Item 1.01¹ Entry into a Material Definitive Agreement

Agreement and Plan of Merger

On October 9, 2018, TransDigm Group Incorporated, a Delaware corporation (the “Company”), entered into an Agreement and Plan of Merger (as amended, the “Merger Agreement”) with Esterline Technologies Corporation, a Delaware corporation (“Esterline”), and Thunderbird Merger Sub Inc., a Delaware corporation and wholly owned subsidiary of the Company (“Merger Sub”), pursuant to which, among other things, Merger Sub will merge with and into Esterline, with Esterline surviving as a wholly owned subsidiary of the Company (the “Merger”). On October 10, 2018, the parties amended the Merger Agreement to correct an error in Section 5.05(c) regarding the Company’s obligations in connection with seeking antitrust approvals.

At the effective time of the Merger (the “Effective Time”), each share of common stock, par value \$0.20 per share, of Esterline (the “Esterline Common Stock”) issued and outstanding immediately prior to the Effective Time (other than (i) shares to be cancelled, (ii) Esterline equity awards as provided in the Merger Agreement and (iii) any shares of Esterline Common Stock held by any holder who has not voted in favor of the Merger and who is entitled to demand, and properly exercises and perfects, appraisal rights of such Esterline Common Stock under Delaware law) shall be converted into the right to receive \$122.50 in cash, without any interest and subject to any withholding taxes (the “Merger Consideration”).

Consummation of the Merger is subject to certain customary conditions, including, without limitation: (i) the adoption of the Merger Agreement and approval of the Merger by the affirmative vote of the holders of at least a majority of the outstanding shares of Esterline Common Stock entitled to vote (the “Esterline Stockholder Approval”) at the Esterline stockholders meeting (the “Esterline Stockholders Meeting”); (ii) the expiration or termination of the applicable waiting period under the Hart Scott Rodino Antitrust Improvements Act of 1976, as amended; (iii) the receipt of other required regulatory or foreign investment approvals; and (iv) the absence of any judgement or law that has the effect of enjoining or otherwise prohibiting the consummation of the Merger and the other transactions contemplated by the Merger Agreement. Each party’s obligation to consummate the Merger is subject to certain other conditions, including (a) the accuracy of the other party’s representations and warranties and (b) the other party’s compliance with its covenants and agreements contained in the Merger Agreement (in each case, subject to certain qualifications). The parties to the Merger Agreement have each made customary representations and warranties in the Merger Agreement. The Company and Merger Sub have agreed to not take any actions or omit to take any actions that would be reasonably likely prevent or delay the Company, Merger Sub or Esterline from consummating the Merger. The Company also agreed to take various actions as may be necessary to obtain antitrust and other governmental approvals, provided, however, that the Company will not be required to divest or dispose of, agree to limitations on, or otherwise take actions with respect to businesses or assets that generated aggregate EBITDA (as defined in the Merger Agreement) in excess of \$90 million during the twelve months ended September 30, 2018.

Esterline has agreed to customary covenants, including with respect to, among other things, the operation of the business of Esterline and its subsidiaries in the ordinary course of business consistent with past practice in all material respects prior to the closing, convening and holding the Esterline Stockholders Meeting and, subject to certain customary exceptions, recommending that Esterline’s stockholders approve the adoption of the Merger Agreement and the Merger at the Esterline Stockholders Meeting. In addition, the Merger Agreement contains a provision prohibiting Esterline from soliciting alternative acquisition proposals and, subject to a customary “fiduciary out” exception, providing non-public information in connection with, and engaging in discussions or negotiations regarding, unsolicited alternative acquisition proposals.

The Merger Agreement contains certain customary termination rights for the Company and Esterline. Subject to certain limitations, the Merger Agreement may be terminated by either the Company or Esterline (i) if the Merger is

not consummated at or before 5:00 p.m. Eastern time on the date that is one (1) year after the signing date (the “End Date”), which End Date shall be automatically extended for an additional three (3) months if all conditions are satisfied other than certain regulatory or foreign investment approvals, (ii) upon the issuance or entrance of a judgement or law that has the effect of enjoining or otherwise prohibiting the consummation of the Merger and the other transactions contemplated by the Merger Agreement which is final and nonappealable and (iii) if the Esterline Stockholder Approval is not obtained upon a vote taken thereon at the Esterline Stockholders Meeting or at any adjournment or postponement thereof.

In addition, (a) the Company may terminate the Merger Agreement prior to the Esterline Stockholders Meeting in the event that Esterline’s board of directors fails to make, withdraws, changes, qualifies, withholds or modifies its recommendation that its stockholders approve the adoption of the Merger Agreement and the Merger (an “Esterline Adverse Recommendation Change”) or Esterline is in material breach of the non-solicitation provision and (b) Esterline may terminate the Merger Agreement prior to

the Esterline Stockholders Meeting, subject to certain rights of the Company, in order to effect an Esterline Adverse Recommendation Change and substantially concurrently enter into a definitive, written agreement providing for a Superior Company Proposal (as defined in the Merger Agreement).

Upon termination of the Merger Agreement under specified circumstances, including with respect to the foregoing, Esterline will be required to pay the Company a termination fee of \$128,855,000. Further, if the Merger Agreement is terminated after an alternative acquisition proposal is made by a third party to Esterline or publicly announced, (i) by the Company because Esterline materially breaches any of its covenants, agreements, representations or warranties, (ii) by either the Company or Esterline because the Merger is not consummated by the End Date or (iii) by either the Company or Esterline because the Esterline Stockholder Approval has not been obtained and, within twelve (12) months after the date of such termination, Esterline either (a) enters into an agreement to consummate certain alternative acquisition proposals, (b) recommends to its stockholders certain alternative acquisition proposals or (c) consummates certain alternative acquisition proposals, then Esterline will be required to pay the Company a termination fee of \$128,855,000.

The Company has secured committed debt financing from two banks of international reputation providing the Company with sufficient cash, together with other sources of funds immediately available to the Company, to consummate the Merger, pay all related fees and expenses with respect to the Merger, and repay Esterline's indebtedness required to be repaid at closing. The Company has agreed to use reasonable best efforts to obtain the financing; however, consummation of the Merger is not conditioned on the Company or Merger Sub obtaining any financing. On or prior to the consummation of the Merger and at the written request of the Company, Esterline will send a notice of redemption in compliance with the Indenture governing the Notes (each term as defined in the Merger Agreement) and take other actions to redeem the Notes, so long as such redemption is conditioned on the consummation of the Merger and the Company has deposited the funds required to redeem the Notes.

The representations, warranties, covenants and agreements of Esterline contained in the Merger Agreement have been made solely for the benefit of the Company and Merger Sub. In addition, such representations, warranties and covenants: (i) have been made only for purposes of the Merger Agreement; (ii) have been qualified by (a) certain matters set forth in Esterline's filings with the Securities and Exchange Commission at least one (1) business day prior to the date of the Merger Agreement and (b) confidential disclosures made to the Company and Merger Sub in the disclosure letter delivered in connection with the Merger Agreement; (iii) are subject to certain materiality qualifications contained in the Merger Agreement, which may differ from what may be viewed as material by investors; and (iv) were made only as of the date of the Merger Agreement and, in the event that the closing occurs, as of the date of the closing, or such other date as is specified in the Merger Agreement. Accordingly, the Merger Agreement is included with this filing only to provide investors with information regarding the terms of the Merger Agreement, and not to provide investors with any other factual information regarding Esterline, its subsidiaries or their respective businesses. Investors are not third-party beneficiaries under the Merger Agreement and should not rely on the representations, warranties and covenants or any descriptions thereof as characterizations of the actual state of facts or condition of the parties thereto or any of their respective subsidiaries or affiliates. Moreover, information concerning the subject matter of representations and warranties may change after the date of the Merger Agreement, which subsequent information may or may not be fully reflected in Esterline's public disclosures.

The foregoing summary of the Merger Agreement and the transactions contemplated thereby does not purport to be complete and is subject to, and qualified in its entirety by, the full text of the Merger Agreement, as amended, which is filed as Exhibits 2.1 and 2.2 and incorporated by reference.
