships among the executive officers or directors of the Company. There are no arrangements or understandings pursuant to which any of these persons were elected as an executive officer or director.

Vote Required

Directors will be elected by a plurality of the votes cast. “Plurality” means that the nominees receiving the largest number of votes cast are elected as directors up to the maximum number of directors who are nominated to be elected at the meeting. If no instructions are indicated on a proxy card, the shares will be voted “FOR” the election of these six nominees for director. Because director nominees must receive a plurality of the votes cast at the Annual Meeting, a vote withheld from a particular nominee or from all nominees, abstentions, or broker non-votes will affect the election of that nominee only to the extent that such nominee receives the fewest number of votes and is not one of the six directors receiving the largest number of votes.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE “FOR”

EACH OF THESE SIX DIRECTOR NOMINEES

PROPOSAL 2 – ADVISORY VOTE TO APPROVE EXECUTIVE COMPENSATION

This proposal gives our shareholders the opportunity to vote to approve or not approve, on an advisory basis, the compensation of our named executive officers. This vote is not intended to address any particular component of any compensation package, but rather the overall compensation of our named executive officers and our compensation philosophy, policies and practices, as disclosed under the “Executive Compensation” section of this Proxy Statement. We are providing this vote as required by Section 14A of the Securities Exchange Act of 1934, as amended (the “Exchange Act”). Accordingly, we are asking our shareholders to vote to approve, on an advisory basis, the compensation of the Company’s named executive officers, as disclosed in this Proxy Statement under the heading entitled “Executive Compensation.”

The Company’s compensation packages for its executive officers are designed to enable the Company to recruit, retain and motivate its officers, to synchronize executive compensation with the Company’s performance, to motivate executive officers to achieve the Company’s business objectives, to provide performance incentives and minimize undue risk to the Company. The Board believes that the Company’s approach to compensating its executive officers, as described in this Proxy Statement, effectively accomplishes these objectives.

Vote Required

The say-on-pay proposal is advisory and non-binding. The approval or disapproval of this proposal by shareholders will not require the Board or the Compensation Committee to take any action regarding the Company’s executive compensation practices. The final decision on the compensation and benefits of the Company’s executive officers and on whether, and if so, how, to address shareholder disapproval remains with the Board and the Compensation Committee. Although the say-on-pay vote is non-binding, the Board will review and consider the voting results when making future executive compensation decisions. Our executive compensation will be approved, on an advisory basis, if the votes cast by shareholders in favor of advisory approval exceed those votes cast in opposition of advisory approval.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE “FOR”
THE EXECUTIVE COMPENSATION

PROPOSAL 3 – ADVISORY VOTE ON FREQUENCY OF SAY ON PAY VOTES

Pursuant to Section 14A of the Exchange Act, we are asking our shareholders to vote, on an advisory basis, on the frequency with which we include in our Proxy Statement an advisory vote to approve or not approve the compensation of our named executive officers. By voting on this proposal, shareholders may indicate whether they prefer that we seek such an advisory vote every one, two, or three years.

After careful consideration of this proposal, our Board determined that an advisory vote on executive compensation that occurs every three years is the most appropriate option for the Company and, therefore, recommends that shareholders vote for future advisory votes on executive compensation to occur every three years. In reaching its recommendation, our Board has determined that an advisory vote every three years would permit our compensation programs to be evaluated on a long-term basis and would allow the Company to engage a compensation expert only every three years, which the Board believes is an appropriate use of Company funds, given the Company's size. Further, our Board believes that a well-structured and meaningful compensation program should include plans that increase shareholder value over the long-term and do not focus on short-term awards and that the effectiveness of such plans cannot be adequately evaluated on an annual or biennial basis.

This advisory vote on the frequency of future advisory votes on named executive officer compensation is non-binding on the Board. Shareholders will be able to specify one of four choices for this Proposal 3 on the proxy card: "one year," "two years," "three years" or "abstain." Shareholders are not voting to approve or disapprove the Board's recommendation. Although non-binding, our Board and the Compensation Committee value the opinions of our shareholders and will consider the outcome of this vote when making future decisions on the frequency with which we will hold an advisory vote on executive compensation. Notwithstanding the Board's recommendation and the outcome of the advisory shareholder vote on this Proposal 3, the Board may in the future decide to conduct advisory votes on executive compensation on a more frequent basis and may vary its practice based on factors such as discussions with shareholders and the adoption of material changes to compensation programs.

Vote Required

The frequency— every year, every two years or every three years —of the advisory vote on named executive officer compensation receiving the largest number of votes will be the frequency that shareholders recommend. For purposes of determining the vote regarding this Proposal 3, abstentions and broker non-votes will have no impact on the vote.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" THE HOLDING OF FUTURE ADVISORY VOTES ON NAMED EXECUTIVE OFFICER COMPENSATION EVERY THREE YEARS

BOARD LEADERSHIP STRUCTURE AND ROLE IN RISK OVERSIGHT

The Board is actively involved in assessing and managing risks that could affect the Company. Part of the Board's role is to periodically assess the processes utilized by management with respect to risk assessment and risk management, including identification by management of the primary risks of the Company's business, and the implementation by management of appropriate systems to address such risks. The Board fulfills these responsibilities either directly, through delegation to committees of the Board, or, as appropriate, through delegation to individual directors. When the Board determines to delegate any risk management oversight responsibilities, typically such delegation is made to the standing committees of the Board.

Mr. Goldstein serves as both the Chairman of the Board and the Chief Executive Officer of the Company. The Company believes this is appropriate in light of Mr. Goldstein's significant experience and leadership roles with the Company, and his in-depth knowledge of consumer products and the Company's management, marketplace, customers, marketing, sales and strategic vision. The Company further believes Mr. Goldstein's effectiveness in promoting the Company's products and forming new business relationships is significantly enhanced by his role as both Chairman of the Board and Chief Executive Officer. The Board does not have a lead independent director.

EXECUTIVE OFFICERS

The Company has three executive officers. They are Mr. Goldstein, Mr. Paprzycki and Mr. Hyman. Information regarding Mr. Goldstein and Mr. Paprzycki is stated above under “Election of Directors.” Information concerning Mr. Hyman is as follows:

Michael B. Hyman, 62, has been employed by the Company as Senior Vice President of Sales since 2013. Prior to joining the Company, Mr. Hyman served as an independent sales and marketing consultant from August 2012 through December 2012, Vice President of Sales OOK Division for the Hillman Group from December 2011 through July 2012, and Vice President of Sales for Impex Systems Group from August 2007 through December 2011.

The officers of the Company are elected annually at the first meeting of the Company's Board held after each annual meeting of shareholders and serve as determined by the Board.

DIRECTORS' MEETINGS AND COMMITTEES

During the year ended December 31, 2018, the Board had five regular meetings, four Audit Committee meetings, and two Compensation Committee meetings. No member of the Board attended fewer than 75% of the meetings of the Board or of committees for which such member served during 2018. Although the Company is not listed on NASDAQ or any other exchange, the Board has elected to apply NASDAQ's independence standards to the Board. During 2018, Ms. Bailey, Mr. Laber and Mr. Neri satisfied the NASDAQ independence standards. The independent members of the Board meet without management present at least once each quarter and the chair of the Audit Committee serves as the chairperson for such meetings.

Audit Committee

The Audit Committee's primary responsibilities include appointing the independent auditor for the Company, pre-approving all audit and non-audit services, and assisting the Board in monitoring the integrity of the financial statements of the Company, the independent auditor's qualifications, independence and performance and the Company's compliance with legal requirements. The Audit Committee operates under a written charter adopted by the Board, a copy of which is available at the Company's website at www.slginc.com*. During 2018 the members of the Audit Committee were Mr. Laber (Chairperson), Ms. Bailey and Mr. Neri. Each member of the Audit Committee is an independent director as defined in the NASDAQ rules. Mr. Laber has the professional experience deemed necessary to qualify as an audit committee financial expert under rules of the Securities and Exchange Commission (the "SEC"). The Company anticipates that Mr. Summers will be appointed as a member of the Audit Committee if elected to the Board.

*Unless specified, we do not incorporate by reference herein information presented at our website.

Compensation Committee

The primary responsibilities of the Compensation Committee include, without limitation, overseeing the development of a compensation philosophy for the Company, reviewing the compensation packages for executive officers and engaging and overseeing compensation consultants and advisers. The Compensation Committee may not delegate its authority. The Compensation Committee operates under a written charter adopted by the Board, a copy of which is available at the Company's website at www.slginc.com*. The Compensation Committee consists of three directors, each of whom is an independent director as defined under the NASDAQ rules. During 2018, the members of the Compensation Committee were Mr. Neri (Chairperson), Ms. Bailey, and Mr. Laber.

In making decisions regarding executive compensation, the Compensation Committee requests the input of the Chief Executive Officer and the other executive officers about their compensation and considers a number of factors. The Compensation Committee also takes into account the results of the previous say-on-pay proposals and believes the recent favorable vote of 81% of the votes cast demonstrates shareholder support for its overall executive compensation structure. In determining the executive compensation in 2018 and 2017, the Committee considered, among other things, the following matters:

Overview

- The objectives of the Company's compensation program;
- What the compensation program is designed to reward;
- Each element of compensation;
- How the Company determines the amount (and, where applicable, the formula) for each element; and

- How each compensation element and the Company's decisions regarding that element fit into the Company's overall compensation objectives and affect decisions regarding other elements.

Specific Factors

- Services performed and time devoted to the Company by the executive;
- Amounts paid to executives in comparable companies;
- The size and complexity of the Company's business;
- Successes achieved by the executive;
- The executive's abilities;
- The executive's tenure;
- The Company's financial results;

- Prevailing economic conditions;
- Compensation paid to other employees of the Company; and
- The amount previously paid to the executive.

The Compensation Committee did not use an outside consultant with respect to 2017 or 2018 compensation matters. The Compensation Committee previously determined that an outside consultant on compensation matters should be used periodically to provide information about the compensation paid to the Company's executive officers compared to compensation paid by other companies. This is only one factor among many considered by the Compensation Committee. In October 2018, the Compensation Committee engaged the Harlon Group to provide this type of market analysis with respect to establishing compensation for 2019. The report from the Harlon Group compared elements of the Company's compensation for the executive officers to a peer group of 12 companies developed by the Harlon Group. Peer group companies determined by the Harlon Group were: Reliv' International, Inc., Cyanotech Corp., CCA Industries Inc., ProPhase Labs, Inc., Ocean Bio-Chem, Inc., PURE Bioscience, Inc., Mannatech, Inc., Dyadic International, Inc., Aceto Corp., Natural Alternatives International, Inc., Senomyx, Inc., and United-Guardian, Inc. This report showed that the total direct compensation levels for the Company's executive officers for 2018 were below the median of total direct compensation for executives of the peer group companies, except for the Company's Chief Financial Officer, whose total direct compensation is in the 75% quartile of the peer group companies.

The Compensation Committee also determines the fees paid to the non-employee directors, with input from the Company's executive officers.

DIRECTOR NOMINATION PROCESS

The Board does not have a nominating committee. The Board performs the functions of a nominating committee. The Board believes that it does not need a separate nominating committee because the Board is relatively small and is able to perform the functions of selecting Board nominees.

In considering an incumbent director whose term of office is to expire, the Board reviews the director's overall service during the person's term, the number of meetings attended, level of participation and quality of performance. In the case of new directors, the directors on the Board are asked for suggestions as to potential candidates, discuss any candidates suggested by a shareholder of the Company and apply the criteria stated below. The Company may engage a professional search firm to locate nominees for the position of director of the Company. However, to date the Board has not engaged professional search firms for this purpose.

The Board seeks candidates for nomination to the position of director who have excellent decision-making ability, business experience, particularly experience relevant to consumer products, personal integrity, diverse backgrounds and who meet such other criteria as may be set forth in a writing adopted by a majority vote of the Board. While the Board values a diversity of viewpoints and backgrounds, it does not have a formal policy regarding the consideration of diversity in identifying director nominees.

Pursuant to a policy adopted by the Board, the directors will take into consideration a director nominee submitted to the Company by a shareholder; provided that the shareholder submits the director nominee and reasonable supporting

material concerning the nominee by the due date set forth in the Company's Bylaws and the rules of the SEC then in effect. See "Shareholder Proposals and Director Nominations" below.

DIRECTOR ATTENDANCE AT COMPANY ANNUAL MEETINGS

The Company does not have a policy regarding attendance by members of the Board at the Company's annual meeting of shareholders. The Company has always encouraged its directors to attend its annual meeting. All directors who were then serving attended the Company's most recent annual meeting of shareholders.

SHAREHOLDER COMMUNICATIONS WITH THE BOARD

Historically, the Company has not had a formal process for shareholder communications with the Board. The Company does not believe a formal process for handling shareholder communications is necessary because the Board reviews and considers all material communications from shareholders.

CODE OF BUSINESS CONDUCT AND ETHICS POLICY

The Company has a Code of Business Conduct and Ethics Policy (“Code of Conduct”) that reflects long-standing positions of the Company and contains additional provisions that address the Company’s expectations relating to ethical business conduct. The Code of Conduct applies to all employees, including executive officers, and to directors. The Code of Conduct concerns, among other things, compliance with applicable law, the avoidance of conflicts of interest, trading restrictions imposed on persons who are aware of material non-public information, a prohibition on taking corporate opportunities, competing fairly and honestly, diversity as an asset, the Company’s efforts to provide a safe and healthful work environment, recordkeeping, confidentiality, proper use of Company assets and payments to government personnel. A copy of the Code of Conduct may be obtained free of charge at the Company’s website at www.slginc.com.*.

EMPLOYMENT AGREEMENTS AND COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS

On March 26, 2014, the Company entered into employment agreements with Mr. Goldstein and Mr. Levine. Pursuant to the employment agreements, each executive is eligible to receive a base salary and an annual bonus of between 25-50% of the executive's base salary during the applicable bonus period, provided the executive remains employed the entire calendar year, and the Board, in its sole discretion, determines that the executive and the Company, as applicable, met or exceeded all of the goals and objectives of the written annual bonus plan approved by the Board or Compensation Committee. Mr. Levine's employment agreement expired on March 26, 2018 and he retired from all positions effective as of June 1, 2018. Only Mr. Goldstein's agreement remains in place.

The agreement is automatically extended for one-year terms (unless terminated within 90 days before the end of the existing term), but may be terminated by either party before that time, with or without cause. The agreement also

includes terms and provisions to protect our business and confidential information, including standard non-compete, non-solicitation of clients and employees, and no-hire obligations during the term of employment. Upon termination of employment by the Company not for “cause,” or by the employee for “good reason” (as each term is defined in the employment agreement), in addition to already earned salary and any earned but unpaid bonus for the prior year, the employee is entitled to receive certain payments and benefits, including: (1) a severance payment equal to 18 months of his then current base salary in effect on the day of termination payable over a period of 18 months; and (2) reimbursement for the costs of continuing health benefits for a period of 18 months following termination. All severance payments and benefits are subject to compliance with the restrictive covenants in the employment agreement (such as the nondisclosure, non-solicitation, and non-competition provisions) for the 18 months after termination of employment, as well as the receipt of a release from the executive officer.

While Mr. Paprzycki does not have an employment agreement with the Company, he has entered into a non-competition agreement with the Company that provides for, among other things, severance in an amount equal to one month’s base salary for each year served, up to a maximum of six months, following the termination of his employment with the Company.

STOCK OWNERSHIP REQUIREMENTS

Each non-employee director must hold the number of shares of Common Stock equal in value to at least the annual cash compensation of such director. Directors initially had three years from September 19, 2013 within which to acquire such number of shares (including such number of shares to reflect any increase in cash compensation that occurs during such three-year period). In the event the cash compensation of directors is increased after such three-year period, directors will have an additional year to raise their ownership to reflect the increased amount of compensation, using the closing price on the day of approval of such compensation increase. Future directors will have three years within which to satisfy initial stock ownership requirements and thereafter, one year to increase their ownership following any increase in cash compensation to directors. Ms. Bailey, Mr. Laber, and Mr. Neri are in compliance with the foregoing stock ownership requirements. For information regarding Ms. Bailey's, Mr. Laber's, and Mr. Neri's current beneficial ownership of shares, see the table "Security Ownership of Management."

COMPENSATION OF DIRECTORS

As of December 31, 2018, one director, Mr. Goldstein, served as a full-time executive officer of the Company. For the 2018 fiscal year, the annual director fees were \$37,800 for Mr. Laber, the Chairperson of the Audit Committee, and \$36,240 for the other non-employee directors.
