Exhibit A

The Registrant has determined that it is not able to file its Annual Report on Form 10-K for the year ended December 31, 2018 on the prescribed due date of March 18, 2019 without unreasonable effort or expense. During the fourth quarter of 2018, the Registrant revised its methodology for determining its allowance for loan losses. As a result, the Registrant requires additional time to complete its management report on internal controls over financial reporting for certain review controls related to the allowance for loan losses and credit quality loan risk ratings. The reports on internal control over financial reporting to be contained in the Annual Report on Form 10-K will cite a material weakness with respect to the Registrant's annual review process for evaluating risk ratings on commercial loans as of December 31, 2018. Management of the Registrant is addressing this item during the first quarter of 2019. The Registrant expects to file the Annual Report on Form 10-K on or before April 3, 2019, the fifteenth calendar day following the prescribed due date.
