Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant

and

Section 8 – Other Events

Item 8.01 Other Events

On March 9, 2016, the Lehigh County Industrial Development Authority (the "Authority") issued \$115,500,000 aggregate principal amount of its Pollution Control Revenue Refunding Bonds (PPL Electric Utilities Corporation Project) Series 2016A (the "2016A Authority Bonds") and \$108,250,000 aggregate principal amount of its Pollution Control Revenue Refunding Bonds (PPL Electric Utilities Corporation Project) Series 2016B (the "2016B Authority Bonds" and, together with the 2016A Authority Bonds, the "Authority Bonds") on behalf of PPL Electric Utilities Corporation ("PPL Electric"). The proceeds of the Authority Bonds were used to redeem \$115,500,000 of Pollution Control Revenue Refunding Bonds, 2005 Series A (PPL Electric Utilities Corporation Project) and \$108,250,000 of Pollution Control Revenue Refunding Bonds, 2005 Series B (PPL Electric Utilities Corporation Project) issued by the Authority on behalf of PPL Electric, which were redeemed on March 9, 2016. The 2016A Authority Bonds mature on September 1, 2029, but are subject to mandatory purchase on September 1, 2017 (the "2016A Mandatory Purchase Date") at a purchase price equal to the principal amount thereof plus accrued and unpaid interest. The 2016B Authority Bonds mature on February 15, 2027, but are subject to mandatory purchase on August 15, 2017 (the "2016B Mandatory Purchase Date" and, together with 2016A Mandatory Purchase Date, the "Initial Mandatory Purchase Dates") at a purchase price equal to the principal amount thereof plus accrued and unpaid interest.

The Authority Bonds were issued under Trust Indentures, dated as of March 1, 2016 (the "Indentures"), by and between the Authority and The Bank of New York Mellon Trust Company, N.A., as trustee (the "Authority Bond Trustee"). The Authority has loaned the proceeds of the Authority Bonds to PPL Electric pursuant to Pollution Control Facilities Loan Agreements dated as of March 1, 2016 between PPL Electric and the Authority (the "Loan Agreements"). Pursuant to the Loan Agreements, PPL Electric is obligated to make payments in such amounts and at such times as will be sufficient to pay, when due, the principal and interest on the Authority Bonds. Concurrently with the issuance of the 2016A Authority Bonds and to evidence its obligations under the Loan Agreements, PPL Electric delivered to the Authority Bond Trustee Pollution Control Facilities Notes (Lehigh County Industrial Development Authority), Series 2016A and Series 2016B (together, the "Notes"). The Notes contain principal, interest and prepayment provisions corresponding to the principal, interest and redemption provisions of the related Authority Bonds.

To secure its obligations to make payments on the Notes, PPL Electric has delivered to the Authority Bond Trustee its First Mortgage Bonds, Pollution Control Series 2016A and 2016B (the "Company Mortgage Bonds"), in each case, issued pursuant to PPL Electric's Indenture, dated as of August 1, 2001, to The Bank of New York Mellon (successor to JPMorgan Chase Bank), as trustee, as supplemented by Supplemental Indenture No. 18 ("Supplemental Indenture No. 18") dated as of March 1, 2016 (the "2001 Indenture"). The principal and interest on the Company Mortgage Bonds are payable at the same times as the principal and interest on the Notes and the Authority Bonds. So long as PPL Electric makes the required principal and interest payments on the Notes, it will not be obligated to make additional payments on the Company Mortgage Bonds.

The Authority Bonds initially were issued bearing interest at a term rate of 0.90% through their Initial Mandatory Purchase Dates. The method of determining the interest rate on the Authority Bonds may be converted from time to time after the Initial Mandatory Purchase Dates in accordance with the Indentures to a daily rate, a commercial paper rate, a weekly rate, or a term rate.

The Authority Bonds are not subject to optional redemption by the Authority prior to their applicable Initial Mandatory Purchase Date. The Authority Bonds are subject to special mandatory redemption upon a determination that the interest on the Authority Bonds would be included in the holders' gross income for federal income tax purposes. Any such special mandatory redemption would be at a redemption price of 100% of the principal amount thereof, without premium, plus accrued interest, if any, to the redemption date.

The Loan Agreements (including form of the Notes), Supplemental Indenture, No. 18 and the Officer's Certificates under the 2001 Indenture relating to the Company Mortgage Bonds are filed with this report as Exhibits 4(a), 4(b), 4(c), 4(d) and 4(e), respectively.
