Builders FirstSource, Inc. (the "Company") is filing this Current Report on Form 8-K to recast certain financial information contained in its Annual Report on Form 10-K for the year ended December 31, 2014 (the "2014 Form 10-K") due to changes in its reportable segments.

As a result of the Company's reorganization following the acquisition of ProBuild Holdings LLC, the Company now has four reportable segments based on an aggregation of the geographic regions in which it operates. The Company began to report under the new reporting segment structure with the filing of its Quarterly Report on Form 10-Q for the quarter ended September 30, 2015.

The information included in this Current Report on Form 8-K is presented for informational purposes only in connection with the reporting changes described above and does not amend or restate any of the Company's previously issued financial statements, which are included in its 2014 Form 10-K. In particular, there have been no changes to the Company's consolidated results of operations, balance sheets or statements of cash flows. This Current Report on Form 8-K does not modify or update the disclosures in the 2014 Form 10-K in any way, other than to illustrate the change in reporting segments. As such, this Current Report on Form 8-K should be read in conjunction with the 2014 Form 10-K and the Company's filings made with the Securities and Exchange Commission subsequent to the filing of the 2014 Form 10-K, including the Company's Quarterly Reports on Form 10-Q for the quarters ended March 31, 2015, June 30, 2015 and September 30, 2015 and the Company's Current Reports on Form 8-K filed November 19, 2015.

The rules of the Securities and Exchange Commission require that when a registrant prepares, on or after the date a registrant reports an accounting change such as the change noted above, a new registration, proxy or information statement that includes or incorporates by reference financial statements, the registrant must recast the prior period financial statements included or incorporated by reference in the registration, proxy or information statement to reflect these types of changes. In the event that one of the above may occur, the Company is filing this Current Report on Form 8-K to recast our consolidated financial statements as of December 31, 2014, 2013 and 2012, as described above. The recast of Items contained in the Company's 2014 Form 10-K is presented in Exhibits 99.1, 99.4 and 99.5 to this Current Report on Form 8-K.
