THE J. JILL GROUP, INC. NOTES TO CONDENSED CONSOLIDATED FINANCIAL STATEMENTS (unaudited)

The condensed consolidated financial statements included herein have been prepared by The J. Jill Group, Inc. (together with its wholly owned consolidated subsidiaries, the Company), without audit, pursuant to the rules and regulations of the Securities and Exchange Commission (the SEC), and in the opinion of management contain all adjustments (consisting of normal recurring adjustments) necessary to present fairly the financial position, results of operations and cash flows for the interim periods presented. Certain information and footnote disclosures normally included in financial statements prepared in accordance with generally accepted accounting principles (GAAP) have been omitted pursuant to such rules and regulations. Accordingly, although the Company believes that the disclosures are adequate to make the information presented not misleading, these condensed consolidated financial statements should be read in conjunction with the consolidated financial statements and the notes thereto included in the Company s Annual Report on Form 10-K for the fiscal year ended December 25, 2004 (fiscal 2004). As a retailer, the Company is subject to seasonal fluctuations in net sales. The results of operations for interim periods are not necessarily indicative of the results to be expected for the full year.

A. Nature of business:

The Company is a multi-channel specialty retailer of women s apparel, including accessories and footwear, that markets its products through its retail stores, catalogs and website *jjill.com*.

B. Restatement of prior financial information:

The restatement also affects periods prior to fiscal 2004. The restatement corrects the Company s historical accounting for operating leases. For information with respect to the restatement, see Note B to the consolidated financial statements contained in the Company s Annual Report on Form 10-K for fiscal 2004. The Company did not amend its Quarterly Reports on Form 10-Q for the periods before the end of fiscal 2004 to reflect the restatement, therefore the financial statements and related financial information contained in such reports should no longer be relied upon. Throughout this Form 10-Q, all referenced amounts for affected prior periods and prior period comparisons reflect the balances and amounts on a restated basis.

As a result of this restatement, the Company s financial results have been adjusted as follows (in thousands, except per share data):
