Item 8.01 Other Events.

On September 20, 2016, Thompson Creek Metals Company Inc. (the "Company") delivered conditional notices of full redemption (the "Notices") to holders of the Company's outstanding 7.375% Senior Notes due 2018 (the "2018 Notes") and 12.5% Senior Notes due 2019 (the "2019 Notes") in connection with the proposed transaction with Centerra Gold Inc. ("Centerra"), pursuant to which Centerra will acquire the Company pursuant to a statutory plan of arrangement under the Business Corporations Act (British Columbia) (the "Arrangement"). The Notices were delivered on the Company's behalf by Wells Fargo Bank, National Association, as trustee ("Trustee"), pursuant to the terms of the respective indentures governing the 2018 Notes and the 2019 Notes.

As previously disclosed, pursuant to the terms of the Arrangement Agreement, dated July 5, 2016, between the Company and Centerra, Centerra has agreed, in connection with the completion of the Arrangement, to contribute to the Company the amount of cash necessary to redeem, or otherwise satisfy and discharge, all of the Company's outstanding notes in accordance with the terms of their indentures.

The Notices provide that, subject to the consummation of the Arrangement (the "Redemption Condition"), all of the 2018 Notes and 2019 Notes will be redeemed on October 20, 2016 (the "Redemption Date"), which is the anticipated closing date of the Arrangement, at redemption prices of 101.844% and 106.250%, respectively, of the principal amount redeemed, plus accrued and unpaid interest to the Redemption Date. The redemptions contemplated by the Notices may not occur and the Notices may be rescinded by the Company in the event that the Redemption Condition is not satisfied (or waived by the Company in its sole discretion) by the Redemption Date or the Company does not expect the Redemption Condition to be satisfied on or prior to the Redemption Date.

The Company expects to deliver a conditional notice of full redemption to holders of the Company's outstanding 9.75% Senior Secured First Priority Notes due 2017 (the "2017 Notes") at a later date but before the consummation of the Arrangement, which notice is expected to provide a redemption date of December 1, 2016, subject to the Redemption Condition, and a redemption price of 100.000% of the principal amount redeemed, plus accrued and unpaid interest to the redemption date. The Company expects to satisfy and discharge the governing indenture with respect to all outstanding notes in connection with the consummation of the Arrangement.
