Item 1.01. Entry into a Material Definitive Agreement

On July 10, 2018, Hennessy Advisors, Inc. ("Hennessy Advisors") entered into a definitive agreement (the "Agreement") with BP Capital Fund Advisors, LLC ("BP Capital") to purchase the assets related to the management of the BP Capital TwinLine Energy Fund and the BP Capital TwinLine MLP Fund (the "BP Funds"). The BP Funds currently have assets of approximately \$219 million.

The Agreement includes customary representations, warranties, and covenants. It provides for payment to be made in two parts: (1) a payment upon closing equal to (A) \$100,000 plus (B) 0.75% of the aggregate current net asset value of the BP Funds measured as of the close of business on the trading day immediately preceding the closing date of the transaction, and (2) a payment on the one-year anniversary of the closing date equal to 0.75% of the aggregate current net asset value of the successor funds to the BP Funds measured as of the close of business on the trading day immediately preceding the one-year anniversary of the closing date of the transaction. The transaction is expected to be completed in the fourth quarter of calendar year 2018. Upon completion of the transaction, which is subject to the approval of the Hennessy Funds' Board of Trustees, the BP Funds' Board of Trustees, and the shareholders of the BP Funds, as well as other agreed-upon conditions to closing, Hennessy Advisors will become the investment manager of the BP Funds. BP Capital will become the sub-advisor to the BP Funds, with the same Portfolio Managers who oversee the portfolios today continuing to oversee the portfolios following the transaction.

The foregoing description of the Agreement does not purport to be complete and is qualified in its entirety by reference to the Agreement, a copy of which is filed as Exhibit 2.1 hereto and is incorporated herein by reference.

There are representations and warranties contained in the Agreement that were made by the parties to each other as of specific dates. The assertions embodied in these representations and warranties were made solely for purposes of the Agreement and may be subject to important qualifications and limitations agreed to by the parties in connection with negotiating the Agreement's terms. Moreover, certain representations and warranties may not be accurate or complete as of any specified date because they are subject to a contractual standard of materiality that is different from certain standards generally applicable to shareholders or were used for the purpose of allocating risk between the parties rather than establishing matters as facts. For the foregoing reasons, investors should not rely on the representations and warranties in the Agreement as statements of factual information.

A copy of the press release announcing the transaction is attached hereto as Exhibit 99.1 and is incorporated herein by reference.
