## Edgar Filing: AMERICAN ELECTRIC POWER COMPANY INC - Form 8-K

American Electric Power Company, Inc. has reclassified certain settled forward energy transactions of its trading operation from a net to a gross basis of presentation. The reclassification is intended to reflect the scope and nature of the company's energy sales and purchases. As a result, the following amounts were reclassified from revenues to purchased power expense: \$9.6 billion for the three months ended March 31, 2001 and \$3.1 billion for the three months ended March 31, 2000. AEP continues to report all financially net settled trading transactions, such as swaps, futures, and unexercised options, on a net basis reflecting the financial nature of these transactions.
