ITEM 1.01 ENTRY INTO MATERIAL DEFINITIVE AGREEMENT

On May 3, 2016, we entered into a definitive agreement with 1067323 Nevada Ltd. (a private Nevada corporation), and 1067323 B.C. Ltd. (a private British Columbia corporation) with respect to our San Emidio lithium brine property in Washoe County, Nevada.

The terms of the formal agreement are; payment of \$100,000, issuance of 300,000 common shares of 1067323 B.C. Ltd., or of the publicly traded company anticipated to result from a Going Public Transaction, and work performed on the property by the Optionee in the amount of \$600,000 over the next three years to earn an 80% interest in the property. 1067323 then has a subsequent Earn-In option to purchase Lithium Corporation's remaining 20% working interest within three years of earning the 80% by paying our company a further \$1,000,000, at that point our company would retain a 2.5% Net Smelter Royalty, half of which may be purchased by 1067323 for an additional \$1,000,000. Should the Purchaser

elect not to exercise the Subsequent Earn-In, a joint venture will be established. During the Joint Venture, should either party be diluted below a 10% working interest - their interest in the property will revert to a 7.5% Net Smelter Royalty. The first tranche of cash and shares are to be issued within 30 days of the signing of the formal agreement.
