#### ITEM 7.01. REGULATION FD DISCLOSURE

Synalloy Corporation (the “Company”) prepared presentation materials (the “Presentation”) that management presented on August 30, 2018 at the Midwest IDEAS Investor Conference in Chicago, Illinois. The Company may use the Presentation, possibly with modifications, in presentations from time to time to current and potential investors, analysts, lenders, business partners, acquisition candidates, customers, employees and others with an interest in the Company and its operating businesses.

The Presentation is posted as an investor presentation to the Company’s website at <https://synalloy.com/presentations>. A copy of the Presentation is attached as Exhibit 99.1 to this Current Report on Form 8-K.

The Presentation includes financial information not prepared in accordance with generally accepted accounting principles (“Non-GAAP Financial Measures”). A reconciliation of the Non-GAAP Financial Measures to financial information prepared in accordance with generally accepted accounting principles (“GAAP”), as required by Regulation G, appears as Exhibit 99.2 to this Current Report on Form 8-K. The Company is providing disclosure of the reconciliation of reported Non-GAAP Financial Measures used in the Presentation, among other places, to its comparable financial measures on a GAAP basis. The Company believes that the Non-GAAP Financial Measures provide investors additional ways to view our operations, when considered with both our GAAP results and the reconciliation to net income provided by operating activities, which we believe provide a more complete understanding of our business than could be obtained absent this disclosure. We believe the Non-GAAP Financial Measures also provide investors a useful tool to assess shareholder value.

The information contained in the Presentation is summary information that should be considered in the context of the Company’s filings with the Securities and Exchange Commission and other public announcements the Company may make by press release or otherwise from time to time. The Presentation speaks as of the date of this Report. While the Company may elect to update the Presentation in the future to reflect events and circumstances occurring or existing after the date of this Report, the Company specifically disclaims any obligation to do so.

The information in this Current Report on Form 8-K, including Exhibits 99.1 and 99.2 attached hereto, is being furnished and shall not be deemed “filed” for the purposes of Section 18 of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), or otherwise subject to the liabilities of that Section, unless the Company specifically states that the information is to be considered “filed” under the Exchange Act or specifically incorporates it by reference into a filing under the Securities Act of 1933, as amended, or the Exchange Act. The furnishing of this information hereby shall not be deemed an admission as to the materiality of any such information. The Presentation contains forward-looking statements. See Page 2 of the Presentation for a discussion of certain forward-looking statements that are included therein and the risks and uncertainties related thereto.
