PROXY STATEMENT

SOLICITATION OF PROXIES

This Proxy Statement is furnished by the Board of Directors ("the Board") of Franklin Capital Corporation, a Delaware corporation (the "Corporation", or "Franklin"), in connection with the solicitation by the Corporation of proxies for use at the Annual Meeting of Stockholders (the "Meeting") to be held on October 11, 2001, at 2 o'clock p.m., New York Time, at the offices of Weil, Gotshal and Manges, LLP, 767 Fifth Avenue, 25th Floor, New York, New York 10153. This proxy statement and form of proxy are first being sent to stockholders on or about September 25, 2001.

VOTING AND REVOCABILITY OF PROXIES

Stockholders who execute proxies may revoke them at any time before they are voted, by delivering to Mr. Spencer L. Brown, Secretary of the Corporation, at the offices of the Corporation at 450 Park Avenue, 10th Floor, New York, New York, 10022, before the ballot is cast, either an instrument revoking the proxy or a duly executed proxy bearing a later date, or by attending the Meeting and voting in person. A proxy, when executed and not so revoked, will be voted in accordance with the specifications contained therein. If no contrary specification is indicated on the proxy, the shares represented thereby will be voted for the election of the four (4) nominees for directors and in favor of the ratification of the appointment of Ernst & Young LLP as the Corporation's independent auditors.

In the event that the persons named as proxies propose one or more adjournments to permit further solicitation with respect to any proposal to be voted upon at the Meeting, any such adjournments would require the affirmative vote of a majority of the shares present in person or by proxy at the session of the Meeting to be adjourned. The proxyholders will vote in favor of such an adjournment with respect to those proxies which instruct them to vote in favor of such proposal (including proxies which have no contrary specification with respect to such proposal), and will vote against such an adjournment with respect to those proxies which instruct them to vote against or abstain from voting with respect to such proposal. No adjournment will be for any period later than November 12, 2001.

Except as stated specifically and except with respect to the election of directors, which is by plurality of votes cast, each of the matters being submitted to stockholder vote pursuant to the Notice of Annual Meeting will be approved if a quorum is present in person or by proxy and a majority of the votes cast on a particular matter are cast in favor of that matter. In tallying the vote, abstentions and broker non-votes will be considered to be shares of Common Stock or Preferred Stock present at the Meeting, but not voting in favor of the election of the nominees (i.e., they will have the same legal affect as a vote "against" the election of the nominees).

EXPENSES OF SOLICITATION OF PROXIES

Edgar Filing: FRANKLIN CAPITAL CORP - Form DEF 14A

The solicitation will be made by the Corporation and all expenses will be borne by the Corporation. The

1

solicitation will be conducted by mail, except that in a limited number of instances proxies may be solicited by directors, officers and other employees of the Corporation personally, by telephone or by facsimile. THE CORPORATION WILL FURNISH, WITHOUT CHARGE, A COPY OF THE ANNUAL REPORT TO ANY STOCKHOLDER UPON REQUEST IN WRITING ADDRESSED TO "FRANKLIN CAPITAL CORPORATION, 450 PARK AVENUE, NEW YORK, NEW YORK 10022, ATTENTION: STOCKHOLDER RELATIONS" OR BY CALLING COLLECT TO (212) 486-2323.

COMPENSATION PURSUANT TO PLANS

Edgar Filing: FRANKLIN CAPITAL CORP - Form DEF 14A

On September 9, 1997, Franklin's stockholders approved two Stock Option Plans: a Stock Incentive Plan ("SIP") to be offered to the Corporation's consultants, officers and employees (including any officer or employee who is also a director of the Corporation) and a Non-Statutory Stock Option Plan ("SOP") to be offered to the Corporation's "outside" directors, i.e., those directors who are not also officers or employees of Franklin. 112,500 shares of the Corporation's Common Stock have been reserved for issuance under these plans, of which 67,500 shares have been reserved for the SIP and 45,000 shares have been reserved for the SOP. Shares subject to options that terminate or expire prior to exercise will be available for future grants under the Plans. Because the issuance of options to "outside" directors is not permitted under the Act without an exemptive order by the Securities and Exchange Commission, the issuance of options under the SOP was conditioned upon the granting of such order. The order was granted by the Commission on January 18, 2000.

On January 27, 1998, 67,500 options were granted to three eligible officers of the Corporation under the SIP. The strike price of the options was \$4.67 per share, which represented the closing price of Franklin's Common Stock as reported by the American Stock Exchange on that date. One-third of the options granted vested immediately; another one-third vested one year from the date of issuance; and the final one-third vested two years after the date of issuance. The options expire after ten years. On December 31, 1998, one of the eligible officers resigned from the Corporation and forfeited 15,000 options upon resignation and an additional 7,500 options three months after resignation. 7,500 of these options were reissued on March 18, 1999 to three eligible officers of the Corporation at a strike price of \$3.83 per share, which represented the closing price of Franklin's Common Stock as reported by the American Stock Exchange on that date. These options will expire as originally issued. One-half of the reissued options vested immediately, and one-half vested on January 27, 2000. 5,625 of the remaining forfeited options were reissued on December 9, 1999 to three eligible officers of the Corporation at a strike price of \$6.00 per share, which represented the closing price of Franklin's Common Stock as reported by the American Stock Exchange on that date. These options will expire as originally issued. One-half of the reissued options vested immediately, and one-half vested on December 9, 2000. The remaining 1,875 of forfeited options were reissued on March 1, 2000, to one eligible officer of the Corporation at a strike price of \$14.00 per share, which represented the closing price of Franklin's Common Stock as reported by the

8

American Stock Exchange on that date. These options will expire as originally issued. One-half of the reissued options vested immediately, and one-half vested on March 1, 2001.

On February 14, 2000, 30,000 options were granted under the SOP to four eligible "outside" directors. The strike price of the options was \$11.50 per share, which represented the closing price of Franklin's Common Stock as reported by the American Stock Exchange on that date. One-third of the options granted vested immediately; another one-third vest one year from the date of issuance; and the final one-third vest two years after the date of issuance. The options expire after ten years. On June 7, 2000, 7,500 options were granted under the SOP to four eligible "outside" directors. The strike price of the options was \$9.67 per share, which represented the closing price of Franklin's Common Stock as reported by the American Stock Exchange on that date. One-third of the options granted vested immediately; another one-third vest one year from the date of issuance; and the final one-third vest two years after the date of issuance. The options expire after ten years.

On May 9, 2000, one of Franklin's officers exercised 29,062 options

Edgar Filing: FRANKLIN CAPITAL CORP - Form DEF 14A

resulting in a non-cash charge to compensation expense of \$197,188. On September 11, 2000, one of Franklin's officers exercised 29,062 options resulting in a non-cash charge to compensation expense of \$129,317. On December 21, 2000, three of Franklin's officers exercised 7,501 options resulting in a non-cash charge to compensation expense of \$23,139.

The Audit Committee reviewed and discussed with management the Corporation's audited financial statements as of and for the year ended December 31, 2000. The Audit Committee also discussed with the independent accountants the matters required to be discussed by Statement on Auditing Standards No. 61, COMMUNICATION WITH AUDIT COMMITTEES, as amended, by the Auditing Standards Board of the American Institute of Certified Public Accountants.

The Audit Committee received and reviewed the written disclosures and the letter from the independent accountants required by Independence Standard No. 1, INDEPENDENCE DISCUSSIONS WITH AUDIT COMMITTEES, as amended, by the Independence Standards Board, and have discussed with the accountants the accountants' independence. The Audit Committee considered whether the provisions of non-financial audit services were compatible with Ernst & Young LLP's independence in performing financial audit services.

Based on the reviews and discussions referred to above, the Audit Committee recommends to the Board that the financial statements referred to above be included in the Corporation's Annual Report on Form 10-K for the year ended December 31, 2000 for filing with the Commission. RECOMMENDATION OF THE BOARD OF DIRECTORS

The Board recommends that stockholders vote "FOR" the persons named herein

Edgar Filing: FRANKLIN CAPITAL CORP - Form DEF 14A

to serve as directors until the next Annual Meeting of Stockholders and until their respective successors have been duly elected and have qualified. Under Delaware law, directors are elected by a plurality of the votes of the shares present in person or represented by proxy and entitled to vote in the election of directors.

All nominees have consented to stand for election and to serve if elected. If any nominee should be unable to serve in such position, an event not presently anticipated, the proxies voted for such a person, if any, as shall be designated by the Board to replace any such nominee, unless the Board reduces the number of directors constituting the whole Board.

In the absence of contrary instructions, the Corporation intends to vote all proxies "FOR" the election of the six (6) nominees listed above as Directors of the Corporation. In tallying the vote, abstentions and broker non-votes will be considered to be shares of Common Stock or Preferred Stock present at the Meeting, but not voting in favor of the election of the nominees (i.e., they will have the same legal affect as a vote "against" the election of the nominees).
