ITEM 1.01. *Entry into a Material Definitive Agreement.*

On April 13, 2015, Builders FirstSource, Inc., a Delaware corporation (the *Company*), entered into a Securities Purchase Agreement (the *Agreement*) with ProBuild Holdings, LLC, a Delaware limited liability company (*ProBuild*), and the holders of securities of ProBuild named as parties thereto (collectively, the *Sellers*). Headquartered in Denver, Colorado, ProBuild is one of the nation's largest professional building materials suppliers. Pursuant to the Agreement, the Company will acquire all of the operating subsidiaries of ProBuild through the purchase of all of the issued and outstanding equity interests of ProBuild for approximately \$1.63 billion, subject to certain adjustments (the *Acquisition*).

The Agreement contains representations and warranties customary for transactions of this type. ProBuild has agreed to various customary covenants and agreements, including, among others, to use commercially reasonable efforts to conduct its business in the ordinary course during the interim period between the execution of the Agreement and the closing of the Acquisition and not to engage in certain types of significant transactions during this period. The parties have also agreed to use their reasonable best efforts to obtain approval under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended (the *HSR Act*). In addition, the Agreement provides that ProBuild will indemnify the Company with respect to breaches of certain representations, warranties, and covenants by ProBuild and the Sellers, as well as for other specified matters.

Consummation of the Acquisition is subject to certain customary conditions, including, among others, (i) the accuracy of the representations and warranties of, and the performance of all covenants by, the parties to the Agreement; (ii) the absence of a material adverse effect with respect to the business of ProBuild; (iii) the absence of certain legal injunctions or impediments prohibiting the transaction; (iv) expiration or termination of all applicable waiting periods under the HSR Act; and (v) ProBuild's obtaining applicable consents to the assignment of certain real property leases to the Company.

The Agreement also contains certain termination provisions by the Company, ProBuild, and the Sellers, including if the Acquisition has not been consummated by November 13, 2015, subject to extension (the *Outside Date*), unless the terminating party's material breach of the Agreement has been the principal cause of or resulted in the failure of the closing of the Acquisition to occur by such date. A termination of the Agreement by the Company, ProBuild, or the Sellers under certain specified circumstances following the Outside Date, including a failure to obtain regulatory approval or a failure of the Company's debt financing to be funded, in each case, if all of the other conditions to the obligation of the Company to close the Acquisition have been satisfied (other than those conditions that, by their nature, are to be satisfied at the closing of the Acquisition), will entitle ProBuild to receive from the Company a reverse termination fee equal to \$81,250,000.

The Company has received a debt commitment letter from the parties thereto and certain of their respective affiliates pursuant to which they have committed to provide the Company with an \$800 million senior secured ABL Facility, a \$550 million senior secured first lien term loan facility, and a \$750 million senior unsecured bridge facility (or up to \$750 million in unsecured notes in lieu of all or a portion thereof). Additionally, the amount of the first lien term facility may be increased to repay, redeem, or defease the Company's existing senior notes in an amount equal to \$350 million plus any applicable make-whole payments (the *Quantum Increase*) required in connection with any such repayment, redemption, or defeasance. Under certain circumstances, the Quantum Increase may take the form of secured notes or unsecured notes instead of additional first lien term loans. The proceeds of the borrowings will be used on the closing date of the Acquisition to pay a portion of the aggregate acquisition consideration and related fees and expenses.

The Sellers have agreed to use reasonable best efforts to provide the Company with all cooperation reasonably requested by the Company to assist them in arranging the debt financing, including furnishing the Company with certain necessary financial information regarding ProBuild and taking other corporate and other actions reasonably requested by the Company to consummate the debt financing. Upon request, the Company will reimburse the Sellers for any documented and reasonable out-of-pocket costs and expenses incurred in connection with the Sellers cooperation with obtaining the debt financing.

The Company has also received an equity commitment letter (the *Equity Commitment Letter*) from JLL Partners Fund V, L.P. (*JLL Fund V*) and Warburg Pincus Private Equity IX, L.P. (*Warburg Pincus*). Pursuant to the *Equity Commitment Letter*, and subject to the terms and conditions thereof, JLL Fund V and Warburg Pincus have agreed that, in the event the Company is unable to consummate a public offering of shares of its common stock, then at the closing of the Acquisition JLL Fund V will purchase \$40 million of the Company's common stock and Warburg Pincus will purchase \$60 million of the Company's common stock.

The issuance of shares of the Company's common stock to JLL Fund V and Warburg Pincus pursuant to the *Equity Commitment Letter* would be accomplished in a private placement exempt from registration under the Securities Act of 1933, as amended (the *Securities Act*). The Company intends to file a proxy statement seeking approval by the Company's stockholders of this possible issuance of securities to JLL Fund V and Warburg Pincus.

The description of the Agreement is summary in nature and is qualified in its entirety by reference to the full and complete terms of the Agreement. A copy of the Agreement will be filed as an exhibit to the Company's Quarterly Reports on Form 10-Q for the fiscal quarter ended June 30, 2015, if not otherwise filed prior to that. When filed, the Form 10-Q or other form or report will also be available on the Company's website at www.bldr.com. The copy of the Agreement attached as an exhibit to such form or report is intended to provide investors and security holders with information regarding its terms. It is not intended to provide any other financial information about the Company or its subsidiaries or affiliates or ProBuild. The representations, warranties, and covenants contained in the Agreement were made only for purposes of that agreement and as of specific dates, are solely for the benefit of the parties to the Agreement, may be subject to limitations agreed upon by the parties, including being qualified by confidential disclosures made for the purposes of allocating contractual risk between the parties to the Agreement instead of establishing these matters as facts, and may be subject to standards of materiality applicable to the parties that differ from those applicable to investors. Investors should not rely on the representations, warranties, or covenants or any description thereof as characterizations of the actual state of facts or condition of the Company or any of its subsidiaries or affiliates. Moreover, information concerning the subject matter of the representations, warranties, and covenants may change after the date of the Agreement.
