Forward Looking Statements

Certain items in this report may constitute forward-looking information or forward-looking statements within the meaning of applicable Canadian securities laws, including statements regarding the proposed transaction, the filing of a full earnings release on Form 8-K, and the preparation, delivery and availability of a proxy statement and management information circular and other relevant materials in connection with the proposed transaction, which forward-looking statements may use forward-looking terminology such as may , will , expect , anticipate , believe , continue , potential , or the negative thereof or other variations thereof or comparable terminology. Such forward-looking statements may include, without limitation, statements regarding the completion of the proposed transaction and other statements that are not historical facts.

These forward-looking statements reflect beliefs and assumptions which are based on Patheon s perception of historical trends, current conditions and expected future developments, as well as other factors management believes are appropriate in the circumstances. In making these statements, Patheon has made assumptions with respect to: its ability to file a full earnings release on Form 8-K; its ability to obtain the final clearance from the SEC of the proxy statement and management information circular, the ability of Patheon to obtain an interim court order with respect to the proposed transaction; and other matters. Patheon s beliefs and assumptions are inherently subject to significant business, economic, competitive and other uncertainties and contingencies regarding future events and as such, are subject to change. Patheon s beliefs and assumptions may prove to be inaccurate and consequently actual events could differ materially from the expectations set out herein.

While such forward-looking statements are expressed by Patheon, as stated in this report, in good faith and believed by Patheon to have a reasonable basis, they are subject to important risks and uncertainties including, without limitation, the possibility that certain assumptions with respect to the proposed transaction could prove to be

inaccurate, approval of applicable governmental authorities, and necessary court approvals, and changes in applicable laws or regulations, which could cause actual results to differ materially from future results expressed, projected or implied by the forward-looking statements. As a result of these risks and uncertainties, the proposed transaction could be modified, restructured, the earning release on Form 8-K may not be filed and the proxy statement and management information circular in connection with the proposed transaction may not be filed or delivered to shareholders, and the events predicted in these forward-looking statements may differ materially from actual results or events. These forward-looking statements are not guarantees of future performance, given that they involve risks and uncertainties. Patheon is not affirming or adopting any statements made by any other person in respect of the proposed transaction and expressly disclaims any intention or obligation to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise, except in accordance with applicable securities laws or to comment on expectations of, or statements made by any other person in respect of the proposed transaction.

Investors should not assume that any lack of update to a previously issued forward-looking statement constitutes a reaffirmation of that statement. Reliance on forward-looking statements is at an investors own risk.
