ITEM 1.01 AMENDMENT TO A MATERIAL DEFINITIVE AGREEMENT

Amendment to Employment Agreement

On October 6, 2004, the independent members of the Board of Directors of the company approved an amendment to the employment agreement of Frederic M. Poses, the company s Chairman and Chief Executive Officer, whereby the company has secured the services of Mr. Poses for an additional year through December 31, 2007. Mr. Poses will not receive any increase in base salary, annual or long term incentive targets, or additional stock option grants in consideration for the extension of his agreement. These items will remain the same as set out in Mr. Poses Employment Agreement dated February 7, 2002. Instead of an increase in any of these items, at the end of the new employment period, the independent members of the Board will determine the extent of his eligibility for a discretionary performance bonus of up to \$2,500,000, payable on or about April 1, 2008, based on their assessment of his success in developing both a strategic long term plan for the company and a transition plan for his succession. Mr. Poses may elect to defer payment of the performance bonus upon such terms as the independent Board members may establish.

Provided that he remains employed by the company through December 31, 2007, Mr. Poses will also receive certain post-retirement benefits. These include: use of office space in the company s New York office, or comparable office space in New York, with company-provided secretarial support, for the five year period commencing January 1, 2008; reimbursement for financial planning expenses incurred during the same five year period up to a maximum of \$10,000 per year; and the company s payment for a buy-out of the lease for Mr. Poses company-provided car. The company estimates that the total value of providing these post-retirement benefits will approximate \$900,000 over the five-year period.
