Exhibit 99.1

I. CAMTEK LTD. ANNOUNCES 2003 SECOND QUARTER RESULTS

**Q2 Revenues \$6.4 Million, Increased 10.6% from Previous Quarter;
Loss Per Share \$(0.04); Gross Profit Margin of 43.1%**

MIGDAL HAEMEK, Israel August 13 Camtek Ltd. (NASDAQ:CAMT), announced today its results for the quarter ended June 30, 2003.

Sales for the second quarter of 2003 were \$6.4 million, compared to \$6.1 million in the second quarter of 2002, and \$5.8 million in the first quarter of 2003. Gross profit margins for the second quarter of 2003 were 43.1%, compared to 39.4% for the second quarter of 2002, and 39.7% for the first quarter of 2003. The company reported a net loss for the second quarter of 2003 of \$1 million (reflecting a loss per share of \$0.04), a decrease of 39.6% from a net loss of \$1.7 million (reflecting a loss per share of \$0.08) in the second quarter of 2002, and a decrease of 21.8% from our net loss of \$1.3 million (reflecting a loss per share of \$0.05) in the first quarter of 2003.

The results of the second quarter reflect the continuing stability in our market places. While we have not yet returned to profitability, the narrowing loss from quarter to quarter indicates the effectiveness of our cost control measures, said Rafi Amit, Camtek's Chief Executive Officer.

Mr. Amit continued: We are proceeding with our strategy of continually enhancing our product portfolio. The Dragon, our fast AOI system for mass production introduced last quarter, has raised considerable interest in China and in Taiwan. We also launched the Falcon, our new, fully automated optical inspection system for the microelectronics industry, last month at the Semicon West Exhibition. We hope these new exciting products will contribute to our revenues in the coming quarters, and help in carrying us toward break-even and profitability.

ABOUT CAMTEK LTD.

Camtek Ltd. designs, develops, manufactures, and markets technologically advanced and cost-effective intelligent optical inspection systems and related software products, used to enhance processes and yields for the printed circuit boards, semiconductor packaging and microelectronics industries. Camtek has been a publicly traded company since 2000, with headquarters in Migdal Ha Emek, Israel and subsidiaries in the U.S., Europe, Japan, and East Asia. This press release is available at www.camtek.co.il

This press release may contain projections or other forward-looking statements regarding future events or the future performance of the Company. These statements are only predictions and may change as time passes. We do not assume any obligation to update that information. Actual events or results may differ materially from those projected, including as a result of changing industry and market trends, reduced demand for our products, the timely development of our new products and their adoption by the market, increased competition in the industry, price reductions as well as due to risks identified in the documents filed by the Company with the SEC.
