**Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.****(e) Compensatory Arrangements of Certain Officers**

At a meeting on March 26, 2009, the Compensation Committee (the Compensation Committee) of the Board of Directors of Cognizant Technology Solutions Corporation (the Company) took the following actions with regard to the cash compensation of the individuals who serve as the Company's President and Chief Executive Officer, Chief Financial and Operating Officer, Vice Chairman, President and Managing Director, Global Delivery and Chief Operating Officer, Global Client Services (the Named Executive Officers).

*2009 Base Salaries.* The Compensation Committee reviewed the base salaries of the Named Executive Officers and approved the same base salaries for the Named Executive Officers for the 2009 calendar year as they received for the 2008 calendar year. The table below sets forth the 2008 annual base salary levels of those Named Executive Officers and the annual base salary levels in effect for them for the 2009 calendar year:

Name	2008 Annual Base Salary	2009 Annual Base Salary
Francisco D. Souza President and Chief Executive Officer	\$ 518,400	\$ 518,400
Gordon Coburn Chief Financial and Operating Officer and Treasurer	\$ 466,560	\$ 466,560
Lakshmi Narayanan Vice Chairman	\$ 100,000	\$ 100,000 <sup>(1)</sup>
Ramakrishnan Chandrasekaran President and Managing Director, Global Delivery	\$ 162,000	\$ 162,000 <sup>(1)(2)</sup>
Rajeev Mehta Chief Operating Officer, Global Client Services	\$ 372,000	\$ 372,000

(1) The salaries of Mr. Narayanan and Mr. Chandrasekaran will be converted into and paid in Indian rupees at the USD/INR exchange rate in effect as of January 1, 2009.

(2) Mr. Chandrasekaran's 2009 annual base salary of \$162,000 is inclusive of the Company's cost to provide Mr. Chandrasekaran with a Company vehicle.

*2009 Bonus Program.* The Compensation Committee also approved a cash bonus program for the 2009 calendar year (the 2009 Bonus Program) pursuant to the Performance-Based Award provisions of the Company's Amended and Restated 1999 Incentive Compensation Plan (the Plan). The 2009 Bonus Program provides cash bonus opportunities for selected executive officers of the Company, including certain of the Named Executive

Officers. Each participant in the 2009 Bonus Program is assigned a target bonus, expressed as a percentage of the participant's annual base salary for the 2009 calendar year, to which they will become entitled if the applicable performance objectives are attained. The table below sets forth the applicable percentages for the Company's Named Executive Officers under the 2009 Bonus Program, which are the same applicable percentages for the Named Executive Officers as those in effect for the 2008 calendar year.

Name	Target Bonus as Percentage of Annual Base Salary
Francisco D. Souza President and Chief Executive Officer	70%
Gordon Coburn Chief Financial and Operating Officer and Treasurer	70%
Lakshmi Narayanan Vice Chairman	
Ramakrishnan Chandrasekaran President and Managing Director, Global Delivery	70%
Rajeev Mehta Chief Operating Officer, Global Client Services	70%

The performance period for the 2009 Bonus Program is coincidental with the 2009 calendar year and the performance objectives for such performance period are tied to the Company's performance for such period measured in terms of the following financial metrics: (i) revenue, (ii) earnings before interest, taxes, depreciation, amortization and stock-based compensation costs and related fringe benefit taxes, subject to certain adjustments, and (iii) days sales are outstanding. The Compensation Committee has established threshold, target and maximum levels for each metric. The actual bonus to be paid per participant will be determined on the basis of the level at which each metric is actually attained, and each metric will be measured separately in terms of actual level of attainment and appropriately weighted in order to establish the individual bonus amount per participant. To the extent any performance metric is attained at a level between two of the designated levels, the bonus amount payable with respect to that metric will be determined on the basis of straight-line interpolation between those two levels.

In addition, the Compensation Committee determined that the maximum bonus payable per participant will not exceed two times his or her target bonus amount for the 2009 Bonus Program, and in no event will the bonus paid to any participant be in such amount so as to exceed the \$10 million cumulative limitation in effect per person for the term of the Plan.
