PROXY STATEMENT

GENERAL

These proxy materials are being provided to you in connection with the 2016 Annual Meeting of Shareholders of Team, Inc. (the "Annual Meeting"). On November 10, 2015, we announced the change of our fiscal year end to December 31 of each calendar year. As a result of this change in fiscal year end, there exists a seven-month transition period from June 1, 2015 to December 31, 2015 (the "Transition Period") for which we must report financial information. We filed our Transition Report on Form 10-K for the Transition Period (the "Transition Report") on March 15, 2016 to report our financial results for the Transition Period. This Proxy Statement reports certain information with respect to corporate governance and director and executive compensation for the Transition Period. This Proxy Statement, the accompanying proxy card and the Transition Report were first mailed to our shareholders on or about April 12, 2016. This Proxy Statement contains important information for you to consider when deciding how to vote on the matters to be brought before the Annual Meeting. Please read it carefully.

In accordance with rules promulgated by the Securities and Exchange Commission ("SEC"), we have elected to provide access to our proxy materials both by sending you this full set of proxy materials, including a Proxy Statement, a proxy card and our Transition Report and by notifying you of the availability of our proxy materials on the Internet. This Proxy Statement and our Transition Report are available at www.teaminc.com/proxy2016, under the "Investors" page. Our Transition Report does not form a part of the material for the solicitation of proxies.

Unless otherwise indicated, the terms "Team, Inc.," "Team," "the Company," "we," "our" and "us" are used in these proxy materials to refer to Team. We are incorporated in the state of Delaware and our company website can be found at www.teaminc.com. Our stock is traded on the New York Stock Exchange ("NYSE") under the symbol "TISI".

ABOUT THE ANNUAL MEETING

Who is soliciting my vote?

1. Proposal One Election of three (3) nominees named in the Proxy Statement as Class III directors to serve a three-year term;
2. Proposal Two Ratification of the appointment of KPMG LLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2016;
3. Proposal Three Advisory vote on Named Executive Officer compensation;

Table of Contents

How does the Board of Directors recommend I vote?

The Board recommends the following votes:

Proposal One For the election of Sylvia J. Kerrigan, Emmett J. Lescroart and Ted W. Owen as Class III directors;

Proposal Two For the ratification of the appointment of KPMG LLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2016;

Proposal Three For the approval of Team, Inc.'s compensation of its Named Executive Officers as disclosed in this Proxy Statement; and

Proposal Four For the approval of the Team, Inc. 2016 Stock Incentive Plan.

Who is entitled to vote at the Annual Meeting?

The Board has set Monday, April 11, 2016 as the record date for the Annual Meeting (the **Record Date**). All shareholders who owned our Common Stock, par value \$0.30 per share (the **Common Stock**), at the close of business on the Record Date may attend and vote at the Annual Meeting.

How many votes can be cast by all shareholders?

Each share of Common Stock is entitled to one vote. There is no cumulative voting. There were approximately 30,150,000 shares of Common Stock outstanding and entitled to vote on the Record Date.

How many votes must be present to hold the Annual Meeting?

A majority of the outstanding shares of Common Stock as of the Record Date must be present at the Annual Meeting in order to hold the Annual Meeting and to conduct business. This is called a **quorum**. Your shares are counted as present at the Annual Meeting if you are present at the Annual Meeting and vote in person, a proxy card has been properly submitted by you or on your behalf, or you have voted on the Internet or by telephone. Both abstentions and broker non-votes are counted as present for the purpose of determining the presence of a quorum. A **broker non-vote** is a share of Common Stock that is beneficially owned by a person or entity and held by a broker or other nominee, but for which the broker or other nominee (i) lacks the discretionary authority to vote on certain matters and (ii) has not received voting instructions from the beneficial owner in respect of these specific matters.

How many votes are required to approve each proposal in this Proxy Statement?

Election of Directors. Directors are elected by a majority of the votes cast with respect to such director in uncontested elections, such that a nominee for director will be elected to the Board if the votes cast FOR the nominee's election exceed the votes cast AGAINST such nominee's election. Abstentions and broker non-votes are not counted as votes cast for purposes of the election of directors and, therefore, will have no effect on the outcome of such election. Even if a nominee is not re-elected, he or she will remain in office as a director until his or her earlier resignation or removal. Each of the current director nominees has signed a letter of resignation that will be effective if the nominee is not re-elected at the meeting. The Board will decide whether to accept the director's resignation in accordance with the procedures listed in the Company's Corporate Governance Principles, which are available on our website at www.teaminc.com.

Appointment of KPMG. To be approved, Proposal Two requires the affirmative vote of a majority of the shares of Common Stock represented at the Annual Meeting, in person or by proxy.

Advisory Vote on Named Executive Officers Compensation. To be approved, Proposal Three requires the affirmative vote of a majority of the shares of Common Stock represented at the Annual Meeting, in person or by proxy. A vote on this proposal is not binding on the Board or the Company. Although the vote is non-binding, our Compensation Committee will review and consider the voting results when evaluating the compensation program for our Named Executive Officers.

Table of Contents

Approval of 2016 Team, Inc. Stock Incentive Plan. To be approved, Proposal Four requires the affirmative vote of a majority of the shares of Common Stock represented at the Annual Meeting, in person or by proxy.

Other Matters. An affirmative vote of a majority of the shares of Common Stock represented at the Annual Meeting, in person or by proxy, is generally required for action of any other matters that may properly come before the Annual Meeting.

How do I vote by proxy?

You can vote your shares by completing and returning the proxy card accompanying this Proxy Statement. You also have the option of voting your shares on the Internet or by telephone. Your Internet or telephone vote authorizes the named proxies to vote shares in the same manner as if you marked, signed, and returned your proxy card or voting instruction card. Please see your proxy card or voting instruction card for more information on how to vote by proxy. If you vote by Internet or telephone, do not return your proxy card. You may also vote in person by attending the Annual Meeting.

What if I don't vote for some of the items listed on my proxy card or voting instruction card?

If you return your signed proxy card or voting instruction card in the enclosed envelope but do not mark selections, it will be voted in accordance with the recommendations of the Board. The Board has designated André C. Bouchard and Jay E. Kilborn to serve as proxies. If you indicate a choice with respect to any matter to be acted upon on your proxy card or voting instruction card, your shares will be voted in accordance with your instructions.

If you are a beneficial owner and hold your shares in street name (that is, in the name of or through a broker, bank or other nominee) and do not return the voting instruction card, the broker or other nominee will determine if it has the discretionary authority to vote on each matter voted upon at the Annual Meeting. Under applicable rules, brokers have the discretion to vote on routine matters. All of the matters scheduled to be voted on at the Annual Meeting are non-routine except for Proposal Two, to ratify the appointment of KPMG LLP as the Company's independent registered public accounting firm for fiscal year ending December 31, 2016. Thus, your broker, bank or other nominee would not be able to vote on such non-routine matters. If your shares are held in street name, your broker, bank or other nominee will include a voting instruction card with this Proxy Statement. We strongly encourage you to vote your shares by following the instructions provided on the voting instruction card. Please return your proxy card to your broker, bank or other nominee and contact the person responsible for your account to ensure that a proxy card is voted on your behalf.

How are abstentions and broker non-votes counted?

In tabulating the voting result for Proposal One, Two, Three and Four, shares that constitute broker non-votes are not considered voting power present with respect to that proposal. Thus, with respect to proposals One, Two, Three and Four, broker non-votes will not affect the outcome, assuming a quorum is obtained. Abstentions are considered voting power present at the meeting and thus will have the same effect as votes AGAINST each of the matters scheduled to be voted on at the Annual Meeting (other than the election of directors).

Both abstentions and broker non-votes are counted as present for purposes of determining the existence of a quorum at the Annual Meeting.

Who pays for the proxy solicitation and how will the Company solicit votes?

We bear the expense of printing and mailing proxy materials. In addition to this solicitation of proxies by mail, our directors, officers, and other employees, as well as Georgeson, our proxy solicitor, may solicit proxies by personal interview, telephone, facsimile, or email. Our directors, officers, and other employees will not be

Table of Contents

paid any additional compensation for any such solicitation. Georgeson will be paid approximately \$10,000 for their solicitation services. We will request brokers and other nominees who hold shares of Common Stock in their names to furnish proxy materials to beneficial owners of these shares. We will reimburse such brokers and other nominees for their reasonable expenses incurred in forwarding solicitation materials to these beneficial owners.

Can I change or revoke my vote after I return my proxy card or voting instruction card?

Yes. Even if you sign the proxy card or voting instruction card in the form accompanying this Proxy Statement, vote by telephone, or vote on the Internet, you retain the power to revoke your proxy or change your vote. You can revoke your proxy or change your vote at any time before it is exercised at the Annual Meeting by providing written notice to our Corporate Secretary at: Team, Inc. Attention: André C. Bouchard, Corporate Secretary, 13131 Dairy Ashford, Suite 600, Sugar Land, Texas 77478, specifying such revocation. You may change your vote by timely delivering a valid, later-dated proxy or a later-dated vote by telephone or on the Internet or by voting in person at the Annual Meeting. However, please note that if you would like to vote at the Annual Meeting and you are not the shareholder of record, you must request, complete, and deliver a proxy from your broker or other nominee.

PROPOSAL ONE ELECTION OF DIRECTORS

Nominees for Election

Our Amended and Restated Certificate of Incorporation and Amended and Restated Bylaws provide that our Board will consist of not less than five persons, the exact number to be fixed from time-to-time by the Board. Our directors are divided into three classes designated as Class I, Class II and Class III. Each class consists, as nearly as possible, of one-third of the total number of directors constituting the entire Board. The Class III directors serve for a term expiring at the 2016 Annual Meeting of Shareholders, the Class I directors serve for a term expiring at the 2017 Annual Meeting of Shareholders and the Class II directors serve for a term expiring at the 2018 Annual Meeting of Shareholders. At each annual meeting, successors to the class of directors whose term expires at that annual meeting are elected for a term expiring at the third succeeding annual meeting. Each director holds office until the annual meeting for the year in which his or her term expires and until a successor has been elected and qualified, or until such director's earlier death, resignation, retirement, disqualification or removal.

At the Annual Meeting, three (3) directors have been nominated for election to serve a three-year term expiring at the annual meeting to be held in 2019. Our Board has nominated the following three persons for election as Class III directors to serve a three-year term expiring on the date of our 2019 Annual Meeting of Shareholders or until their successors are duly elected and qualified:

Sylvia J. Kerrigan;

Emmett J. Lescroart and

Ted W. Owen.

Biographical information about each of the nominees is provided under *The Board of Directors and its Committees*, below.

Vote Required and Board Recommendation

Directors are elected by a majority of the votes cast with respect to such director in uncontested elections, such that a nominee for director will be elected to the Board if the votes cast FOR the nominee's election exceed the votes cast AGAINST such nominee's election. Abstentions and broker non-votes are not counted as votes cast for purposes of the election of directors and, therefore, will have no effect on the outcome of such election. Even if a nominee is not re-elected, he or she will remain in office as a director until his or her earlier resignation or removal. Each of the current director nominees has signed a letter of resignation that will be effective if the nominee is not re-elected at the meeting and the Board accepts his or resignation following the meeting. If a nominee is not re-elected, the Board will decide whether to accept the director's resignation in accordance with the procedures listed in the Company's Corporate Governance Principles, which are available on our website at www.teaminc.com.

Shareholders may not cumulate their votes for the election of directors. Unless contrary instructions are set forth in the proxies, the persons with full power of attorney to act as proxies at the Annual Meeting will vote all shares represented by such proxies for the election of the nominees named therein as directors. Should any of the nominees become unable or unwilling to accept nomination or election, it is intended that the persons acting under the proxy will vote for the election, in the nominee's stead, of such other persons as our Board may recommend. We have no reason to believe that any of the nominees will be unable or unwilling to stand for election or to serve if elected.

The Board of Directors unanimously recommends that you vote *FOR* the election of each of the nominees named above.

PROPOSAL TWO RATIFICATION OF THE APPOINTMENT OF KPMG LLP AS

THE COMPANY'S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee of the Board has appointed KPMG LLP as the independent registered public accounting firm of the Company to audit its consolidated financial statements and the effectiveness of its internal controls over financial reporting for the fiscal year ending December 31, 2016, and the Board has determined that it would be desirable to request that our shareholders ratify such appointment.

KPMG LLP has served as the independent registered public accounting firm of the Company and its subsidiaries since May 2002. KPMG LLP is considered by the Audit Committee and by the management of the Company to be well-qualified. Representatives of KPMG LLP will be present at the Annual Meeting and will have the opportunity to make a statement if they desire to do so and to respond to appropriate questions from shareholders.

Shareholder ratification of the appointment of KPMG LLP as the Company's independent registered public accounting firm is not legally required. Nevertheless, at the recommendation of the Audit Committee, our Board has directed that the appointment of KPMG LLP be submitted for shareholder ratification as a matter of good corporate practice. If our shareholders do not ratify the appointment of KPMG LLP at the Annual Meeting, the Audit Committee will reconsider whether to retain KPMG LLP. Even if the appointment is ratified, the Audit Committee, in its discretion, may direct the appointment of a different independent registered public accounting firm at any time during the year if it determines that such a change would be in the best interests of the Company and its shareholders.

Vote Required and Board Recommendation

The proposal to ratify the appointment of KPMG LLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2016 requires the affirmative vote of a majority of the shares of Common Stock represented at the Annual Meeting in person or by proxy.

The Board of Directors unanimously recommends a vote FOR ratification of the appointment of KPMG LLP as the Company's independent registered public accounting firm for the year ending December 31, 2016.

PROPOSAL THREE ADVISORY VOTE ON NAMED EXECUTIVE OFFICER COMPENSATION

We are asking you to vote, in an advisory manner, to approve the executive compensation philosophy, policies and procedures described in the *Compensation Discussion and Analysis* section of our 2016 Proxy Statement, and the compensation of our Named Executive Officers, as disclosed in our 2016 Proxy Statement.

In the section entitled *Compensation Discussion and Analysis*, you will find a description of our executive compensation practices and objectives. Please also refer to the compensation tables and narrative discussion appearing under *Executive Compensation and Other Matters*, which provide detailed information about the compensation of our Named Executive Officers. Our Compensation Committee and Board believe that our compensation practices are effective in achieving our executive compensation objectives and that the compensation of our Named Executive Officers as disclosed in this Proxy Statement reflects and supports the appropriateness of our executive compensation philosophy and practices.

This Proposal Three, commonly known as the *say on pay* proposal, gives the Company's shareholders the opportunity to express their views on the compensation of our Named Executive Officers. This vote is not intended to address any specific item of compensation, but rather the overall compensation of our Named Executive Officers described in this Proxy Statement.

Accordingly, we invite you to carefully review the sections in this proxy entitled *Compensation Discussion and Analysis* and *Executive Compensation and Other Matters* and cast a vote to approve the following non-binding resolution:

RESOLVED, that the compensation paid to the Company's Named Executive Officers, as disclosed pursuant to Item 402 of Regulation S-K, including the Compensation Discussion and Analysis, compensation tables and narrative discussion, is hereby APPROVED.

Vote Required and Board Recommendation

To be approved, Proposal Three requires the affirmative vote of a majority of the shares of Common Stock represented at the Annual Meeting in person or by proxy.

A vote on this proposal is not binding on the Board or the Company. Although the vote is non-binding, our Compensation Committee will review and consider the voting results when evaluating the compensation program for our Named Executive Officers.

The Board of Directors unanimously recommends that shareholders vote **FOR approval of the Company's compensation of its Named Executive Officers as disclosed in this Proxy Statement.**

PROPOSAL FOUR APPROVAL OF 2016 TEAM, INC. STOCK INCENTIVE PLAN

The Board unanimously recommends that stockholders vote **FOR** approval of the Team Inc. 2016 Stock Incentive Plan (2016 Plan).

On March 24, 2016, our Board of Directors unanimously approved the 2016 Plan, subject to approval by our shareholders at this Annual Meeting. To simplify administration of our equity compensation programs, upon shareholder approval, the 2016 Plan will replace all of our existing stock incentive plans described below, including our 2006 Stock Incentive Plan expiring in July 2016, and will apply to awards granted on or after the date of the Annual Meeting. The terms of the 2016 Plan are described in detail below.

On February 29, 2016, we completed our acquisition of Furmanite Corporation (Furmanite) in accordance with the terms of that certain Agreement and Plan of Merger, dated November 1, 2015, by and among Team, TFA, Inc., our wholly owned subsidiary, and Furmanite (the Merger Agreement). Pursuant to the Merger Agreement, TFA, Inc. was merged with and into Furmanite with Furmanite continuing as the surviving corporation and wholly owned subsidiary of Team (the Merger). Under the terms of the Merger Agreement we assumed Furmanite's 1994 Stock Incentive Plan. Upon approval of the 2016 Plan, no additional awards will be granted under Team's existing stock incentive plans, the Team 2006 Stock Incentive Plan, the Team Non-Employee Director Plan or any stock incentive plan previously maintained by Furmanite, including the 1994 Furmanite Stock Incentive Plan. As of April 1, 2016, a total of 854,922 equity awards remain available for issuance under all of the Team and Furmanite existing stock incentive plans, of which no additional awards will be granted between now and the date of the Annual Meeting. Upon shareholder approval, 2.0 million shares will be authorized for issuance under the 2016 Plan, an increase of approximately 1.145 million shares as compared to the shares currently available for issuance under our existing stock incentive plans.

Important Features

The 2016 Plan has the following important features, which evidence our commitment to making responsible equity grants:

The plan provides for discretionary grants of the following types of awards:

stock options that do *not* constitute incentive stock options, or Non-statutory Stock Options as defined in Section 422 of the Internal Revenue Code of 1986, as amended (the Code),

stock options that constitute incentive stock options, or Incentive Stock Options as defined in Section 422 of the Code,

shares of common stock that are subject to restrictions on disposition and forfeiture under certain circumstances (Restricted Stock Awards),

awards (which may or may not be granted in tandem with an option) that entitle the holder to receive an amount equal to the difference between the fair market value of the shares of common stock at the time of exercise of the award and the option price and which may be settled upon exercise in shares of common stock, cash or a combination thereof (Stock Appreciation Rights),

the right to receive shares of common stock or cash in the future, which vest over a period of time or on the basis of achieving certain performance measures, and is payable in cash, common stock or some combination thereof (Restricted Stock Units), and

shares of common stock, cash payments or a combination thereof that may be earned based on the satisfaction of various performance measures (Performance Awards).

Edgar Filing: TEAM INC - Form DEF 14A

All of the above awards except Incentive Stock Options may be granted to directors of Team and to employees of Team and its affiliates; Incentive Stock Options may only be granted to employees of Team and its subsidiary corporations in accordance with Section 422 of the Code.

Table of Contents

Repricing of Incentive and Non-statutory Stock Options, collectively Options, and Stock Appreciation Rights to reduce the exercise price is prohibited unless stockholder approval is obtained, subject to the limited ability to make adjustments in connection with certain recapitalization and reorganization events.

Options and Stock Appreciation Rights must be granted with an exercise price that is not less than 100% of the fair market value on the date of grant.

Limits are imposed on share recycling. Shares withheld or tendered to pay the exercise price of an Option or other purchase price of an award or withholding tax obligations shall not be made available for reissuance.

In the event there is a material restatement of our financial results, the Compensation Committee has the authority to review the equity awards granted under the 2016 Plan to our Named Executive Officers and take any action it deems appropriate, including terminating the awards or requiring repayment of award proceeds to us.

A minimum vesting period of one year is required for all awards issued under the 2016 Plan, provided however, that grants of up to 5% of the authorized shares may be made and such restriction shall not be applicable to substitute awards.

2016 Plan

Set forth below is a summary of the material terms of the 2016 Plan, as amended and restated. This summary is qualified in its entirety by reference to the full text of the 2016 Plan, which is attached to this proxy statement as Appendix A.

Number of Shares Subject to the 2016 Plan and Award Limits. The aggregate maximum number of shares of common stock that will be issued under the 2016 Plan is 2.0 million shares. Limitations also apply regarding the reissuance of shares in certain circumstances. Shares withheld or tendered to pay the exercise price of an Option or other purchase price of an award or withholding tax obligations shall not be made available for reissuance.

The maximum number of shares of common stock that may be subject to Options, Restricted Stock Awards, Restricted Stock Units and Performance Awards denominated in shares of common stock granted to any one individual during any calendar year may not exceed 1,000,000 shares of common stock. The maximum amount of compensation that may be paid under all Performance Awards under the 2016 Plan that are denominated in cash (including the fair market value of any shares of common stock paid in satisfaction of such Performance Awards) granted to any one individual during any calendar year may not exceed \$2,500,000, and any payment due with respect to a Performance Award will be paid no later than ten years after the date of grant of such Performance Award. The share limitations described in the preceding sentences may be adjusted upon a reorganization, stock split, recapitalization or other change in our capital structure.

Administration. The 2016 Plan will be administered by a committee, or the Committee, of, and appointed by, the Board that will be comprised solely of two or more non-employee directors who also qualify as outside directors (within the meaning assigned to such term under Section 162(m) of the Code and within the meaning of the term non-employee director as defined in SEC Rule 16b-3). The Board has appointed the Compensation Committee initially to administer the 2016 Plan.

The Compensation Committee will have full authority, subject to the terms of the 2016 Plan, to establish rules and regulations for the proper administration of the 2016 Plan, to select the employees and directors to whom awards are granted, and to set the date of grant, the type of award that shall be made and the other terms of the awards. When granting awards, the Compensation Committee will consider such factors as an individual's duties and present and potential contributions to our success and such other factors as the Compensation Committee may in its discretion deem relevant.

Table of Contents

Eligibility. All directors of Team and all employees of Team and its affiliates are eligible to participate in the 2016 Plan. The selection of those employees and directors, from among those eligible, who will receive Incentive Stock Options, Non-statutory Stock Options, Restricted Stock Awards, Performance Awards, Stock Appreciation Rights, Restricted Stock Units, Phantom Stock Awards or any combination thereof is within the discretion of the Compensation Committee. However, Incentive Stock Options may be granted only to employees of Team and its subsidiary corporations (as defined in Section 424 of the Code). As of April 1, 2016, approximately 8,300 individuals were potentially eligible to participate in the 2016 Plan.

Term of 2016 Plan. The 2016 Plan was adopted by the Board on March 24, 2016 and will be effective on the date its adoption is approved by our stockholders. No further awards may be granted under the 2016 Plan after May 11, 2026, which is ten years after the 2016 Plan's effective date, and the 2016 Plan will terminate thereafter once all awards have been satisfied, exercised or expire. The Board in its discretion may terminate the 2016 Plan at any time with respect to any shares of common stock for which awards have not theretofore been granted.

Stock Options

Term of Option. The term of each Option will be as specified by the Compensation Committee at the date of grant (but not more than ten years). The effect of the termination of an optionee's employment or membership on the Board will be specified in the Option award agreement that evidences each Option grant.

Option Price and Restrictions on Repricing. The Option price will be determined by the Compensation Committee and will be no less than the fair market value of the shares on the date that the Option is granted. Except for adjustments for certain changes in the common stock, the Compensation Committee may not, without the approval of our stockholders, amend any outstanding Option award agreement that evidences an Option grant to lower the Option exercise price or to cancel, exchange, substitute, buyout or surrender outstanding Options in exchange for cash, other awards or Options with an exercise price that is less than the exercise price of the original Options.

Special Rules for Incentive Stock Options for Certain Stockholders. If an Incentive Stock Option is granted to an employee who then owns, directly or by attribution under the Code, stock possessing more than 10% of the total combined voting power of all classes of stock of Team or a subsidiary, then the term of the option will not exceed five years, and the option price will be at least 110% of the fair market value of the shares on the date that the option is granted.

Size of Grant. Subject to the limitations described above under the section Shares Subject to the Plan; Award Limits; Grant of Awards, the number of shares for which an Option is granted to an employee or director will be determined by the Compensation Committee.

Status of Options. The status of each Option granted to an employee as either an Incentive Stock Option or a Non-statutory Stock Option will be designated by the Compensation Committee at the time of grant. If, however, the aggregate fair market value (determined as of the date of grant) of shares with respect to which Incentive Stock Options become exercisable for the first time by an employee exceeds \$100,000 in any calendar year, the options with respect to the excess shares will be Non-statutory Stock Options. All options granted to non-employee directors, if any, will be Non-statutory Stock Options.

Payment. The Option price upon exercise may, at the discretion of the Compensation Committee, be paid by an optionee in cash, other shares of common stock owned by the optionee or by a combination of cash and common stock. Additionally, Stock Appreciation Rights, as described further below under the section Stock Appreciation Rights, may be granted to optionees in conjunction with Options granted under the 2016 Plan. The 2016 Plan also allows the Compensation Committee, in its discretion, to establish procedures pursuant to which an optionee may affect a cashless exercise of an Option.

Table of Contents

Option Award Agreement. All Options will be evidenced by a written agreement containing provisions consistent with the 2016 Plan. The agreements will include details about the effect of termination of employment on the exercisability of the Option, any vesting or performance periods applicable to the Option and such other provisions as the Compensation Committee deems appropriate. The Compensation Committee generally has the discretion to amend outstanding Option award agreements.

Transferability. An Incentive Stock Option is not transferable other than by will or the laws of descent and distribution, and may be exercised during the employee's lifetime only by the employee or his or her guardian or legal representative. A Non-statutory Stock Option is not transferable other than by will or the laws of descent and distribution, pursuant to a qualified domestic relations order or with the consent of the Compensation Committee.

Restricted Stock Awards

Transfer Restrictions and Forfeiture Obligations. Pursuant to a Restricted Stock Award, shares of common stock will be issued or delivered to the employee or director at the time the award is made without any payment to us (other than for any payment amount determined by the Compensation Committee in its discretion), but such shares will be subject to certain restrictions on the disposition thereof and certain obligations to forfeit and surrender such shares as may be determined in the discretion of the Compensation Committee. The Compensation Committee may provide that the restrictions on disposition and the obligations to forfeit the shares will lapse based on:

the attainment of one or more performance measures established by the Compensation Committee that are based on the following criteria: (1) revenue and income measures (which include revenue, return or revenue growth, gross margin, income from operations, net income, net sales, earnings per share, earnings before interest, taxes, depreciation and amortization (EBIDTA), achievement of profit, economic value added (EVA), and price per share of Common Stock); (2) expense measures (which include costs of goods sold, selling, loss or expense ratio, general and administrative expenses and overhead costs); (3) operating measures (which include productivity, operating income, operating earnings, cash flow, funds from operations, cash from operations, after-tax operating income, market share, expenses, margins, operating efficiency); cash flow measures (which include net cash flow from operating activities and net cash flow before financing activities) and sales measures (which include customer satisfaction, sales of services, and sales production); (4) liquidity measures (which include earnings before or after the effect of certain items such as interest, taxes, depreciation and amortization, and free cash flow); (5) leverage measures (which include debt reduction, debt-to-equity ratio and net debt); (6) market measures (which include market share, stock price, growth measure, total stockholder return and market capitalization measures); (7) return measures (which include book value, book value per share, return on capital, return on net assets, return on stockholders' equity; return on assets; stockholder returns, and which may be risk-adjusted); (8) corporate value and sustainability measures which may be objectively determined (which include compliance, safety, environmental and personnel matters); (9) other measures such as those relating to acquisitions or dispositions (which include proceeds from dispositions); or (10) a combination of two or more of any of the foregoing;

the holder's continued employment or continued service as a director with Team and its affiliates for a specified period;

the occurrence of any event or the satisfaction of any other condition specified by the Compensation Committee in its sole discretion; or

a combination of any of the foregoing factors.

Additionally, the above-described performance measures may be made subject to adjustment by the Compensation Committee for specified significant extraordinary items or events, and may be absolute, relative to one or more other companies, or relative to one or more indices, and may be contingent upon our future performance. Upon the issuance of shares of common stock pursuant to a Restricted Stock Award, except for the

Table of Contents

foregoing restrictions and unless otherwise provided in the award agreement, the recipient of the award will have all the rights of our stockholders with respect to such shares, including the right to vote such shares and to receive all dividends and other distributions paid with respect to such shares; provided, however that (1) until all forfeiture restrictions have expired, the award recipient will not be entitled to delivery of a stock certificate, we will retain custody of the stock and the award recipient may not sell, transfer, pledge, exchange or otherwise dispose of the stock, and (2) a breach of the terms and conditions established by the Compensation Committee and set forth in an award agreement will cause forfeiture of the Restricted Stock Award. At the time of such award, the Compensation Committee may, in its sole discretion, prescribe additional terms, conditions or restrictions relating to Restricted Stock Awards, including, but not limited to, rules pertaining to the effect of the termination of employment or service as a director of a recipient of a Restricted Stock Award (by reason of retirement, disability, death or otherwise) prior to the lapse of any applicable restrictions.

The 2016 Plan also permits grants of Restricted Stock Awards to be made to non-employee directors which may be vested on their date of grant or pursuant to such other vesting terms as may be designated in an individual award agreement, subject to the 5% cap on authorized shares that do not meet the minimum vesting requirements of the 2016 Plan. These awards will be made as part of a director's annual board fees and would replace awards that otherwise would be made under the Team, Inc. Restated Non-Employee Directors' Stock Plan.

Accelerated Vesting. The Compensation Committee may, in its discretion, fully vest any outstanding Restricted Stock Award as of a date determined by the Compensation Committee, but the Compensation Committee may not take any action to vest a Restricted Stock Award that has been granted to a covered employee (within the meaning of Section 162(m) of the Code) if such award has been designed to meet the exception for performance-based compensation under Section 162(m) of the Code.

Other Terms and Conditions. The Compensation Committee may establish other terms and conditions for the issuance of Restricted Stock Awards under the 2016 Plan.

Phantom Stock Awards

General. Phantom Stock Awards under the 2016 Plan are awards of rights to receive common stock (or the fair market value thereof), or rights to receive amounts equal to share appreciation over a specific period of time.

Forfeiture Obligations and Termination of Award. Phantom Stock Awards vest over a period of time established by the Compensation Committee, with or without satisfaction of any performance criteria or objectives, as determined by the Compensation Committee in its sole discretion. The Compensation Committee may, in its discretion, require payment or other conditions on the recipient of a Phantom Stock Award, including imposition of any forfeiture restrictions. A Phantom Stock Award will terminate if the recipient's employment or service as a director of Team or its affiliates terminates during the applicable vesting period, except as otherwise determined by the Compensation Committee.

Payment. Payment of a Phantom Stock Award may be made in cash, common stock or a combination thereof, as determined by the Compensation Committee. Payment may be made in a lump sum or in installments, as prescribed by the Compensation Committee. Any payment to be made in cash will be based on the fair market value of the common stock on the payment date. Cash dividend equivalents may be paid during or after the vesting period with respect to the Phantom Stock Award, as determined by the Compensation Committee.

Other Terms and Conditions. The Compensation Committee may establish other terms and conditions for Phantom Stock Awards under the 2016 Plan, which will be set forth in an award agreement.

Stock Appreciation Rights

Exercise and Payment. A Stock Appreciation Right award will entitle the holder of the award to receive, upon the exercise of the Stock Appreciation Right, shares of common stock (valued based on the fair market value at the time of exercise), cash or a combination thereof, in the Compensation Committee's discretion, in an

Table of Contents

amount equal to the excess of the fair market value of the common stock subject to the Stock Appreciation Right as of the date of the exercise over the purchase price of the Stock Appreciation Right. If granted in tandem with an Option, the exercise of a Stock Appreciation Right will result in the surrender of the related Option, and unless otherwise provided by the Compensation Committee, the exercise of an Option will result in the surrender of a related Stock Appreciation Right, if any. Further, if a Stock Appreciation Right is not granted in tandem with an Option, subject to certain adjustments for recapitalizations and reorganization events, the exercise price of the Stock Appreciation Right will not be less than the fair market value of a share of common stock on the date the Stock Appreciation Right is granted.

Term of Stock Appreciation Right. The Compensation Committee may establish the term of a Stock Appreciation Right, but in no event may a Stock Appreciation Right be exercisable after ten years from the date of grant. If granted in tandem with an Option, a Stock Appreciation Right will expire no later than the related Option's expiration date. If neither the Stock Appreciation Right nor the related Option is exercised before the end of the day on which the right ceases to be exercisable, the right will be deemed to have been exercised as of that date, and payment will be made to the holder in cash.

Repricing Restrictions. Except for adjustments for certain changes in the common stock, the Compensation Committee may not, without the approval of our stockholders, amend any outstanding Stock Appreciation Right award agreement that evidences a Stock Appreciation Right grant to lower the Stock Appreciation Right exercise price or to cancel, exchange, substitute, buyout or surrender outstanding Stock Appreciation Rights in exchange for cash, other awards or Stock Appreciation Rights with an exercise price that is less than the exercise price of the original Stock Appreciation Right.

Other Terms and Conditions. The Compensation Committee may establish other terms and conditions for Stock Appreciation Rights under the 2016 Plan, which will be set forth in an award agreement.

Restricted Stock Units

Forfeiture Provisions and Accelerated Vesting. The Compensation Committee will determine the minimum vesting or performance period applicable to an award of Restricted Stock Units. If a recipient's employment or service with Team and its affiliates terminates for any reason other than death or disability (as that term is defined under our long term disability plan) during a performance period or prior to the delivery date for deferred Restricted Stock Units, the units will be forfeited on the date the recipient's employment or service with Team and its affiliates terminates. A recipient of a Stock Unit whose employment or service with Team and its affiliates terminates because of death or disability prior to the delivery date for the Restricted Stock Units will be entitled to the full value of the earned Restricted Stock Units at the end of the performance period or deferred delivery date, as applicable. Further, the Compensation Committee generally may, in its discretion, determine that a Restricted Stock Unit holder will be entitled to receive all or any portion of the Restricted Stock Units that he would otherwise receive, accelerate the determination and payment of the shares or units or make other adjustments as it deems appropriate.

Terms and Conditions. For each Stock Unit holder, the Committee will determine the timing of awards, the number of Restricted Stock Units awarded, the value of Restricted Stock Units, any performance measures used for determining whether Restricted Stock Units are earned, the number of earned Restricted Stock Units that will be paid in cash and/or shares of common stock, whether and when any dividend equivalents are to be paid on Restricted Stock Units and any additional terms the Compensation Committee deems appropriate. The terms and conditions of a Stock Unit grant will be set forth in an award agreement.

Payment. Payment for Restricted Stock Units earned may be made in cash, common stock or in some combination thereof, and as a lump sum payment or in installments, as determined by the Compensation Committee. For Restricted Stock Units payable in shares of common stock, one share of common stock will be paid for each share earned, or cash will be paid for each share earned equal to either (1) the fair market value of a

Table of Contents

share of common stock at the delivery date or (2) the fair market value of a share of common stock averaged for a number of days determined by the Committee.

Performance Awards

Performance Period. The Compensation Committee may, in its sole discretion, grant Performance Awards (which may include, for example, Restricted Stock Awards, Restricted Stock Units, Phantom Stock Awards, Options, and/or Stock Appreciation Rights) under the 2016 Plan that may be paid in cash, common stock or a combination thereof as determined by the Compensation Committee. At the time of the grant, the Compensation Committee will establish the maximum number of shares of common stock subject to, or the maximum value of, each Performance Award and the performance period over which the performance applicable to the award will be measured. A Performance Award will terminate if the recipient's employment or service as a director of ours terminates during the applicable performance period, except as otherwise determined by the Compensation Committee.

Performance Measures. The receipt of cash or common stock pursuant to a Performance Award will be contingent upon satisfaction by Team, or any affiliate, division or department thereof, of performance goals established by the Compensation Committee. The performance goals may be made subject to adjustment for specified significant extraordinary items or events and may be absolute, relative to one or more other companies, or relative to one or more indices and may be contingent upon future performance of Team or any affiliate, division or department thereof. The performance goals may be based upon any of the following criteria: (1) revenue and income measures (which include revenue, return or revenue growth, gross margin, income from operations, net income, net sales, earnings per share, earnings before interest, taxes, depreciation and amortization (EBIDTA), achievement of profit, economic value added (EVA), and price per share of Common Stock); (2) expense measures (which include costs of goods sold, selling, loss or expense ratio, general and administrative expenses and overhead costs); (3) operating measures (which include productivity, operating income, operating earnings, cash flow, funds from operations, cash from operations, after-tax operating income, market share, expenses, margins, operating efficiency); cash flow measures (which include net cash flow from operating activities and net cash flow before financing activities) and sales measures (which include customer satisfaction, sales of services, and sales production); (4) liquidity measures (which include earnings before or after the effect of certain items such as interest, taxes, depreciation and amortization, and free cash flow); (5) leverage measures (which include debt reduction, debt-to-equity ratio and net debt); (6) market measures (which include market share, stock price, growth measure, total stockholder return and market capitalization measures); (7) return measures (which include book value, book value per share, return on capital, return on net assets, return on stockholders' equity; return on assets; stockholder returns, and which may be risk-adjusted); (8) corporate value and sustainability measures which may be objectively determined (which include compliance, safety, environmental and personnel matters); (9) other measures such as those relating to acquisitions or dispositions (which include proceeds from dispositions); or (10) a combination of two or more of any of the foregoing. The Compensation Committee may, in its sole discretion, provide for an adjustable Performance Award value based upon the level of achievement of performance measures and/or provide for a reduction in the value of a Performance Award during the performance period.

Payment. Following the end of the performance period, the Compensation Committee will determine and certify in writing the amount payable to the holder of the Performance Award, not to exceed the maximum number of shares of common stock subject to, or the maximum value of, the Performance Award, based on the achievement of the performance measures for such performance period. Payment may be made in a lump sum in cash, common stock or a combination thereof, as determined by the Compensation Committee and must be made no later than two and one-half months after the end of the performance period. If a Performance Award covering shares of common stock is to be paid in cash, then such payment will be based on the fair market value of the common stock on the payment date.

Special Rules for Qualified Performance-Based Awards. The Compensation Committee may, in its sole discretion, grant Restricted Stock Awards, Restricted Stock Units, Phantom Stock Awards, and Performance

Table of Contents

Awards that are intended to qualify as qualified performance-based compensation within the meaning of Section 162(m) of the Code, or Qualified Performance-Based Awards. Special rules will apply to those awards made to covered employees (within the meaning of Section 162(m) of the Code) selected by the Compensation Committee to receive Qualified Performance-Based Awards, with such special rules generally intended to ensure that those awards will qualify as qualified performance-based compensation (within the meaning of Section 162(m) of the Code). For example, for such awards, no later than ninety days following the commencement of the performance period, the Compensation Committee will, in writing, designate one or more covered employees, select the performance criteria applicable to the performance period, and establish performance goals and amounts of awards, as applicable, which may be earned for the performance period. For this purpose, the Compensation Committee may select from one or more of the following performance criteria to establish the performance goals: (1) revenue and income measures (which include revenue, return or revenue growth, gross margin, income from operations, net income, net sales, earnings per share, earnings before interest, taxes, depreciation and amortization (EBIDTA), achievement of profit, economic value added (EVA), and price per share of Common Stock); (2) expense measures (which include costs of goods sold, selling, loss or expense ratio, general and administrative expenses and overhead costs); (3) operating measures (which include productivity, operating income, operating earnings, cash flow, funds from operations, cash from operations, after-tax operating income, market share, expenses, margins, operating efficiency); cash flow measures (which include net cash flow from operating activities and net cash flow before financing activities) and sales measures (which include customer satisfaction, sales of services, and sales production); (4) liquidity measures (which include earnings before or after the effect of certain items such as interest, taxes, depreciation and amortization, and free cash flow); (5) leverage measures (which include debt reduction, debt-to-equity ratio and net debt); (6) market measures (which include market share, stock price, growth measure, total stockholder return and market capitalization measures); (7) return measures (which include book value, book value per share, return on capital, return on net assets, return on stockholders' equity; return on assets; stockholder returns, and which may be risk-adjusted); (8) corporate value and sustainability measures which may be objectively determined (which include compliance, safety, environmental and personnel matters); (9) other measures such as those relating to acquisitions or dispositions (which include proceeds from dispositions); or (10) a combination of two or more of any of the foregoing.

An award holder will be eligible to receive payment pursuant to a Qualified Performance-Based Award for a performance period only if the established performance goals are achieved. Following the completion of the performance period, the Compensation Committee must certify in writing whether the applicable performance goals have been achieved for the performance period, and no award or portion of an award will be considered earned or vested until the Compensation Committee certifies in writing that the conditions to which the distribution, earning or vesting of such award is subject have been achieved. The Compensation Committee may, in determining attainment of the performance goals, disregard or offset the effect of extraordinary items, including, for example, restructuring or restructuring-related changes, gains or losses on the disposition of a business or major asset, resolution and/or settlement of litigation and other legal proceedings, or the effect of a merger or acquisition. The Compensation Committee may not increase during a year the amount of a Qualified Performance-Based Award that would otherwise be payable upon satisfaction of the conditions but may reduce or eliminate the payments as provided for in an award agreement. Additionally, in the event of a Corporate Change (as defined below), all unvested Qualified Performance-Based Awards will become immediately vested. A holder of a Qualified Performance-Based Award will not be paid any dividends or other distributions with respect to that award until the holder becomes vested in the shares covered by the award; upon vesting, the holder will receive a cash payment equal to the aggregate cash dividends (without interest) (other than distribution in shares) and the number of shares equal to any stock dividends that the holder would have received if he had owned all of the shares that vested for the period beginning on the date of the award and ending on the date of vesting or payment. No dividends will be paid for any Qualified Performance-Based Awards forfeited.

Other Terms and Conditions. The Compensation Committee may establish other terms and conditions for Performance Awards under the 2016 Plan, which will be set forth in an award agreement.

Recapitalization, Reorganization and Other Adjustments

Adjustment upon a Change in Capitalization. If we effect a subdivision or consolidation of our shares of common stock or the payment of a stock dividend on its common stock without receiving any consideration, or a Capitalization Event, the number of shares of common stock for an un-expired award will be adjusted accordingly. If the Capitalization Event increases the number of outstanding shares, the number of shares of common stock for the un-expired award will be increased proportionately, and the purchase price per share will be reduced proportionately. Similarly, if the Capitalization Event decreases the number of outstanding shares, the number of shares of common stock for the un-expired award will be decreased proportionately, and the purchase price per share will be increased proportionately. In the event we recapitalize, reclassify our capital stock or otherwise changes its capital structure, or a Recapitalization, the number and class of shares of common stock under an un-expired award will also be adjusted appropriately to account for the Recapitalization.

Adjustment upon a Corporate Change. The 2016 Plan provides that, if a Corporate Change (as defined below) occurs, no later than (1) ten days after approval of the merger, consolidation, reorganization, sale lease or exchange of assets or such election of directors by our stockholders or (2) within thirty days after a person or entity (including a group as contemplated by Section 13(d)(3) of the Securities Exchange Act of 1934, as amended (the Exchange Act)) acquires or gains ownership or control of 50% or more of the combined voting power of the outstanding securities of (a) ours, if we have not engaged in a merger of consolidation or (b) the resulting entity, if we have engaged in a merger or consolidation, the Compensation Committee may, acting in its sole discretion, effect one of the following alternatives (which may vary among individual participants and vary among Options held by any individual participant):

accelerate the time at which Options outstanding may be exercised so that such Options may be exercised in full for a limited period of time on or before a specified date, after which the specified date all unexercised Options and all rights of participants will terminate;

require the mandatory surrender by selected participants of some or all of the outstanding Options held by those participants as of a date specified by the Compensation Committee, in which event the Compensation Committee will thereupon cancel the Options and each participant will be paid an amount of cash per share equal to the excess, if any, of a determined change in control value (as such term is defined in the 2016 Plan) of the shares subject to the Option over the exercise price under the Options for those shares; or

make such adjustments to the Options then outstanding as the Compensation Committee deems appropriate to reflect the Corporate Change (or no adjustment if the Compensation Committee determines that no adjustment is necessary), including, without limitation, adjusting an Option to provide that the number and class of shares of common stock covered by the Option will be adjusted so that the Option will thereafter cover securities of the surviving or acquiring corporation or other property (such as cash) as determined by the Compensation Committee in its sole discretion.

The 2016 Plan provides that a Corporate Change includes:

a merger with another entity, a consolidation involving us or the sale of all or substantially all of our assets or equity interests to another entity if, in any such case, (1) our holders of equity securities immediately prior to such event do not beneficially own immediately after such event equity securities of the resulting entity entitled to 51% or more of the votes then eligible to be cast in the election of directors (or comparable governing body) of the resulting entity in substantially the same proportions that they owned our equity securities immediately prior to such event or (2) the persons who were members of the Board immediately prior to such event do not constitute at least a majority of the Board of the resulting entity immediately after such event;

a circumstance where any person or entity (including a group as contemplated by Section 13(d)(3) of the Exchange Act) acquires or gains ownership or control (including, without limitation, power to vote)

Table of Contents

of 50% or more of the combined voting power of the outstanding securities of (1) ours, if we have not engaged in a merger or consolidation, or (2) the resulting entity, if we have engaged in a merger or consolidation; or

circumstances where, as a result of or in connection with, a contested election of directors, the persons who were members of the Board immediately before such election will cease to constitute a majority of the Board.

Other Adjustments. In the event of changes in the outstanding common stock by reason of recapitalizations, reorganizations, mergers, consolidations, combinations, split-ups, split-offs, spin-offs, exchanges or other relevant changes in capitalization or distributions to the holders of common stock occurring after an award is granted, the award (and any agreement evidencing the award) will be subject to adjustment by the Compensation Committee in its discretion, including the number and price of shares of common stock or other consideration subject to the award. In the event of such a change in the outstanding common stock or distribution to the holders of common stock, or upon other recapitalization or reorganization events as described in the 2016 Plan, the aggregate number of shares available under the 2016 Plan and the maximum number of shares that may be subject to awards granted to any one individual may be appropriately adjusted to the extent determined necessary by the Compensation Committee. In the event of a Corporate Change, the Compensation Committee may, in its discretion, require the mandatory surrender by certain selected participants of some or all of the outstanding Performance Awards and Phantom Stock Awards as of a date, before or after the Corporate Change, specified by the Compensation Committee, in which case the Compensation Committee will cancel those awards, and we will pay (or cause to be paid) to each participant an amount of cash equal to the maximum value of the Performance Award or Phantom Stock Award, with the amount of payment pro-rated to the extent the performance or vesting period has not been completed.

Amendments. The Board may from time to time amend the 2016 Plan; however, any change that would impair the rights of a participant with respect to an award theretofore granted will require the participant's consent. Further, without the prior approval of our stockholders, the Board may not amend the 2016 Plan to change the class of eligible individuals, increase the maximum aggregate number of shares of common stock that may be issued under the 2016 Plan, or amend or delete the provisions of the 2016 Plan that prevent the Compensation Committee from amending any outstanding option award to lower the option exercise price and to cancel, exchange, substitute, buyout or surrender outstanding Options in exchange for cash, other awards or Options with an exercise price that is less than the exercise price of the original Options.

United States Federal Income Tax Aspects of the 2016 Plan

Incentive Stock Options. Incentive Stock Options are subject to special federal income tax treatment. No federal income tax is imposed on the optionee upon the grant or the exercise of an Incentive Stock Option if the optionee does not dispose of the shares acquired pursuant to the exercise within the two-year period beginning on the date the option was granted or within the one-year period beginning on the date the option was exercised, collectively, the holding period. In such event, we would not be entitled to any deduction for federal income tax purposes in connection with the grant or exercise of the option or the disposition of the shares so acquired. With respect to an Incentive Stock Option, the difference between the fair market value of the stock on the date of exercise and the exercise price must generally be included in the optionee's alternative minimum taxable income for the year in which such exercise occurs. However, if the optionee exercises an Incentive Stock Option and disposes of the shares received in the same year and the amount realized is less than the fair market value of the shares on the date of exercise, then the amount included in alternative minimum taxable income will not exceed the amount realized over the adjusted basis of the shares.

Upon disposition of the shares received upon exercise of an Incentive Stock Option after the holding period, any appreciation of the shares above the exercise price should constitute capital gain. If an optionee disposes of shares acquired pursuant to his or her exercise of an Incentive Stock Option prior to the end of the holding period, the optionee will be treated as having received, at the time of disposition, compensation taxable as

Table of Contents

ordinary income. In such event, and subject to the application of Section 162(m) of the Code as discussed below, we may claim a deduction for compensation paid at the same time and in the same amount as compensation is treated as received by the optionee. The amount treated as compensation is the excess of the fair market value of the shares at the time of exercise (or in the case of a sale in which a loss would be recognized, the amount realized on the sale if less) over the exercise price; any amount realized in excess of the fair market value of the shares at the time of exercise would be treated as short-term or long-term capital gain, depending on the holding period of the shares.

Non-statutory Stock Options and Stock Appreciation Rights. As a general rule, no federal income tax is imposed on the optionee upon the grant of a Non-statutory Stock Option such as those under the 2016 Plan (whether or not including a Stock Appreciation Right), and we are not entitled to a tax deduction by reason of such grant. Generally, upon the exercise of a Non-statutory Stock Option, the optionee will be treated as receiving compensation taxable as ordinary income in the year of exercise in an amount equal to the excess of the fair market value of the shares of stock at the time of exercise over the option price paid for such shares. In the case of the exercise of a Stock Appreciation Right, if the optionee receives the appreciation in the Stock Appreciation Right, the cash is compensation income taxable to the optionee; if the optionee receives the appreciation in the form of stock, the difference between the fair market value of the stock and any amount paid by the optionee for the stock is taxable to the optionee. Upon the exercise of a Non-statutory Stock Option or a Stock Appreciation Right, and subject to the application of Section 162(m) of the Code as discussed below, we may claim a deduction for compensation paid at the same time and in the same amount as compensation income is recognized by the optionee assuming any federal income tax reporting requirements are satisfied.

Upon a subsequent disposition of the shares received upon exercise of a Non-statutory Stock Option or a Stock Appreciation Right, any difference between the fair market value of the shares at the time of exercise and the amount realized on the disposition would be treated as capital gain or loss. If the shares received upon the exercise of an option or a Stock Appreciation Right are transferred to the optionee subject to certain restrictions, then the taxable income realized by the optionee, unless the optionee elects otherwise, and our tax deduction (assuming any federal income tax reporting requirements are satisfied) should be deferred and should be measured at the fair market value of the shares at the time the restrictions lapse. The restriction imposed on officers, directors and 10% stockholders by Section 16(b) of the Exchange Act, is such a restriction during the period prescribed thereby if other shares have been purchased by such an individual within six months of the exercise of a Non-statutory Stock Option or Stock Appreciation Right.

Restricted Stock and Restricted Stock Units. The recipient of a Restricted Stock Award or Restricted Stock Units will not realize taxable income at the time of grant, and we will not be entitled to a deduction at that time, assuming that the restrictions constitute a substantial risk of forfeiture for federal income tax purposes. When the risk of forfeiture with respect to the stock subject to the award lapses, the holder will realize ordinary income in an amount equal to the fair market value of the shares of common stock at such time over the amount, if any, paid for the shares, and subject to Section 162(m) of the Code, we will be entitled to a corresponding deduction. All dividends and distributions (or the cash equivalent thereof) with respect to a Restricted Stock Award paid to the holder before the risk of forfeiture lapses will also be compensation income to the holder when paid and, subject to Section 162(m) of the Code, deductible as such by us. Notwithstanding the foregoing, the holder of a Restricted Stock Award may elect under Section 83(b) of the Code to be taxed at the time of grant of the Restricted Stock Award based on the fair market value of the shares of common stock on the date of the award, in which case (1) subject to Section 162(m) of the Code, we will be entitled to a deduction at the same time and in the same amount, (2) dividends paid to the recipient during the period the forfeiture restrictions apply will be taxable as dividends and will not be deductible by us and (3) there will be no further federal income tax consequences when the risk of forfeiture lapses. Such election must be made not later than thirty days after the grant of the Restricted Stock Award and is irrevocable.

Performance Awards and Phantom Stock Awards. An individual who has been granted a Performance Award or a Phantom Stock Award generally will not realize taxable income at the time of grant, and we will not

Table of Contents

be entitled to a deduction at that time. Whether a Performance Award or Phantom Stock Award is paid in cash or shares of common stock, the individual will have taxable compensation, and subject to the application of Section 162(m) of the Code as discussed below, we will have a corresponding deduction. The measure of such income and deduction will be the amount of any cash paid and the fair market value of any shares of common stock either at the time the Performance Award or the Phantom Stock Award is paid or at the time any restrictions on the shares (including restrictions under Section 16(b) of the Exchange Act) subsequently lapse, depending on the nature, if any, of the restrictions imposed and whether the individual elects to be taxed without regard to any such restrictions. Any dividend equivalents paid with respect to a Performance Award or a Phantom Stock Award prior to the actual issuance of shares under the award will be compensation income to the employee and, subject to the application of Section 162(m) of the Code as discussed below, deductible as such by us.

Section 162(m) of the Code. Section 162(m) of the Code precludes a public corporation from taking a deduction for annual compensation in excess of \$1 million paid to its chief executive officer or any of its three other highest paid officers. However, compensation that qualifies under Section 162(m) of the Code as performance-based is specifically exempt from the deduction limit. Based on Section 162(m) of the Code and the regulations issued thereunder, our ability to deduct compensation income generated in connection with the exercise of Options granted by the Compensation Committee under the 2016 Plan should not be limited by Section 162(m) of the Code, provided that the 2016 Plan is approved by stockholders. Further, we believe that compensation income generated in connection with Qualified Performance-Based Awards granted by the Compensation Committee under the 2016 Plan should not be limited by Section 162(m) of the Code. The 2016 Plan has been designed to provide flexibility with respect to whether Restricted Stock Awards granted by the Compensation Committee will qualify as performance-based compensation under Section 162(m) of the Code and, therefore, be exempt from the deduction limit. Assuming no election is made under Section 83(b) of the Code, if the lapse of the forfeiture restrictions relating to a Restricted Stock Award granted by the Compensation Committee is based solely upon the satisfaction of one of the performance criteria set forth in the 2016 Plan, then we believe that the compensation expense deduction relating to such an award should not be limited by Section 162(m) of the Code if the Restricted Stock becomes vested. However, compensation expense deductions relating to Restricted Stock Awards granted by the Compensation Committee will be subject to the Section 162(m) deduction limitation if the Restricted Stock becomes vested based upon any other criteria set forth in such award (such as the occurrence of a change of control or vesting based upon continued service with us). If the lapse of the forfeiture restrictions relating to a Phantom Stock Award or a Stock Unit Award granted by the Compensation Committee is based solely upon the satisfaction of one of the performance criteria set forth in the 2016 Plan, then we believe that the compensation expense deduction relating to such an award should not be limited by Section 162(m) of the Code if the Phantom Stock Award or Stock Unit becomes vested. However, compensation expense deductions relating to Phantom Stock Awards or Stock Unit Awards granted by the Compensation Committee will be subject to the Section 162(m) deduction limitation if the Phantom Stock Awards or Restricted Stock Units become vested based upon any other criteria set forth in such award (such as the occurrence of a change in control or vesting based upon continued service with us).

Section 409A of the Code. Section 409A of the Code generally provides that any non-qualified deferred compensation arrangement which does not meet specific requirements regarding (1) timing of payouts, (2) advance election of deferrals or (3) restrictions on acceleration of payouts will result in immediate taxation of any amounts deferred to the extent not subject to a substantial risk of forfeiture. Failure to comply with Section 409A of the Code may result in the early taxation (plus interest) to the holder of the deferred compensation and the imposition of a 20% penalty on the holder on such deferred amounts included in the holder's income. In general, to avoid a violation of Section 409A of the Code, nonqualified deferred compensation amounts may only be paid out on a separation from service, disability, death, change-in-control, an unforeseen emergency (other than death) or a specified time (all as defined under Section 409A of the Code). Furthermore, an election to defer compensation must be made in the calendar year prior to performance of services, and any provision for accelerated payout other than for the reasons specified above may cause the amounts deferred to be subject to early taxation and the imposition of the excise tax. It is our intention that no

Table of Contents

award under the 2016 Plan be deferred compensation subject to Section 409A of the Code unless and to the extent that the Compensation Committee determines otherwise. The terms and conditions governing any awards that the Compensation Committee determines will be subject to Section 409A of the Code will be set forth in an award agreement that will be drafted with the intent to comply with Section 409A of the Code.

The 2016 Plan is not qualified under Section 401(a) of the Code.

The comments set forth in the above paragraphs are only a summary of certain of the United States federal income tax consequences relating to the 2016 Plan. No consideration has been given to the effects of state, local or other tax laws on the 2016 Plan or award recipients.

Inapplicability of ERISA. Based upon current law and published interpretations, we do not believe that the 2016 Plan is subject to any of the provisions of the Employee Retirement Income Security Act of 1974, as amended.

CORPORATE GOVERNANCE

Corporate Governance Principles and Materials

We are committed to the enhancement of long-term shareholder value with the highest standards of integrity and ethics. Our Board has adopted a set of Corporate Governance Principles that, along with our Amended and Restated Certificate of Incorporation and Amended and Restated Bylaws, provide an effective corporate governance framework for Team that reflects our core values and provides the foundation for our governance. In support of our Corporate Governance Principles, our Board has adopted charters for each of the committees of the Board, a Code of Ethical Conduct for all of our directors, officers and employees and a Corporate Social Responsibility Policy. We believe that we have established procedures and have practices in place which are designed to enhance and protect the interests of our shareholders.

The following corporate governance materials are available and can be viewed and downloaded from our website at www.teaminc.com on the Investors page under Corporate Governance :

- (i) the Company's Corporate Governance Principles;
- (ii) charters for the Audit Committee, the Compensation Committee, the Executive Committee and the Corporate Governance and Nominating Committee;
- (iii) the Company's Code of Ethical Conduct; and
- (iv) the Company's Corporate Social Responsibility Policy.

A copy of these materials is available to shareholders free of charge upon written request to the Company's Secretary at: Team, Inc., Attention: André C. Bouchard, Corporate Secretary, 13131 Dairy Ashford, Suite 600, Sugar Land, Texas 77478. We intend to disclose future amendments to, or waivers of, our Code of Ethical Conduct at the same location on our website identified above.

Director Independence

Our Board believes that the interests of our shareholders are best served by having a predominate number of objective, independent representatives on the Board. Consistent with the rules of the NYSE, our Corporate Governance Principles require that a majority of our Board be composed of independent directors. A director will be considered independent only if the Board affirmatively determines that the director does not have any direct or indirect material relationship with Team that may impair, or appear to impair, the director's ability to make independent judgments.

On an annual basis each member of our Board and each executive officer is required to complete a directors' and officers' questionnaire that includes disclosure of any transactions with the Company in which the member of the Board or executive officer, or any member of his immediate family, has a direct or indirect material interest. In addition, each member of the Board conducts an annual self-evaluation with respect to the Board and any committees on which the member serves.

The Board has evaluated all relationships between each of our directors and director nominees and has determined that, except for Messrs. Hawk and Owen, all of our directors are independent as that term is defined in the applicable rules of the NYSE and consistent with our Corporate Governance Principles. In making this determination, the Board considered any transactions and relationships between each director or his immediate family and the Company and its subsidiaries, including those reported under *Compensation Committee Interlocks and Insider Participation* and *Transactions with Related Persons*, below. The purpose of this review was to determine whether any such relationships or transactions were material and, therefore, inconsistent with a determination that the director is independent. The Board considered the fact that Mr. Davis was the Interim Executive Chairman of the Board, President and Chief Executive Officer of Furmanite until the completion of the Merger on February 29, 2016. Due to Mr. Davis having no prior relationship with the Company or our senior management other than in connection with the Merger and Mr. Davis joining the Board

Table of Contents

as a result of the Merger Agreement negotiations at a time when the Company and Furmanite were independent entities, the Board determined that Mr. Davis's former officer position with Furmanite did not impede his exercise of independent judgment. With the exception of Mr. Davis as explained in the preceding sentence, the Executive Chairman, Mr. Hawk, and the President and Chief Executive Officer (CEO), Mr. Owen, no director or nominee is currently, or was within the past three years, employed by the Company, its subsidiaries or affiliates. No arrangement or understanding exists between any director or executive officer of the Company and any other person pursuant to which any of them were selected as a director or executive officer, except that Mr. Davis was appointed as a director of Team in connection with the Merger pursuant to the Merger Agreement. There are no family relationships between any nominees, directors and senior executive officers of the Company. Messrs. Hawk and Owen are not independent because of their employment as the Executive Chairman and CEO of the Company, respectively.

Our Audit, Compensation, and Corporate Governance and Nominating Committees are composed entirely of independent directors. In addition, our Board provides for regularly scheduled meetings of the independent directors. During the 2015 Transition Period, the independent directors met as a group seven (7) times. These meetings were conducted, without any member of management or employees of Team present, to discuss matters related to the oversight and governance of Team, compliance with NYSE and SEC rules, and the performance of our senior executives.

Our Board will continue to monitor the standards for director independence established under applicable law and the NYSE listing requirements and will ensure that our Corporate Governance Principles remain consistent with those standards.

Leadership Structure

Our Bylaws provide that the Board should have the flexibility to determine the appropriate leadership of the Board, and whether the roles of Chairman and CEO should be combined or separate. Our Board has determined that the leadership structure of our Board should include either an independent non-executive chairman of the Board or a lead director who satisfies our standards for independence. We believe our current structure, with an Executive Chairman of the Board, a President and CEO, an independent Lead Director, and independent directors as chairs and members of each committee, is in the best interests of the Company and its shareholders. The Board believes that the appointment of a Lead Director achieves many of the benefits claimed to result from the retention of an independent Chairman of the Board. The Board believes that Mr. Waters, our Lead Director, Mr. Hawk, our Executive Chairman, and Mr. Owen, our President and CEO, with their industry expertise, financial expertise, and in-depth knowledge of Team and its business, are the correct persons to fill the roles of Lead Director, Executive Chairman, and President and CEO, respectively. The Board reviews its leadership structure from time to time to assess whether it continues to serve the best interests of the Company and its shareholders.

Our Board designated the position of Lead Director in order to clarify and centralize the work of the independent directors. To further clarify the role of the independent directors in the governance of the Company, our Board established duties and responsibilities for the position of Lead Director. Mr. Waters was appointed to this position by the independent directors and has served as our Lead Director since June 2007. The Lead Director:

- (i) presides at all meetings of the Board at which the Chairman is not present, including executive sessions of the independent directors, and sets agendas for executive sessions;
- (ii) assists the Chairman in the management of Board meetings;
- (iii) monitors and responds directly to shareholder and other stakeholder questions and comments that are directed to the Lead Director or to the independent directors as a group, with consultation with the Chairman, the CEO or other directors or management as the Lead Director deems appropriate;

Table of Contents

- (iv) reviews and coordinates meeting agendas, information, number of Board meetings and schedules for the Board;
- (v) ensures personal availability for consultation and communication with independent directors and with the Chairman, CEO or management, as appropriate;
- (vi) provides guidance on director orientation; and

(vii) calls special meetings of the independent directors in accordance with our Bylaws, as the Lead Director deems appropriate. Our Executive Vice President, Administration, Chief Legal Officer and Secretary supports the Lead Director in fulfilling the Lead Director role.

Communications with the Board of Directors

Our Board has established a process for our shareholders and other interested parties to communicate with the Lead Director, the Board as a whole, the independent directors as a group, any Board Committee, or any individual member of the Board. Such communication should be in writing, addressed to the Board or an individual director to: Team, Inc., 13131 Dairy Ashford, Suite 600, Sugar Land, Texas 77478, c/o André C. Bouchard, Corporate Secretary. All such correspondence is reviewed by our Secretary's office, which forwards the material to the applicable director.

Director Education

In accordance with our Corporate Governance Principles, each member of the Board is provided with a membership in the National Association of Corporate Directors and is encouraged to participate in continuing director education programs paid for by the Company.

Succession Planning

Our Board has the responsibility to ensure that the leadership of our Company is meeting the current and future needs of Team. The Compensation Committee and Corporate Governance and Nominating Committees annually report to the Board on succession planning and collaborate with the Board to evaluate potential successors to our CEO and other senior executives. As part of this process, the Compensation and Corporate Governance and Nominating Committees solicit views from the non-management members of the Board and from senior management of the Company.

Share Ownership Guidelines; Restrictions on Trading in Company Securities

In an effort to more closely link our non-employee directors' financial interests with those of our shareholders, our Board established share ownership guidelines for our non-management directors. Under these guidelines, our non-management directors are expected to own Common Stock of Team valued at a minimum of \$150,000. Newly appointed directors are expected to meet or exceed these guidelines within three years of joining the Board. With the exception of our newly appointed directors, Messrs. Lucas and Ms. Kerrigan, all of our directors currently meet or exceed our share ownership guidelines.

In an effort to align the financial interests of our senior executives with those of our shareholders, our Board established share ownership guidelines for our senior executives. Under these guidelines, our CEO is expected to own Common Stock of Team valued at three times his base salary. The guideline for the rest of our senior executives is one times their base salary. Newly appointed senior executives are expected to meet or exceed these guidelines within five years of entering their respective positions. With the exception of our CFO, Mr. Boane, all of our executive officers meet or exceed these share ownership guidelines. Mr. Boane, who was appointed to the CFO position in November 2014, has five years from the date of his appointment to meet the share ownership requirements.

Because short-range speculation in our securities based on fluctuations in the market may cause conflicts of interests with our shareholders, our Insider Trading Policy and our Corporate Governance Principles, applicable to our directors and executive officers, prohibit trading in options, warrants, and puts and calls related to our securities and prohibit selling our securities short. In addition, unless approved by our Chief Legal Officer, our Insider Trading Policy and our Corporate Governance Principles prohibit our directors and executive officers from holding our securities in margin accounts or pledging our securities as collateral for a loan. In evaluating requests to hold our securities in a margin account or pledge our securities, our Chief Legal Officer considers a number of factors, including, but not limited to: the total stock holdings of the individual, the amount of Company securities to be pledged or secured, the potential impact of a margin or loan call, the position of the individual with our Company, whether the pledge is part of a loan where lender has recourse against all assets of the individual and whether the pledge excludes Company shares required to meet our share ownership guidelines. No director or executive officer of the Company holds our securities in a margin account or has our securities pledged as collateral for a loan.

Board's Role in Risk Oversight

Our Board has responsibility for the oversight of risks that could affect the Company. This oversight is conducted primarily through the Board with respect to significant matters, including the strategic direction of the Company, and by the various committees of the Board in accordance with their charters. The Board satisfies its risk oversight responsibilities through receipt of reports from each committee chair regarding the committee's considerations and actions, as well as through regular reports directly from executives responsible for oversight and management of particular risks within Team. The Board continually works, with the input of the Company's senior executives to assess and analyze the most likely areas of future risk for Team. On an annual basis our senior management updates and reviews our enterprise risk management process with the Board. Directors also have complete and open access to all of our employees and are free to, and do, communicate directly with our management. In addition to our formal compliance programs, the Board encourages management to promote a corporate culture that incorporates risk management into the Company's corporate strategy and day-to-day business operations.

Overview of Risk of Company Compensation Policies and Practices

The Compensation Committee, with the assistance of the Company's other independent directors and senior management, has determined that the Company's compensation policies and practices do not motivate imprudent risk taking. This determination has taken into account the following design elements of our compensation policies and practices: mixture of cash and equity compensation, mixture of performance time horizons, use of financial metrics balanced to promote long term Company goals, avoidance of uncapped awards, executive share ownership and holding requirements, no defined benefit or special executive retirement benefit plans and a rigorous auditing, monitoring and enforcement environment. The Committee continues to monitor its compensation policies and practices to determine whether its risk management objectives are being satisfied.

Meetings and Committees of the Board

Board of Directors

Currently, our Board is comprised of nine (9) directors, divided into three classes designated as Class I, Class II and Class III. At each annual meeting, successors to the class of directors whose term expires at that annual meeting are elected for a term expiring at the third succeeding annual meeting. Each director holds office until the annual meeting for the year in which his or her term expires and until a successor has been elected and qualified, or until such director's earlier death, resignation, retirement, disqualification or removal. Mr. Williams has elected not to stand for re-election at the Annual Meeting. Following the Annual Meeting our Board will consist of eight (8) directors.

Our Board held seven (7) meetings during the Transition Period. No director attended fewer than 75% of the meetings held during the period for which he or she served as a member of the Board and the committees on which he or she served. We do not have a formal policy regarding director attendance at our annual meetings of shareholders; however, we do encourage all directors to attend all meetings of shareholders. All of our directors serving at the time were in attendance at our 2015 Annual Meeting of Shareholders.

Our Board has an Executive Committee, an Audit Committee, a Compensation Committee, and a Corporate Governance and Nominating Committee. Each committee maintains its own written charter, which can be viewed and downloaded from our website at www.teaminc.com on the Investors' page under Corporate Governance.

Corporate Governance and Nominating Committee

Our Corporate Governance and Nominating Committee is composed of Messrs. Williams (Chairman), Foster and Waters. The Corporate Governance and Nominating Committee, which met two (2) times during the Transition Period, is charged with recommending director nominees to the Board; evaluating the contribution and performance of members and committees of the Board; administering the annual self-evaluation of Board performance; developing appropriate corporate governance principles for Team; and ensuring the processes of the Board are sufficient and consistent with its oversight role of Team. Each member of the Corporate Governance and Nominating Committee is independent, as defined by the applicable listing requirements of the NYSE.

In considering whether to recommend directors who are eligible to stand for re-election, the Corporate Governance and Nominating Committee may consider a variety of factors, including a director's contribution to the Board and the ability to continue to contribute productively, attendance at Board and committee meetings and compliance with our Corporate Governance Principles, as well as whether the director continues to possess the attributes, capabilities and qualifications considered necessary or desirable for board service, the results of the annual board self-evaluation, the independence of the director and the nature and extent of the director's non-

Company activities. The Corporate Governance and Nominating Committee regularly evaluates the appropriate size of the Board and whether any vacancies on the Board are expected due to retirement or otherwise. In the event that vacancies are anticipated or otherwise arise, the Corporate Governance and Nominating Committee will consider candidates for Board membership suggested by incumbent directors, management, third-party search firms and others. The Corporate Governance and Nominating Committee will also consider director nominations by shareholders that are made in compliance with the notice provisions and procedures set forth in our Bylaws. For a discussion of these requirements, see *Additional Information Shareholder Proposals for next year's Annual Meeting*. All applications, recommendations or proposed nominations for Board membership received by the Company are referred to the Corporate Governance and Nominating Committee. The manner in which the Corporate Governance and Nominating Committee evaluates the qualifications of a nominee for director does not differ if the nominee is recommended by a shareholder.

The Corporate Governance and Nominating Committee has the authority to retain, at Company expense, a third-party search firm to help identify and facilitate the screening and interview process of potential director nominees, and the third-party firm may, among other things, conduct reference checks, prepare a biography of each candidate for the Corporate Governance and Nominating Committee to review and help coordinate interviews.

Once the Corporate Governance and Nominating Committee has identified a potential director nominee, the committee makes an initial determination as to whether to conduct a full evaluation of the candidate. This initial determination is based on whatever information is provided to the committee with the recommendation of the candidate, as well as the committee's own knowledge of the candidate, which may be supplemented by inquiries to the person making the recommendation or others. The committee also may engage a third party to conduct a background check of the candidate. If the committee determines to further pursue the candidate, the committee then will evaluate the extent to which the candidate meets the Board membership qualifications described in *Director Qualifications* below.

In addition, the Corporate Governance and Nominating Committee considers other relevant factors it deems appropriate, including the current composition of the Board (including its diversity in experience, background, gender and ethnicity), the balance of management and independent directors, the need for a certain Board committee expertise, and the nature and extent of a candidate's activities unrelated to the Company, including service as a director on the boards of other public companies. In connection with this evaluation, the committee determines whether to interview the candidate, and, if warranted, the committee interviews the candidate in person or by telephone. The committee may also ask the candidate to meet with members of Team management or other Board members. After completing this evaluation, if the committee believes the candidate would be a valuable addition to the Board, it will recommend to the Board the candidate's nomination for appointment or election as a director.

Periodic Performance Evaluations of Directors

The Corporate Governance and Nominating Committee conducts periodic individual director performance reviews, particularly when a director is standing for re-election.

Table of Contents**COMPENSATION OF DIRECTORS**

In setting non-employee director compensation, our Compensation Committee considers factors it deems appropriate, including market data, and recommends the form and amount of compensation to the Board for approval. Our directors are compensated with a mix of cash and stock-based compensation. The stock-based compensation has been awarded under our Restated Non-Employee Directors Stock Plan (Non-Employee Director Plan). The purpose of our Non-Employee Director Plan has been to attract and retain the services of experienced and knowledgeable independent individuals as directors, to provide them with a proprietary interest in Team so that the directors will have the financial incentive to apply their best efforts for the benefit of Team and our shareholders, and to provide directors with an additional incentive to continue in their positions.

Changes to Director Compensation Made During the Transition Period

In July 2015, our Board, upon recommendation of our Compensation Committee, revised our director compensation. In making this recommendation, our Compensation Committee considered relevant trends in director compensation and reviewed the 2014/2015 NACD Director Compensation survey for companies similar to Team in terms of industry, revenue size and market capitalization. The following changes to our non-employee director compensation program were made effective July 1, 2015:

Increased annual cash retainer from \$45,000 to \$50,000;

Increased the annual stock award from \$70,000 to \$75,000;

Introduced a new annual retainer for the Lead Director of \$20,000;

Increased the annual retainer for Audit Committee members from \$5,000 to \$7,500, for Compensation Committee members from \$0 to \$5,000, for Governance and Nominating Committee members from \$0 to \$5,000; and

Increased the annual retainers for the Chairman of our Audit Committee from \$15,000 to \$20,000, for the Chairman of our Compensation Committee from \$7,500 to \$10,000 and for the Chairman of our Corporate Governance and Nominating Committee from \$5,000 to \$10,000.

Messrs. Hawk and Owen, as the only members of the Board who are also Team employees, do not receive any compensation for service on the Board.

The following table sets forth information regarding the compensation earned by or awarded to each of the non-employee directors who served on our Board during the Transition Period:

COMPENSATION DISCUSSION AND ANALYSIS

Overview

Our executive compensation policies are designed to provide aggregate compensation opportunities for our senior executives, including the Named Executive Officers (identified below under *Executive Compensation and Other Matters*), that are competitive in the business marketplace and that are based upon Company and individual performance. Our foremost objectives are to:

attract, motivate, reward, and retain the broad-based management talent required to achieve our corporate objectives, and

align executive pay and benefits with the performance of Team.

Transition Period Business Highlights and Overall Compensation Decisions

Overall, the Compensation Committee believes that the total compensation paid to our Named Executive Officers for the Transition Period was reasonable and appropriate. During the Transition Period we operated in a challenging business environment and undertook major initiatives designed to strengthen the Company for long term success. Notably, we achieved the following in the Transition Period:

achieved the Company's performance target for safety performance;

completed the strategic acquisition of Qualspec, LLC, a leading inspection services company, positioning the Company as the preeminent Non-Destructive Testing inspection company in North America; and

entered into a merger agreement with Furmanite, a leading global provider of mechanical specialty services, to create a preeminent global mechanical services company which merger was closed on February 29, 2016.

Role of the Compensation Committee

The Compensation Committee, composed entirely of independent directors, reviews and approves our executive compensation program for all senior executive officers, including the Named Executive Officers, to ensure that our compensation program is adequate to attract, motivate, and retain well-qualified senior executives and that it is directly and materially related to the short-term and long-term objectives of Team and our shareholders and to Team's operating performance. The Compensation Committee annually reviews and evaluates our executive compensation program to ensure that the program is aligned with our compensation philosophy. To carry out its role, among other things, the Compensation Committee:

reviews the major compensation and benefit practices, policies, and programs with respect to our senior executives;

reviews appropriate criteria for establishing performance targets for senior executive compensation;

determines appropriate levels of senior executive compensation;

administers and makes recommendations to the Board with respect to severance and change in control arrangements pertaining to our senior executives (described below under *Senior Management Compensation and Benefit Continuation Policy*);

administers and determines equity awards to be granted under our stock incentive plan; and

reviews and recommends to the Board any changes to director compensation.

The Compensation Committee is authorized to act on behalf of the Board on all issues pertaining to the compensation of our senior executive officers, including individual components of total compensation, goals and

performance criteria for incentive compensation plans, the grant of equity awards, and short and long-term incentive plan design. However, it is the practice of the Compensation Committee to fully review its activities and recommendations with the full Board.

Compensation Philosophy and Process

Our compensation philosophy, as implemented through the Compensation Committee, is to match executive compensation with the performance of Team and the individual by using several compensation components for our senior executives. The Compensation Committee endeavors to support our commitment to generating increases in shareholder value. In addition, the Compensation Committee reviews each senior executive's ownership interest in Team in compliance with our share ownership guidelines for senior executives (described above under *Corporate Governance Share Ownership Guidelines; Restrictions on Trading in Company Securities*). Our compensation and related programs are designed to reward and motivate our senior executives for the accomplishment of specific goals established by our Compensation Committee, for demonstrated commitment to our shareholders by increasing shareholder value and to recruit and retain key executives. The components of the compensation program for our senior executives consists of:

annual base salaries;

annual performance-based incentives paid in cash;

long-term time-based restricted stock units and performance-based incentives issued as equity awards in accordance with Team's stock incentive program; and

benefits.

We offer no special executive perquisites. Our senior executive officers participate in the same benefit plans as our other employees. We do not provide supplemental executive retirement plans, deferred compensation programs, special allowances, or special medical or insurance plans. While committed to maintaining a competitive overall executive compensation program, the Compensation Committee prefers this streamlined approach with minimal special executive benefits.

Our overall compensation philosophy is to consider such factors as competitive industry salaries, a subjective assessment of the nature of the positions, and the contribution, experience, level of responsibility and length of service of our Named Executive Officers in establishing base compensation, and to provide opportunities to exceed the targeted incentive compensation levels through annual performance-based incentives paid in cash and through long-term performance-based incentives. In certain circumstances, we may target base and incentive compensation above or below our peer groups to help attract or retain senior executives, as necessary, or to recognize differences in the business units they manage, their qualifications, responsibilities, role criticality and/or potential. In evaluating senior executive performance for establishing the components of our compensation program, on an annual basis we consider a variety of factors including: the economic environment, Company and business unit operating and financial performance, subjective evaluations of the performance of the senior executive officers, retention, past contributions and future potential. In evaluating the subjective performance, past contributions and future potential of our senior executives, we consider a variety of criteria, including, job knowledge and technical skills, key decision-making abilities, management of the Company and business unit's risk profile, achievement of strategic goals of the Company and their business unit, advancement in role and responsibility, management of personnel and departments, achievement and contribution to special projects and transactions, communication effectiveness, and planning and organizational ability. We believe these targeted levels are appropriate in order to motivate, reward, and retain our senior executives, each of whom has leadership talents and expertise that make him attractive to other companies.

Additionally, we believe our compensation program is designed to encourage executives not to take unreasonable risks that may harm shareholder value. This is achieved by striking an appropriate balance between short-term and long-term incentives, by placing caps on our incentive award payout opportunities, and by maintaining Company stock ownership requirements.

Table of Contents

The Compensation Committee directs the preparation by management of detailed compensation tally sheets for each of our senior executives. The tally sheets serve as an informational tool designed to provide the Committee with details concerning each of the material elements of compensation awarded to our most senior officers, to provide an evaluation of internal equity, and to highlight the individual compensation items in relation to the total compensation for each senior executive. The Committee does not directly use the tally sheets as a basis to determine or modify the compensation of any of the Named Executive Officers.

From time to time, the Compensation Committee has retained third party independent consultants and other experts it deems necessary to provide advice as to market levels of compensation, compensation program design and compensation trends. In 2014, the Compensation Committee engaged Deloitte Consulting LLP (Deloitte) to provide benchmarking data and recommendations for the compensation of Mr. Owen as our President and CEO and of Mr. Hawk as our Executive Chairman following the transition to their new roles. No independent compensation consultant was retained by the Compensation Committee in 2013 or 2015.

Advisory Vote on Executive Compensation

In making executive compensation determinations, the Compensation Committee considered the results of the non-binding, advisory proposal on our executive compensation program set forth in our 2015 Proxy Statement. At our 2015 Annual Meeting of shareholders, 97% of our shareholders who voted (excluding broker non-votes) approved our executive compensation program and approximately 88% of the votes cast (including broker non-votes) voted for approval of the say-on-pay advisory vote. Although non-binding, the Compensation Committee will continue to consider the results from this year's and future advisory shareholder votes regarding our executive compensation program along with the other factors listed in this *Compensation Discussion and Analysis* section.

Benchmarking Tools

In reviewing the appropriate range of overall compensation and the appropriate ranges of the components of compensation, the Compensation Committee also considers, from time to time, the competitiveness of our compensation program against our peer companies, generally when a compensation consultant is utilized, in order to attract and retain highly qualified executives. To facilitate this objective, the Compensation Committee may retain a compensation consultant and consider various compensation surveys and proxy statement compensation information for companies of comparable size and complexity to us and with whom we compete for talent.

Role of the External Compensation Advisor

In June 2013, the Compensation Committee revised and restated its charter and, among other things, adopted requirements related to retaining or seeking advice from compensation consultants, outside counsel and other advisors (other than the Company's in-house counsel). Under the requirements, the Compensation Committee must take into consideration the factors affecting independence as specified by the SEC and the NYSE.

The Compensation Committee Charter grants to the Compensation Committee the authority to retain, at Company expense, compensation consultants, outside legal counsel and other advisors, and to approve their fees. These advisors report directly to the Compensation Committee.

In 2014, our Compensation Committee independently engaged Deloitte to review Team's proposed compensation program, during and following the leadership transition, for the positions of Executive Chairman and President and CEO. In conducting their review, Deloitte examined the existing compensation program and pay practices for Messrs. Hawk and Owen, reviewed Team's financial performance, and reviewed the competitiveness of the proposed executive compensation program relative to a public company peer group and

Table of Contents

survey data. The companies utilized by Deloitte for obtaining this competitive data are set forth below under *Peer Analysis*. The Deloitte review compared base salary, target total cash compensation, target annual and long-term incentive opportunities, and target total direct compensation to market medians. Deloitte also utilized several sources of published compensation survey data by matching, to the extent possible, the job titles and responsibilities of our President and CEO and Executive Chairman with those in the surveys to provide additional competitive compensation information. Deloitte did not provide, nor was it asked by the Compensation Committee to provide, recommendations as to specific compensation payments. Deloitte reported directly to the Compensation Committee, but was authorized by the Compensation Committee to communicate with executive officers to obtain information. In November 2014, Deloitte presented the Compensation Committee with its evaluation of the Company's proposed compensation packages for the upcoming appointment of Messrs. Owen and Hawk to the positions of President and CEO and Executive Chairman, respectively, and provided its assessment with respect to the proposed value ranges of long-term incentive grants as well as the form of such equity compensation. Deloitte's analysis was utilized by the Compensation Committee in their consideration of all aspects of the Company's compensation packages for Messrs. Owen and Hawk to establish base salaries, short-term cash incentives and long term equity incentive awards.

Compensation studies assist the Compensation Committee in establishing the overall compensation practices that are consistent with our philosophy and guiding principles on executive compensation described above. Although compensation studies provide important data for establishing our competitive compensation practices and compensation design, the Compensation Committee uses such studies only as a point of reference and not as a determinative factor for structuring and determining the amount of our Named Executive Officers' compensation. The Compensation Committee also exercises discretion in its use of compensation studies, and the studies do not supplant the significance of individual and Company performance that the Compensation Committee considers when making compensation decisions.

Peer Analysis

In addition to such factors as Company and individual performance, the Compensation Committee from time to time also considers the competitiveness of the Company's compensation programs as compared to its peer group. As stated in *Role of the External Compensation Advisor* above, to establish compensation packages for our President and CEO and Executive Chairman, in 2014 our management and the Compensation Committee, with the assistance of Deloitte, developed a peer group based upon companies that provide services similar to the Company. The peer group of companies is primarily made up of companies that are generally in the range of 50% to 200% of our size with respect to revenues and/or market capitalization. Our 2014 compensation peer group consisted of the following companies:

Aegion Corporation

Basic Energy Services

Cal Dive International

CIRCOR International, Inc.

DXP Enterprises, Inc.

Furmanite Corporation

Matrix Service Company

Mistras Group, Inc.

MYR Group, Inc.

Northwest Pipe Co.

Pike Corporation

Primoris Services Corporation

Tetra Tech, Inc.

Our Compensation Committee did not utilize a compensation study in 2015, thus the compensation peer group has not been updated since 2014.

Table of Contents

Annual Base Salaries

The Compensation Committee considers adjustments to base salary for our senior executives on an annual basis and may do so more frequently upon a change in circumstances. The annual base salaries of our President and CEO and Executive Chairman are decided solely by the Compensation Committee in executive session without management present. The annual base salaries of other Named Executive Officers are determined by the Compensation Committee with input or recommendations from our President and CEO and Executive Chairman. None of the Named Executive Officers have employment agreements.

Transition Period Salary Decisions

The annual base salaries for the other Named Executive Officers were established following the Company's record financial performance for the old fiscal year ended May 31, 2015 as part of the Compensation Committee's annual merit review that was made fully effective in August 2015 as follows: Mr. Owen \$575,000, Mr. Hawk \$275,000, Mr. Victorson \$450,000, Mr. Ott \$350,000, and Mr. Boane \$325,000. Due to timing of pay increases and other payroll processes, the actual base salaries paid in a fiscal year can vary from those described. Information on the amounts actually earned by the Named Executive Officers in fiscal 2013, 2014 and 2015 and the Transition Period can be found in the *Summary Compensation Table* below. In setting the base salaries of our Named Executive Officers, the Committee considered the factors discussed in the above section entitled *Compensation Philosophy and Process*, including, Company and business unit performance, overall scope of responsibility, advancement in role and responsibilities, planning and organizational abilities and overall effectiveness.

On January 7, 2016, Mr. Ott's annual base salary was increased to \$450,000 in recognition of his expanded role in leading the Team Furmanite integration team and, at the closing of the Merger, the assumption of a new role as the principal operating officer of the combined Team-Furmanite business unit, in addition to his role as the President of Quest Integrity Group.

Annual Performance Based Incentives Paid in Cash

We use annual performance-based incentives paid in cash to focus our senior executives on financial and operational objectives that the Compensation Committee believes are primary drivers of our Common Stock price over time and to reward the achievement of short-term financial and operational performance, the execution of strategic objectives, individual contributions to Team results and to provide timely recognition of performance and accomplishments. The Compensation Committee believes that overall levels of annual performance-based incentives paid in cash should be consistent with the overall strategic, financial and operational performance of Team. The annual performance-based incentive plan for senior executives is approved by the Compensation Committee and our shareholders (the *Executive Bonus Plan*).

Our Executive Bonus Plan is an annual performance-based incentive plan for our senior executives based upon our annual operating plan and budget approved by our Board. The performance goals established by the Compensation Committee under the Executive Bonus Plan for the Transition Period were based upon financial measures which made up 80% of the goal and operational measures which made up 20% of the goal. The performance goals are set forth below under *Transition Period Performance-Based Incentives Paid in Cash*. For the Executive Bonus Plan performance measures, the Compensation Committee annually establishes and approves the performance metrics, levels and relevant weighting of each metric based upon their assessment of the probability of achieving the metrics at different thresholds. The Compensation Committee establishes performance metrics for the financial portion of the Executive Bonus Plan based on the level of financial achievement of the Company as measured against our annual budget for fully diluted earnings per share, adjusted for non-routine items (*Adjusted FDEPS*) and operating profit for each of our Team-Furmanite and Team-Qualspec business units. For the operational portion of the Executive Bonus Plan, the Compensation Committee establishes performance metrics based upon the level of achievement of the Company as measured against operational targets established by the Compensation Committee. In establishing operational measures, the

Table of Contents

Compensation Committee may give consideration to a broad range of operational metrics such as: achievement of defined safety performance metrics; achievement of defined operational goals; achievement of strategic aims and targets; achievement and contribution to special projects and transactions; management of the Company's risk profile; and key decision-making. For each performance metric, the Compensation Committee sets target, threshold and maximum performance levels. A participating senior executive would be eligible to receive 100%, 50% or 150% to 200% of their target annual cash incentive compensation, respectively, based on overall performance at the corresponding performance levels.

Our President and CEO provides the Compensation Committee with performance-based incentive recommendations for each senior executive, other than himself, as well as a proposed total performance-based incentives pool for all of our employees. The Compensation Committee assesses the performance recommendations for all of our senior executives and determines the appropriate performance-based incentive recommendation for each of our senior executives, including the President and CEO, in view of Team's overall performance, the individual performance of the senior executives, and the resulting size of the overall performance-based incentive pool relative to Team's earnings.

In addition to the quantitative measures, the Compensation Committee has discretion to approve payouts for performance above or below (as part of, or separately from, the Executive Bonus Plan) any of the performance metrics in order to take into account extraordinary, special or unexpected market, business or individual performance events. In assessing any discretionary amounts to award, the Compensation Committee may give consideration to a broad range of performance and contribution criteria, along with assessments of external benchmarking, overall role and responsibilities and internal equity as more fully described above under *Compensation Philosophy and Process*.

Transition Period Performance-Based Incentives Paid in Cash

For the Transition Period, our senior executives participated in an annual bonus program based upon the Executive Bonus Plan approved by our shareholders at the 2012 Annual Meeting of Shareholders. For the Transition Period, the performance goals established by the Compensation Committee under the Executive Bonus Plan were based on financial measures accounting for 80% of the goal and operational measures accounting for 20% of the goal. For the Transition Period, the financial measure used for Messrs. Hawk, Owen, Boane and Ott under the Executive Bonus Plan was Adjusted FDEPS, because during that time, Messrs. Hawk, Owen, Boane and Ott had overall corporate responsibility. The Compensation Committee believes Adjusted FDEPS is an appropriate measure of the overall performance of the Company that is closely aligned with the interests of our shareholders.

For the Transition Period, the financial measure adopted for Mr. Victorson was based 50% on Adjusted FDEPS and 50% on the operating profits achieved by the Team-Qualspec business unit. In establishing these performance measures, the Compensation Committee determined that, as the senior manager for the Team-Qualspec business unit, Mr. Victorson should have a significant portion of his annual cash incentive compensation directly tied to the operating results of the business unit he operates and a portion tied to overall Team performance. For the 2015 Transition Period, due to the importance of strong safety performance to the Company and to our employees, the Compensation Committee established an operational goal of achievement of a specified safety objective target established by the Compensation Committee based upon the Company's global total recordable incident rate (TRIR). Additional information regarding the threshold, target and maximum performance objectives is reported in footnote 1 under the *Grants of Plan-Based Awards* table.

In July 2015, the Compensation Committee established the annual target Adjusted FDEPS performance objective for the Executive Bonus Plan at \$2.50 and the operating profits target for the Team-Qualspec business

Table of Contents

unit at \$81.0 million (collectively the Operating Profits Target) and the target safety performance measure as achievement of a global TRIR for the Company of 0.40. Following the change to the Company's fiscal year end from May 31 to December 31, the annual performance targets for the Executive Bonus Plan were adjusted for the Transition Period as follows: Adjusted FDEPS of \$1.40; operating profits target for the Team-Qualspec Business Unit of \$ 44.82 million and a global TRIR of 0.40. The performance targets are subject to equitable adjustments in the Compensation Committee's discretion to account for events, like the change in the Company's fiscal year, that significantly impact, positively or negatively, Team's ability to achieve the established target. The Compensation Committee utilizes the Company's quarterly and annual reports filed with the SEC and earnings releases issued by the Company, to take into account charges for restructuring, extraordinary, unusual or non-recurring items, discontinued operations and cumulative effect of accounting changes, which may be identified on the face of the income statements or in the footnotes thereto, or in the Management's Discussion and Analysis section of the Company's Annual Report. In evaluating achievement of the financial performance for the Executive Bonus Plan for the Transition Period, the Compensation Committee determined that the minimum performance level targets had not been met. The Compensation Committee determined that the operational performance goal of the achievement of the global TRIR safety performance measure was achieved by the Company.

The actual amounts earned by each of the Named Executive Officers under the Executive Bonus Plan in fiscal 2013, 2014, 2015 and the Transition Period can be found in the *Summary Compensation Table* below. For the Transition Period, our Compensation Committee determined that no discretionary awards would be made to the NEO's under the Executive Bonus Plan and that the only bonus paid would be for achievement of the operational safety performance target. The Compensation Committee determined that these bonus awards are consistent with our compensation philosophy for the Executive Bonus Plan, because they strike an appropriate balance between the incentive for achievement of short-term financial and operational performance with the incentive for the execution of strategic objectives, individual contributions to Company results and to pay annual incentives consistent with the overall performance of Team.

Long-Term Incentive Compensation

Our Compensation Committee believes that long-term incentive awards should strengthen alignment with our shareholders, provide incentives tied to our performance and serve as a retention vehicle. The Compensation Committee designs its long-term incentive award programs to directly align rewards with our shareholder returns and share performance, to create a significant retention mechanism for our key employees, to provide a unifying reward structure across our Company and to support entrepreneurial and long-term strategic perspectives. The Compensation Committee determines and approves all long-term incentive awards, subject to our shareholder-approved stock incentive plans.

The Compensation Committee believes that restricted stock units with time-based vesting are an important retention tool, because the stock retains some value regardless of our stock price, and creates alignment with shareholder interests because the restricted stock value changes as our stock price changes. Additionally, the Compensation Committee believes that long-term performance-based stock units (LTPSU's) with a performance-based component and a long term cliff vesting component should be provided to our Named Executive Officers for the purpose of creating strong incentives for our Named Executive Officers to achieve our long-term financial performance targets and strategic initiatives.

We maintain a 2006 Stock Incentive Plan, most recently amended in August 2011. We adhere to the following processes relating to the granting of equity awards pursuant to the 2006 Stock Incentive Plan:

all equity grants require the approval of the Compensation Committee;

we do not grant equity awards retroactively; and

we do not purposefully schedule equity awards prior to disclosure of favorable information or after the announcement of unfavorable information.

Table of Contents

Our CEO makes recommendations to the Compensation Committee regarding the annual long-term incentive awards for our other executives, as well as other Team employees. The Compensation Committee independently reviews the data, considers the CEO's proposals, consults with outside experts as needed, and makes its own determinations for the granting of any equity-based awards. In awarding long term incentives, the Compensation Committee considers the level of responsibility, prior experience and achievement of individual performance criteria, as well as peer company comparisons and other factors which are described more fully in the discussion of our *Compensation Philosophy and Process* presented above. In addition, the Compensation Committee also considers past grants of long-term incentive awards, as well as current equity holdings of our executives.

Transition Period Long-Term Incentive Awards

During the Transition Period, the Compensation Committee, continued the long term equity award program for our Named Executive Officers consisting of (i) time-based restricted stock units with annual vesting over four years and (ii) LTPSUs with three-year cliff vesting. Each of these award types is discussed in more detail below. In October 2015, our Compensation Committee approved and awarded LTPSUs and grants of restricted stock units (RSUs) to our Named Executive Officers based upon the May 31 fiscal year end. These long-term incentive awards are set forth in the *Grants of Plan-Based Awards* table under *Executive Compensation and Other Matters* below.

The Compensation Committee plans to continue to make RSU and LTPSU awards to the NEOs each year. These equity grants are determined by taking into consideration each Named Executive Officer's position, experience, level of responsibility and length of service, and market data, individual and Company performance, internal equity considerations, retention concerns and expenses related to the grants. In the event of a change of control (as such term is defined in the stock unit agreement, the LTPSU and the 2006 Stock Incentive Plan) of the Company or in the event of a participant's death, the vesting of any outstanding LTPSUs and RSUs will be accelerated and paid out in Common Stock. Additional information regarding the grant date fair value of the equity awards is reported in the *Summary Compensation Table* and the *Grants of Plan-Based Awards* table.

It is the Compensation Committee's intention that equity awards be considered annually, although such awards are not guaranteed. The eligible employee population, exact timing of grants and the specific form of awards may vary from year to year. The Compensation Committee will continue to monitor and consider the types of awards, vesting requirements, eligible employee pool and applicable accounting, tax and regulatory impacts of long-term incentive awards on an annual basis.

Restricted Stock Units

Consistent with the Company's annual long term incentive program for senior executives, in October 2015, the Compensation Committee awarded RSUs to our Named Executive Officers as set forth in the *Grants of Plan-Based Awards* table under *Executive Compensation and Other Matters* below. Our RSU awards permit each of our Named Executive Officers to receive, upon expiration of the time-based restrictions, shares in an amount equal to a specified number of shares of Common Stock. The restrictions on the awards expire in equal annual installments on the first, second, third and fourth anniversaries of the date of grant, unless earlier terminated in accordance with the 2006 Stock Incentive Plan. All restricted stock unit grants were made in the number of shares equal to the approved award dollar value divided by the 20-day volume weighted average price (VWAP) of our Common Stock on the NYSE on the date of grant, rounded up to the nearest whole share.

Long-Term Performance Stock Units

Under the LTPSU award program adopted by our Compensation Committee, the LTPSU awards granted to our Named Executive Officers in October 2015, as set forth in the *Grants of Plan-Based Awards* table under *Executive Compensation and Other Matters* below, are subject to a three year performance period and a

Table of Contents

concurrent three year service period. Each LTPSU represents the right to receive, if and to the extent designated performance goals covering the three-fiscal-year performance cycle are satisfied, a target award equal to a specified number of shares of our Common Stock following completion of the identified 3-year performance cycle. The performance goal is based on results of operations over the three year performance period with possible payouts ranging from 0% to 300% of the target awards. LTPSU awards cliff vest with achievement of the performance goals and completion of the three year service period. Settlement occurs with Common Stock within 20 business days of vesting. We determine the fair value of each LTPSU award based on the 20 day VWAP of Company stock on the NYSE on the date of grant. For the Transition Period LTPSUs, the Compensation Committee chose operating profits and earnings before interest and taxes (EBIT) as the performance goals. In determining the performance goals for each of the LTPSU awards, the Committee has the discretion to make equitable adjustments to account for events that significantly impact, positively or negatively, Team's ability to achieve the established performance target, such as acquisitions or divestitures and changes to the Company's financial reporting periods. The Committee may utilize the Company's quarterly and annual reports filed with the SEC and earnings releases issued by the Company to take into account charges for restructuring, extraordinary, unusual or non-recurring items, discontinued operations and cumulative effect of accounting changes, or the effect of significant acquisitions, which may be identified in earnings releases, on the face of the income statements or in the footnotes thereto, or in the Management's Discussion and Analysis section of the Company's Annual Report.

Performance-Based Restricted Stock Units

The Committee elected to discontinue the performance-based restricted stock unit program in 2014. In 2011, 2012 and 2013, the Compensation Committee elected to provide Mr. Hawk with performance-based restricted stock units in order to be compliant with the deduction limitation of Section 162(m) of the Code, which limits the amount of remuneration that the Company may deduct for its CEO. The grants of performance-based restricted stock units to Mr. Hawk in fiscal 2011, 2012 and 2013 contain a performance feature that provides that no shares of Common Stock are delivered to Mr. Hawk if the Company does not meet a minimum annual net income requirement (the Performance Goal). In determining net income for purposes of the Performance Goal for each of the performance based awards, the Committee utilizes net income as reported in the Company's quarterly and annual reports filed with the SEC and earnings releases issued by the Company which may be adjusted by the Committee to take into account income charges for restructuring, extraordinary, unusual or non-recurring items, discontinued operations and cumulative effect of accounting changes, or the effect of significant acquisitions, which may be identified on the face of the income statements or in the footnotes thereto, or in the Management's Discussion and Analysis section of the Company's Annual Report.

The performance-based restricted stock grant target and the awards for Mr. Hawk were approved by the Compensation Committee. All performance-based restricted stock unit grants were made in the number of shares equal to the approved award dollar value divided by the closing market price of our Common Stock on the date of grant, rounded up to the nearest whole share. Under the terms of the performance-based stock unit awards, Mr. Hawk was awarded performance stock units designated as the number of stock units that may be paid out in shares of Common Stock if the Company achieves the Performance Goal(s). Upon achievement of the annual Performance Goal(s) and the passage of the time vesting requirement, the restrictions expire in equal annual installments on the first, second, third, fourth, and, if necessary, fifth anniversaries of the grant date, unless earlier terminated in accordance with the Stock Incentive Plan. In the event an annual Performance Goal(s) is not achieved within the performance cycle(s), the Performance Goal(s) may be achieved in subsequent performance cycles upon achievement of the cumulative Performance Goal established by the Compensation Committee. In the event of a change of control (as such term is defined in the performance-based stock unit agreement and the Stock Incentive Plan) of the Company or in the event of Mr. Hawk's death, any outstanding performance stock units will be accelerated and paid out in Common Stock.

For his performance-based awards in prior years, the Compensation Committee determined that Mr. Hawk had achieved the fiscal 2010 through 2015 Performance Goals for the annual performance cycles and the restrictions lapsed for portions of the award and the applicable number of stock units, less applicable tax

Table of Contents

withholding, were converted to Common Stock in accordance with the terms of each of the awards. The Compensation Committee will meet later this year to determine achievement of the performance goals for the annual performance cycles ending in fiscal 2016 under the terms of the fiscal 2012 and 2013 performance-based awards granted to Mr. Hawk. Additional information regarding the grant date fair value of the awards made to Mr. Hawk is reported in the *Summary Compensation Table* and the *Grants of Plan-Based Awards* table.

Compensation Practices Tax Considerations

In establishing total compensation for our senior executive officers, the Compensation Committee considers the accounting treatment and tax treatment of its compensation decisions, including Section 162(m) of the Code, which limits the deductibility of compensation paid to each covered employee. Generally, Section 162(m) of the Code prevents a company from receiving a federal income tax deduction for compensation paid to a Named Executive Officer in excess of \$1 million for any year, unless that compensation is performance-based. One of the requirements of performance-based compensation for purposes of Section 162(m) is that the compensation be paid in accordance with a plan that has been approved by a company's shareholders. To the extent practical, the Compensation Committee intends to preserve deductibility, but may choose to provide compensation that is not deductible if the Compensation Committee determines it is necessary to attract, retain and reward Company executives.

Employment Agreements

None of the Named Executive Officers have employment agreements. Please see *Executive Compensation and Other Matters Senior Management Compensation and Benefit Continuation Policy* and *Potential Payments Upon Termination or Change in Control*, for a discussion of severance and change of control benefits in accordance with our policies.

Retirement Plans

Unlike many other companies our size, we do not provide supplemental executive retirement plans or defined benefit pension plans. We offer a defined contribution, or 401(k), plan to all of our employees based in the United States, including the Named Executive Officers, which provides an employer match of 50% of up to 6% of the employee's contribution.

Perquisites and Personal Benefits

We offer no special executive perquisites to our senior executive officers. We offer medical benefits and life and disability insurance to all of our employees based in the United States, including the Named Executive Officers, on the same basis. Personal benefit and perquisite amounts are not considered annual salary for calculation of bonuses, deferred compensation purposes, or 401(k) contribution purposes.

Table of Contents**EXECUTIVE COMPENSATION AND OTHER MATTERS**

The table below summarizes the total compensation paid or earned by the Named Executive Officers for each fiscal year for the three year period ended May 31, 2015 and for the Transition Period (TP2015). When setting total compensation for each of the Named Executive Officers, the Committee reviews tally sheets which show the executive's current compensation, including equity and non-equity based compensation.

- (1) Mr. Hawk served as CEO until December 1, 2014. On December 1, 2014, Mr. Hawk was appointed as our Executive Chairman of the Board.
- (2) Effective December 1, 2014, Mr. Owen was appointed as President and CEO. Effective July 9, 2014, Mr. Owen was appointed President, CFO & Treasurer. Prior to this appointment, Mr. Owen served as Executive Vice President, CFO & Treasurer. Effective November 3, 2014, Mr. Boane was appointed Senior Vice President, CFO and Treasurer and on March 24, 2016, Mr. Boane was appointed as Executive Vice President, Chief Financial Officer and Treasurer.
- (3) Represents bonus awarded under the Quest Integrity Bonus Plan. This discretionary bonus award is paid subsequent to year end based on financial results for the fiscal year.
- (4) This column shows the aggregate grant date fair value of LTPSUs (for fiscal 2015) and RSUs granted in the years shown. Generally, the aggregate grant date fair value is the amount that Team expects to expense for accounting purposes over the award's vesting schedule and does not correspond to the actual value that the Named Executive Officers will realize from the award. In particular, the actual value of LTPSUs received is different from the accounting expense because it depends on performance. In accordance with FASB ASC Topic 718, the aggregate grant date fair value of the LTPSUs is calculated based on the most probable outcome of the performance conditions as of the grant date, which, for the 2015 LTPSUs, was between threshold and target performance. See the *2014 Grants of Plan-Based Awards Table* for additional information, including the performance conditions and valuation assumptions, as applicable, for LTPSUs and RSUs granted in fiscal 2014. For Mr. Hawk, the stock award column also represents the dollar amount of performance-based restricted stock units awarded in fiscal 2013 and 2014.
- (5) Represents the bonuses earned for fiscal 2015TP, 2015, 2014 and 2013 under our Executive Bonus Plan and any discretionary awards, based upon our Executive Bonus Plan. The bonuses are paid subsequent to year end based on the final results for the fiscal year.
- (6) Represents vehicle allowances of \$4,250 through January 15, 2013 and employer contributions for insurance and the 401(k) plan. Amount includes car allowance and company car perquisites in fiscal 2013 which was converted in January 2013 to \$13,000 annual base salary increase for each executive officer (excluding Mr. Ott).

- (1) The Annual Executive Bonus Plan, based upon achievement of fully diluted earnings per share, was adjusted for the Transition Period as follows: achievement of the fully diluted earnings per share goal in a range of \$1.12 to \$2.03, the threshold and maximum performance targets, respectively, with a target of \$1.40, the operating profits target goal for the Team-Qualspec business unit of \$44.82 million and the safety performance target goal of a 0.45 TRIR. At the threshold earnings level, payouts would generally be 50% of target and at the maximum earnings level payouts would generally be 200% of target. The Compensation Committee reviews financial and individual objectives in determining the actual bonus as reported in the *Summary Compensation Table*. Approved maximum represents the maximum in compliance with Section 162(m) of the Code. Threshold represents the minimum level of performance for which payouts are authorized under the quantitative portion of our Annual Executive Bonus Plan, although the minimum payout is zero. For Named Executive Officers, the Compensation Committee may use its discretion to award more or less than the threshold or target award regardless of whether the threshold operating targets or safety performance targets are met. The actual amount of incentive bonus paid to each Named Executive Officer with respect to Transition Period performance is reported under the non-equity incentive plan compensation column in the *Summary Compensation Table*.
- (2) The Named Executive Officers were granted LTPSUs for the 2015 Transition Period that may convert into shares of Team Common Stock at the end of the three-year performance period based on achievement of specified performance goals (operating profits and EBIT). Each performance goal has specified threshold and target performance levels such that performance below threshold results in no LTPSUs being earned, performance at threshold results in 50% of the LTPSUs being earned, performance at target results in 100% of the LTPSU and performance above target results in up to 300% of the LTPSUs being earned (with proportional adjustment for performance between threshold and target). Accordingly, Named Executive Officers may receive between 0% and 300% of the LTPSUs granted. The number of LTPSUs shown in the threshold, target and maximum columns are calculated as follows: (i) threshold assumes that Team achieves the threshold performance level for the operating profits and EBIT performance goals, (ii) target assumes that Team achieves the target performance level for both the operating profits and EBIT performance goals, and (iii) maximum assumes that Team achieves at or in excess of the maximum target performance level for

Table of Contents

both the operating profits and EBIT performance goals. See the description under *Transition Period Long-Term Incentive Awards* for additional information.

- (3) For a description of the assumptions made in calculating the grant date fair value of the stock awards granted during the 2015 Transition Period in accordance with ASC 718, see Note 12 to the Company's footnotes to its audited financial statements as filed in the Transition Report. These amounts reflect our accounting value for these awards and do not correspond to the actual value, if any, that may be received by the Named Executive Officers for these awards.

Equity Compensation Plan Information

In connection with the Merger, Team assumed all of Furmanite's options that were granted and outstanding immediately prior to the Merger at the exchange ratio of 0.215 per share, which were exercisable, as of the Merger date, for approximately 111,524 shares of Team Common Stock. Such options were previously granted under the Furmanite 1994 Incentive Stock Plan (the "Furmanite Plan") which was assumed by the Company in the Merger. The Furmanite Plan is maintained solely for the purpose of the stock options granted under the Furmanite Plan that remain outstanding. If Proposal No. Four is approved at the Annual Meeting, no future awards will be authorized to be made under the Furmanite Plan.

Senior Management Compensation and Benefit Continuation Policy

Our Board adopted a Senior Management Compensation and Benefits Continuation Policy (the "Executive Severance Policy") that recognizes the leadership roles that are critical to our success and provides our executive management with reasonable assurances of continued compensation in the event of a separation from the Company for any reason other than "for cause." The Executive Chairman does not participate in the Executive Severance Plan.

The Executive Severance Policy provides generally that upon (i) involuntary termination by the Company without cause and (ii) employee voluntary termination for good reason, the terminated executive would receive:

a continued salary for a stated period (18 months for the CEO, 15 months for Presidents and Executive Vice Presidents and 12 months for Senior Vice Presidents), a portion of which may be paid in a single lump sum if necessary to satisfy Section 409A exception requirements;

a single lump sum payment (\$19,000 for the CEO, \$15,500 for Presidents and Executive Vice Presidents and \$12,500 for Senior Vice Presidents) to compensate the executives for health and welfare benefits; and

access to outplacement assistance paid by the Company for six months.

Table of Contents

In exchange for such benefits, the executive must enter into a general release agreement and one-year non-competition agreement with the Company. If the employee breaches the non-competition agreement prior to its expiration, we have the right to suspend all subsequent severance payments and to seek restitution for payments already made.

Severance benefits are also triggered when an involuntary termination without cause or voluntary termination for good reason occurs within 90 days before or within 360 days after a change of control. In such event, the terminated executive would generally receive:

a supplemental single lump sum salary payment equivalent to 36 months for the CEO, 30 months for Presidents and Executive Vice Presidents and 24 months for Senior Vice Presidents, payable on the 91st day following termination;

a supplemental single sum compensation payment representing annual bonus opportunities, calculated as the higher of the most recent year's paid bonus or the average bonus paid for the last three years (three times annual bonus opportunity for the CEO, two and one-half times annual bonus opportunity for Presidents and Executive Vice Presidents and two times annual bonus opportunity for Senior Vice Presidents), payable on the 91st day following termination;

a single lump sum payment (\$66,000 for the CEO, \$55,000 for Presidents and Executive Vice Presidents and \$44,000 for Senior Vice Presidents) to compensate the executives for health and welfare benefits paid on 91st day following termination; and

access to outplacement assistance paid by the Company for six months.

These enhanced severance benefits are generally payable 91 days after termination from employment and are only available where both a change in control and an involuntary separation without cause or a voluntary separation for good reason occur. In exchange for such benefits, the executive must enter into a general release agreement with the Company. For purposes of the Executive Severance Policy, the following definitions apply:

A **change in control** is any **change in control event** referred to in Treasury Regulation Section 1.409A-3(i)(5)(i).

A **voluntary separation for good reason** means the termination of employment by the executive upon the occurrence of any of the following events without the consent of the executive:

a material diminution in the base compensation of the executive;

a material change in geographic work location for an executive to a location more than 50 miles from the executive's current work location; or

a material diminution in the executive's authorities, duties or responsibilities, and position within the leadership team; provided, however, that a **voluntary separation for good reason** shall not be considered to occur solely because an executive's authorities, duties or responsibilities, and position are reallocated to other senior executives based on a good faith determination by the Board that such reallocation is necessary in order for the Company adequately to address material growth and/or expansion of the business.

An **involuntary termination of employment without cause** means a termination from employment that is not the result of:

a good faith determination by the Board that the executive knowingly committed material acts involving fraud, dishonesty or violations of criminal or other statutes; or

a good faith determination by the Board that the executive knowingly violated the Company's Code of Ethical Conduct.

Table of Contents

The Board administers this policy consistent with Section 409A of the Code and makes the final good faith determination on whether or not an involuntary termination is for cause or without cause; whether or not a voluntary termination is for good reason; and whether or not a change of control event has occurred and is objectively determinable.

Potential Payments Upon Termination or Change of Control

As discussed above under *Senior Management Compensation and Benefit Continuation Policy*, the Board adopted a policy that recognizes the leadership roles that are critical to our success and provides our executive management with reasonable assurances of compensation in the event of a separation from the Company for any reason other than for cause. Based on the terms of the Executive Severance Policy, the amount of compensation payable to each Named Executive Officer in each situation is listed below. The following information assumes the involuntary termination by the Company without cause, the voluntary termination by the employee for good reason or the change of control and the Named Executive Officer termination occurred on December 31, 2015.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires our directors and executive officers, and persons who own more than ten percent (10%) of a registered class of our equity securities to file with the SEC initial reports of ownership and reports of changes in ownership of Common Stock and other equity securities of the Company. Executive officers, directors and greater than ten percent (10%) stockholders are required by SEC regulation to furnish us with copies of all Section 16(a) forms they file.

Based solely on a review of the copies of such reports furnished to us and written representations that no other reports were required during the Transition Period, we believe that, during the Transition Period, all filings with the SEC by our senior executive officers and directors subject to the reporting requirements and each beneficial owner of more than 10 percent of our Common Stock complied with requirements for reporting ownership and changes in ownership of Team's Common Stock in accordance with Section 16(a) of the Exchange Act.

TRANSACTIONS WITH RELATED PERSONS

The Board reviews all relationships and transactions in which the Company and its directors and executive officers or their immediate family members are participants to determine whether such persons have a direct or indirect material interest. As matters come up, we rely on our corporate legal counsel to obtain information from our directors and executive officers with respect to related person transactions and for then determining, based upon the facts and circumstances, whether the Company or a related person has a direct or indirect material interest in the transaction. As required under SEC rules, transactions that are determined to be directly or indirectly material to the Company or a related person are disclosed in our Proxy Statement.

The Company maintains policies and procedures for the review, approval or ratification of certain transactions between directors or members of their immediate families and the Company. Our policy, contained in our Code of Ethical Conduct and the Charter of the Corporate Governance and Nominating Committee, requires that any transaction in which a director or executive officer (or an immediate family member) has an interest that is in conflict or potential conflict with the interests of the Company shall be prohibited, unless unanimously approved by the Corporate Governance and Nominating Committee and the full Board.

AUDIT COMMITTEE REPORT

The Audit Committee consists of the four members of our Board identified below. Each Audit Committee member is independent, as defined by the applicable listing requirements of the NYSE. The duties and responsibilities of the Audit Committee are set forth in a written charter adopted by the Board.

The Audit Committee has reviewed and discussed the audited financial statements for the Transition Period ended December 31, 2015 with senior management and has discussed with KPMG LLP (KPMG), the independent auditors for Team, the matters required to be discussed with the committee under standards of the Public Company Accounting Oversight Board (United States) , including Auditing Standard No. 16, Communications with Audit Committees.

The Audit Committee has also received the written disclosures and the letter from the independent accountants required by applicable requirements of the Public Company Accounting Oversight Board regarding KPMG s communications with the Audit Committee concerning independence, and has discussed KPMG s independence from Team and its management with KPMG.

The Board has adopted a written charter for the Audit Committee, a copy of which is posted on our website at www.teamindustrialservices.com on the Investors page under Governance.

The Audit Committee has discussed with our internal auditors and KPMG the overall scope and plans for their respective audits. The Audit Committee meets regularly with the internal auditors and KPMG, with and without representatives of management, to discuss the results of their examinations, the evaluations of Team s internal controls and the overall quality of Team s accounting principles.

In performing all of these functions, the Audit Committee acts in an oversight capacity and necessarily relies on the work and assurances of Team s management and KPMG which, in its report, expresses an opinion on whether or not Team s annual financial statements conform, in all material respects, with accounting principles generally accepted in the United States and on the effectiveness of Team s internal control over financial reporting. In reliance on the opinions and discussions referred to above, the Audit Committee recommended to the Board that the audited financial statements be included in the Company s Transition Report on Form 10-K for the Transition Period ended December 31, 2015 filed with the SEC.

Principal Accountant Fees and Services

The following table sets forth the fees billed by KPMG for the seven-month period ended December 31, 2015 and the fiscal years ended May 31, 2015 and 2014.

	Transition Period	FY 2015	FY 2014

Audit-Related Fees			
Tax Fees			
All Other Fees			
Total	\$ 1,525,000	\$ 1,104,800	\$ 1,162,550

The Audit Committee's charter provides for review and pre-approval by the Audit Committee of all audit services, permissible non-audit services and related fees conducted by our independent auditor. The Audit Committee meets annually to approve audit and tax fees for the ensuing year. The Audit Committee has authorized the Chairman of the Audit Committee to engage KPMG on non-audit matters not exceeding \$100,000; provided that KPMG is more efficient or uniquely qualified to perform the work for which it is engaged and that such engagement is reported to the full Audit Committee in a timely manner. All of the fees and services described above under *Audit Fees*, *Audit-Related Fees*, and *Tax Fees* were approved by the Audit Committee and the Audit Committee concluded that the provision of such services by KPMG did not impact KPMG's independence in the conduct of their auditing functions.

Under its charter, the Audit Committee has the duty and responsibility for ensuring the rotation of audit partners as required by law as well as periodically evaluating whether to rotate our independent auditors.

In no event shall a Change of Control of the Company be deemed to occur by virtue of the acquisition of the Company's securities by one or more Benefit Plans.

Unless otherwise determined by the Committee and evidenced in an applicable Award Agreement, upon a Participant's Termination of Service for any reason other than Disability or death, or Termination of Service for Cause, the Participant may exercise only those Incentive Stock Options that were immediately exercisable by the Participant at the date of such termination and only for three months following the date of such termination, or, if sooner, the expiration of the term of the Incentive Stock Option.

A net exercise means the delivery of a properly executed notice followed by a procedure pursuant to which (1) the Company will reduce the number of Shares otherwise issuable to a Participant upon the exercise of an Option by the largest whole number of Shares having a Fair Market Value that does not exceed the aggregate Exercise Price for the Shares with respect to which the Option is exercised, and (2) the Participant shall pay to the Company in cash the remaining balance of such aggregate Exercise Price not satisfied by such reduction in the number of whole

- (a) Payment of the Restricted Stock. Awards of Restricted Stock may only be made in whole Shares.
- (b) Terms of the Restricted Stock. Subject to the limitations in Section 15(a), the Committee shall determine the dates on which Restricted Stock granted to a Participant shall vest and any specific conditions or performance goals which must be satisfied prior to the vesting of any installment or portion of the Restricted Stock. Notwithstanding other paragraphs in this Section 10, the Committee may, in its sole discretion, accelerate the vesting of any Restricted Stock except for any Restricted Stock that are Qualified Performance-Based Awards under Section 14 hereof. The acceleration of any Restricted Stock shall create no right, expectation or reliance on the part of any other Participant or that certain Participant regarding any other Restricted Stock.
- (c) Termination of Service (General). Unless otherwise determined by the Committee and evidenced in an applicable Award Agreement, upon a Participant's Termination of Service for any reason other than Disability or death, the Participant's unvested Restricted Stock as of the date of termination shall be forfeited and any rights the Participant had to such unvested Restricted Stock shall become null and void.
- (d) Termination of Service (Disability or Death). Unless otherwise provided in the applicable Award Agreement, in the event of a Participant's Termination of Service due to Disability or death, all unvested Restricted Stock held by such Participant, including any Restricted Stock subject to a Performance Goal, shall immediately vest.
- (e) Voting of Restricted Stock. After a Restricted Stock Award has been granted, but for which Shares covered by such Restricted Stock have not yet vested, the Participant shall be entitled to vote such Shares subject to the rules and procedures adopted by the Committee for this purpose.
- (f) Restrictive Legend. Each certificate issued in respect of one or more shares of Restricted Stock shall be registered in the name of the Participant and, at the discretion of the Board, each such certificate may be deposited in a bank designated by the Board. Each such certificate shall bear the following (or a similar) legend:

The transferability of this certificate and the shares of stock represented hereby are subject to the terms and conditions (including forfeiture) contained in the Team, Inc. 2016 Equity Incentive Plan and an agreement entered into between the registered owner and Team, Inc. A copy of such plan and agreement is on file at the principal office of Team, Inc.
- (g) Transfers of Unrestricted Shares. Upon the vesting date for Restricted Stock, such Restricted Stock will be transferred free of all restrictions to a Participant (or his or her legal representative, beneficiary or heir).
- (h) Awards to Outside Directors. The Committee may award shares of Stock to Outside Directors pursuant to this Section 10. The Committee shall designate the terms and conditions of any grant of Stock under this Section 10(h). Notwithstanding the provisions of Section 10(b) above, an award of Stock to an Outside Director under this Section 10(h) may be fully vested on the date such shares are issued.

11. RESTRICTED STOCK UNITS

The Committee may, subject to the limitations of the Plan and the availability of Shares reserved but not previously awarded under this Plan, grant Restricted Stock Unit Awards to eligible individuals upon such terms and conditions as it may determine to the extent such terms and conditions are consistent with the following provisions.

(a) Settlement of Restricted Stock Unit Award. A Restricted Stock Unit Award shall be settled either by the delivery of whole Shares or by the payment of cash based upon the Fair Market Value of a specified number of Shares, in the discretion of the Committee, subject to the terms of the applicable Award Agreement. Unless otherwise determined by the Committee and evidenced in an applicable Award Agreement, any Stock Certificate evidencing the Shares payable under a Restricted Stock Unit Award will be issued (or cash paid) within an administratively reasonable period after the date on which the Restricted Stock Unit vests so that the payment of Shares qualifies for the short-term deferral exception under Code Section 409A; provided, however, that the Company may delay the settlement and payment of a Restricted Stock Unit in either of the circumstances described below provided the Company treats all payments to similarly situated Participants on a reasonably consistent basis:

(i) Payments Subject to Code Section 162(m). A payment to a Participant may be delayed to the extent the Company reasonably anticipates that if the payment were made as scheduled, the Company's deduction with respect to such payment would not be permitted due to the applicability of Code Section 162(m), provided that the payment is made either during the Participant's first taxable year in which the Company reasonably anticipates, or should reasonably anticipate, that if the payment is made during such year, the deduction of such payment will not be barred by the applicability of Code Section 162(m). No election may be provided to the Participant with respect to the timing of payment under this Section 11(a)(i).

(ii) Payments that would Violate Federal Securities Laws or Other Applicable Law. A payment may be delayed where the Company reasonably anticipates that the making of the payment will violate federal securities laws or other applicable law; provided, however, that the payment is made at the earliest date at which the Company reasonably anticipates that the making of the payment will not cause such violation. For this purpose, the making of a payment that would cause inclusion in gross income or the application of any penalty provision or other provision of the Code is not treated as a violation of applicable law.

(b) Terms of Restricted Stock Unit Awards. Subject to the limitations in Section 15(a), the Committee shall determine the dates on which Restricted Stock Units granted to a Participant shall vest and any specific conditions or performance goals which must be satisfied prior to the vesting of any Award. Notwithstanding other paragraphs in this Section 11, the Committee may, in its sole discretion, accelerate the vesting of any Restricted Stock Units except for any such Restricted Stock Units that are Performance-Based Awards under Section 14 hereof. The acceleration of any Restricted Stock Unit Award shall create no right, expectation or reliance on the part of any other Participant or that Participant regarding any other Restricted Stock Unit Award.

(c) Termination of Service (General). Unless otherwise determined by the Committee and evidenced in an applicable Award Agreement, upon a Participant's Termination of Service for any reason other than Disability or death, the Participant's unvested Restricted Stock Units as of the date of termination shall be forfeited and any rights the Participant had to such unvested Awards shall become null and void.

(d) Termination of Service (Disability or Death). Unless otherwise provided in the applicable Award Agreement, in the event of a Participant's Termination of Service due to Disability or death, all unvested Restricted Stock Units held by such Participant shall immediately vest.

(e) Deferral. Unless expressly permitted by the Committee in the Award Agreement, a Participant does not have any right to make any election regarding the time or form of any payment pursuant to a Restricted Stock Unit Award. To the extent permissible under applicable law, the Committee may permit a Participant to defer

Table of Contents

payment under a Restricted Stock Unit to a date or dates after the Restricted Stock Unit vests, provided that the terms of the Restricted Stock Unit and any deferral satisfy the requirements to avoid imposition of the additional tax under Code Section 409A(a)(1)(B).

12. STOCK APPRECIATION RIGHTS

The Committee may, subject to the limitations of the Plan and the availability of Shares reserved but not previously awarded under this Plan, grant Stock Appreciation Rights to eligible individuals upon such terms and conditions as it may determine to the extent such terms and conditions are consistent with the following provisions.

(a) Exercise Price. The Committee shall determine the Exercise Price of each Stock Appreciation Right. However, the Exercise Price shall not be less than the Fair Market Value of the Common Stock on the Date of Grant.

(b) Terms of Stock Appreciation Rights. The Committee shall determine the term during which a Participant may exercise a Stock Appreciation Right, but in no event may a Participant exercise a Stock Appreciation Right, in whole or in part, more than 10 years from the Date of Grant. The Committee shall also determine the date on which each Stock Appreciation Right, or any part thereof, first becomes exercisable and any terms or conditions a Participant must satisfy in order to exercise each Stock Appreciation Right. A Stock Appreciation Right may not be exercised for fractional shares. If, on the date when a Stock Appreciation Right would otherwise terminate or expire the Exercise Price of the Stock Appreciation Right is less than the Fair Market Value of the Shares subject to the Stock Appreciation Right on such date but any portion of the Stock Appreciation Right has not been exercised, then subject to Section 12(g), the Stock Appreciation Right shall automatically be deemed to be exercised as of such date with respect to such portion. An Award Agreement with respect to a Stock Appreciation Right may also provide for an automatic exercise of the Stock Appreciation Right on an earlier date.

(c) Termination of Service (General). Unless otherwise determined by the Committee and evidenced in an applicable Award Agreement, upon a Participant's Termination of Service for any reason other than resignation, Disability or death, or Termination of Service for Cause, the Participant may exercise only those Stock Appreciation Rights that were immediately exercisable by the Participant at the date of such termination and only for two years following the date of such termination, or, if sooner, the expiration of the term of the Stock Appreciation Right.

(d) Termination of Service (Resignation). Unless otherwise determined by the Committee and evidenced in an applicable Award Agreement, upon a Participant's Termination of Service by resignation, the Participant may exercise only those Stock Appreciation Rights that were immediately exercisable by the Participant at the date of such termination and only for one year following the date of such termination, or, if sooner, the expiration of the term of the Stock Appreciation Right.

(e) Termination of Service (Disability or Death). Unless otherwise determined by the Committee and evidenced in an applicable Award Agreement, in the event of a Participant's Termination of Service due to Disability or death, all Stock Appreciation Rights held by such Participant shall become immediately vested and fully exercisable and remain exercisable for one year following the date of such termination, or, if sooner, the expiration of the term of the Stock Appreciation Right.

(f) Termination of Service for Cause. Unless otherwise determined by the Committee and evidenced in an applicable Award Agreement, in the event of a Participant's Termination of Service for Cause, all rights with respect to the Participant's Stock Appreciation Rights shall be forfeited and expire immediately upon the effective date of such Termination of Service for Cause.

(g) Extension of Term of Stock Appreciation Right. If a Stock Appreciation Right would expire on a day that the Participant cannot exercise the Stock Appreciation Right because such an exercise would violate an applicable federal, state, local, or foreign law, the expiration date shall be tolled, at the discretion of the

Table of Contents

Committee, to the date no later than 30 days after the date the exercise of such Stock Appreciation Right would no longer violate an applicable federal, state, local and foreign laws, but only to the extent allowed under Code Section 409A.

(h) Settlement. Upon exercise, a Stock Appreciation Right shall be settled in cash or Shares, or both, in the discretion of the Committee, subject to the terms of the applicable Award Agreement.

13. TERMS AND CONDITIONS OF PERFORMANCE UNIT AWARDS

Subject to the terms of the Plan, the Committee, in its discretion, may award Performance Units to any Participant. Each Award of Performance Units shall be evidenced by an agreement, in such form as is approved by the Committee, and, except as otherwise provided by the Committee, all Performance Units shall be subject to the following express terms and conditions and to such other terms and conditions, not inconsistent with the Plan, as the Committee shall deem appropriate:

(a) Value of Performance Units. Each Performance Unit shall have an initial notional value equal to a dollar amount determined by the Committee, in its sole discretion. The Committee shall set performance goals in its discretion that, depending on the extent to which they are met over the specified Performance Period, will determine the number of Performance Units that shall be settled and paid to the Participant.

(b) Earning of Performance Units. After the applicable Performance Period has ended, the number of Performance Units earned by the Participant over the Performance Period shall be determined as a function of the extent to which the applicable corresponding performance goals have been achieved. This determination shall be made solely by the Committee.

(c) Settlement of Performance Units. Any Performance Unit shall be settled and paid within ninety (90) days after the end of the applicable Performance Period in the form of cash or in shares of Common Stock or in a combination thereof, as specified in the Participant's applicable Award Agreement. Unless otherwise provided in the applicable Award Agreement, a Participant must be employed by the Company or Affiliate on the day a Performance Unit is paid to the Participant. Furthermore, a Participant shall be eligible to receive payment pursuant to a Performance Unit for a Performance Period only if the Performance Goals for such period are achieved. Any shares of Common Stock paid to a Participant under this Section may be subject to any restrictions deemed appropriate by the Committee.

14. QUALIFIED PERFORMANCE-BASED AWARDS

(a) Purpose. The purpose of this Section 14 is to provide the Committee the ability to grant Restricted Stock and Restricted Stock Units as Qualified Performance-Based Awards. If the Committee, in its discretion, decides to grant to a Covered Employee an Award of Restricted Stock and Restricted Stock Units that is intended to constitute a Qualified Performance-Based Award, the provisions of this Section 14 shall control over any contrary provision contained herein; *provided, however*, that the Committee may grant Awards to Covered Employees that are based on Performance Criteria or Performance Goals that do not satisfy the requirements of this Section 14.

(b) Applicability. This Section 14 shall apply only to those Covered Employees selected by the Committee to receive Qualified Performance-Based Awards. The designation of a Covered Employee as a Participant for a Performance Period shall not in any manner entitle the Participant to receive an Award for the relevant Performance Period. Moreover, designation of a Covered Employee as a Participant for a particular Performance Period shall not require designation of such Covered Employee as a Participant in any subsequent Performance Period and designation of one Covered Employee as a Participant shall not require designation of any other Covered Employees as a Participant in such period or in any other period.

(c) Procedures with Respect to Qualified Performance-Based Awards. To the extent necessary to comply with the Qualified Performance-Based Award requirements of Code Section 162(m)(4)(C), with respect to any

Table of Contents

Award that may be granted to one or more Covered Employees, no later than 90 days following the commencement of any fiscal year in question or any other designated fiscal period or period of service (or such other time as may be required or permitted by Code Section 162(m)), the Committee shall, in writing, (a) designate one or more Covered Employees, (b) select the Performance Criteria applicable to the Performance Period, (c) establish the Performance Goals, and amounts of such Awards, as applicable, which may be earned for such Performance Period, and (d) specify the relationship between Performance Criteria and the Performance Goals and the amounts of such Qualified Performance-Based Awards, as applicable, to be earned by each Covered Employee for such Performance Period. Following the completion of each Performance Period, the Committee shall certify in writing whether the applicable Performance Goals have been achieved for such Performance Period. No Award or portion thereof that is subject to the satisfaction of any condition shall be considered to be earned or vested until the Committee certifies in writing that the conditions to which the distribution, earning or vesting of such Award is subject have been achieved. The Committee may not increase during a year the amount of a Qualified Performance-Based Award that would otherwise be payable upon satisfaction of the conditions but may reduce or eliminate the payments as provided for in the Award Agreement.

(d) **Adjustments and Modifications.** Unless otherwise determined by the Committee at the time a Qualified Performance-Based Award is granted, the Committee shall have the authority to specify adjustments or modifications to be made to the calculation of any applicable Performance Goals based on and in order to appropriately reflect the following events: (i) asset write-downs; (ii) litigation or claim judgments or settlements; (iii) the effect of changes in tax laws, accounting principles, or other laws or regulatory rules affecting reported results; (iv) any reorganization and restructuring programs; (v) extraordinary nonrecurring items as described in Accounting Standards Codification Topic 225-20 (or any successor pronouncement thereto) and/or in Management's Discussion and Analysis of Financial Condition and Results of Operations appearing in the Company's Annual Report on Form 10-K for the applicable year; (vi) acquisitions or divestitures and the related costs and expenses; (vii) any other specific, unusual or nonrecurring events, or objectively determinable category thereof; (viii) foreign exchange gains and losses; (ix) discontinued operations and nonrecurring charges; and (x) a change in the Company's fiscal year, provided that the exercise of such authority at such time would not cause any Qualified Performance-Based Award to fail to qualify as performance-based compensation under Section 162(m) of the Code.

(e) **Payment of Qualified Performance-Based Awards.** Unless otherwise provided in the applicable Award Agreement, a Participant must be employed by the Company or an Affiliate on the day a Qualified Performance-Based Award for such Performance Period is paid to the Participant. Unless otherwise provided in the applicable Award Agreement, in the event of Participant's Termination of Service due to Disability or death, all unvested Qualified Performance-Based Awards held by such Participant shall immediately vest.

(f) **Additional Limitations.** Notwithstanding any other provision of the Plan, any Award granted to a Covered Employee that is intended to constitute a Qualified Performance-Based Award shall be subject to any additional limitations set forth in Code Section 162(m) or any regulations or rulings issued thereunder that are requirements for qualification as qualified performance-based compensation as described in Code Section 162(m)(4)(C), and the Plan shall be deemed amended to the extent necessary to conform to such requirements.

(g) **Effect on Other Plans and Arrangements.** Nothing contained in the Plan will be deemed in any way to limit or restrict the Committee from making any award or payment to any person under any other plan, arrangement or understanding, whether now existing or hereafter in effect.

15. VESTING

(a) **Minimum Vesting Period.** Each Award issued under this Plan's terms shall have a vesting period of not less than one (1) year; provided, however, that (i) no minimum vesting period shall apply with respect to grants of up to five percent (5%) of the amount designated in Section 5(a) above, subject to adjustment as provided in Section 20(a), and (ii) this Section 15(a) shall not apply to Substitute Awards issued pursuant to Section 5(c) above.

Table of Contents

(b) Options. A Participant may not exercise an Option until it has become vested. The portion of an Award of Options that is vested depends upon the period that has elapsed since the Date of Grant. The following schedule applies to any Award of Options under this Plan unless the Committee establishes a different vesting schedule on the Date of Grant as set forth in the Award Agreement evidencing the Award:

Number of Months Since Date of Grant	Vested Percentage
fewer than 12 months	0%
at least 12 months, but less than 24 months	33 $\frac{1}{3}$ %
at least 24 months, but less than 36 months	66 $\frac{2}{3}$ %
36 months or more	100%

Unless the Committee otherwise provides in the applicable Award Agreement or the preceding provisions of this Section or Section 15(d) or 15(e) applies, if a Participant's employment with or service to the Company or an Affiliate terminates for any reason other than Disability or death, any Awards that are not yet vested are immediately and automatically forfeited; provided, however, in such special circumstances as the Committee deems appropriate, the Committee may take such action as it deems equitable in the circumstances or in the best interests of the Company, including, without limitation, fully vesting an Award or waiving or modifying any other limitation or requirement under the Award.

(c) Restricted Stock, Restricted Stock Units and Stock Appreciation Rights. The Committee shall establish the vesting schedule to apply to any Award of Restricted Stock, Restricted Stock Units or Stock Appreciation Rights, and in the absence of such a vesting schedule set forth in the applicable Award Agreement, such Award shall vest in accordance with the schedule in Section 15(b), except that no vesting in accordance with Section 15(b) shall operate to accelerate the time of payment in violation of Section 409A of the Code or to cause a Qualified Performance-Based Award to fail to be performance-based compensation within the meaning of Code Section 162(m).

(d) Effect of Change of Control.

(i) Unless otherwise provided in the applicable Award Agreement, in the event of a Change of Control of the Company in which the successor company assumes or substitutes for an Option, Stock Appreciation Right, Restricted Stock, Restricted Stock Unit or Performance Unit (or in which the Company is the ultimate parent corporation and continues the Award), if a Participant's employment with such successor company (or the Company) or a subsidiary thereof is terminated without Cause within 12 months before or after such Change of Control or Participant resigns for Good Reason (or such other period set forth in the Award Agreement):

1. Options and Stock Appreciation Rights outstanding as of the date of such Change of Control (or Termination of Service, if later) will immediately vest upon the Change of Control (or Termination of Service, if later), become fully exercisable, and may thereafter be exercised for two years (or the period of time set forth in the Award Agreement), or, if sooner, the expiration of the term of the Award; and

2. The restrictions, limitations and other conditions applicable to Restricted Stock, Restricted Stock Units and Performance Units outstanding as of the Change of Control (or Termination of Service, if later) shall lapse and the Restricted Stock and Restricted Stock Units shall become free of all restrictions, limitations and conditions and become fully vested, and

For the purposes of this Section 15(d), an Option, Stock Appreciation Right, Restricted Stock, Restricted Stock Unit or Performance Unit shall be considered assumed or substituted for if following the Change of Control the Award confers the right to purchase or receive, for each Share subject to the Option, Stock Appreciation Right, Restricted Stock or Performance Unit, or Restricted Stock Unit immediately prior to the Change of Control, the consideration (whether stock, cash or other securities or property) received in the transaction constituting a Change of Control by holders of Shares for each Share held on the effective date of

Table of Contents

such transaction (and if holders were offered a choice of consideration, the type of consideration chosen by the holders of a majority of the outstanding Shares); provided, however, that if such consideration received in the transaction constituting a Change of Control is not solely common stock of the successor company, the Committee may, with the consent of the successor company, provide that the consideration to be received upon the exercise or vesting of an Option, Stock Appreciation Right, Restricted Stock or Performance Unit, or Restricted Stock Unit Award, for each Share subject thereto, will be solely common stock of the successor company substantially equal in fair market value to the per Share consideration received by holders of Shares in the transaction constituting a Change of Control. The determination of such substantial equality of value of consideration shall be made by the Committee in its sole discretion and its determination shall be conclusive and binding.

(ii) Unless otherwise provided in the applicable Award Agreement, in the event of a Change of Control, to the extent the successor company does not assume or substitute for an Option, Stock Appreciation Right, Restricted Stock, or Restricted Stock Unit Award (or in which the Company is the ultimate parent corporation and does not continue the Award), then as of the Change of Control:

1. Those Options and Stock Appreciation Rights outstanding as of the date of the Change of Control that are not assumed or substituted for (or continued) shall immediately vest and become fully exercisable;

2. Restrictions, limitations and other conditions applicable to Restricted Stock, Performance Units and Restricted Stock Units that are not assumed or substituted for (or continued) shall lapse and the Restricted Stock, Performance Units and Restricted Stock Units shall become free of all restrictions, limitations and conditions and become fully vested and transferable to the full extent of the original grant; and

3. Any Award subject to performance criteria shall be prorated based on the performance from the Award Date to the date of the Change of Control. The proration shall be based upon the method set forth in the Award Agreements evidencing the applicable Awards, or if no method is specified, based upon the total number of days during the performance period prior to the Change of Control in relation to the total number of days during the performance period.

16. DIVIDENDS AND DIVIDEND EQUIVALENTS

The Committee may provide that Restricted Stock and Restricted Stock Units shall earn dividends or dividend equivalents. Such dividends or dividend equivalents may be paid currently or may be credited to an account maintained on the books of the Company. Any payment or crediting of dividends or dividend equivalents will be subject to such terms, conditions, limitations and restrictions as the Committee may establish, from time to time, including, without limitation, reinvestment in additional shares of Common Stock or common share equivalents. Notwithstanding the foregoing, the Committee may not provide for the current payment of dividends or dividend equivalents with respect to any shares of Common Stock subject to a Qualified Performance-Based Award. For all Qualified Performance-Based Awards, the Committee may only provide for the accrual of dividends or dividend equivalents that will not be payable to a Participant unless and until, and only to the extent that, the shares of Common Stock subject to such Award vest upon satisfaction of the relevant Performance Goals and all other applicable conditions to vesting. Dividend or dividend equivalent rights shall be as specified in the Award Agreement, or pursuant to a resolution adopted by the Committee with respect to outstanding Awards. No dividends or dividend equivalents shall be paid on Options or Stock Appreciation Rights.

17. RIGHTS OF PARTICIPANTS

No Participant shall have any rights as a stockholder with respect to any Shares covered by an Award until the date of issuance of a stock certificate for such Common Stock. Nothing contained in this Plan or in any Award Agreement confers on any person any right to continue in the employ or service of the Company or an Affiliate or interferes in any way with the right of the Company or an Affiliate to terminate a Participant's services.

Table of Contents

18. DESIGNATION OF BENEFICIARY

A Participant may, with the consent of the Committee (which shall not be unreasonably withheld), designate a beneficiary or beneficiaries to receive, in the event of death, any Award to which the Participant would then be entitled. Such designation will be made upon forms supplied by and delivered to the Company and may be revoked in writing. If a Participant fails to designate a beneficiary, or if no designated beneficiary survives the Participant, then the Participant's estate will be deemed to be the beneficiary.

19. TRANSFERABILITY OF AWARDS

(a) Incentive Stock Options. Incentive Stock Options are not transferable, voluntarily or involuntarily, other than by will or by the laws of descent and distribution or pursuant to a qualified domestic relations order as defined by the Code. During a Participant's lifetime, Incentive Stock Options may be exercised only by the Participant (or a legal representative if the Participant becomes incapacitated).

(b) Awards Other Than Incentive Stock Options. All Awards granted pursuant to this Plan other than Incentive Stock Options are transferable only by will or by the laws of descent and distribution or pursuant to a qualified domestic relations order as defined by the Code; provided, however, with the approval of the Committee, a Participant may transfer a Non-Statutory Stock Option or a Stock Appreciation Right for no consideration to or for the benefit of one or more Permitted Transferees subject to such limits as the Committee may establish, and the Permitted Transferee shall remain subject to all the terms and conditions applicable to the Award prior to such transfer. The transfer of an Award pursuant to this Section shall include a transfer of the rights of a Participant under this Plan to consent to certain amendments to the Plan or an Award Agreement and, in the discretion of the Committee, shall also include transfer of ancillary rights associated with the Award.

20. ADJUSTMENTS UPON CHANGES IN CAPITALIZATION OR A CHANGE OF CONTROL

(a) Adjustment Clause. In the event of any change in the outstanding shares of Common Stock of the Company by reason of any stock dividend, split, spinoff, recapitalization, merger, consolidation, combination, extraordinary dividend, exchange of shares or other change affecting the outstanding shares of Common Stock as a class without the Company's receipt of consideration, or other equity restructuring within the meaning of Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) Topic 718, Stock Compensation (formerly, FASB Statement 123R), appropriate adjustments shall be made to (i) the aggregate number of Shares with respect to which awards may be made under the Plan pursuant to Section 5(a); (ii) the terms and the number of Shares and/or the Exercise Price per Share of any outstanding Stock Options, Stock Appreciation Rights, Restricted Stock and Restricted Stock Units; and (iii) the share limitations set forth in Section 5 hereof. The Committee shall also make appropriate adjustments described in (i)-(iii) of the previous sentence in the event of any distribution of assets to stockholders other than a normal cash dividend. Adjustments, if any, and any determination or interpretations, made by the Committee shall be final, binding and conclusive. Conversion of any convertible securities of the Company shall be deemed to have been effected for adequate consideration. Except as expressly provided herein, no issuance by the Company of shares of any class or securities convertible into shares of any class, shall affect, and no adjustment by reason thereof shall be made with respect to, the number or price of Shares subject to an Award.

(b) Change of Control. If a Change of Control occurs, the Committee may, in its discretion and without limitation:

(i) cancel outstanding Awards in exchange for payments of cash, property or a combination thereof having an aggregate value equal to the value of such Awards, as determined by the Committee or the Board in its sole discretion; it being understood that if stockholders receive consideration other than publicly traded equity securities of the surviving entity, any determination by the Committee that the value of a Stock Option or Stock Appreciation Right shall equal the excess, if any, of the value of the consideration being paid for each Share in such transaction over the Exercise Price of such Option or Stock Appreciation Right shall conclusively be

Table of Contents

deemed valid. Accordingly, if the Exercise Price of the Shares subject to a Stock Option or Stock Appreciation Right exceeds the Fair Market Value of such Shares, then such Stock Option or Stock Appreciation Right may be cancelled without making a payment to the holder of the Stock Option or Stock Appreciation Right;

(ii) substitute other property (including, without limitation, cash or other securities of the Company and securities of entities other than the Company) for Shares subject to outstanding Awards;

(iii) arrange for the assumption of Awards, or replacement of Awards with new awards based on other property or other securities (including, without limitation, other securities of the Company and securities of entities other than the Company); and

(iv) may, after giving Participants an opportunity to exercise their outstanding Stock Options and Stock Appreciation Rights, terminate any or all unexercised Stock Options and Stock Appreciation Rights. Such termination shall take place as of the date of the Change of Control or such other date as the Committee may specify.

(c) Section 409A Provisions with Respect to Adjustments. Notwithstanding the foregoing: (i) any adjustments made pursuant to this Section to Awards that are considered deferred compensation within the meaning of Code Section 409A shall be made in compliance with the requirements of Code Section 409A unless the Participant consents otherwise; (ii) any adjustments made to Awards that are not considered deferred compensation subject to Code Section 409A shall be made in such a manner as to ensure that after such adjustment, the Awards either continue not to be subject to Code Section 409A or comply with the requirements of Code Section 409A unless the Participant consents otherwise; and (iii) the Committee shall not have the authority to make any adjustments under this Section to the extent that the existence of such authority would cause an Award that is not intended to be subject to Code Section 409A to be subject thereto.

21. TAX WITHHOLDING

Whenever under this Plan, cash or Shares are to be delivered upon exercise of an Award or any other event with respect to rights and benefits hereunder, the Committee shall be entitled to require as a condition of delivery (i) that the Participant remit an amount sufficient to satisfy all federal, state, and local withholding tax requirements related thereto, (ii) that the minimum withholding of such sums come from compensation otherwise due to the Participant or from any Shares due to the Participant under this Plan, or (iii) any combination of the foregoing provided that the amount to be withheld may not exceed the total minimum federal, state and local tax withholding obligations associated with the transaction to the extent needed for the Company to avoid an accounting charge.

22. CLAWBACK/RECOVERY

All Awards granted under the Plan will be subject to recoupment in accordance with any clawback policy that the Company is specifically required to adopt pursuant to the listing standards of any national securities exchange or association on which the Company's securities are listed or as is otherwise specifically required by the Dodd-Frank Wall Street Reform and Consumer Protection Act or other applicable law. In addition, the Committee may impose such other clawback, recovery or recoupment provisions in an Award Agreement as the Committee determines necessary or appropriate, including, but not limited to, a reacquisition right in respect of previously acquired shares of Stock or other cash or property upon the occurrence of Cause.

23. AMENDMENT OF THE PLAN AND AWARDS

(a) The Board of Directors may at any time, and from time to time, modify or amend the Plan in any respect, prospectively or retroactively; provided; however, (i) provisions governing grants of Incentive Stock Options shall be submitted for stockholder approval to the extent required by applicable law or regulation; (ii) except as permitted by Section 20, no amendment may increase the share limitations set forth in Section 5 or decrease the

Table of Contents

minimum Exercise Price for Stock Options or Stock Appreciation Rights set forth in Sections 7(a), 8(a) and 12(a), unless any such amendment is approved by the Company's stockholders within 12 months before or after such amendment; and (iii) the provisions of Section 23(b) (relating to Option repricing) may not be amended, unless any such amendment is approved by the Company's stockholders. Failure to ratify or approve amendments or modifications by stockholders shall be effective only as to the specific amendment or modification requiring such approval or ratification. Other provisions of this Plan will remain in full force and effect. No such termination, modification or amendment may materially adversely affect the rights of a Participant under an outstanding Award without the written permission of such Participant.

(b) The Committee may amend any Award Agreement, prospectively or retroactively; provided, however, that no such amendment shall adversely affect the rights of any Participant under an outstanding Award without the written consent of such Participant; provided, however, that repricing of Stock Options or Stock Appreciation Rights shall not be permitted. For this purpose, a repricing means any of the following (or any other action that has the same effect as any of the following): (i) changing the terms of an Option or Stock Appreciation Right to lower its Exercise Price; (ii) any other action that is treated as a repricing under generally accepted accounting principles; and (iii) canceling an Option or Stock Appreciation Right at a time when its exercise price is equal to or greater than the fair market value of the underlying stock in exchange for cash or for another Option, Stock Appreciation Right or other Award, unless the cancellation and exchange occurs in connection with an event set forth in Section 20. Such cancellation and exchange would be considered a repricing regardless of whether it is treated as a repricing under generally accepted accounting principles and regardless of whether it is voluntary on the part of the Participant.

24. RIGHT OF OFFSET

The Company will have the right to offset against its obligation to deliver shares of Common Stock (or other property) under the Plan or any Award Agreement any outstanding amounts (including, without limitation, documented travel and entertainment or advance account balances, loans, repayment obligations under any Awards, or amounts repayable to the Company pursuant to tax equalization, housing, automobile or other employee programs) that the Participant then owes to the Company on a past due basis, and any amounts the Committee otherwise deems appropriate pursuant to any tax equalization policy or agreement; provided, however, that no such offset shall be permitted if it would constitute an acceleration of a payment hereunder within the meaning of Code Section 409A. This right of offset shall not be an exclusive remedy and the Company's election not to exercise the right of offset with respect to any amount payable to a Participant shall not constitute a waiver of this right of offset with respect to any other amount payable to the Participant or any other remedy.

25. ELECTRONIC DELIVERY AND SIGNATURES

(a) Any reference in an Award Agreement or the Plan to a written document includes without limitation any document delivered electronically or posted on the Company's or an Affiliate's intranet or other shared electronic medium controlled by the Company or an Affiliate.

(b) The Committee and any Participant may use facsimile and PDF signatures in signing any Award or Award Agreement, in exercising any Option or Stock Appreciation Right, or in any other written document in the Plan's administration. The Committee and each Participant are bound by facsimile and PDF signatures, and acknowledge that the other party relies on facsimile and PDF signatures.

26. EFFECTIVE DATE OF PLAN

The Plan shall become effective immediately upon the Effective Date.

27. TERMINATION OF THE PLAN

The right to grant Awards under the Plan will terminate 10 years after the earlier of: (i) the date the Plan is adopted by the Board of Directors; or (ii) the Effective Date. The Board of Directors has the right to suspend or terminate the Plan at any time, provided that no such action will, without the consent of a Participant, adversely affect a Participant's rights under an outstanding Award.

28. APPLICABLE LAW; COMPLIANCE WITH LAWS

The Plan will be administered in accordance with the laws of the state of Delaware and applicable federal law. Notwithstanding any other provision of the Plan, the Company shall have no liability to issue any Shares under the Plan unless such issuance would comply with all applicable laws and the applicable requirements of any securities exchange or similar entity. Prior to the issuance of any Shares under the Plan, the Company may require a written statement that the recipient is acquiring the shares for investment and not for the purpose or with the intention of distributing the shares.

29. PROHIBITION ON DEFERRED COMPENSATION

It is the intention of the Company that no Award shall be deferred compensation subject to Code Section 409A unless and to the extent that the Committee specifically determines otherwise, and the Plan and the terms and conditions of all Awards shall be interpreted accordingly. The terms and conditions governing any Awards that the Committee determines will be subject to Code Section 409A, including any rules for elective or mandatory deferral of the delivery of cash or Shares pursuant thereto, shall be set forth in the applicable Award Agreement, and shall comply in all respects with Code Section 409A. Notwithstanding any provision herein to the contrary, any Award issued under the Plan that constitutes a deferral of compensation under a nonqualified deferred compensation plan as defined under Code Section 409A(d)(1) and is not specifically designated as such by the Committee shall be modified or cancelled to comply with the requirements of Code Section 409A, including any rules for elective or mandatory deferral of the delivery of cash or Shares pursuant thereto.

30. NO GUARANTEE OF TAX TREATMENT

Notwithstanding anything herein to the contrary, a Participant shall be solely responsible for the taxes relating to the grant or vesting of, or payment pursuant to, any Award, and none of the Company, the Board of Directors or the Committee (or any of their respective members, officers or employees) guarantees any particular tax treatment with respect to any Award.
