INFORMATION TO BE INCLUDED IN THE REPORT

Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

On May 18, 2010, the Compensation Committee of the Board of Directors of Advance Auto Parts, Inc. (the “Company”), approved a special long-term incentive grant, effective May 24, 2010, to named executive officer Kevin P. Freeland, Chief Operating Officer. Mr. Freeland’s target level award, valued at \$350,000, consists of 75 percent in Stock Appreciation Rights (SARs) and 25 percent in restricted stock, or 16,635 SARs and 1,766 shares of restricted stock. The exercise price of the SARs awarded to Mr. Freeland is \$49.55, the closing price of the Company’s common stock on May 24, 2010, the date of grant. Vesting for 75 percent of the target award of SARs and restricted stock will occur in approximately equal annual installments on each anniversary of the grant date over a consecutive three-year period. The remaining 25 percent portion of the awards is subject to performance conditions that require attainment of target performance goals and a minimum three-year vesting period. If the Company’s performance exceeds the performance target level for fiscal years 2010 through 2012, Mr. Freeland may receive additional SARs and restricted stock up to a maximum of an additional 50% of the target level award. The performance conditions are the same as those provided in the Company’s 2009 annual grant which occurred on December 1, 2009, and are further explained in the Company’s 2010 Proxy Statement filed with the Securities and Exchange Commission on April 9, 2010. The performance-based portion of the award will vest, if at all, on May 24, 2013.
