World Wrestling Entertainment, Inc. Notes to Consolidated Financial Statements (dollars in thousands) (unaudited)

1. Basis of Presentation and Business Description

The accompanying consolidated financial statements include the accounts of World Wrestling Entertainment, Inc., and our subsidiaries. We are an integrated media and entertainment company, with operations organized around four principal segments:

Live and Televised Entertainment

• Revenues consist principally of ticket sales to live events, sales of merchandise at these live events, television rights fees, sales of television advertising and sponsorships, and fees for viewing our pay-per-view and video on demand programming.

Consumer Products

• Revenues consist principally of the direct sales of WWE produced home videos and magazine publishing and royalties or license fees related to various WWE themed products such as video games, toys and books.

Digital Media

• Revenues consist principally of advertising sales on our websites, sale of merchandise on our website through our WWEShop internet storefront and sales of various broadband and mobile content.

WWE Studios

• Revenues consist of our share of receipts from the distribution of filmed entertainment featuring our Superstars. We participate in revenues generated under the distribution of the films through all media after the print and advertising and distribution costs incurred by our distributors have been recouped and the results have been reported to us.

All intercompany balances are eliminated in consolidation. The accompanying consolidated financial statements are unaudited. In the opinion of management, all adjustments (consisting of normal recurring adjustments) considered necessary for a fair presentation of financial position, results of operations and cash flows at the dates and for the periods presented have been included. The results of operations of any interim period are not necessarily indicative of the results of operations for the full year. Effective April 1, 2009, as a result of reconsidering contract elements of certain international live event contracts, the accounting treatment for these transactions was changed prospectively to reflect these transactions on a gross basis pursuant to the guidance of EITF 99-19 *Reporting Revenue Gross as a Principal versus Net as an Agent* ([EITF 99-19]). Previously, these contracts were incorrectly reported on a net basis pursuant to EITF 99-19. The impact of the accounting of these contracts prior to April 1, 2009 was not material to any of the periods presented, and therefore, have not been adjusted.

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires our management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates. Certain information and note disclosures normally included in annual financial

statements have been condensed or omitted from these interim financial statements; these financial statements should be read in conjunction with the financial statements and notes thereto included in our Form 10-K for the year ended December 31, 2008.

Recent Accounting Pronouncements

In April 2009, the Financial Accounting Standards Board (FASB) issued FASB Staff Position (FSP) No. 157-4, *Determining Fair Value When the Volume and Level of Activity for the Asset or Liability Have Significantly Decreased and Identifying Transactions That Are Not Orderly* ([]FSP 157-4[]). This FSP provides guidance on how to determine the fair value of assets and liabilities in an environment where the volume and level of activity for the asset or liability have significantly decreased and re-emphasizes that the objective of a fair value measurement remains an exit price. The adoption of FSP 157-4 did not have a material impact on our Consolidated Financial Statements.

In April 2009, the FASB issued FSP FAS 107-1 and APB 28-1, *Interim Disclosures about Fair Value of Financial Instruments* ([]FSP FAS 107-1]). FSP FAS 107-1 requires the disclosure of the fair value of financial instruments within the scope of Statement of Financial Accounting Standards (SFAS) No. 107, *Disclosures about Fair Value of Financial Instruments*, in interim financial statements, a
