Caution Regarding Forward-Looking Statements

Statements made in this release, other than those concerning historical financial information, may be considered forward-looking statements, which speak only as of the date of this release and are based on current expectations and involve a number of assumptions. These include statements as to the anticipated benefits of the merger, including future financial and operating results, cost savings and enhanced revenues that may be realized from the merger as well as other statements of expectations regarding the merger and any other statements regarding future results or expectations. TransCommunity and Community Bankers intends such forward-looking statements to be covered by the safe harbor provisions for forward-looking statements contained in the Private Securities Litigation Reform Act of 1995 and is including this statement for purposes of these safe harbor provisions. The companies respective abilities to predict results, or the actual effect of future plans or strategies, are inherently uncertain. Factors which could have a material effect on the operations and future prospects of each of TransCommunity and Community Bankers and the resulting company, include but are not limited to: (1) the businesses of TransCommunity and/or Community Bankers

may not be integrated successfully or such integration may be more difficult, time-consuming or costly than expected; (2) expected revenue synergies and cost savings from the merger may not be fully realized or realized within the expected time frame; (3) revenues following the merger may be

lower than expected; (4) customer and employee relationships and business operations may be disrupted by the merger; (5) the ability to obtain required regulatory and shareholder approvals, and the ability to complete the merger on the expected timeframe may be more difficult, time-consuming or costly than expected; (6) changes in interest rates, general economic conditions, legislative/regulatory changes, monetary and fiscal policies of the U.S. government, including policies of the U.S. Treasury and the Federal Reserve Board; the quality and composition of the loan and securities portfolios; demand for loan products; deposit flows; competition; demand for financial services in TransCommunity's market areas; their implementation of new technologies; their ability to develop and maintain secure and reliable electronic systems; and accounting principles, policies, and guidelines, and (7) other risk factors detailed from time to time in filings made by TransCommunity or Community Bankers with the SEC.

TransCommunity and Community Bankers undertake no obligation to update or clarify these forward-looking statements, whether as a result of new information, future events or otherwise.

This release shall not constitute an offer to sell or the solicitation of an offer to buy securities in any jurisdiction in which such solicitation would be unlawful.
