Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

(e) On August 6, 2015, the Board of Directors of Sprouts Farmers Market, Inc. (the “Company”) appointed Amin N. Maredia as Chief Executive Officer and James L. Nielsen as President and Chief Operating Officer. In connection with such appointments, the Compensation Committee of the Board of Directors approved a grant of stock options to purchase 1,200,000 and 500,000 shares of the Company’s common stock at an exercise price of \$20.98 per share to Messrs. Maredia and Nielsen, respectively (the “August 2015 Options”) pursuant to the Company’s 2013 Incentive Plan (the “Plan”). The vesting schedule of the August 2015 Options was over 12 quarters through June 30, 2018. The August 2015 Options, taken together with other options granted under the Plan to Messrs. Maredia and Nielsen during 2015, exceeded the limit of 500,000 shares which may be granted pursuant to stock options and stock appreciation rights per calendar year to each participant under the Plan by 733,439 shares in the case of Mr. Maredia and 33,439 shares in the case of Mr. Nielsen (the “Excess Options”). Accordingly, the Company has determined, and Messrs. Maredia and Nielsen have acknowledged, that the grants of the Excess Options were null and void.

The Compensation Committee has reaffirmed, in its business judgment, that the August 2015 Options, including the Excess Options, were an integral part of Messrs. Maredia and Nielsen’s respective compensation packages awarded in connection with their appointments and were appropriate and aligned with the interests of the Company’s stockholders. Therefore, in order to satisfy the original intent with respect to these individuals’ compensation, on May 23, 2016, the Compensation Committee granted to Messrs. Maredia and Nielsen under the Plan options to purchase 386,496 and 33,439 shares of the Company’s common stock at an exercise price of \$24.48 per share, respectively, and 215,251 and 2,601 shares of restricted common stock, respectively.

The options and shares of restricted stock granted to Mr. Maredia shall vest on a quarterly basis over a seven quarter period, beginning on December 31, 2016, and the options and shares of restricted stock granted to Mr. Nielsen shall vest on June 30, 2018. In addition, in order to better align the compensation packages of Messrs. Maredia and Nielsen with the original intent at the time of the August 2015 compensation decisions, the Compensation Committee amended the vesting schedule of the August 2015 Options (excluding, for the avoidance of doubt, the Excess Options) to reflect, as closely as practicable, the intended vesting terms of the August 2015 Options, so that as of May 23, 2016, (1) with respect to Mr. Maredia, 300,000 of the August 2015 Options shall be fully vested, 100,000 of the August 2015 Options vest on June 30, 2016, and the remaining 66,561 of the August 2015 Options vest on September 30, 2016; and (2) with respect to Mr. Nielsen, 125,000 of the August 2015 Options shall be fully vested, 41,666 of the August 2015 Options shall vest on the last day of each of the next eight quarters beginning with June 30, 2016, and the remaining unvested 8,233 August 2015 Options shall vest on June 30, 2018.

Each individual has entered into an agreement with the Company with respect to his options and restricted stock. The form of stock option agreement is filed as Exhibit 10.1 to this Current Report on Form 8-K, and the form of restricted share award agreement is filed as Exhibit 10.2 to this Current Report on Form 8-K.
