UNITED BANCORP, INC. FORM 10-K

PART I

ITEM 1 DESCRIPTION OF BUSINESS

(a) GENERAL DEVELOPMENT OF BUSINESS

United Bancorp, Inc. (Company) is a financial holding company headquartered in Martins Ferry, Ohio. The Company has two wholly-owned subsidiary banks, The Citizens Savings Bank, Martins Ferry, Ohio (CITIZENS) and The Community Bank, Lancaster, Ohio (COMMUNITY), collectively "Banks". For additional information about the Company's location and description of business, refer to Pages 16-20 and 21-24, Corporate Profile, in the Annual Report To Shareholders for the year ended December 31, 2001.

(b) FINANCIAL INFORMATION ABOUT BUSINESS SEGMENTS

Refer to Page 48, Note 1 of the Annual Report To Shareholders.

(c) NARRATIVE DESCRIPTION OF BUSINESS

The Company is a financial holding company as defined under the Bank Holding Company Act of 1956, as amended (the "BHC Act"). The BHC Act regulates acquisitions by the Company of voting shares or assets of any bank or other company. The Company is subject to the reporting requirements of, and examination and regulation by, the Board of Governors of the Federal Reserve System, as well as reporting requirements

under the Securities and Exchange Commission Act of 1934.

The Banks' are located in northeastern, eastern, and southeastern Ohio and are engaged in the business of commercial and retail banking in Belmont, Harrison, Tuscarawas, Carroll, Athens, Hocking, and Fairfield counties and the surrounding localities. The Banks provide a broad range of banking and financial services, which include accepting demand, savings and time deposits and granting commercial, real estate and consumer loans. CITIZENS conducts its business through its main office in Martins Ferry, Ohio and nine branches located in Bridgeport, Colerain, Dellroy, Dover, Jewett, New Philadelphia, St. Clairsville, Sherrodsville, and Strasburg, Ohio. In 1999, CITIZENS opened a full service brokerage division known as Brokerage United with securities provided through Raymond James Financial Services, Inc. member NASD/SIPC. COMMUNITY conducts its business through its seven offices in Amesville, Glouster, Lancaster, and Nelsonsville, Ohio.

The markets in which the Banks' operate continue to be highly competitive. CITIZENS competes for loans and deposits with other retail commercial banks, savings and loan associations, finance companies, credit unions and other types of financial institutions within the Mid-Ohio valley geographic area along the eastern border of Ohio, extending into the northern panhandle of West Virginia and the Tuscarawas and Carroll County geographic areas of northeastern Ohio. COMMUNITY also encounters similar competition for loans and deposits throughout the Athens, Hocking, and Fairfield County geographic areas of central and southeastern Ohio.

On November 12, 1999, President Clinton signed the Graham-Leach-Bliley Act of 1999 ("GLB Act"), which is intended to modernize the financial services industry. The GLB Act sweeps away large parts of a regulatory framework that had its origins in the Depression Era of the 1930s. Effective March 11, 2000, new opportunities became available for banks, other depository institutions, insurance companies and securities firms to enter into combinations that permit a single financial service organization to offer customers a more complete array of financial products and services. The GLB Act provides a new regulatory framework for regulation through the financial holding company, which will have as its umbrella regulator the Federal Reserve Board. The functional regulation of the financial holding company's separately regulated subsidiaries will be conducted by their primary functional regulator. The GLB Act makes satisfactory or above Community Reinvestment Act compliance for insured depository institutions and their financial holding companies necessary in order for them to engage in new financial activities. The GLB Act provides a federal right to privacy of non-public personal information of individual customers. The Company and Banks are also subject to certain state laws that deal with the use and distribution of non-public personal information.

ITEM 1 DESCRIPTION OF BUSINESS (CONTINUED)

(c) NARRATIVE DESCRIPTION OF BUSINESS (CONTINUED)

The Company's two subsidiary banks are subject to regulation by the Ohio Division of Financial Institutions and the Federal Deposit Insurance Corporation ("FDIC"). The regulations and restrictions affecting the Banks pertain to, among other things, allowable loans, guidelines for allowance for loan losses, accountability for fair and accurate disclosures to customers and regulatory agencies, permissible investments and limitations of risk and regulation of capital requirements for safe and sound operation of the financial institution.

The Banks have no single customer or related group of customers whose banking activities, whether through deposits or lending, would have a material impact on the continued earnings capabilities if those activities were removed.

The Company itself, as a shell holding company, has no compensated employees. CITIZENS has 78 full time employees, with 25 of these serving in a management capacity and 14 part time employees. COMMUNITY has 31 full time employees, with 12 serving in a management capacity and 7 part time employees. The Company considers employee relations to be good at all subsidiary locations.

ITEM 1 DESCRIPTION OF BUSINESS (CONTINUED)

III LOAN PORTFOLIO (CONTINUED)

1. NONACCRUAL, PAST DUE, RESTRUCTURED AND IMPAIRED LOANS (CONTINUED)

Interest income is not reported when full loan repayment is doubtful, typically when the loan is impaired or payments are past due over 90 days. Payments received on such loans are reported as principal reductions.

A loan is impaired when full payment under the loan terms is not expected. Impairment is evaluated in total for smaller-balance loans of similar nature such as residential mortgage, consumer, and credit card loans, and on an individual loan basis for other loans. If a loan is impaired, a portion of the allowance is allocated so that the loan is reported, net, at the present value of estimated future cash flows using the loan's existing rate or at the fair value of collateral if repayment is expected solely from the collateral.

2. POTENTIAL PROBLEM LOANS

The Company had no potential problem loans as of December 31, 2001 which have not been disclosed in Table C 1., but where known information about possible credit problems of borrowers causes management to have serious doubts as to the ability of such borrowers to comply with the present loan repayment terms and which may result in disclosure of such loans into one of the problem loan categories.
