Prior to joining Emerald Asset Management, Mr. Corker obtained over 20 years experience in the computer storage industry from key roles in engineering and marketing at several manufacturers of tape drives, and as an industry analyst with International Data Corporation (IDC). Mr. Corker received a B.S. degree in Computer Science from the University of Essex, England in 1972, where he later conducted five years of postgraduate research in computer networking systems.

Carl W. Gromada has served as a director of Qualstar since March 2005. From 2000 to the present, Mr. Gromada has been a consultant and a private investor. Mr. Rich received a B.A. degree in Economics from the University of California, Los Angeles in 1972 and his J.D. degree from the University of California, Los Angeles in 1975.

Directors are elected annually and hold office until the next annual meeting of shareholders and until their successors have been elected and qualified.

#### Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934 requires Qualstar's directors and executive officers, and persons who own more than ten percent of Qualstar's common stock, to file with the Securities and Exchange Commission initial reports of ownership and reports of changes in ownership of our common stock. Officers, directors and greater than ten percent shareholders are required by SEC regulations to furnish Qualstar with copies of all Section 16(a) forms they file.

To our knowledge, based solely on a review of the copies of Section 16(a) reports furnished to us and written representations that no other reports were required during the fiscal year ended June 30, 2009, our officers, directors and greater than ten percent beneficial owners complied with all Section 16(a) filing requirements except as follows: Nidhi H. Andalon was appointed our Chief Financial Officer on January 19, 2009, and her initial statement of beneficial ownership on Form 3 was not filed until February 11, 2009, which was thirteen days after it was due.

Code of Ethics

Qualstar has adopted a written Code of Business Conduct and Ethics, which complies with the requirements for a code of ethics pursuant to Item 406(b) of Regulation S-K under the Securities Exchange Act of 1934, that applies to our chief executive officer, chief financial officer, controller and persons performing similar functions. A copy of the Code of Business Conduct and Ethics has been filed as an exhibit to this report. A copy of the Code of Business Conduct and Ethics will be provided, without charge, to any shareholder who sends a written request to the Chief Financial Officer of Qualstar at 3990-B Heritage Oak Court, Simi Valley, California 93063.

Audit Committee

Our Board of Directors has a standing Audit Committee, which is comprised solely of non-employee directors who satisfy current Nasdaq standards with respect to independence, financial expertise and experience. The current members of the Audit Committee are Stanley W. Corker, Carl W. Gromada and Robert A. Meyer, with Mr. Gromada serving as Chairman. Our Board of Directors has determined that both Mr. Gromada and Mr. Meyer meet the Securities and Exchange Commission's definition of "audit committee financial expert."

ITEM 11. EXECUTIVE COMPENSATION

COMPENSATION DISCUSSION AND ANALYSIS

This section contains a discussion of the material elements of compensation awarded to, earned by, or paid to our principal executive officer, our principal financial officer, and our other executive officers who were serving as executive officers of Qualstar at June 30, 2009. These individuals are identified in the Summary Compensation Table and other compensation tables that follow this section, and are referred to throughout this report as our "named executive officers."

Executive Compensation Program Objectives

Our executive compensation program is intended to fulfill three primary objectives: first, to attract and retain qualified executives required for the success of our business; second, to reward these executives for financial and operating performance; and third, to align their interests with those of our stockholders to create long-term stockholder value. The principal elements of the compensation program for our named executives include base salary, cash bonus, and long-term incentives in the form of stock options.

Executive Officer Compensation Elements

Base Salaries

Our Board of Directors, upon the recommendation of the Compensation Committee, establishes base salaries for our executive officers. The Compensation Committee considers compensation paid by companies comparable in size to Qualstar, the experience level and past performance of the individual executives, as well as the revenues and profitability of Qualstar. Our goal is to provide base salaries that are fair and competitive, but not excessive.

The table below shows the base salary established for each of our named executive officers for fiscal years 2009 and 2010, and the percentage change compared to the prior fiscal year. Salary adjustments typically do not coincide with the beginning of the fiscal year, so the amounts shown below may not be exactly the same as those shown in the Fiscal 2009 Summary Compensation Table.

Table of Contents

Name and Principal Position	Fiscal 2009 Base Salary	Percent Change versus Fiscal 2008 Base Salary	Fiscal 2010 Base Salary	Percent Change versus Fiscal 2009 Base Salary
William J. Gervais Chief Executive Officer and President	\$ 175,000 (1)	(10.3 %)	\$ 157,500 (2)	(10.0 %)
Nidhi H. Andalon Chief Financial Officer	\$ 140,000 (3)	12.0 %	\$ 150,000 (3)	7.1 %
Richard A. Nelson Vice President of Engineering	\$ 170,000		\$ 153,000 (2)	(10.0 %)
Robert K. Covey Vice President of Marketing	\$ 184,000	7.0 %	\$ 165,600 (2)	(10.0 %)

(1) Mr. Gervais voluntarily reduced his base salary from a rate of \$195,000 to a rate of \$175,000 per year, effective August 25, 2008.

(2) As a cost-saving measure, the base salaries of Mr. Gervais, Mr. Nelson and Mr. Covey were reduced by 10% for an indefinite period, effective as of July 2009.

(3) Ms. Andalon's base salary was increased to a rate of \$140,000 per year upon her appointment as Chief Financial Officer on January 19, 2009. Her base salary was further increased to a rate of \$150,000 per year, effective as of July 2009.

Cash Bonuses

Historically, each year the Board of Directors, upon the recommendation of the Compensation Committee, has established a cash bonus plan for executive officers based on Qualstar achieving stated levels of consolidated revenue and pre-tax profits for the fiscal year, excluding the effects of acquisitions, if any, made during the fiscal year. However, in recent years Qualstar has not achieved the levels of revenues or pre-tax profits required to earn even the minimum bonus amounts under prior bonus plans. Consequently, the Board of Directors did not establish a bonus plan for executive officers for fiscal 2009, and has not established a bonus plan for executive officers for fiscal 2010.

Our Board of Directors reserves the right, however, to pay discretionary cash bonuses, if deemed appropriate.

Equity-Based Compensation

We use stock option grants as a form of long-term compensation. For the past several years, however, our stock generally has not been actively traded and the price per share has declined or stayed within a relatively narrow range. Consequently, stock options have not provided significant compensation in recent years. We did not grant any stock options to our executive officers in fiscal 2009.

Our 2008 Stock Incentive Plan authorizes us to grant stock options to purchase, in the aggregate, up to 500,000 shares of our common stock. This plan was adopted by our Board of Directors in November 2008 and approved by our shareholders in March 2009, and replaces our 1998 Stock Incentive Plan, which expired in 2008. Under both plans,

the exercise price of stock options must be no less than the closing price of our common stock on the date of grant. It is our policy to grant stock options only at duly held meetings of our Board of Directors, with an exercise price equal to the closing price of our common stock on the date of the Board meeting.

#### Compensation of our Named Executive Officers

The amount of each component of compensation established for the named executive officers is based on a number of factors. These factors include company performance, individual performance, compensation paid by companies comparable in size to Qualstar, the recommendations of our Chief Executive Officer, William J. Gervais, and a review of the prior compensation history of each executive officer. Some of these factors are discussed above. Other factors applicable to each named executive officer are discussed below.

Table of Contents

William J. Gervais and Richard A. Nelson co-founded Qualstar in 1984 and they continue to serve Qualstar full time as executive officers. The Compensation Committee considers both Mr. Gervais and Mr. Nelson to be largely responsible for the success the Company has achieved, and to be two of our most important employees. However, Mr. Gervais and Mr. Nelson historically have requested that their base salaries be maintained at levels the Compensation Committee considers to be relatively low. The reasons for this include their belief that in the long term their individual equity ownership of Qualstar potentially will provide greater financial returns than current compensation. Moreover, Mr. Gervais voluntarily reduced his salary from a rate of \$195,000 per year to a rate of \$175,000 per year effective August 25, 2008 in order to reduce costs. In order to further reduce costs, our Board of Directors, upon the recommendation of Mr. Gervais, reduced the base salaries of Mr. Gervais and Mr. Nelson, as well as of Mr. Covey, by 10% for an indefinite period, effective as of July 2009. Mr. Gervais and Mr. Nelson also have never requested nor accepted stock option awards.

Nidhi H. Andalon was appointed our Chief Financial Officer by our Board of Directors on January 19, 2009. Ms. Andalon joined Qualstar's finance department in January 2003 as a senior accountant, and was promoted to Assistant Controller in June 2004 and to Controller in October 2005. Upon being appointed Chief Financial Officer, our Board approved an increase in her base salary from \$125,000 to \$140,000 to reflect her increased responsibilities. In recognition of her performance as Chief Financial Officer during her first six months in that position, our Board approved a further increase in her base salary to a rate of \$150,000 per year, effective as of July 2009.

Mr. Covey has been our Vice President of Marketing since 1994. On November 5, 2008, the Board approved an increase in Mr. Covey's base salary to \$184,000 per year, effective retroactively to July 1, 2008, to bring his compensation more in line with market rates for persons with similar duties and responsibilities at other companies. However, in order to reduce costs, our Board of Directors, upon the recommendation of Mr. Gervais, reduced the base salary of Mr. Covey, as well as the base salaries of Mr. Gervais and Mr. Nelson, by 10% for an indefinite period, effective as of July 2009.

Tax Considerations

Under Section 162(m) of the Internal Revenue Code, we generally receive a federal income tax deduction for compensation paid to any of our named executive officers only to the extent total compensation does not exceed \$1.0 million during any fiscal year or if it is "performance-based" under Section 162(m). The total compensation earned by our executive officers has always been less than \$1.0 million and, consequently, the limitations imposed by Section 162(m) have not been a factor.

COMPENSATION COMMITTEE REPORT

The Compensation Committee has reviewed the foregoing Compensation Discussion and Analysis and has discussed its contents with Qualstar's management and the Board of Directors. Based on the review and discussions, the Compensation Committee has recommended to the Board that the Compensation Discussion and Analysis be included in this report.

Submitted by the members of the Compensation Committee

Stanley W. Corker (Chairman)  
Carl W. Gromada  
Robert A. Meyer

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

Our Board of Directors has a standing Compensation Committee. The members of this committee during the fiscal year ended June 30, 2009 and presently are Stanley W. Corker, Carl W. Gromada and Robert A. Meyer. No executive officer of Qualstar serves as a member of the board of directors or compensation committee of any entity that has one or more executive officers serving on our Board of Directors. No member of the Compensation Committee is, or ever has been, an employee or officer of Qualstar.

(1) The amounts shown in these columns reflect salary and bonuses earned by the named executive officers for each of the fiscal years indicated and include amounts which the executives elected to defer, on a discretionary basis, pursuant to Qualstar's 401(k) savings plan.

(2) The amounts shown in this column represent the compensation expense recognized by Qualstar in each of the fiscal years indicated for financial statement reporting purposes with respect to the fair value of stock options granted during fiscal 2009 and in prior fiscal years. The compensation expense is computed in accordance with SFAS 123R, and does not necessarily correspond to the actual value that will be realized by the named executive officers. Stock options granted to the named executive officers vest over four years at the rate of 25% of the shares as of each anniversary of the date of grant. Pursuant to SEC rules, the dollar amounts shown in the table exclude the impact of estimated forfeitures related to service-based vesting conditions. Under SFAS 123R, the fair value of stock options is calculated using the closing price of Qualstar common stock on the date of grant. As a result of Mr. Farina's termination as of January 16, 2009, he forfeited stock options for 50,000 shares. The compensation expense with respect to Mr. Farina's options that vested in fiscal 2009, less the reversal of amounts previously accrued relating to his forfeited options, resulted in net compensation expense of \$6,423 recognized by Qualstar in fiscal 2009. This amount is included in the table above. For additional information regarding the calculation of the fair value of stock options, refer to note 9 of the Qualstar financial statements included in Item 8 of this report.

(3) The amounts shown above under "All Other Compensation" represent matching contributions under our 401(k) plan, and premiums for disability and life insurance. For Mr. Farina, the amount shown for fiscal 2009 also includes a \$15,000 severance paid upon his termination of employment.

(4) Ms. Andalon was appointed our Chief Financial Officer effective January 19, 2009.

(5) Mr. Farina's employment terminated as of January 16, 2009.

Grants of Plan-Based Awards

The following table sets forth information regarding grants of awards to each named executive officer during the year ended June 30, 2009 under our equity incentive plan.

Under SFAS 123R, the grant date fair value of stock options is calculated using the closing price of Qualstar common stock on the date of grant. This amount is then recognized by the Company as compensation expense for financial statement reporting purposes ratably over the vesting period. The amount recognized as compensation expense in fiscal 2009 is included in the Summary Compensation Table above in the column headed "Option Awards." For additional information regarding the calculation of the grant date fair value of stock options, refer to note 9 of the Qualstar financial statements included in Item 8 of this report.

Table of Contents

Each of our non-employee directors receives \$2,000 per quarter plus \$1,000 for each Board meeting attended as compensation for his service on the Board, and is reimbursed for expenses incurred in connection with attendance at meetings of the Board and any committees on which he serves. Directors who serve on the Audit Committee of our Board receive an additional fee of \$1,000 per quarter plus an attendance fee of \$500 per meeting if the Audit Committee meeting is held in conjunction with a meeting of the full Board, and \$1,000 per meeting if held on a day when the full Board does not meet. Directors who serve on the Compensation Committee of our Board receive an additional fee of \$500 for attending meetings of that committee that are held on a day when the full Board does not meet. An attendance fee of \$250 per meeting is paid for telephonic meetings of the full Board or of a committee on which a director is a member. No fees are paid for service on the Board to directors who are employees of Qualstar.

Directors are eligible to receive stock options under our 2008 Stock Incentive Plan. However, no stock options were granted to our non-employee directors during the fiscal year ended June 30, 2009.

Potential Benefits Upon or Following a Change in Control

Stock options granted under our 2008 Stock Incentive Plan and our 1998 Stock Incentive Plan provide that upon certain circumstances in the event of or following a change in control of Qualstar, the unvested portion of such stock options will accelerate and become immediately vested in full. In general, a change in control is deemed to occur if we were to sell substantially all of our assets or if Qualstar were to merge into, consolidate with or enter into a reorganization with another entity in a transaction in which Qualstar is not the surviving corporation.

If a change in control occurs and the acquiring entity does not assume and continue the employee's rights under the unvested stock options, then all unvested stock options will accelerate and vest in full upon the occurrence of the change in control. If the acquiring entity does assume the employee's rights under the unvested stock options, but the employee's employment subsequently is terminated without cause, or if the employee resigns for good reason after the change in control, then all unvested stock options held by the employee would accelerate and vest in full as of the date of termination.

The reasons for which an employee may voluntarily resign and trigger acceleration of vesting include a change in the employee's position which materially reduces his or her duties and responsibilities or the level of management to which the employee reports, a reduction in the employee's level of compensation and benefits by more than 15 percent, or a relocation of employee's principal place of employment by more than 30 miles without his or her consent.

The table below sets forth information regarding the estimated amounts that each named executive officer would have realized in the event that a change in control of Qualstar had occurred and all of his unvested stock options had accelerated and become immediately vested in full as of June 30, 2009.

ITEM 13. CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS, AND DIRECTOR INDEPENDENCE

Transactions with Related Persons

There are no relationships or transactions involving any of our directors or executive officers for which disclosure is required under the rules of the Securities and Exchange Commission.

In accordance with the charter of the Audit Committee of our Board of Directors, the Audit Committee is responsible for reviewing any proposed transaction with any related person which involves a potential conflict of interest or for which approval is required under applicable Securities and Exchange Commission and Nasdaq rules. Currently, this review and approval requirement applies to any transaction to which Qualstar will be a party, in which the amount involved exceeds \$120,000, and in which any of the following persons will have a direct or indirect material interest: (a) any of our directors or executive officers, (b) any nominee for election as a director, (c) any security holder who is known to us to own of record or beneficially more than five percent of our common stock, or (d) any member of the immediate family of any of the persons described in the foregoing clauses (a) through (c).

In the event that management becomes aware of any related person transaction, management will present information regarding the proposed transaction to the Audit Committee for review. Approval of a transaction with a related person requires the affirmative vote of a majority of the members of the Audit Committee or of a majority of the members of the full Board of Directors. If the related person transaction involves a member or members of the Board, approval requires a majority vote of the directors who do not have a financial interest in the transaction.

Director Independence

Our Board has determined that all of our directors satisfy the current “independent director” standards established by rules of The Nasdaq Stock Market, Inc. (“Nasdaq”), except for William J. Gervais, who is Chief Executive Officer and President of Qualstar, and Richard A. Nelson, who is Vice President Engineering and Secretary of Qualstar. Each director serving on the Audit Committee of our Board also meets the more stringent independence requirements established by Securities and Exchange Commission rules applicable to audit committees. Mr. Robert E. Rich, a member of our Board of Directors since January 2000, is a shareholder in the law firm of Stradling Yocca Carlson & Rauth, which has provided legal services to Qualstar since 1984. Our Board has determined that no director has a relationship that would interfere with the exercise of independent judgment in carrying out his responsibilities as a director. There are no family relationships among any of the directors or executive officers of the Company.
