ITEM 1. BUSINESS

GENERAL

Edgar Filing: OUTBACK STEAKHOUSE INC - Form 10-K

The Company was incorporated in October 1987 as Multi-Venture Partners, Inc., a Florida corporation, and in January 1990 the Company changed its name to Outback Steakhouse, Inc. ("Outback Florida"). Outback Steakhouse, Inc., a Delaware corporation ("Outback Delaware"), was formed in April 1991 as part of a corporate reorganization completed in June 1991 in connection with the Company's initial public offering, as a result of which Outback Delaware became a holding company for Outback Florida. Unless the context requires otherwise, references to the "Company" mean Outback Delaware, its wholly owned subsidiaries and each of the limited partnerships and joint ventures controlled by the Company and its subsidiaries.

In April 1993, the Company purchased a 50% interest in the cash flows of two Carrabba's Italian Grill restaurants located in Houston, Texas (the "Original Restaurants"), and entered into a 50-50 joint venture with the founders of Carrabba's to develop additional Carrabba's Italian Grill restaurants ("Carrabba's"). Carrabba's Italian Grill, Inc. ("CIGI"), a Florida corporation, was formed in January 1995. In January 1995, the founders obtained sole ownership of the Original Restaurants, and the Company obtained sole ownership of the Carrabba's concept and the four restaurants in Florida. The original 50-50 joint venture continues to develop restaurants in the State of Texas. The Company has sole right to develop restaurants outside of Texas, and will pay royalties to the founders ranging from 1.0% to 1.5% of sales of Carrabba's restaurants opened after 1994.

In May 1995, the Company, through its wholly owned subsidiary, Outback Steakhouse International, Inc., a Florida corporation, entered into an agreement with Connerty International, Inc. to form Outback Steakhouse International, L.P., a Georgia limited partnership to franchise Outback Steakhouse restaurants internationally. In 1998, Outback Steakhouse International, L.P. began directly investing in Outback Steakhouse restaurants in certain markets internationally as well as continuing to franchise restaurants.

In June 1999, the Company, through its wholly owned subsidiary, OS Pacific, Inc., a Florida corporation, entered into an agreement with Roy Yamaguchi, the founder of Roy's Restaurants, to develop and operate future Roy's Restaurants worldwide. Roy's Restaurants is an upscale casual restaurant featuring "Hawaiian-Fusion" cuisine. There were 13 domestic Roy's Restaurants at December 31, 2001, in which the Company does not have an economic interest.

In October 1999, the Company, through its wholly owned subsidiary, OS Prime, Inc., a Florida corporation, purchased three Fleming's Prime Steakhouse and Wine Bar ("Fleming's") restaurants and agreed to purchase three additional Fleming's currently under development by the founders of Fleming's. At the same time, the Company entered into an agreement with the founders of Fleming's to develop and operate additional Fleming's worldwide. Fleming's is an upscale casual steakhouse format that serves dinner only and features prime cuts of beef, fresh seafood, as well as pork, veal and chicken entrees and offers a selection of over 100 quality wines available by the glass.

In 2000, through its wholly owned subsidiary, OS Louisiana, Inc., the Company opened one Zazarac restaurant as a developmental format. Also, in 2000, through its wholly owned subsidiary, OS Southern, Inc., the Company opened one Lee Roy Selmon's ("Selmon's") restaurant as a developmental format.

In October 2001, the Company, through its wholly owned subsidiary, OS Sea, Inc., a Florida corporation, purchased the Bonefish Grill ("Bonefish") restaurant operating system from the founders of Bonefish Grill. At the same time, the Company entered into an agreement to acquire an interest in three existing

Edgar Filing: OUTBACK STEAKHOUSE INC - Form 10-K

Bonefish Grill restaurants and to develop and operate additional Bonefish Grills. Bonefish is a mid-scale, casual seafood format that serves dinner only and features fresh oak-grilled fish, fresh seafood, as well as beef, pork, chicken, and pasta entrees.

The majority of Outback restaurants serve dinner only and feature a limited menu of high quality, uniquely seasoned steaks, prime rib, chops, ribs, chicken, seafood and pasta. Outback also offers specialty appetizers, including the signature "Bloomin' Onion," desserts and full liquor service. Carrabba's restaurants serve dinner only and feature a limited menu of high quality Italian cuisine including a variety of pastas, chicken, seafood, veal and wood-fired pizza. Carrabba's also offers specialty appetizers, desserts, coffees and full liquor service. Fleming's restaurants serve dinner only and feature a limited menu of prime cuts of beef, fresh seafood, veal and chicken entrees. Fleming's also offers several specialty appetizers and desserts. In addition to a full service bar, Fleming's offers over 100 quality wines by the glass. The majority of Roy's restaurants serve dinner only and feature a limited menu of "Hawaiian fusion" cuisine that includes a blend of flavorful sauces and Asian spices with a variety of seafood, beef, short ribs, pork, lamb and chicken. Roy's also offers several specialty appetizers, desserts and full liquor service. Lee Roy Selmon's ("Selmon's") serves dinner only and features "Southern Style" comfort food. Selmon's also offers appetizers, desserts and full liquor service. Bonefish Grill serves dinner only and features a variety of fresh grilled fish complemented by a variety of sauces. Bonefish Grill also offers appetizers, dessert and full liquor service. The Company believes that it differentiates its Outback, Carrabba's, Fleming's, Roy's, Selmon's, and Bonefish restaurants by:

- emphasizing consistently high quality ingredients and preparation of a limited number of menu items that appeal to a broad array of tastes;
- attracting a diverse mix of customers through a casual dining atmosphere emphasizing highly attentive service;
- hiring and retaining experienced restaurant management by providing general managers the opportunity to purchase an ownership interest in the restaurants they manage; and

Edgar Filing: OUTBACK STEAKHOUSE INC - Form 10-K

-- limiting service to dinner for the majority of its locations, (generally from 4:30 p.m. to 11:00 p.m.), which reduces the working hours of restaurant management and employees.

OUTBACK STEAKHOUSE:

Menu. The Outback Steakhouse menu includes several cuts of freshly prepared, uniquely seasoned and seared steaks, plus prime rib, barbecued ribs, pork chops, chicken, seafood and pasta. The menu is designed to have a limited number of selections to permit the greatest attention to quality while offering sufficient breadth to appeal to all taste preferences. The Company tests new menu items to replace slower-selling items and regularly upgrades ingredients and cooking methods to improve quality and consistency of its food offerings. The menu also includes several specialty appetizers and desserts, together with full bar service featuring Australian beer and wine. Liquor service accounts for approximately 13.1% of Outback Steakhouses' revenues. The price range of appetizers is \$2.69 to \$7.99 and the price range of entrees is \$6.49 to \$27.99. The average check per person was approximately \$17.50 to \$20.00 during 2001. The prices that the Company charges in individual locations vary depending upon the demographics of the surrounding area. Outback Steakhouses also offer a low-priced children's menu, and certain Outback Steakhouses also offer a separate menu offering larger portions of prime beef with prices ranging from \$20.99 to \$28.99.

Casual Atmosphere. Outback Steakhouses feature a casual dining atmosphere with a decor suggestive of the rustic atmosphere of the Australian outback. The decor includes blond woods, large booths and tables and Australian memorabilia such as boomerangs, surfboards, maps and flags.

Restaurant Management and Employees. The general manager of each Outback is required to purchase a 10% interest in the restaurant he or she manages for \$25,000, and is required to enter into a five-year employment agreement. By requiring this level of commitment and by providing the general manager with a significant stake in the success of the restaurant, the Company believes that it is able to attract and retain experienced and highly motivated managers. In addition, since the Company's restaurants are generally open for dinner only, the Company believes that it has an advantage in attracting and retaining servers, food preparers and other employees who find the shorter hours an attractive life-style alternative to restaurants serving both lunch and dinner.

CARRABBA'S ITALIAN GRILL:

Menu. The Carrabba's Italian Grill menu includes several types of uniquely prepared Italian dishes including pasta, chicken, seafood, and wood-fired pizza. The menu is designed to have a limited number of selections to permit the greatest attention to quality while offering sufficient breadth to appeal to all taste preferences. The Company tests new menu items to replace slower-selling items and regularly upgrades ingredients and cooking methods to improve quality and consistency of its food offerings. The menu also includes several specialty appetizers, desserts, and coffees, together with full bar service featuring Italian wines and specialty drinks. Liquor service accounts for approximately 16.7% of Carrabba's revenues. The price range of appetizers is \$5.99 to \$9.99 and the price of entrees is \$8.49 to \$18.99 with nightly specials to \$25.99. The average check per person was approximately \$18.00 to \$22.00 during 2001. The prices that the Company charges in individual locations vary depending upon the demographics of the surrounding area.

Edgar Filing: OUTBACK STEAKHOUSE INC - Form 10-K

EXPANSION STRATEGY

During the year ended December 31, 2001, 80 Outback Steakhouses, 22 Carrabba's Italian Grills, six Fleming's, nine Roy's and four Bonefish Grills were added to the Company's restaurant system. In 2002, the Company expects to develop 15 to 25 Carrabba's restaurants, the majority of which will be Company owned, in existing markets where the restaurants have demonstrated success. The Company expects to open 38 to 42 domestic company-owned Outback Steakhouse restaurants in 2002, five to six domestic franchised or development joint

Edgar Filing: OUTBACK STEAKHOUSE INC - Form 10-K

venture restaurants and 13 to 16 international restaurants, of which five to six will be company owned and 8 to 10 will be franchised. During 2002, the Company expects to develop new Outback Steakhouses and Carrabba's Italian Grills in its existing markets and in select new domestic markets. The Company also intends to add six to eight Fleming's Prime Steakhouse & Wine Bar restaurants, two to three Roy's restaurants, six to eight Bonefish Grills, one Lee Roy Selmon's and one Cheeseburger in Paradise during 2002.

The above statements regarding the Company's expansion plans constitute forward-looking statements. The Company notes that a variety of factors could cause the actual results and experience to differ from the anticipated results referred to above. The Company's development schedule for new restaurant openings is subject to a number of risk factors that could cause actual results to differ, including:

- (i) Availability of attractive sites for new restaurants and the ability to obtain appropriate real estate sites at acceptable prices;
- (ii) Ability to obtain all required governmental permits including zoning approvals and liquor licenses on a timely basis;
- (iii) Impact of government moratoriums or approval processes which could result in significant delays;
- (iv) Ability to obtain all necessary contractors and sub-contractors;
- (v) Union activities such as picketing and hand billing which could delay construction;
- (vi) The ability to negotiate suitable lease terms;
- (vii) The ability to generate or borrow funds;
- (viii) The ability to recruit and train skilled management and restaurant employees; and
- (ix) Weather and acts of God beyond the Company's control resulting in construction delays.

Company owned restaurants include restaurants owned by partnerships in which the Company is a general partner. The partnership ownership interests in the restaurants range from 51% to 90%. The results of operations of Company owned restaurants are included in the consolidating operating results of the Company. The portion of income attributable to the minority interests is eliminated in the line item in the Company's Consolidated Statements of Income entitled "Elimination of minority partners' interest." Development Joint Venture restaurants are organized as general partnerships in which the Company is one of two general partners. The Company generally owns 50% of the partnership and its joint venture partner generally owns 50%.

Site Selection. The Company currently leases approximately 68% of its restaurant sites. In the future, the Company expects to construct a significant number of freestanding restaurants on owned or leased sites. The Company's leased sites are generally located in strip shopping centers. The Company expects 60% to 70% of new restaurants to be free standing locations. The Company considers the location of a restaurant to be critical to its long-term success and devotes significant effort to the investigation and evaluation of potential sites. The site selection process focuses on trade area demographics, and site visibility, accessibility and traffic volume. The Company also reviews potential competition and the profitability of national chain restaurants operating in the area. Senior management inspects and approves each restaurant site. Construction of a new restaurant takes approximately 90 to 360 days from the date the

Edgar Filing: OUTBACK STEAKHOUSE INC - Form 10-K

location is leased or under contract.

The Company designs the interior of its restaurants in-house and utilizes outside architects when necessary. A typical Outback Steakhouse is approximately 6,200 square feet and features a dining room and an island, full-service liquor bar. The dining area of a typical Outback Steakhouse consists of 35 to 38 tables and seats approximately 166 people. The bar area consists of approximately ten tables and has seating capacity for approximately 54 people. Appetizers and complete dinners are served in the bar area.

A typical Carrabba's Italian Grill is approximately 6,650 square feet and features a dining room, pasta bar and a full service liquor bar. RESTAURANT OPERATIONS

Management and Employees. The management staff of a typical Outback Steakhouse, Carrabba's Italian Grill or Bonefish Grill consists of one general manager, one assistant manager and one kitchen manager. The management staff of a typical Fleming's or Roy's consists of a general manager, an executive chef, and two assistant managers. Each restaurant also employs approximately 50 to 70 hourly employees, many of whom work part-time. The general manager of each restaurant has primary responsibility for the day-to-day operation of his or her restaurant and is required to abide by Company established operating standards.

Purchasing. The Company's management negotiates directly with suppliers for most food and beverage products to ensure uniform quality and adequate supplies and to obtain competitive prices. The Company and its franchisees purchase substantially all food and beverage products from authorized local or national suppliers and the Company will periodically make advance purchases of various inventory items to ensure adequate supply or obtain favorable pricing. The Company currently purchases substantially all of its beef from three suppliers.

Supervision and Training. The Company requires its area operating

Edgar Filing: OUTBACK STEAKHOUSE INC - Form 10-K

partners and restaurant general managers to have significant experience in the full-service restaurant industry. In addition, the Company has developed a comprehensive 12-week training course which all operating partners and general managers are required to complete. The program emphasizes the Company's operating strategy, procedures and standards. The Company's senior management meets quarterly with the Company's operating partners to discuss business-related issues and share ideas. In addition, members of senior management regularly visit the restaurants to ensure that the Company's concept, strategy and standards of quality are being adhered to in all aspects of restaurant operations.

The restaurant general manager and area operating partners, together with the Company's President, Regional Vice Presidents, Vice President of Training and Director of Training, are responsible for selecting and training the employees for each new restaurant. The training period for new non-management employees lasts approximately one week and is characterized by on-the-job supervision by an experienced employee. Ongoing employee training remains the responsibility of the restaurant manager. Written tests and observation in the work place are used to evaluate each employee's performance. Special emphasis is placed on the consistency and quality of food preparation and service which is monitored through monthly meetings between kitchen managers and senior management.

Advertising and Marketing. The Company uses radio and television advertising in selected markets for Outback and Carrabba's where it is cost-effective. Historically the Company's goal was to develop a sufficient number of restaurants in each market it serves to permit the cost-effective use of radio and television advertising. In the future, the Company expects that its non-Outback restaurants will be less dependent on broadcast media and more dependent on site visibility and local marketing. In addition, the Company engages in a variety of promotional activities, such as contributing goods, time and money to charitable, civic and cultural programs, in order to increase public awareness of the Company's restaurants.

GENERAL MANAGER PROGRAM

The general manager of each Company owned Outback, Carrabba's and Bonefish Grill restaurant is required, as a condition of employment, to sign a five-year (seven-years for Bonefish general managers) employment agreement and is required to purchase a 10% interest in the restaurant he or she is employed to manage. The general manager of each Company owned Fleming's and Roy's is required, as a condition of employment, to sign a five-year employment agreement and is required to purchase a 6% interest in the restaurant he or she is employed to manage. The chef of each Company owned Fleming's and Roy's is required, as a condition of employment, to sign a five-year employment agreement and is required, for Fleming's, to purchase a 2% interest and for Roy's, to purchase 5% interest in the restaurant. The Company requires each new unaffiliated franchisee to provide the same opportunity to the general manager of each new restaurant opened by that franchisee. To date, the purchase price for the 10% interest in Outback and Carrabba's and the 6% interest in Fleming's and Roy's has been fixed at \$25,000. During the five-year employment term, each general manager is prohibited from selling or otherwise transferring his 10% interest, and after the five-year term of employment, any sale or transfer of that interest is subject to certain rights of first refusal as defined in the employment agreement. In addition, each general manager is required to sell his 10% interest to his employer or its general partners upon termination of employment on terms set forth in his employment agreement. The Company intends to continue the general manager investment program.

Edgar Filing: OUTBACK STEAKHOUSE INC - Form 10-K

In January 2002, the Company's Board of Directors adopted a stock option plan covering 7,500,000 shares of the Company's common stock. Under the plan, options may be granted only to General Managers and chefs of restaurants pursuant to the Company's General Manager program at their estimated fair market value as of the date of the grant to restaurant general managers and chefs as determined by the Company's Stock Option Committee. None of the options covered by this plan may be granted to officers and directors of the Company.

OWNERSHIP STRUCTURES

The Company's ownership interests in Outback Steakhouse restaurants and Carrabba's Italian Grills are divided into two basic categories: (i) Company owned restaurants which are owned by general partnerships in which the Company is a general partner and (ii) development joint ventures. The results of operations of Company owned restaurants are included in the Company's Consolidated Statements of Income, and the results of operations of restaurants owned by development joint ventures are accounted for using the equity method of accounting.

COMPETITION

The restaurant industry is intensely competitive with respect to price, service, location and food quality, and there are many well-established competitors. Some of the Company's competitors have been in existence for a substantially longer period than the Company and may be better established in the markets where the Company's restaurants are or may be located. Changes in consumer tastes, national, regional or local economic conditions, demographic trends, traffic patterns and the type, number and location of competing restaurants often affect the restaurant business. In addition, factors such as inflation, increased food, labor and benefits costs and the availability of experienced management and hourly employees may adversely affect the restaurant industry in general and the Company's restaurants in particular.

UNAFFILIATED FRANCHISE PROGRAM

At December 31, 2001, there were 112 domestic franchised Outback Steakhouses and 42 international franchised Outback Steakhouses. Each unaffiliated domestic franchisee paid an initial franchise fee of \$40,000 for each restaurant and pays a continuing monthly royalty of 3% of gross restaurant sales and a monthly marketing administration fee of 0.5% of gross restaurant sales. Each unaffiliated international franchisee paid an initial franchise fee of \$80,000 to \$200,000 for each restaurant and pays a continuing monthly royalty of 3-5% of gross restaurant sales. In addition, until such time as the Company establishes a national advertising fund or a regional advertising cooperative, all domestic unaffiliated franchisees are required to expend, on a monthly basis, a minimum of 3% of gross restaurant sales on local advertising. Once the Company establishes a national advertising fund or a regional advertising cooperative, covered domestic franchisees will be required to contribute, on a monthly basis, 3.5% of gross restaurant sales to the fund or cooperative in lieu of local advertising. Initial fees and royalties for international franchisees vary by market. There were no unaffiliated franchises of Carrabba's Italian Grills, Fleming's, Roy's, Lee Roy Selmon's or Bonefish Grills at December 31, 2001.

All unaffiliated franchisees are required to operate their Outback Steakhouse restaurants in compliance with the Company's methods, standards and specifications regarding such matters as menu items, ingredients, materials, supplies, services, fixtures, furnishings, decor and signs although the franchisee has full discretion to determine the prices to be charged to customers. In addition, all franchisees are required to purchase all food,

ingredients, supplies and materials from suppliers approved by the Company.

EMPLOYEES

The Company employs approximately 54,000 persons, approximately 300 of whom are corporate personnel employed by Outback Steakhouse, Carrabba's, Outback Steakhouses International franchising group, Fleming's Prime Steakhouse and Wine Bar, Roy's, Lee Roy Selmon's and Bonefish Grill. Approximately 2,600 are restaurant management personnel and the remainder is hourly restaurant personnel. Of the approximately 300 corporate employees, approximately 70 are in management and 230 are administrative or office employees. None of the Company's employees is covered by a collective bargaining agreement.

TRADEMARKS

The Company regards its Outback Steakhouse service mark, its Carrabba's Italian Grill service mark, its Fleming's Prime Steakhouse and Wine Bar service mark, its Roy's service mark, its Lee Roy Selmon's service mark and its "Bloomin' Onion" trademark as having significant value and as being important factors in the marketing of its restaurants. The Company has also obtained a trademark for several other of its Outback Steakhouse menu items, and the "No Rules. Just Right." and "Aussie Mood. Awesome Food." advertising slogans. The Company is aware of names and marks similar to the service mark of the Company used by other persons in certain geographic areas in which the Company has restaurants. However, the Company believes such uses will not adversely affect the Company. The Company's policy is to pursue registration of its marks whenever possible and to oppose vigorously any infringement of its marks.

GOVERNMENT REGULATION

The Company is subject to various federal, state and local laws affecting its business. Each of the Company's restaurants is subject to licensing and regulation by a number of governmental authorities, which may include alcoholic beverage control, health and safety and fire agencies in the state or municipality in which the restaurant is located. Difficulties in obtaining or failures to obtain the required licenses or approvals could delay or prevent the development of a new restaurant in a particular area.

Approximately 13.9% of the Company's revenues are attributable to the sale of alcoholic beverages. Alcoholic beverage control regulations require each of the Company's restaurants to apply to a state authority and, in certain locations, county or municipal authorities for a license or permit to sell alcoholic beverages on the premises and to provide service for extended hours and on Sundays. Typically, licenses must be renewed annually and may be revoked or suspended for cause at any time. Alcoholic beverage control regulations relate to numerous aspects of daily operations of the Company's restaurants, including minimum age of patrons and employees, hours of operation, advertising, wholesale purchasing, inventory control and handling, storage and dispensing of alcoholic beverages. The failure of a restaurant to obtain or retain liquor or food service licenses would adversely affect the restaurant's operations.

The Company may be subject in certain states to "dram-shop" statutes, which generally provide a person injured by an intoxicated person the right to recover damages from an establishment which wrongfully served alcoholic beverages to the intoxicated person. The Company carries liquor liability coverage as part of its existing comprehensive general liability insurance.

The Company's restaurant operations are also subject to federal and

Edgar Filing: OUTBACK STEAKHOUSE INC - Form 10-K

state minimum wage laws governing such matters as working conditions, overtime and tip credits. Significant numbers of the Company's food service and preparation personnel are paid at rates related to the federal minimum wage and, accordingly, further increases in the minimum wage could increase the Company's labor costs.

The Americans with Disabilities Act prohibits discrimination in employment and public accommodations on the basis of disability. The Act became effective in January 1992 with respect to public accommodation and July 1992 with respect to employment. Under the Act, the Company could be required to expend funds to modify its restaurant to provide service to, or make reasonable accommodations for the employment of, disabled persons.

ITEM 2. PROPERTIES

Approximately 68% of the Company's restaurants are located in leased space. In the future, the Company intends to continue to construct and own a significant number of new restaurants on owned or leased land. Initial lease expirations primarily range from five to ten years, with the majority of the leases providing for an option to renew for at least one additional term. All of the Company's leases provide for a minimum annual rent, and most leases call for additional rent based on sales volume at the particular location over specified minimum levels. Generally, the leases are net leases that require the Company to pay the costs of insurance, taxes and a portion of lessors' operating costs. See pages 8 through 10 for listing of restaurant locations.

The Company's executive offices are located in approximately 93,000 square feet of leased space in Tampa, Florida, under a lease expiring in 2010.

ITEM 3. LEGAL PROCEEDINGS

The Company is not a party to any litigation other than routine matters which are incidental to the Company's business.

ITEM 4. SUBMISSION OF MATTERS TO A VOTE OF SHAREHOLDERS

There were no matters submitted for vote of security holders during the fourth quarter of 2001.

Executive Officers of Registrant. Joseph J. Kadow, 45, joined the Company in April, 1994, as Vice President, General Counsel and Secretary. Mr. Kadow serves at the pleasure of the Board of Directors.
