After giving effect to the acquisition of the full 24,000 net acres in the pending Paloma transaction, Gulfport s total leasehold acreage in the Utica Shale is expected to increase to approximately 212,000 gross (208,000 net) acres in the core of the play. Gulfport anticipates completing this acquisition in the third quarter of 2015. However, the acquisition remains subject to completion of due diligence and satisfaction or waiver of other closing conditions.
