**PROXY STATEMENT
FOR ANNUAL MEETING OF SHAREHOLDERS**

QUESTIONS AND ANSWERS ABOUT THIS PROXY MATERIAL AND VOTING

Why am I receiving these materials?

We sent you this proxy statement and the enclosed proxy card because the Board of Directors of Aradigm Corporation is soliciting your proxy to vote at the 2006 Annual Meeting of Shareholders. You are invited to attend the annual meeting to vote on the proposals described in this proxy statement. However, you do not need to attend the meeting to vote your shares. Instead, you may simply complete, sign and return the enclosed proxy card.

We intend to mail this proxy statement and accompanying proxy card on or about April 13, 2006 to all shareholders of record entitled to vote at the annual meeting.

Who can vote at the annual meeting?

Only shareholders of record at the close of business on March 30, 2006 will be entitled to vote at the annual meeting. On this record date, there were 14,702,954 shares of common stock and 1,235,701 shares of Series A Convertible Preferred Stock (Preferred Stock) outstanding and entitled to vote.

Shareholder of Record: Shares Registered in Your Name

If on March 30, 2006 your shares were registered directly in your name with our transfer agent, Computershare Trust Company, N.A., then you are a shareholder of record. As a shareholder of record, you may vote in person at the meeting or vote by proxy. Whether or not you plan to attend the meeting, we urge you to fill out and return the enclosed proxy card to ensure your vote is counted.

Beneficial Owner: Shares Registered in the Name of a Broker or Bank

If on March 30, 2006 your shares were held in an account at a brokerage firm, bank, dealer, or other similar organization, then you are the beneficial owner of shares held in street name and these proxy materials are being forwarded to you by that organization. The organization holding your account is considered the shareholder of record for purposes of voting at the annual meeting. As a beneficial owner, you have the right to direct your broker or other agent on how to vote the shares in your account. You are also invited to attend the annual meeting. However, since you are not the shareholder of record, you may not vote your shares in person at the meeting unless you request and obtain a valid proxy from your broker or other agent.

What am I voting on?

There are three matters scheduled for a vote:

Election of five directors;

Edgar Filing: ARADIGM CORP - Form DEF 14A

Approval of an amendment and restatement of our 2005 Equity Incentive Plan to increase the number of shares of our common stock authorized for issuance under the plan; and

Ratification of Ernst & Young LLP as our independent auditors for the fiscal year ending December 31, 2006.

Table of Contents

How do I vote?

You may either vote For all the nominees for director or you may abstain from voting for any nominee you specify. For each of the other matters to be voted on, you may vote For or Against or abstain from voting. The procedures for voting are fairly simple:

Shareholder of Record: Shares Registered in Your Name

If you are a shareholder of record, you may vote in person at the annual meeting or vote by proxy using the enclosed proxy card. Whether or not you plan to attend the meeting, we urge you to vote by proxy to ensure your vote is counted. You may still attend the meeting and vote in person if you have already voted by proxy.

To vote in person, come to the annual meeting and we will give you a ballot when you arrive.

To vote using the proxy card, simply complete, sign and date the enclosed proxy card and return it promptly in the envelope provided. If you return your signed proxy card to us before the annual meeting, we will vote your shares as you direct.

Beneficial Owner: Shares Registered in the Name of Broker or Bank

If you are a beneficial owner of shares registered in the name of your broker, bank, or other agent, you should have received a proxy card and voting instructions with these proxy materials from that organization rather than from Aradigm. Simply complete and mail the proxy card to ensure that your vote is counted. To vote in person at the annual meeting, you must obtain a valid proxy from your broker, bank, or other agent. Follow the instructions from your broker or bank included with these proxy materials, or contact your broker or bank to request a proxy form.

How many votes do I have?

On each matter to be voted upon, you have one vote for each share of common stock you own and four votes for every five shares of Preferred Stock you own as of March 30, 2006.

What if I return a proxy card but do not make specific choices?

If you return a signed and dated proxy card without marking any voting selections, your shares will be voted For the election of all five nominees for director and For the ratification of Ernst & Young LLP as independent auditor for our fiscal year ending December 31, 2006. If any other matter is properly presented at the meeting, your proxy (one of the individuals named on your proxy card) will vote your shares using his or her best judgment.

Who is paying for this proxy solicitation?

We will pay for the entire cost of soliciting proxies. In addition to these mailed proxy materials, our directors and employees and Georgeson Shareholder Communications, Inc. (Georgeson) may also solicit proxies in person, by telephone, or by other means of communication. Directors and employees will not be paid any additional compensation for soliciting proxies, but Georgeson, if retained, would be paid its customary fee, estimated to be \$12,000 plus out-of-pocket expenses, if it solicits proxies.

What does it mean if I receive more than one proxy card?

If you receive more than one proxy card, your shares are registered in more than one name or are registered in different accounts. Please complete, sign and return each proxy card to ensure that all of your shares are voted.

Can I change my vote after submitting my proxy?

Yes. You can revoke your proxy at any time before the final vote at the meeting. You may revoke your proxy in any one of three ways:

You may submit another properly completed proxy card with a later date.

Table of Contents

You may send a written notice that you are revoking your proxy to our Secretary at 3929 Point Eden Way, Hayward, California, 94545.

You may attend the annual meeting and vote in person. Simply attending the meeting will not, by itself, revoke your proxy.

When are shareholder proposals due for next year's annual meeting?

To be considered for inclusion in next year's proxy materials, your proposal must be submitted in writing by December 3, 2006, to our Secretary at 3929 Point Eden Way, Hayward, California, 94545. If you wish to submit a proposal that is not to be included in next year's proxy materials or nominate a director, you must do so no later than the close of business on March 19, 2007 and no earlier than the close of business on February 17, 2007. You are also advised to review our bylaws, which contain additional requirements about advance notice of shareholder proposals and director nominations.

How are votes counted?

Votes will be counted by the inspector of election appointed for the meeting, who will separately count For and (with respect to proposals other than the election of directors) Against votes, abstentions and broker non-votes. Abstentions and broker non-votes will not be counted towards the vote total for any proposal.

If your shares are held by your broker as your nominee (that is, in street name), you will need to obtain a proxy form from the institution that holds your shares and follow the instructions included on that form regarding how to instruct your broker to vote your shares. If you do not give instructions to your broker, your broker can vote your shares with respect to discretionary items, but not with respect to non-discretionary items. On non-discretionary items for which you do not give your broker instructions, the shares will be treated as broker non-votes.

How many votes are needed to approve each proposal?

For the election of directors, the five nominees receiving the most For votes (among votes properly cast in person or by proxy) will be elected. Broker non-votes will have no effect.

To be approved, Proposal 2 (ratifying the selection of Ernst & Young LLP as our independent auditors for the fiscal year ending December 31, 2006) and Proposal 3 (approval of an amendment of our 2005 Equity Incentive Plan to increase the number of shares of our common stock authorized for issuance under the plan) must receive a For vote from the majority of shares present either in person or by proxy and entitled to vote. Broker non-votes will have no effect.

What is the quorum requirement?

A quorum of shareholders is necessary to hold a valid meeting. A quorum will be present if shares representing a majority of the voting power of the outstanding shares are represented by shareholders present at the meeting or by proxy. On the record date, there were 14,702,954 shares of common stock and 1,235,701 shares of Preferred Stock outstanding and entitled to vote, which represent 988,561 votes on an as-converted basis.

Your shares will be counted towards the quorum only if you submit a valid proxy vote or vote at the meeting. Abstentions and broker non-votes will be counted towards the quorum requirement. If there is no quorum, a majority of the votes present at the meeting may adjourn the meeting to another date.

How can I find out the results of the voting at the annual meeting?

Preliminary voting results will be announced at the annual meeting. Final voting results will be published in our quarterly report on Form 10-Q for the second quarter of 2006.

If any nominee becomes unavailable for election as a result of an unexpected occurrence, your shares will be voted for the election of a substitute nominee proposed by our management. **THE BOARD OF DIRECTORS RECOMMENDS
A VOTE IN FAVOR OF EACH NAMED NOMINEE.**

Independence of the Board of Directors

As required under the Nasdaq Stock Market (Nasdaq) listing standards, a majority of the members of a listed company's board of directors must qualify as independent, as affirmatively determined by the board of directors. The Board consults with counsel to ensure that the Board's determinations are consistent with all relevant securities and other laws and regulations regarding the definition of independent, including those set forth in pertinent listing standards of the Nasdaq, as in effect from time to time.

Consistent with these considerations, after review of all relevant transactions or relationships between each director, or any of his or her family members, and us, our senior management and our independent auditors, the Board affirmatively has determined that all of our directors are independent directors within the meaning of the applicable Nasdaq listing standards, except for Dr. Lawlis, our President and Chief Executive Officer, and Mr. R. Thompson, who was employed as our Chief Executive Officer until August 2004.

As required under applicable Nasdaq listing standards, in fiscal 2005 our independent directors met twelve times in regularly scheduled executive sessions at which only independent directors were present. Persons interested in communicating with the independent directors with their concerns or issues may address correspondence to a particular director, or to the independent directors generally, in care of Aradigm at 3929 Point Eden Way, Hayward, California, 94545.

Audit Committee

The Audit Committee of the Board oversees our corporate accounting and financial reporting process. For this purpose, the Audit Committee performs several functions. The Audit Committee evaluates the performance of and assesses the qualifications of the independent auditors; determines and approves the engagement of the independent auditors; determines whether to retain or terminate the existing independent auditors or to appoint and engage new independent auditors; reviews and approves the retention of the independent auditors to perform any proposed permissible non-audit services; monitors the rotation of partners of the independent auditors on our audit engagement team as required by law; confers with management and the independent auditors regarding the effectiveness of internal controls over financial reporting; establishes procedures, as required under applicable law, for the receipt, retention and treatment of complaints received by us regarding accounting, internal accounting controls or auditing matters and the confidential and anonymous submission by employees of concerns regarding questionable accounting or auditing matters; reviews the financial statements to be included in our Annual Report on Form 10-K and our quarterly financial statements; and discusses with management and the independent auditors the results of the annual audit. The Audit Committee held six meetings during the fiscal year. Currently, three directors comprise the Audit Committee: Messrs. Barker, Jaeger (chair) and Roe. Following the Annual Meeting, it is expected that Messrs. Barker, Jaeger and V. Thompson will be the members of the Audit Committee. The Audit Committee has adopted a written Audit Committee Charter, which is attached as Appendix A to the 2004 Proxy Statement.

The Board annually reviews the Nasdaq listing standards definition of independence for Audit Committee members and has determined that all members of our Audit Committee are independent (as independence is currently defined in Rule 4350(d)(2)(A)(i) and (ii) of the Nasdaq listing standards. The Board has determined that Mr. Jaeger qualifies as an audit committee financial expert, as defined in applicable rules of the Securities and Exchange Commission (the SEC). The Board made a qualitative assessment of Mr. Jaeger's level of knowledge and experience based on a number of factors, including his formal education and experience as a Chief Financial Officer for public reporting companies.

Compensation Committee

The Compensation Committee of the Board reviews and recommends to the Board the overall compensation strategy and policies for us. The Compensation Committee reviews and recommends to the Board corporate performance goals and objectives relevant to the compensation of our executive officers and other senior management; reviews and recommends to the Board the compensation and other terms of employment of our

Table of Contents

Chief Executive Officer; reviews and recommends to the Board for approval the compensation and other terms of employment of the other officers; and oversees the administration of our stock option and purchase plans, pension and profit sharing plans, stock bonus plans, deferred compensation plans and other similar programs. Three directors currently comprise the Compensation Committee: Dr. Gonda and Messrs. Jaeger and V. Thompson (chair). All members of our Compensation Committee are independent (as independence is currently defined in Rule 4200(a)(15) of the Nasdaq listing standards). The Compensation Committee held four meetings during the fiscal year.

Nominating and Corporate Governance Committee

The Nominating and Corporate Governance Committee of the Board is responsible for identifying, reviewing and evaluating candidates to serve as directors (consistent with criteria approved by the Board), reviewing and evaluating incumbent directors, recommending to the Board for selection candidates for election to the Board, making recommendations to the Board regarding the membership of the committees of the Board, assessing the performance of management and the Board, monitoring compliance with the our Code of Business Conduct and Ethics, periodically reviewing the performance of the Board and its committees and overseeing the process for dissemination of information to directors. Our Nominating and Corporate Governance Committee charter can be found on our corporate website at www.aradigm.com. The Nominating and Corporate Governance Committee met twice during the fiscal year. Currently, the Nominating and Corporate Governance Committee consists of three directors: Messrs. Barker (chair), Nehra and R. Thompson. Following the annual meeting, it is expected that Mr. Barker and Dr. Gonda will be members of the Nominating and Corporate Governance Committee. All current members of the Nominating and Corporate Governance Committee are independent (as independence is currently defined in Rule 4200(a)(15) of the Nasdaq listing standards), except for Mr. R. Thompson, who was employed as our Chief Executive Officer until August 2004.

Any potential candidates for director nominees, including candidates recommended by shareholders, are reviewed in the context of the current composition of the Board, our operating requirements and the long-term interests of shareholders. In conducting this assessment, the Committee considers such factors as it deems appropriate given our current needs and those of our Board, to maintain a balance of knowledge, experience and capability. In the case of incumbent directors whose terms of office are set to expire, the Nominating and Corporate Governance Committee reviews such directors' overall service during their term, including the number of meetings attended, level of participation and quality of performance. The Committee also determines whether the nominee would be independent for Nasdaq purposes, which determination is based upon applicable Nasdaq listing standards, applicable SEC rules and regulations and the advice of counsel, if necessary. The Committee then compiles a list of potential candidates from suggestions it may receive, but may also engage, if it deems appropriate, a professional search firm to generate additional suggestions. The Committee conducts any appropriate and necessary inquiries into the backgrounds and qualifications of possible candidates as it deems appropriate. The Committee meets to discuss and consider such candidates' qualifications and then selects a nominee for recommendation to the Board by majority vote. To date, the Nominating and Corporate Governance Committee has not paid a fee to any third party to assist in the process of identifying or evaluating director candidates. While the Committee and the Board have from time to time received and considered suggestions from shareholders for nominations to the Board, the Committee has received no suggestions for which disclosure is required in this proxy statement.

The Nominating and Corporate Governance Committee will consider director candidates recommended by shareholders. The Committee will consider candidates recommended by shareholders in the same manner as it considers recommendations from other sources. Shareholders who wish to recommend individuals for consideration by the Nominating and Corporate Governance Committee to become nominees for election to the Board may do so by delivering a written recommendation to the Nominating and Corporate Governance Committee at the following address: 3929 Point Eden Way, Hayward, California 94545 at least 60 days prior to the anniversary date of the last annual meeting of shareholders. Submissions should include the full name of the proposed nominee, a description of

the proposed nominee's business experience for at least the previous five years, complete biographical information, a description of the proposed nominee's qualifications as a director and a representation that the nominating shareholder is a beneficial or record owner of our stock.

As of February 28, 2006, a total of 2,918,638 shares of our Common Stock have been authorized for issuance under the 2005 Plan.

As of February 28, 2006, options (net of canceled or expired options) covering an aggregate of 2,147,401 shares of our Common Stock had been granted under the 2005 Plan, and 771,237 shares remained available for future grant under the 1996 Plan. During the last fiscal year, under the 2005 Plan, we granted to all current executive officers as a group options to purchase 155,000 shares at an exercise price of \$5.90 per share and to all employees and directors (excluding current executive officers) as a group options to purchase 170,460 shares at exercise prices of \$4.30 to \$7.95 per share.

In March 2006, the Board adopted an amendment and restatement of the 2005 Plan, subject to shareholder approval, primarily to increase the number of shares authorized for issuance under the 2005 Plan by 2,000,000 shares to 4,918,638 shares. This amendment and restatement is intended to afford us with greater flexibility in providing employees with stock incentives and ensures that we can continue to provide such incentives at levels determined appropriate by the Board.

The approval of the amendment and restatement of the 2005 Plan also will allow us to include performance-based criteria for certain stock awards (performance-based awards) that may be granted under the 2005 Plan. As discussed more fully below, performance-based awards will be granted only upon the attainment during a specified time period of performance goals pre-established by the Board. Such awards may qualify as performance-based compensation within the meaning of Section 162(m) of the Internal Revenue Code of 1986, as amended (the Code), and applicable regulations, and therefore may be exempt from the limitation on corporate deductibility of compensation in excess of \$1 million paid to certain covered employees in a taxable year. The term covered employees means the chief executive officer and our four other highest compensated officers, as determined under Section 162(m) of the Code.

The following summary description of the 2005 Plan, as amended and restated, is qualified in its entirety by reference to the full text of the 2005 Plan that is attached as Appendix A to the proxy statement filed via EDGAR with the SEC, including all changes that this proposal would effect if approved by our shareholders at the annual meeting.

Shareholders are requested in this Proposal 2 to approve the amendment and restatement of the 2005 Plan. The affirmative vote of the holders of a majority of the shares present in person or represented by proxy and voting at the meeting will be required to approve the amendment and restatement of the 2005 Plan. For purposes of this vote, abstentions and broker non-votes will not be counted for any purpose in determining whether this matter has been approved.

**THE BOARD OF DIRECTORS RECOMMENDS
A VOTE IN FAVOR OF PROPOSAL 2.**

The essential features of the 2005 Plan are outlined below:

General

The 2005 Plan provides for the grant of incentive stock options, nonstatutory stock options, stock purchase awards, stock bonus awards, stock unit awards, stock appreciation rights and other forms of equity compensation (collectively, the stock awards). Incentive stock options granted under the 2005 Plan are intended to qualify as incentive stock options within the meaning of Section 422 of the Internal Revenue Code of 1986, as amended, or the Code. Nonstatutory stock options granted under the 2005 Plan are not intended to qualify as incentive stock options under the Code. See Federal Income Tax Information for a discussion of the tax treatment of stock awards.

Table of Contents

Purpose

We adopted the 2005 Plan to provide a means by which selected officers, directors, employees of and consultants to us and our affiliates could be given an opportunity to acquire an equity interest in Aradigm Corporation, to assist in retaining the services of employees holding key positions, to secure and retain the services of persons capable of filling such positions and to provide incentives for such persons to exert maximum efforts for our success. As of February 28, 2006, all of our approximately 103 employees, directors, and consultants are eligible to participate in the 2005 Plan.

Administration

The Board administers the 2005 Plan. Subject to the provisions of the 2005 Plan, the Board has the authority to construe and interpret the plan, to determine the persons to whom and the dates on which stock awards will be granted, the type of stock award to grant to such person, the number of shares of Common Stock to be subject to each stock award, the time or times during the term of each stock award within which all or a portion of the award may be exercised, the exercise, purchase, or strike price of each stock award, the type of consideration permitted to exercise or purchase each stock award, and other terms of the stock awards.

The Board is authorized to delegate administration of the 2005 Plan to a committee composed of not fewer than two members of the Board. The Board has delegated administration of the 2005 Plan to the Compensation Committee of the Board. As used herein with respect to the 2005 Plan, the Board refers to the Compensation Committee as well as to the Board of Directors itself. In the Board's discretion, directors serving on the Compensation Committee will be outside directors within the meaning of Section 162(m) of the Code (Section 162(m)). See Federal Income Tax Information for a discussion of the application of Section 162(m).

The Board may also delegate to one or more of our officers the authority to designate officers and employees to be recipients of stock awards and the terms thereof and/or determine the number of shares of our Common Stock to be subject to the stock awards granted to such officers and employees, so long as the Board resolution delegating such authority specifies the total number of shares of Common Stock underlying stock awards that the officer may grant, the officer does not grant any stock awards to himself or herself and the Board does not delegate the authority to determine the fair market value on the date of grant of the Common Stock underlying the stock awards.

Eligibility

Incentive stock options may be granted under the 2005 Plan only to our employees (including officers) and our affiliates. Employees, non-employee Board members and consultants of us and our affiliates are eligible to receive all other types of stock awards under the 2005 Plan.

No incentive stock option may be granted under the 2005 Plan to any person who, at the time of the grant, owns (or is deemed to own) stock possessing more than 10% of our total combined voting power or its affiliates, unless the exercise price of such option is at least 110% of the fair market value of the stock subject to the option on the date of grant and the term of the option does not exceed five years from the date of grant. In addition, the aggregate fair market value, determined on the date of grant, of the shares of Common Stock with respect to which incentive stock options are exercisable for the first time by a participant during any calendar year (under the 2005 Plan and any of our other plans and those of our affiliates) may not exceed \$100,000.

No employee may be granted stock awards under the 2005 Plan exercisable for more than 1,500,000 shares of Common Stock during any calendar year.

Stock Subject to the 2005 Plan

Subject to this Proposal, an aggregate of 4,918,638 shares of Common Stock are reserved for issuance under the 2005 Plan. This share reserve consists of the number of shares we estimate will be carried over from the 1996 Plan, including shares subject to outstanding options under such predecessor plan, plus the additional shares that are the subject of Proposal 2. If stock awards granted under the 2005 Plan expire or otherwise terminate without being exercised or if we reacquire shares of Common Stock pursuant to the terms of unvested stock awards, the shares of Common Stock not acquired pursuant to such stock awards again become available for issuance under the 2005 Plan

Table of Contents

(provided, however, that any shares of Common Stock reacquired pursuant to incentive stock option awards will again become available for reissuance only for awards other than incentive stock options). If any shares of Common Stock subject to a stock award are not delivered because such shares are withheld for payment of taxes or because such shares are tendered as consideration for the exercise price of a stock award, the shares of Common Stock not delivered pursuant to such stock awards again become available for issuance under the 2005 Plan; provided, however, that any shares of Common Stock not delivered pursuant to incentive stock option awards will again become available for reissuance only for awards other than incentive stock options.

Terms of Options

The following is a description of the permissible terms of options under the 2005 Plan. Individual stock option agreements may be more restrictive as to any or all of the permissible terms described below.

Exercise Price. The exercise price of incentive stock options under the 2005 Plan may not be less than the fair market value of our Common Stock subject to the option on the date of the option grant, and in some cases (see Eligibility above), may not be less than 110% of such fair market value. The exercise price of nonstatutory options under the 2005 Plan may not be less than 100% of the fair market value of our Common Stock subject to the option on the date of the option grant. At February 28, 2006, the closing price of our Common Stock as reported on the Nasdaq National Market System was \$3.58 per share.

Consideration. The exercise price of options granted under the 2005 Plan must be paid either in cash at the time the option is exercised or, at the discretion of the Board, (i) pursuant to a broker-assisted same-day sale, (ii) by delivery of other shares of our Common Stock, (iii) pursuant to a deferred payment arrangement or (iv) in any other form of legal consideration acceptable to the Board.

Restrictions on Repricing. Under the terms of the 2005 Plan, the Board does not have the authority to reprice any outstanding stock awards under the 2005 Plan or cancel and re-grant any outstanding stock awards under the 2005 Plan, unless our shareholders have approved such an action within 12 months prior to such an event.

Vesting. Options granted under the 2005 Plan may become exercisable in cumulative increments, or vest, as determined by the Board. Shares covered by currently outstanding options under the 2005 Plan typically vest at the rate of 25% per year during the optionee's employment or services as a consultant or director. Shares covered by options granted in the future under the 2005 Plan may be subject to different vesting terms. The Board has the authority to accelerate the time during which an option may vest. In addition, options granted under the 2005 Plan may permit exercise prior to vesting. However, any unvested shares acquired under such an early exercise arrangement may be subject to repurchase by us or to any other restriction the Board determines to be appropriate. To the extent provided by the terms of an option, a participant may satisfy any federal, state or local tax withholding obligation relating to the exercise of such option by a cash payment upon exercise, by authorizing us to withhold a portion of the stock otherwise issuable to the participant or by such other method as the Board determines to include in the stock award agreement.

Term. The Board has the discretion to determine the term of an option. However, the maximum term of an incentive stock option granted under the 2005 Plan is 10 years, except that in certain cases (see Eligibility above) the maximum permitted term of such award is five years. Options under the 2005 Plan terminate three months after termination of the participant's service unless (i) such termination is due to the participant's permanent and total disability (as defined in the Code), in which case the option may be exercised (to the extent the option was exercisable at the time of the termination of service) at any time within 12 months of such termination, unless the option agreement provides otherwise; (ii) the participant dies before the participant's service has terminated, or within a certain period after termination of service, in which case the option may be exercised (to the extent the option was exercisable at the time

of the participant's death) within 18 months of the participant's death by the person or persons to whom the rights to such option pass by will or by the laws of descent and distribution, unless the option agreement provides otherwise; or (iii) the option by its terms specifically provides otherwise. In no event, however, may an option be exercised beyond the expiration of its term.

A participant's option agreement may provide that if the exercise of the option following the termination of the participant's service would be prohibited because the issuance of stock would violate the registration requirements

Table of Contents

under the Securities Act, then the option will terminate on the earlier of (i) the expiration of the term of the option or (ii) three months after the termination of the participant's service during which the exercise of the option would not be in violation of such registration requirements.

Restrictions on Transfer. Unless specified otherwise by the Board or required by law, a participant in the 2005 Plan may not transfer a stock option other than by will or by the laws of descent and distribution or pursuant to a domestic relations order. During the lifetime of the participant, only the participant may exercise a stock option. A participant may designate a beneficiary who may exercise an option following the participant's death. Shares subject to repurchase by us pursuant to an early exercise arrangement may be subject to restrictions on transfer that the Board deems appropriate.

Terms of Stock Purchase Awards and Stock Bonus Awards

Stock purchase awards and stock bonus awards may be granted under the 2005 Plan pursuant to stock purchase award agreements and stock bonus award agreements, respectively.

Purchase Price. The purchase price for stock purchase awards must be at least the par value of our Common Stock.

Consideration. The purchase price for stock purchase awards may be paid in cash, or, at the discretion of the Board, under a deferred payment or similar arrangement, by past services rendered to us or in any other form of legal consideration acceptable to the Board and permissible under applicable law. The Board may grant stock bonus awards in consideration for past services rendered to us or any other form of legal consideration acceptable to the Board and permissible under applicable law.

Vesting. Shares of stock acquired under a stock purchase may, but need not, be subject to a repurchase right or option in our favor; and shares of stock acquired under a stock bonus award may, but need not, be subject to forfeiture to us in accordance with a vesting schedule as determined by the Board. The Board has the authority to accelerate the vesting of stock acquired pursuant to a stock purchase or stock bonus award.

Termination of Service. Upon termination of a participant's service, we may repurchase or otherwise reacquire any forfeited shares of stock that have not vested as of such termination under the terms of the applicable stock purchase award or stock bonus award agreement.

Restrictions on Transfer. Rights to acquire shares under a stock purchase or stock bonus award may be transferred only upon such terms and conditions as may be approved by the Board.

Terms of Stock Unit Awards

Stock unit awards may be granted under the 2005 Plan pursuant to stock unit award agreements.

Consideration. The purchase price for stock unit awards may be paid in any form of legal consideration acceptable to the Board.

Settlement of Awards. A stock unit award may be settled by the delivery of shares of our Common Stock, cash, in any combination of the two or in any other form of consideration, as determined by the Board.

Vesting. At the time of the grant of a stock unit, the Board may such restrictions or conditions to the vesting of the stock unit as it, in its sole discretion, deems appropriate. Also, at the time of grant, the Board may impose additional restrictions or conditions that delay the delivery of stock or cash subject to the stock unit award after vesting. The

Board has the authority to accelerate the vesting of stock unit awards as it deems appropriate.

Dividend Equivalents. Dividend equivalent rights may be credited with respect to shares covered by a stock unit award, as determined by the Board. We do not anticipate paying cash dividends on our Common Stock for the foreseeable future.

Termination of Service. Except as otherwise provided in the applicable award agreement, stock units that have not vested will be forfeited upon the participant's termination of service.

Terms of Stock Appreciation Rights

Stock appreciation rights may be granted under the 2005 Plan pursuant to stock appreciation rights agreements.

Exercise. Each stock appreciation right is denominated in shares of Common Stock equivalents. Upon exercise of a stock appreciation right, we will pay the participant an amount equal to the excess of (i) the aggregate fair market value on the date of exercise of a number of Common Stock equivalents with respect to which the participant is exercising the stock appreciation right over (ii) the strike price on the date of grant, as determined by the Board.

Settlement of Awards. The appreciation distribution upon exercise of a stock appreciation right may be paid in cash, in shares of our Common Stock, in any combination of the two or in any other form of consideration determined by the Board.

Vesting. The Board may impose such conditions and restrictions as to the vesting of stock appreciation rights as it deems appropriate. The Board has the authority to accelerate the vesting of stock appreciation rights as it deems appropriate.

Termination of Service. Upon termination of a participant's service, the participant generally may exercise any vested stock appreciation right for three months (or such longer or shorter period specified in the stock appreciation right agreement) after the date such service relationship ends. In no event may a stock appreciation right be exercised beyond the expiration of its term.

Terms of Other Equity Awards

The Board may grant other equity awards based in whole or in part by reference to the value of our Common Stock. See the full text of the 2005 Plan, set forth in Appendix A to the Proxy Statement filed via EDGAR with the SEC, for more details. Subject to the provisions of the 2005 Plan, the Board has the authority to determine the persons to whom and the dates on which such other equity awards will be granted, the number of shares of Common Stock (or cash equivalents) to be subject to each award, and other terms and conditions of such awards.

Performance-Based Stock Awards

Under the 2005 Plan, a stock award may be granted, vest or be exercised based upon the attainment during a certain period of time of certain performance goals. All employees of and consultants to us and our affiliates and directors are eligible to receive performance-based stock awards under the 2005 Plan. The length of any performance period, the performance goals to be achieved during the performance period, and the measure of whether and to what degree such performance goals have been attained shall be determined by the Board. The maximum benefit to be received by any individual in any calendar year attributable to performance-based stock awards may not exceed the value of 500,000 shares of our Common Stock.

In granting a performance-based stock award, the Board will set a period of time (a performance period) over which the attainment of one or more goals (performance goals) will be measured for the purpose of determining whether the award recipient has a vested right in or to such award. Within the time period prescribed by Section 162(m) of the Code (typically before the 90th day of a performance period), the Board will establish the performance goals, based upon one or more pre-established criteria (performance criteria) enumerated in the 2005 Plan and described below. As soon as administratively practicable following the end of the performance period, the Board will certify (in writing) whether the performance goals have been satisfied.

Performance goals under the 2005 Plan shall be determined by the Board, based on one or more of the following performance criteria: (i) earnings per share; (ii) earnings before interest, taxes and depreciation; (iii) earnings before interest, taxes, depreciation and amortization (EBITDA); (iv) net earnings; (v) total shareholder return; (vi) return on equity; (vii) return on assets, investment or capital employed; (viii) operating margin; (ix) gross margin; (x) operating income; (xi) net income (before or after taxes); (xii) net operating income; (xiii) net operating income after tax; (xiv) pre- and after-tax income; (xv) pre-tax profit; (xvi) operating cash flow; (xvii) sales or revenue targets; (xviii) increases in revenue or product revenue; (xix) expenses and cost reduction goals;

Table of Contents

(xx) improvement in or attainment of expense levels; (xxi) improvement in or attainment of working capital levels; (xxii) economic value added (or an equivalent metric); (xxiii) market share; (xxiv) cash flow; (xxv) cash flow per share; (xxvi) share price performance; (xxvii) debt reduction; (xxviii) implementation or completion of projects or processes; (xxix) customer satisfaction; (xxx) total shareholder return; (xxxi) shareholders equity; and (xxxii) to the extent that an award is not intended to comply with Section 162(m) of the Code, other measures of performance selected by the Board.

The Board is authorized to adjust or modify the calculation of a performance goal for a performance period in order to prevent the dilution or enlargement of the rights of participants, (a) in the event of, or in anticipation of, any unusual or extraordinary corporate item, transaction, event or development; (b) in recognition of, or in anticipation of, any other unusual or nonrecurring events affecting us, or our financial statements, or in response to, or in anticipation of, changes in applicable laws, regulations, accounting principles, or business conditions; or (c) in view of the Board's assessment of our business strategy, performance of comparable organizations, economic and business conditions, and any other circumstances deemed relevant. Specifically, the Board is authorized to make adjustment in the method of calculating attainment of performance goals and objectives for a performance period as follows: (i) to exclude the dilutive effects of acquisitions or joint ventures; (ii) to assume that any business we divested achieved performance objectives at targeted levels during the balance of a performance period following such divestiture; and (iii) to exclude the effect of any change in the outstanding shares of our Common Stock by reason of any stock dividend or split, stock repurchase, reorganization, recapitalization, merger, consolidation, spin-off, combination or exchange of shares or other similar corporate change, or any distributions to common shareholders other than regular cash dividends. In addition, the Board is authorized to make adjustment in the method of calculating attainment of performance goals and objectives for a performance period as follows: (i) to exclude restructuring and/or other nonrecurring charges; (ii) to exclude exchange rate effects, as applicable, for non-U.S. dollar denominated net sales and operating earnings; (iii) to exclude the effects of changes to generally accepted accounting standards required by the Financial Accounting Standards Board; (iv) to exclude the effects to any statutory adjustments to corporate tax rates; (v) to exclude the impact of any extraordinary items as determined under generally accepted accounting principles; and (vi) to exclude any other unusual, non-recurring gain or loss or other extraordinary item.

Changes to Capital Structure

In the event any change is made to the outstanding shares of our Common Stock without our receipt of consideration (whether through a stock split or other specified change in our capital structure), appropriate adjustments will be made to: (i) the maximum number and/or class of securities issuable under the 2005 Plan; (ii) the maximum number and/or class of securities issuable as incentive stock options under the 2005 Plan; (iii) the maximum number and/or class of securities for which any one person may be granted options and/or stock appreciation rights or performance-based awards per calendar year pursuant to the limitation under Section 162(m); and (iv) the number and/or class of securities and the price per share in effect under each outstanding stock award under the 2005 Plan.

Effect of Certain Corporate Events

In the event of our dissolution or liquidation, any stock award which remains unvested or subject to a right or repurchase shall terminate immediately prior to such liquidation or dissolution and the shares of Common Stock subject to such repurchase right may be repurchased by us notwithstanding that the holder of such award is providing service to us. The Board may, in its discretion, cause some or all stock awards to become fully vested, exercisable and/or no longer subject to repurchase or forfeiture before the liquidation or dissolution is completed, but contingent on its completion.

In the event of certain significant corporate transactions, all outstanding stock awards under the 2005 Plan may be assumed, continued or substituted for by any surviving or acquiring entity (or its parent company). If the surviving or

acquiring entity (or its parent company) elects not to assume, continue or substitute such stock awards, then (i) with respect to any such stock awards that are held by individuals then performing services for us or our affiliates, the vesting and exercisability provisions of such stock awards will be accelerated in full and such awards

Table of Contents

will be terminated if not exercised prior to the effective date of the corporate transaction; and (ii) all other outstanding stock awards will be terminated if not exercised prior to the effective date of the corporate transaction.

A significant corporate transaction will be deemed to occur in the event of (i) a sale or all or substantially all of our consolidated assets and those of our subsidiaries, (ii) the sale of at least 90% of our outstanding securities, (iii) a merger or consolidation in which we are not the surviving corporation or (iv) a merger, consolidation or similar transaction in which we are the surviving corporation, but shares of our outstanding Common Stock are converted into other property by virtue of the transaction.

Following certain specified change in control transactions, the vesting and exercisability of specified stock awards will be accelerated only if specifically provided by a participant's award agreement. The acceleration of a stock award in the event of certain significant corporate transactions or a change in control may be viewed as an anti-takeover provision, which may have the effect of discouraging a proposal to acquire or otherwise obtain control of us.

Duration, Termination and Amendment

The Board may suspend or terminate the 2005 Plan without shareholder approval or ratification at any time. Unless sooner terminated, the 2005 Plan will terminate on March 20, 2015.

The Board may amend the 2005 Plan at any time or from time to time. However, no amendment will be effective unless approved by our shareholders if the amendment would (i) modify the requirements as to eligibility for participation (to the extent such modification requires shareholder approval in order for the 2005 Plan to satisfy Section 422 of the Code, if applicable, or Rule 16b-3 of the Securities Exchange Act of 1934, as amended (the Exchange Act)); (ii) increase the number of shares reserved for issuance upon exercise of awards; or (iii) change any other provision of the 2005 Plan in any other way if such modification requires shareholder approval in order to comply with Rule 16b-3 of the Exchange Act or satisfy the requirements of Section 422 of the Code or any securities exchange listing requirements. The Board may submit any other amendment to the 2005 Plan for shareholder approval, including, but not limited to, amendments intended to satisfy the requirements of Section 162(m) regarding the exclusion of performance-based compensation from the limitation on the deductibility of compensation paid to certain employees.

Federal Income Tax Information

The following is a summary of the principal United States federal income taxation consequences to employees and us with respect to participation in the 2005 Plan. This summary is not intended to be exhaustive, and does not discuss the income tax laws of any city, state or foreign jurisdiction in which a participant may reside.

Incentive Stock Options. Incentive stock options granted under the 2005 Plan are intended to be eligible for the favorable federal income tax treatment accorded incentive stock options under the Code. There generally are no federal income tax consequences to the participant or us by reason of the grant or exercise of an incentive stock option. However, the exercise of an incentive stock option may give rise to or increase alternative minimum tax liability for the participant.

If a participant holds stock acquired through exercise of an incentive stock option for more than two years from the date on which the option was granted and more than one year after the date the option was exercised for those shares, any gain or loss on a disposition of those shares (a qualifying disposition) will be a long-term capital gain or loss. Upon such a qualifying disposition, we will not be entitled to any income tax deduction.

Generally, if the participant disposes of the stock before the expiration of either of these holding periods (a disqualifying disposition), then at the time of disposition the participant will realize taxable ordinary income equal to the lesser of (i) the excess of the stock's fair market value on the date of exercise over the exercise price or (ii) the participant's actual gain, if any, on the purchase and sale. The participant's additional gain or any loss upon the disqualifying disposition will be a capital gain or loss, which will be long-term or short-term depending on whether the stock was held for more than one year.

Table of Contents

To the extent the participant recognizes ordinary income by reason of a disqualifying disposition, generally we will be entitled (subject to the requirement of reasonableness, the provisions of Section 162(m), and the satisfaction of a tax reporting obligation) to a corresponding income tax deduction in the tax year in which the disqualifying disposition occurs.

Nonstatutory Stock Options, Restricted Stock Purchase Awards and Stock Bonuses. There generally are no tax consequences to the participant or us by reason of the grant of these awards. Upon acquisition of the stock under any of these awards, the participant normally will recognize taxable ordinary income equal to the excess, if any, of the stock's fair market value on the acquisition date over the purchase price. However, to the extent the stock is subject to certain types of vesting restrictions, the taxable event will be delayed until the vesting restrictions lapse unless the participant elects to be taxed on receipt of the stock under Section 83(b) of the Code. With respect to employees, we are generally required to withhold from regular wages or supplemental wage payments an amount based on the ordinary income recognized. Subject to the requirement of reasonableness, the provisions of Section 162(m) and the satisfaction of a tax reporting obligation, we will generally be entitled to a business expense deduction equal to the taxable ordinary income realized by the participant.

Upon disposition of the stock, the participant will recognize a capital gain or loss equal to the difference between the selling price and the sum of the amount paid for such stock plus any amount recognized as ordinary income upon acquisition (or vesting) of the stock. Such gain or loss will be long-term or short-term depending on whether the stock was held for more than one year. Slightly different rules may apply to participants who acquire stock subject to certain repurchase options or who are subject to Section 16(b) of the Exchange Act.

Stock Unit Awards. No taxable income is generally recognized upon receipt of a stock unit award. The participant will recognize ordinary income in the year in which the shares subject to that unit are actually issued to the participant in an amount equal to the fair market value of the shares on the date of issuance. We and the participant will be required to satisfy certain tax withholding requirements applicable to such income. We will be entitled to an income tax deduction equal to the amount of ordinary income recognized by the participant at the time the shares are issued. In general, the deduction will be allowed for the taxable year in which such ordinary income is recognized by the participant. Section 409A of the Code may apply to the grant of a stock unit award if the award permits the participant to defer receipt of the stock after vesting, unless a deferral election and certain other requirements are met.

Stock Appreciation Rights. No taxable income is realized upon the receipt of a stock appreciation right. Upon exercise of the stock appreciation right, the fair market value of the shares (or cash in lieu of shares) received is recognized as ordinary income to the participant in the year of such exercise. Generally, with respect to employees, we are required to withhold from the payment made on exercise of the stock appreciation right or from regular wages or supplemental wage payments an amount based on the ordinary income recognized. Subject to the requirement of reasonableness, Section 162(m) and the satisfaction of a reporting obligation, we will be entitled to an income tax deduction equal to the amount of ordinary income recognized by the participant.

Potential Limitation on Company Deductions. Section 162(m) denies a deduction to any publicly held corporation for compensation paid to certain covered employees in a taxable year to the extent that compensation to such covered employee exceeds \$1 million. It is possible that compensation attributable to awards, when combined with all other types of compensation received by a covered employee from us, may cause this limitation to be exceeded in any particular year.

Certain kinds of compensation, including qualified performance-based compensation, are disregarded for purposes of the deduction limitation. In accordance with Treasury Regulations issued under Section 162(m), compensation attributable to stock options and stock appreciation rights will qualify as performance-based compensation if the award is granted by a compensation committee comprised solely of outside directors and either (i) the plan contains a

per-employee limitation on the number of shares for which such awards may be granted during a specified period, the per-employee limitation is approved by the shareholders, and the exercise price of the award is no less than the fair market value of the stock on the date of grant or (ii) the award is granted (or exercisable) only upon the achievement (as certified in writing by the compensation committee) of an objective performance goal established in writing by the compensation committee while the outcome is substantially uncertain, and the award is approved by shareholders.

Table of Contents

Stock purchase awards, stock units and stock bonus awards will qualify as performance-based compensation under the Treasury Regulations only if (i) the award is granted by a compensation committee comprised solely of outside directors, (ii) the award is granted (or exercisable) only upon the achievement of an objective performance goal established in writing by the compensation committee while the outcome is substantially uncertain, (iii) the compensation committee certifies in writing prior to the granting (or exercisability) of the award that the performance goal has been satisfied and (iv) prior to the granting (or exercisability) of the award, shareholders have approved the material terms of the award (including the class of employees eligible for such award, the business criteria on which the performance goal is based, and the maximum amount or formula used to calculate the amount payable upon attainment of the performance goal). The Company intends to comply with these regulations with respect to performance-based compensation that it may award.

Table of Contents**PROPOSAL 3****RATIFICATION OF SELECTION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

The Audit Committee of the Board of Directors has selected Ernst & Young LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2006 and has further directed that management submit the selection of an independent registered public accounting firm for ratification by the shareholders at the annual meeting. Ernst & Young LLP has audited our financial statements since 1995. Representatives of Ernst & Young LLP are expected to be present at the annual meeting. They will have an opportunity to make a statement if they so desire and will be available to respond to appropriate questions.

Neither our bylaws nor other governing documents or law require shareholder ratification of the selection of Ernst & Young LLP as our independent registered public accounting firm. However, the Audit Committee is submitting the selection of Ernst & Young LLP to the shareholders for ratification as a matter of good corporate practice. If the shareholders fail to ratify the selection, the Audit Committee will reconsider whether or not to retain that firm. Even if the selection is ratified, the Audit Committee in its discretion may direct the appointment of different independent auditors at any time during the year if they determine that such a change would be in the best interests of us and our shareholders.

The affirmative vote of the holders of a majority of the shares present in person or represented by proxy and voting at the annual meeting (which shares voting affirmatively also constitute a majority of the required quorum) will be required to ratify the selection of Ernst & Young LLP. For purposes of this vote, abstentions and broker non-votes will not be counted for any purpose in determining whether this matter has been approved.

Pre-Approval Policies and Procedures

The Audit Committee pre-approves audit services, audit-related services, and non-audit services provided by our independent registered public accounting firm, Ernst & Young, LLP and will not approve services that the Audit Committee determines are outside the bounds of applicable laws and regulations. Pre-approval may also be given as part of the Audit Committee's approval of the scope of the engagement of the independent registered public accounting firm or on an individual explicit case-by-case basis before the independent registered public accounting firm is engaged to provide each service. The pre-approval of services may be delegated to one or more of the Audit Committee's members, but the decision must be reported to the full Audit Committee at its next scheduled meeting.

The Audit Committee has determined that the rendering of the services rendered by Ernst & Young LLP other than audit services is compatible with maintaining the principal accountant's independence.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the 1934 Act requires our directors and executive officers, and persons who own more than ten percent of a registered class of our equity securities, to file with the SEC initial reports of ownership and reports of changes in ownership of our common stock and other equity securities. Officers, directors and greater than ten percent shareholders are required by SEC regulation to furnish us with copies of all Section 16(a) forms they file.

To our knowledge, based solely on a review of the copies of such reports furnished to us and written representations that no other reports were required, during the fiscal year ended December 31, 2005, all Section 16(a) filing requirements applicable to our officers, directors and greater than ten percent beneficial owners were complied with.

Compensation of Directors

Each of our non-employee directors receives a per meeting fee of \$3,000 for all regularly scheduled meetings, and a per meeting fee of \$1,000 for additional special meetings of the Board. The non-employee director serving as Chairman of the Board receives an annual \$25,000 fee, payable quarterly, for his service. In addition, each of our non-employee directors receives \$1,000 for each committee meeting, and each committee chairperson receives an additional \$500 per committee meeting. In the fiscal year ended December 31, 2005, the total compensation paid to non-employee directors was \$236,194. The members of the Board are also eligible for reimbursement for their expenses incurred in attending Board meetings in accordance with our reimbursement policy.

Under current Board policy, each director receives an automatic option grant upon election to the Board, and at each annual meeting of the shareholders thereafter. Additional grants may be made to non-employee directors under the 2005 Plan.

During the last fiscal year, we granted options covering 4,000 shares to each of our non-employee directors at an exercise price per share of \$5.30 (the fair market value of such common stock on the date of each grant based on the closing sales price reported on the Nasdaq National Market for the date of each grant), as adjusted for the reverse split of our common stock effected on January 4, 2006. As of February 28, 2006, non-employee directors held options to purchase an aggregate of 520,686 shares of our common stock.

STOCK OPTION GRANTS AND EXERCISES

The following table presents, for the fiscal year ended December 31, 2005, certain information regarding options granted to the Named Executive Officers during the year ended December 31, 2005, after giving effect to the reverse split of our common stock effected on January 4, 2006. In 2005, we granted options to our executive officers under the 2005 Plan. These options vest 20% after the first year and quarterly thereafter for the following three years. The options will fully vest upon a change of control (as defined in the 2005 Plan), unless the acquiring company assumes the options or substitutes similar options. In the year ended December 31, 2005, we granted options to purchase a total of 325,460 shares of our common stock, after giving effect to the reverse split of our common stock effected on January 4, 2006.

Potential realizable value is calculated assuming that the stock price on the date of grant appreciates at the indicated rate compounded annually until the option is exercised and sold on the last day of its term for the appreciated stock price. The 5% and 10% assumed rates of appreciation are required by the rules of the SEC and do not represent our estimate or projection of the future common stock price.

**REPORT OF THE COMPENSATION COMMITTEE OF THE BOARD OF DIRECTORS
ON EXECUTIVE COMPENSATION**

*

The Compensation Committee of the Board of Directors (the Committee) is composed of three non-employee directors. The Committee is responsible for setting and administering the policies that govern annual executive salaries, bonuses and stock option grants. The Committee annually evaluates the performance, and recommends to the Board of Directors the level of compensation of, the Chief Executive Officer (CEO) and the other executive officers of Aradigm Corporation (the Company) based upon a mix of the achievement of corporate goals, individual performance and comparisons with other biotechnology companies. The CEO is not present during the discussion of his compensation.

The policies of the Committee with respect to executive officers, including the CEO, are to provide compensation sufficient to attract, motivate and retain executives of outstanding ability and potential and to establish an appropriate relationship between executive compensation and the creation of shareholder value. To meet these goals, the Committee has adopted a mix among the compensation elements of salary, bonus and stock options, with a bias toward stock options to emphasize the link between executive incentives and the creation of shareholder value as measured by the equity markets.

In general, the salaries of executive officers are based upon a review of surveys of similar publicly-held biotechnology companies in the same industry sector. The salaries are adjusted at such time within such range based upon whether an executive officer met specific individual performance goals. Such individual performance goals are based upon the officer's contribution toward Company goals, primarily based upon product development. For the fiscal year ended December 31, 2005, the average increase in the salaries of the executive officers, including the CEO, was 5.1%.

Target bonuses of executive officers are based upon the surveys of similar biotechnology companies described above and are set at the beginning of each fiscal year as a percentage of base salary. Actual bonuses are paid at the end of each fiscal year and may be above or below target depending on whether certain corporate goals have been met during the year. The set of corporate goals is the same for all executive officers. Because the Company is a development stage company, the corporate goals are based upon product development and financing objectives rather than the operating performance of the Company. The Committee assigns a weight to each goal according to whether it was attained or surpassed. The bonus is capped at 150% of the target percentage based on maximum goal achievement.

In recommending stock options for executive officers, the Committee considers surveys of similar publicly held companies, the need to provide long-term incentives for the executives based on their individual past performance, their strategic importance for the future overall contribution to the Company and the total number of stock options to be awarded. After considering the criteria relating to awarding stock options, the Committee determined that seven executive officers, including the CEO, would receive option grants in respect of the fiscal year ended December 31, 2005.

The Committee generally uses the same procedures described above for the other executive officers in setting the annual salary, bonus and stock option awards for the CEO. The corporate goals used in adjusting the salary of the CEO are the same as the corporate goals utilized in adjusting the salaries of all executive officers. The CEO's salary and bonus are determined based on comparisons with similar companies in the same industry sector and adjusted according to corporate performance as described above. During 2005, the CEO received an 3.5% increase from his prior salary and received a bonus that was 60% of the target bonus. In awarding stock options, the Committee considers the CEO's performance, overall contribution to the Company, the total number of options awarded and the

level of options granted by similar companies as described above. Based on such criteria, on March 1, 2006, the CEO received options to purchase an aggregate of 150,000 shares of the Company's common stock in respect of his

Section 162(m) limits the Company to a deduction for federal income tax purposes of no more than \$1 million of compensation paid to certain Named Executive Officers during a taxable year. Compensation above \$1 million may be deducted if it is performance-based compensation within the meaning of the Code. The Compensation Committee believes that at the present time it is unlikely that the compensation paid to any Named Executive Officer in a taxable year which is subject to the deduction limit will exceed \$1 million. Therefore, the Committee has not yet established a policy for determining which forms of incentive compensation awarded to its Named Executive Officers shall be designed to qualify as performance-based compensation. The Committee intends to continue to evaluate the effects of the statute and any United States Treasury regulations and to comply with Section 162(m) in the future to the extent consistent with the best interests of the Company.

CERTAIN TRANSACTIONS

We have entered into indemnity agreements with certain officers and directors that provide, among other things, that we will indemnify such officer or director, under the circumstances and to the extent provided for therein, for expenses, damages, judgments, fines and settlements he may be required to pay in actions or proceedings which he is or may be made a party be reason of his position as a director, officer or other agent of us, and otherwise to the full extent permitted under California law and our Bylaws.

Pursuant to an offer letter dated September 20, 2001, we agreed to provide Mr. Lawlis with a loan in the principal amount of \$200,000. The loan has a five-year term and accrues interest at the rate of 4.8% per year. By the terms of the offer letter, the loan is to be forgiven over the first five years of Mr. Lawlis' s employment. In 2005, the total amount of principal and interest forgiven was \$42,956, and the largest aggregate amount of indebtedness outstanding in 2005, including principal and accrued interest, was \$80,000. As of February 28, 2006, the amount of principal and accrued interest outstanding was \$33,333.

As of January 26, 2005, we completed the restructuring of the AERx iDMS program, pursuant to the Restructuring Agreement entered into with Novo Nordisk A/S and Novo Nordisk Delivery Technologies, Inc. as of September 28, 2004. Under the terms of the Restructuring Agreement we sold certain equipment, leasehold improvements and other tangible assets currently utilized in the AERx iDMS program to Novo Nordisk Delivery Technologies, for a cash payment of approximately \$55 million (before refund of cost advances made by Novo Nordisk). Our expense related to this transaction for legal and other consulting costs were approximately \$1.1 million. In connection with the restructuring transaction, we entered into various related agreements with Novo Nordisk and Novo Nordisk Delivery Technologies effective January 26, 2005, including the following:

- an amended and restated license agreement amending the Development and License Agreement previously in place with Novo Nordisk, expanding Novo Nordisk' s development and manufacturing rights to the AERx iDMS program and providing for royalties to us on future AERx iDMS net sales in lieu of a percentage interest in the gross profits from the commercialization of AERx iDMS;

- a three-year agreement under which Novo Nordisk Delivery Technologies will perform contract manufacturing for us of AERx iDMS-identical devices and dosage forms filled with compounds provided by us in support of preclinical and initial clinical development by us of other AERx products; and

- an amendment of the common stock purchase agreement in place with Novo Nordisk prior to the closing of the restructuring transaction, deleting the provisions whereby we can require Novo Nordisk to purchase certain amounts of common stock, imposing certain restrictions on the ability of Novo Nordisk to sell shares of our common stock previously purchased by Novo Nordisk and providing Novo Nordisk with certain registration and information rights with respect to these shares.

In addition, pursuant to the Restructuring Agreement, the Manufacturing and Supply Agreement and the Patent Cooperation Agreement, each previously in place with Novo Nordisk, were terminated. As of February 28, 2006 Novo Nordisk beneficially owned 1,573,673 shares of our common stock and is considered a related party.

On October 7, 2005, we adopted the Aradigm Corporation Executive Officer Severance Benefit Plan, in which members of our senior management who are involuntarily terminated, including our Named Executive Officers, are eligible to receive (i) a lump sum payment equal to such officer' s annual base salary plus an amount up to such officer' s target bonus, (ii) payment of COBRA premiums for a period of up to 12 months following termination and (iii) career

transition assistance. We have also entered into Change of Control Agreements with certain members of our senior management, including our Named Executive Officers, whereby if such officers are involuntarily or constructively terminated following a change in control, such officers are eligible to receive (i) a lump sum payment equal to between one and two times such officer's annual base salary plus up to two times such officer's target bonus, (ii) payment of COBRA premiums for a period of between 12 and 24 months following termination (iii) career transition assistance and (iv) accelerated vesting of all options and/or restricted stock held by such officer.

HOUSEHOLDING OF PROXY MATERIALS

The SEC has adopted rules that permit companies and intermediaries (e.g., brokers) to satisfy the delivery requirements for proxy statements and annual reports with respect to two or more shareholders sharing the same address by delivering a single proxy statement addressed to those shareholders. This process, which is commonly referred to as householding, potentially means extra convenience for shareholders and cost savings for companies.

This year, a number of brokers with account holders who are our shareholders will be householding our proxy materials. A single proxy statement will be delivered to multiple shareholders sharing an address unless contrary instructions have been received from the affected shareholders. Once you have received notice from your broker that they will be householding communications to your address, householding will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in householding and would prefer to receive a separate proxy statement and annual report, please notify your broker, direct your written request to Aradigm Corporation, Corporate Secretary, 3929 Point Eden Way, Hayward, CA 94545 or contact our Corporate Secretary at (510) 265-9000. Shareholders who currently receive multiple copies of the proxy statement at their address and would like to request householding of their communications should contact their broker.

OTHER MATTERS

The Board of Directors knows of no other matters that will be presented for consideration at the annual meeting. If any other matters are properly brought before the meeting, it is the intention of the persons named in the accompanying proxy to vote on such matters in accordance with their best judgment.

Approved By Shareholders: May 19, 2005

Termination Date: March 20, 2015

Amended by Board (including to reflect January 2006 1-for-5 reverse stock split): March 30, 2006

1. General.

(a) Amendment and Restatement. The Plan is a complete amendment and restatement of the Company's 1996 Equity Incentive Plan that was previously adopted in April 1996 (as thereafter amended, the *Prior Plan*). All outstanding awards granted under the Prior Plan shall remain subject to the terms of the Prior Plan. All Stock Awards granted on or after the effective date of this Plan shall be subject to the terms of this Plan.

(b) Eligible Stock Award Recipients. The persons eligible to receive Stock Awards are Employees, Directors and Consultants.

(c) Available Stock Awards. The Plan provides for the grant of the following Stock Awards: (i) Incentive Stock Options, (ii) Nonstatutory Stock Options, (iii) Stock Purchase Awards, (iv) Stock Bonus Awards, (v) Stock Appreciation Rights, (vi) Stock Unit Awards and (vii) Other Stock Awards.

(d) General Purpose. The Company, by means of the Plan, seeks to secure and retain the services of the group of persons eligible to receive Stock Awards as set forth in Section 1(a), to provide incentives for such persons to exert maximum efforts for the success of the Company and any Affiliate and to provide a means by which such eligible recipients may be given an opportunity to benefit from increases in value of the Common Stock through the granting of Stock Awards.

2. Definitions.

As used in the Plan, the following definitions shall apply to the capitalized terms indicated below:

(a) Affiliate means (i) any corporation (other than the Company) in an unbroken chain of corporations ending with the Company, provided each corporation in the unbroken chain (other than the Company) owns, at the time of the determination, stock possessing fifty percent (50%) or more of the total combined voting power of all classes of stock in one of the other corporations in such chain, and (ii) any corporation (other than the Company) in an unbroken chain of corporations beginning with the Company, provided each corporation (other than the last corporation) in the unbroken chain owns, at the time of the determination, stock possessing fifty percent (50%) or more of the total combined voting power of all classes of stock in one of the other corporations in such chain. The Board shall have the authority to determine

1.

(i) the time or times at which the ownership tests are applied, and (ii) whether *Affiliate* includes entities other than corporations within the foregoing definition.

(b) ***Board*** means the Board of Directors of the Company.

(c) ***Capitalization Adjustment*** has the meaning ascribed to that term in Section 11(a).

(d) ***Cause*** means, with respect to a Participant, the occurrence of any of the following: (i) such Participant's commission of any felony or any crime involving fraud, dishonesty or moral turpitude under the laws of the United States or any state thereof; (ii) such Participant's attempted commission of, or participation in, a fraud or act of dishonesty against the Company; (iii) such Participant's intentional, material violation of any material contract or agreement between the Participant and the Company or any statutory duty owed to the Company; (iv) such Participant's unauthorized use or disclosure of the Company's confidential information or trade secrets; or (v) such Participant's gross misconduct. The determination that a termination is for Cause shall be made by the Company in its sole discretion. Any determination by the Company that the Continuous Service of a Participant was terminated by reason of dismissal without Cause for the purposes of outstanding Stock Awards held by such Participant shall have no effect upon any determination of the rights or obligations of the Company or such Participant for any other purpose.

(e) ***Change in Control*** means the occurrence, in a single transaction or in a series of related transactions, of any one or more of the following events:

(i) any Exchange Act Person becomes the Owner, directly or indirectly, of securities of the Company representing more than fifty percent (50%) of the combined voting power of the Company's then outstanding securities other than by virtue of a merger, consolidation or similar transaction. Notwithstanding the foregoing, a Change in Control shall not be deemed to occur (A) on account of the acquisition of securities of the Company by an investor, any affiliate thereof or any other Exchange Act Person from the Company in a transaction or series of related transactions the primary purpose of which is to obtain financing for the Company through the issuance of equity securities or (B) solely because the level of Ownership held by any Exchange Act Person (the ***Subject Person***) exceeds the designated percentage threshold of the outstanding voting securities as a result of a repurchase or other acquisition of voting securities by the Company reducing the number of shares outstanding, provided that if a Change in Control would occur (but for the operation of this sentence) as a result of the acquisition of voting securities by the Company, and after such share acquisition, the Subject Person becomes the Owner of any additional voting securities that, assuming the repurchase or other acquisition had not occurred, increases the percentage of the then outstanding voting securities Owned by the Subject Person over the designated percentage threshold, then a Change in Control shall be deemed to occur;

(ii) there is consummated a merger, consolidation or similar transaction involving (directly or indirectly) the Company and, immediately after the consummation of such merger, consolidation or similar transaction, the shareholders of the Company immediately prior thereto do not Own, directly or indirectly, either (A) outstanding voting securities representing

more than fifty percent (50%) of the combined outstanding voting power of the surviving Entity in such merger, consolidation or similar transaction or (B) more than fifty percent (50%) of the combined outstanding voting power of the parent of the surviving Entity in such merger, consolidation or similar transaction, in each case in substantially the same proportions as their Ownership of the outstanding voting securities of the Company immediately prior to such transaction;

(iii) the shareholders of the Company approve or the Board approves a plan of complete dissolution or liquidation of the Company, or a complete dissolution or liquidation of the Company shall otherwise occur;

(iv) there is consummated a sale, lease, exclusive license or other disposition of all or substantially all of the consolidated assets of the Company and its Subsidiaries, other than a sale, lease, license or other disposition of all or substantially all of the consolidated assets of the Company and its Subsidiaries to an Entity, more than fifty percent (50%) of the combined voting power of the voting securities of which are Owned by shareholders of the Company in substantially the same proportions as their Ownership of the outstanding voting securities of the Company immediately prior to such sale, lease, license or other disposition; or

(v) individuals who, on the date this Plan is adopted by the Board, are members of the Board (the ***Incumbent Board***) cease for any reason to constitute at least a majority of the members of the Board; *provided, however*, that if the appointment or election (or nomination for election) of any new Board member was approved or recommended by a majority vote of the members of the Incumbent Board then still in office, such new member shall, for purposes of this Plan, be considered as a member of the Incumbent Board.

The term Change in Control shall not include a sale of assets, merger or other transaction effected exclusively for the purpose of changing the domicile of the Company.

Notwithstanding the foregoing or any other provision of this Plan, the definition of Change in Control (or any analogous term) in an individual written agreement between the Company or any Affiliate and the Participant shall supersede the foregoing definition with respect to Stock Awards subject to such agreement; *provided, however*, that if no definition of Change in Control or any analogous term is set forth in such an individual written agreement, the foregoing definition shall apply.

(f) ***Code*** means the Internal Revenue Code of 1986, as amended.

(g) ***Committee*** means a committee of one (1) or more members of the Board to whom authority has been delegated by the Board in accordance with Section 3(c).

(k) **Continuous Service** means that the Participant's service with the Company or an Affiliate, whether as an Employee, Director or Consultant, is not interrupted or terminated. A change in the capacity in which the Participant renders service to the Company or an Affiliate as an Employee, Consultant or Director or a change in the entity for which the Participant renders such service, provided that there is no interruption or termination of the Participant's service with the Company or an Affiliate, shall not terminate a Participant's Continuous Service. For example, a change in status from an employee of the Company to a consultant to an Affiliate or to a Director shall not constitute an interruption of Continuous Service. To the extent permitted by law, the Board or the chief executive officer of the Company, in that party's sole discretion, may determine whether Continuous Service shall be considered interrupted in the case of any leave of absence approved by that party, including sick leave, military leave or any other personal leave. Notwithstanding the foregoing, a leave of absence shall be treated as Continuous Service for purposes of vesting in a Stock Award only to such extent as may be provided in the Company's leave of absence policy or in the written terms of the Participant's leave of absence.

(l) **Corporate Transaction** means the occurrence, in a single transaction or in a series of related transactions, of any one or more of the following events:

(i) a sale or other disposition of all or substantially all, as determined by the Board in its sole discretion, of the consolidated assets of the Company and its Subsidiaries;

(ii) a sale or other disposition of at least ninety percent (90%) of the outstanding securities of the Company;

(iii) the consummation of a merger, consolidation or similar transaction following which the Company is not the surviving corporation; or

(iv) the consummation of a merger, consolidation or similar transaction following which the Company is the surviving corporation but the shares of Common Stock outstanding immediately preceding the merger, consolidation or similar transaction are converted or exchanged by virtue of the merger, consolidation or similar transaction into other property, whether in the form of securities, cash or otherwise.

(a) **Administration by Board.** The Board shall administer the Plan unless and until the Board delegates administration of the Plan to a Committee, as provided in Section 3(c).

(b) **Powers of Board.** The Board shall have the power, subject to, and within the limitations of, the express provisions of the Plan:

(i) To determine from time to time (1) which of the persons eligible under the Plan shall be granted Stock Awards; (2) when and how each Stock Award shall be granted; (3) what type or combination of types of Stock Award shall be granted; (4) the provisions of each Stock Award granted (which need not be identical), including the time or times when a person shall be permitted to receive Common Stock pursuant to a Stock Award; and (5) the number of shares of Common Stock with respect to which a Stock Award shall be granted to each such person.

(ii) To construe and interpret the Plan and Stock Awards granted under it, and to establish, amend and revoke rules and regulations for its administration. The Board, in the exercise of this power, may correct any defect, omission or inconsistency in the Plan or in any Stock Award Agreement, in a manner and to the extent it shall deem necessary or expedient to make the Plan fully effective.

(iii) To amend the Plan or a Stock Award as provided in Section 12.

(iv) To terminate or suspend the Plan as provided in Section 13.

(v) Generally, to exercise such powers and to perform such acts as the Board deems necessary or expedient to promote the best interests of the Company and that are not in conflict with the provisions of the Plan.

(vi) To adopt such procedures and sub-plans as are necessary or appropriate to permit participation in the Plan by Employees who are foreign nationals or employed outside the United States.

(c) Delegation to Committee.

(i) General. The Board may delegate some or all of the administration of the Plan to a Committee or Committees. If administration is delegated to a Committee, the Committee shall have, in connection with the administration of the Plan, the powers theretofore possessed by the Board that have been delegated to the Committee, including the power to delegate to a subcommittee any of the administrative powers the Committee is authorized to exercise (and references in this Plan to the Board shall thereafter be to the Committee or subcommittee), subject, however, to such resolutions, not inconsistent with the provisions of the Plan, as may be adopted from time to time by the Board. The Board may retain the authority to concurrently administer the Plan with the Committee and may, at any time, revert in the Board some or all of the powers previously delegated.

(ii) Section 162(m) and Rule 16b-3 Compliance. In the sole discretion of the Board, the Committee may consist solely of two or more Outside Directors, in accordance with Section 162(m) of the Code, and/or solely of two or more Non-Employee Directors, in accordance with Rule 16b-3. In addition, the Board or the Committee, in its sole discretion, may (1) delegate to a committee of one or more members of the Board who need not be Outside Directors the authority to grant Stock Awards to eligible persons who are either (a) not then Covered Employees and are not expected to be Covered Employees at the time of recognition of income resulting from such Stock Award or (b) not persons with respect to whom the Company wishes to comply with Section 162(m) of the Code, and/or (2) delegate to a committee of one or more members of the Board who need not be Non-Employee Directors the authority to grant Stock Awards to eligible persons who are not then subject to Section 16 of the Exchange Act.

(d) Delegation to an Officer. The Board may delegate to one or more Officers of the Company the authority to do one or both of the following (i) designate Officers and Employees of the Company or any of its Subsidiaries to be recipients of Stock Awards and the terms thereof, and (ii) determine the number of shares of Common Stock to be subject to such Stock Awards granted to such Officers and Employees of the Company; *provided, however*, that the Board resolutions regarding such delegation shall specify the total number of shares of Common Stock that may be subject to the Stock Awards granted by such Officer and that such Officer may not grant a Stock Award to himself or herself. Notwithstanding anything to the contrary in this Section 3(d), the Board may not delegate to an Officer authority to determine the Fair Market Value of the Common Stock pursuant to Section 2(t)(ii) above.

(e) Effect of Board's Decision. All determinations, interpretations and constructions made by the Board in good faith shall not be subject to review by any person and shall be final, binding and conclusive on all persons.

(f) Cancellation and Re-Grant of Stock Awards. Neither the Board nor any Committee shall have the authority to: (i) reprice any outstanding Stock Awards under the Plan,

Table of Contents

or (ii) cancel and re-grant any outstanding Stock Awards under the Plan, unless the shareholders of the Company have approved such an action within twelve (12) months prior to such an event.

4. Shares Subject to the Plan.

(a) **Share Reserve.** Subject to the provisions of Section 11(a) relating to Capitalization Adjustments, the number of shares of Common Stock that may be issued pursuant to Stock Awards shall not exceed, in the aggregate, four million six hundred thirty-seven thousand five hundred twenty-seven (4,637,527) shares of Common Stock (including shares underlying Stock Awards issued pursuant to the Prior Plan).

(b) **Reversion of Shares to the Share Reserve.** Any shares of Common Stock subject to outstanding awards granted under the Prior Plan that would otherwise have reverted to the share reserve of the Prior Plan shall revert to and again become available for issuance under this Plan. If any Stock Award shall for any reason expire or otherwise terminate, in whole or in part, without having been exercised in full, or if any shares of Common Stock issued to a Participant pursuant to a Stock Award are forfeited to or repurchased by the Company, including, but not limited to, any repurchase or forfeiture caused by the failure to meet a contingency or condition required for the vesting of such shares, then the shares of Common Stock not issued under such Stock Award, or forfeited to or repurchased by the Company, shall revert to and again become available for issuance under the Plan. If any shares subject to a Stock Award are not delivered to a Participant because such shares are withheld for the payment of taxes, the number of shares that are not delivered to the Participant shall remain available for issuance under the Plan. If the exercise price of any Stock Award is satisfied by tendering shares of Common Stock held by the Participant (either by actual delivery or attestation), then the number of shares so tendered shall remain available for issuance under the Plan. Notwithstanding anything to the contrary in this Section 4(b), subject to the provisions of Section 11(a) relating to Capitalization Adjustments the aggregate maximum number of shares of Common Stock that may be issued pursuant to the exercise of Incentive Stock Options shall be four million six hundred thirty-seven thousand five hundred twenty-seven (4,637,527) shares of Common Stock plus the amount of any increase in the number of shares that may be available for issuance pursuant to Stock Awards pursuant to Section 4(a).

(c) **Source of Shares.** The stock issuable under the Plan shall be shares of authorized but unissued or reacquired Common Stock, including shares repurchased by the Company on the open market.

5. Eligibility.

(a) **Eligibility for Specific Stock Awards.** Incentive Stock Options may be granted only to Employees. Stock Awards other than Incentive Stock Options may be granted to Employees, Directors and Consultants.

(b) **Ten Percent Shareholders.** A Ten Percent Shareholder shall not be granted an Incentive Stock Option unless the exercise price of such Option is at least one hundred ten percent (110%) of the Fair Market Value of the Common Stock on the date of grant and the Option is not exercisable after the expiration of five (5) years from the date of grant.

Table of Contents

(c) Section 162(m) Limitation on Annual Grants. Subject to the provisions of Section 11(a) relating to Capitalization Adjustments, at such time as the Company may be subject to the applicable provisions of Section 162(m) of the Code, no Employee shall be eligible to be granted Stock Awards whose value is determined by reference to an increase over an exercise or strike price of at least one hundred percent (100%) of the Fair Market Value of the Common Stock on the date the Stock Award is granted covering more than five hundred thousand (500,000) shares of Common Stock during any calendar year.

(d) Consultants. A Consultant shall not be eligible for the grant of a Stock Award if, at the time of grant, a Form S-8 Registration Statement under the Securities Act (*Form S-8*) is not available to register either the offer or the sale of the Company's securities to such Consultant because of the nature of the services that the Consultant is providing to the Company, because the Consultant is not a natural person, or because of any other rule governing the use of Form S-8.

6. Option Provisions.

Each Option shall be in such form and shall contain such terms and conditions as the Board shall deem appropriate. All Options shall be separately designated Incentive Stock Options or Nonstatutory Stock Options at the time of grant, and, if certificates are issued, a separate certificate or certificates shall be issued for shares of Common Stock purchased on exercise of each type of Option. The provisions of separate Options need not be identical; *provided, however*, that each Option Agreement shall include (through incorporation of provisions hereof by reference in the Option or otherwise) the substance of each of the following provisions:

(a) Term. The Board shall determine the term of an Option; *provided, however*, that subject to the provisions of Section 5(b) regarding Ten Percent Shareholders, no Incentive Stock Option shall be exercisable after the expiration of ten (10) years from the date of grant.

(b) Exercise Price of an Incentive Stock Option. Subject to the provisions of Section 5(b) regarding Ten Percent Shareholders, the exercise price of each Incentive Stock Option shall be not less than one hundred percent (100%) of the Fair Market Value of the Common Stock subject to the Option on the date the Option is granted. Notwithstanding the foregoing, an Incentive Stock Option may be granted with an exercise price lower than that set forth in the preceding sentence if such Option is granted pursuant to an assumption or substitution for another option in a manner consistent with the provisions of Section 424(a) of the Code.

(c) Exercise Price of a Nonstatutory Stock Option. The exercise price of each Nonstatutory Stock Option shall be not less than one hundred percent (100%) of the Fair Market Value of the Common Stock subject to the Option on the date the Option is granted. Notwithstanding the foregoing, a Nonstatutory Stock Option may be granted with an exercise price lower than that set forth in the preceding sentence if such Option is granted pursuant to an assumption or substitution for another option in a manner consistent with the provisions of Section 424(a) of the Code.

(d) Consideration. The purchase price of Common Stock acquired pursuant to the exercise of an Option shall be paid, to the extent permitted by applicable law and as determined by the Board in its sole discretion, by any combination of the methods of payment set forth below. The Board shall have the authority to grant Options that do not permit all of the following methods of payment (or otherwise restrict the ability to use certain methods) and to grant Options that require the consent of the Company to utilize a particular method of payment. The methods of payment permitted by this Section 6(d) are:

(i) by cash or check;

(ii) pursuant to a program developed under Regulation T as promulgated by the Federal Reserve Board that, prior to the issuance of Common Stock, results in either the receipt of cash (or check) by the Company or the receipt of irrevocable instructions to pay the aggregate exercise price to the Company from the sales proceeds;

(iii) by delivery to the Company (either by actual delivery or attestation) of shares of Common Stock;

(iv) according to a deferred payment or similar arrangement with the Optionholder; *provided, however*, that interest shall compound at least annually and shall be charged at the minimum rate of interest necessary to avoid (i) the imputation of interest income to the Company and compensation income to the Optionholder under any applicable provisions of the Code and (ii) the treatment of the Option as a variable award for financial accounting purposes; or

(v) in any other form of legal consideration that may be acceptable to the Board.

(e) Transferability of Options. The Board may, in its sole discretion, impose such limitations on the transferability of Options as the Board shall determine. In the absence of such a determination by the Board to the contrary, the following restrictions on the transferability of Options shall apply:

(i) Restrictions on Transfer. An Option shall not be transferable except by will or by the laws of descent and distribution and shall be exercisable during the lifetime of the Optionholder only by the Optionholder.

(ii) Domestic Relations Orders. Notwithstanding the foregoing, an Option may be transferred pursuant to a domestic relations order.

(iii) Beneficiary Designation. Notwithstanding the foregoing, the Optionholder may, by delivering written notice to the Company, in a form provided by or otherwise satisfactory to the Company, designate a third party who, in the event of the death of the Optionholder, shall thereafter be entitled to exercise the Option.

(f) Vesting Generally. The total number of shares of Common Stock subject to an Option may vest and therefore become exercisable in periodic installments that may or may not be equal. The Option may be subject to such other terms and conditions on the time or times

Table of Contents

when it may or may not be exercised (which may be based on performance or other criteria) as the Board may deem appropriate. The vesting provisions of individual Options may vary. The provisions of this Section 6(f) are subject to any Option provisions governing the minimum number of shares of Common Stock as to which an Option may be exercised.

(g) Termination of Continuous Service. In the event that an Optionholder's Continuous Service terminates (other than upon the Optionholder's death or Disability), the Optionholder may exercise his or her Option (to the extent that the Optionholder was entitled to exercise such Option as of the date of termination of Continuous Service) but only within such period of time ending on the earlier of (i) the date three (3) months following the termination of the Optionholder's Continuous Service (or such longer or shorter period specified in the Option Agreement) or (ii) the expiration of the term of the Option as set forth in the Option Agreement. If, after termination of Continuous Service, the Optionholder does not exercise his or her Option within the time specified herein or in the Option Agreement (as applicable), the Option shall terminate.

(h) Extension of Termination Date. An Optionholder's Option Agreement may provide that if the exercise of the Option following the termination of the Optionholder's Continuous Service (other than upon the Optionholder's death or Disability or upon a Change in Control) would be prohibited at any time solely because the issuance of shares of Common Stock would violate the registration requirements under the Securities Act, then the Option shall terminate on the earlier of (i) the expiration of a period of three (3) months after the termination of the Optionholder's Continuous Service during which the exercise of the Option would not be in violation of such registration requirements or (ii) the expiration of the term of the Option as set forth in the Option Agreement.

(i) Disability of Optionholder. In the event that an Optionholder's Continuous Service terminates as a result of the Optionholder's Disability, the Optionholder may exercise his or her Option (to the extent that the Optionholder was entitled to exercise such Option as of the date of termination of Continuous Service), but only within such period of time ending on the earlier of (i) the date twelve (12) months following such termination of Continuous Service (or such longer or shorter period specified in the Option Agreement) or (ii) the expiration of the term of the Option as set forth in the Option Agreement. If, after termination of Continuous Service, the Optionholder does not exercise his or her Option within the time specified herein or in the Option Agreement (as applicable), the Option shall terminate.

(j) Death of Optionholder. In the event that (i) an Optionholder's Continuous Service terminates as a result of the Optionholder's death or (ii) the Optionholder dies within the period (if any) specified in the Option Agreement after the termination of the Optionholder's Continuous Service for a reason other than death, then the Option may be exercised (to the extent the Optionholder was entitled to exercise such Option as of the date of death) by the Optionholder's estate, by a person who acquired the right to exercise the Option by bequest or inheritance or by a person designated to exercise the option upon the Optionholder's death, but only within the period ending on the earlier of (i) the date eighteen (18) months following the date of death (or such longer or shorter period specified in the Option Agreement) or (ii) the expiration of the term of such Option as set forth in the Option Agreement. If, after the

Table of Contents

Optionholder's death, the Option is not exercised within the time specified herein or in the Option Agreement (as applicable), the Option shall terminate.

(k) Early Exercise. The Option may include a provision whereby the Optionholder may elect at any time before the Optionholder's Continuous Service terminates to exercise the Option as to any part or all of the shares of Common Stock subject to the Option prior to the full vesting of the Option. Any unvested shares of Common Stock so purchased may be subject to a repurchase option in favor of the Company or to any other restriction the Board determines to be appropriate. The Company shall not be required to exercise its repurchase option until at least six (6) months (or such longer or shorter period of time necessary to avoid a charge to earnings for financial accounting purposes) have elapsed following exercise of the Option unless the Board otherwise specifically provides in the Option.

7. Provisions of Stock Awards other than Options.

(a) Stock Purchase Awards. Each Stock Purchase Award Agreement shall be in such form and shall contain such terms and conditions as the Board shall deem appropriate. At the Board's election, shares of Common Stock may be (i) held in book entry form subject to the Company's instructions until any restrictions relating to the Stock Purchase Award lapse or (ii) evidenced by a certificate, which certificate shall be held in such form and manner as determined by the Board. The terms and conditions of Stock Purchase Award Agreements may change from time to time, and the terms and conditions of separate Stock Purchase Award Agreements need not be identical, *provided, however*, that each Stock Purchase Award Agreement shall include (through incorporation of the provisions hereof by reference in the agreement or otherwise) the substance of each of the following provisions:

(i) Purchase Price. At the time of the grant of a Stock Purchase Award, the Board will determine the price to be paid by the Participant for each share subject to the Stock Purchase Award. To the extent required by applicable law, the price to be paid by the Participant for each share of the Stock Purchase Award will not be less than the par value of a share of Common Stock.

(ii) Consideration. At the time of the grant of a Stock Purchase Award, the Board will determine the consideration permissible for the payment of the purchase price of the Stock Purchase Award. The purchase price of Common Stock acquired pursuant to the Stock Purchase Award shall be paid either: (A) in cash or by check at the time of purchase, (B) at the discretion of the Board, according to a deferred payment or other similar arrangement with the Participant, (C) by past services rendered to the Company or (D) in any other form of legal consideration that may be acceptable to the Board in its sole discretion and permissible under applicable law.

(iii) Vesting. Shares of Common Stock acquired under a Stock Purchase Award may be subject to a share repurchase right or option in favor of the Company in accordance with a vesting schedule to be determined by the Board.

(iv) Termination of Participant's Continuous Service. In the event that a Participant's Continuous Service terminates, the Company shall have the right, but not the

Table of Contents

obligation, to repurchase or otherwise reacquire, any or all of the shares of Common Stock held by the Participant that have not vested as of the date of termination under the terms of the Stock Purchase Award Agreement. At the Board's election, the price paid for all shares of Common Stock so repurchased or reacquired by the Company may be at the lesser of: (A) the Fair Market Value on the relevant date, or (B) the Participant's original cost for such shares. The Company shall not be required to exercise its repurchase or reacquisition option until at least six (6) months (or such longer or shorter period of time necessary to avoid a charge to earnings for financial accounting purposes) have elapsed following the Participant's purchase of the shares of stock acquired pursuant to the Stock Purchase Award unless otherwise determined by the Board or provided in the Stock Purchase Award Agreement.

(v) Transferability. Rights to purchase or receive shares of Common Stock granted under a Stock Purchase Award shall be transferable by the Participant only upon such terms and conditions as are set forth in the Stock Purchase Award Agreement, as the Board shall determine in its sole discretion, and so long as Common Stock awarded under the Stock Purchase Award remains subject to the terms of the Stock Purchase Award Agreement.

(b) Stock Bonus Awards. Each Stock Bonus Award Agreement shall be in such form and shall contain such terms and conditions as the Board shall deem appropriate. At the Board's election, shares of Common Stock may be (i) held in book entry form subject to the Company's instructions until any restrictions relating to the Stock Bonus Award lapse or (ii) evidenced by a certificate, which certificate shall be held in such form and manner as determined by the Board. The terms and conditions of Stock Bonus Award Agreements may change from time to time, and the terms and conditions of separate Stock Bonus Award Agreements need not be identical, *provided, however*, that each Stock Bonus Award Agreement shall include (through incorporation of provisions hereof by reference in the agreement or otherwise) the substance of each of the following provisions:

(i) Consideration. A Stock Bonus Award may be awarded in consideration for (A) past services actually rendered to the Company or an Affiliate, or (B) any other form of legal consideration that may be acceptable to the Board in its sole discretion and permissible under applicable law.

(ii) Vesting. Shares of Common Stock awarded under the Stock Bonus Award Agreement may be subject to forfeiture to the Company in accordance with a vesting schedule to be determined by the Board.

(iii) Termination of Participant's Continuous Service. In the event a Participant's Continuous Service terminates, the Company may receive via a forfeiture condition, any or all of the shares of Common Stock held by the Participant which have not vested as of the date of termination of Continuous Service under the terms of the Stock Bonus Award Agreement.

(iv) Transferability. Rights to acquire shares of Common Stock under the Stock Bonus Award Agreement shall be transferable by the Participant only upon such terms and conditions as are set forth in the Stock Bonus Award Agreement, as the Board shall determine in

Table of Contents

its sole discretion, so long as Common Stock awarded under the Stock Bonus Award Agreement remains subject to the terms of the Stock Bonus Award Agreement.

(c) Stock Unit Awards. Each Stock Unit Award Agreement shall be in such form and shall contain such terms and conditions as the Board shall deem appropriate. The terms and conditions of Stock Unit Award Agreements may change from time to time, and the terms and conditions of separate Stock Unit Award Agreements need not be identical, *provided, however*, that each Stock Unit Award Agreement shall include (through incorporation of the provisions hereof by reference in the agreement or otherwise) the substance of each of the following provisions:

(i) Consideration. At the time of grant of a Stock Unit Award, the Board will determine the consideration, if any, to be paid by the Participant upon delivery of each share of Common Stock subject to the Stock Unit Award. The consideration to be paid (if any) by the Participant for each share of Common Stock subject to a Stock Unit Award may be paid in any form of legal consideration that may be acceptable to the Board in its sole discretion and permissible under applicable law.

(ii) Vesting. At the time of the grant of a Stock Unit Award, the Board may impose such restrictions or conditions to the vesting of the Stock Unit Award as it, in its sole discretion, deems appropriate.

(iii) Payment. A Stock Unit Award may be settled by the delivery of shares of Common Stock, their cash equivalent, any combination thereof or in any other form of consideration, as determined by the Board and contained in the Stock Unit Award Agreement.

(iv) Additional Restrictions. At the time of the grant of a Stock Unit Award, the Board, as it deems appropriate, may impose such restrictions or conditions that delay the delivery of the shares of Common Stock (or their cash equivalent) subject to a Stock Unit Award after the vesting of such Stock Unit Award.

(v) Dividend Equivalents. Dividend equivalents may be credited in respect of shares of Common Stock covered by a Stock Unit Award, as determined by the Board and contained in the Stock Unit Award Agreement. At the sole discretion of the Board, such dividend equivalents may be converted into additional shares of Common Stock covered by the Stock Unit Award in such manner as determined by the Board. Any additional shares covered by the Stock Unit Award credited by reason of such dividend equivalents will be subject to all the terms and conditions of the underlying Stock Unit Award Agreement to which they relate.

(vi) Termination of Participant's Continuous Service. Except as otherwise provided in the applicable Stock Unit Award Agreement, such portion of the Stock Unit Award that has not vested will be forfeited upon the Participant's termination of Continuous Service.

(d) Stock Appreciation Rights. Each Stock Appreciation Right Agreement shall be in such form and shall contain such terms and conditions as the Board shall deem appropriate. The terms and conditions of Stock Appreciation Right Agreements may change from time to time, and the terms and conditions of separate Stock Appreciation Right Agreements need not be identical; *provided, however*, that each Stock Appreciation Right Agreement shall include

Table of Contents

(through incorporation of the provisions hereof by reference in the agreement or otherwise) the substance of each of the following provisions:

(i) Strike Price and Calculation of Appreciation. Each Stock Appreciation Right will be denominated in shares of Common Stock equivalents. The appreciation distribution payable on the exercise of a Stock Appreciation Right will be not greater than an amount equal to the excess of (A) the aggregate Fair Market Value (on the date of the exercise of the Stock Appreciation Right) of a number of shares of Common Stock equal to the number of share of Common Stock equivalents in which the Participant is vested under such Stock Appreciation Right, and with respect to which the Participant is exercising the Stock Appreciation Right on such date, over (B) an amount (the strike price) that will be determined by the Board at the time of grant of the Stock Appreciation Right.

(ii) Vesting. At the time of the grant of a Stock Appreciation Right, the Board may impose such restrictions or conditions to the vesting of such Stock Appreciation Right as it, in its sole discretion, deems appropriate.

(iii) Exercise. To exercise any outstanding Stock Appreciation Right, the Participant must provide written notice of exercise to the Company in compliance with the provisions of the Stock Appreciation Right Agreement evidencing such Stock Appreciation Right.

(iv) Payment. The appreciation distribution in respect to a Stock Appreciation Right may be paid in Common Stock, in cash, in any combination of the two or in any other form of consideration, as determined by the Board and contained in the Stock Appreciation Right Agreement evidencing such Stock Appreciation Right.

(v) Termination of Continuous Service. In the event that a Participant's Continuous Service terminates, the Participant may exercise his or her Stock Appreciation Right (to the extent that the Participant was entitled to exercise such Stock Appreciation Right as of the date of termination) but only within such period of time ending on the earlier of (i) the date three (3) months following the termination of the Participant's Continuous Service (or such longer or shorter period specified in the Stock Appreciation Right Agreement) or (ii) the expiration of the term of the Stock Appreciation Right as set forth in the Stock Appreciation Right Agreement. If, after termination, the Participant does not exercise his or her Stock Appreciation Right within the time specified herein or in the Stock Appreciation Right Agreement (as applicable), the Stock Appreciation Right shall terminate.

(e) Other Stock Awards. Other forms of Stock Awards valued in whole or in part by reference to, or otherwise based on, Common Stock may be granted either alone or in addition to Stock Awards provided for under Section 6 and the preceding provisions of this Section 7. Subject to the provisions of the Plan, the Board shall have sole and complete authority to determine the persons to whom and the time or times at which such Other Stock Awards will be granted, the number of shares of Common Stock (or the cash equivalent thereof) to be granted pursuant to such Other Stock Awards and all other terms and conditions of such Other Stock Awards.

Table of Contents

8. Covenants of the Company.

(a) Availability of Shares. During the terms of the Stock Awards, the Company shall keep available at all times the number of shares of Common Stock required to satisfy such Stock Awards.

(b) Securities Law Compliance. The Company shall seek to obtain from each regulatory commission or agency having jurisdiction over the Plan such authority as may be required to grant Stock Awards and to issue and sell shares of Common Stock upon exercise of the Stock Awards; *provided, however*, that this undertaking shall not require the Company to register under the Securities Act the Plan, any Stock Award or any Common Stock issued or issuable pursuant to any such Stock Award. If, after reasonable efforts, the Company is unable to obtain from any such regulatory commission or agency the authority that counsel for the Company deems necessary for the lawful issuance and sale of Common Stock under the Plan, the Company shall be relieved from any liability for failure to issue and sell Common Stock upon exercise of such Stock Awards unless and until such authority is obtained.

9. Use of Proceeds from Sales of Common Stock.

Proceeds from the sale of shares of Common Stock pursuant to Stock Awards shall constitute general funds of the Company.

10. Miscellaneous.

(a) Acceleration of Exercisability and Vesting. The Board shall have the power to accelerate the time at which a Stock Award may first be exercised or the time during which a Stock Award or any part thereof will vest in accordance with the Plan, notwithstanding the provisions in the Stock Award stating the time at which it may first be exercised or the time during which it will vest.

(b) Shareholder Rights. No Participant shall be deemed to be the holder of, or to have any of the rights of a holder with respect to, any shares of Common Stock subject to such Stock Award unless and until such Participant has satisfied all requirements for exercise of the Stock Award pursuant to its terms.

(c) No Employment or Other Service Rights. Nothing in the Plan, any Stock Award Agreement or other instrument executed thereunder or any Stock Award granted pursuant thereto shall confer upon any Participant any right to continue to serve the Company or an Affiliate in the capacity in effect at the time the Stock Award was granted or shall affect the right of the Company or an Affiliate to terminate (i) the employment of an Employee with or without notice and with or without cause, (ii) the service of a Consultant pursuant to the terms of such Consultant's agreement with the Company or an Affiliate or (iii) the service of a Director pursuant to the Bylaws of the Company or an Affiliate, and any applicable provisions of the corporate law of the state in which the Company or the Affiliate is incorporated, as the case may be.

(d) Incentive Stock Option \$100,000 Limitation. To the extent that the aggregate Fair Market Value (determined at the time of grant) of Common Stock with respect to which

Table of Contents

Incentive Stock Options are exercisable for the first time by any Optionholder during any calendar year (under all plans of the Company and any Affiliates) exceeds one hundred thousand dollars (\$100,000), the Options or portions thereof that exceed such limit (according to the order in which they were granted) shall be treated as Nonstatutory Stock Options, notwithstanding any contrary provision of the applicable Option Agreement(s).

(e) Investment Assurances. The Company may require a Participant, as a condition of exercising or acquiring Common Stock under any Stock Award, (i) to give written assurances satisfactory to the Company as to the Participant's knowledge and experience in financial and business matters and/or to employ a purchaser representative reasonably satisfactory to the Company who is knowledgeable and experienced in financial and business matters and that he or she is capable of evaluating, alone or together with the purchaser representative, the merits and risks of exercising the Stock Award and (ii) to give written assurances satisfactory to the Company stating that the Participant is acquiring Common Stock subject to the Stock Award for the Participant's own account and not with any present intention of selling or otherwise distributing the Common Stock. The foregoing requirements, and any assurances given pursuant to such requirements, shall be inoperative if (i) the issuance of the shares upon the exercise or acquisition of Common Stock under the Stock Award has been registered under a then currently effective registration statement under the Securities Act or (ii) as to any particular requirement, a determination is made by counsel for the Company that such requirement need not be met in the circumstances under the then applicable securities laws. The Company may, upon advice of counsel to the Company, place legends on stock certificates issued under the Plan as such counsel deems necessary or appropriate in order to comply with applicable securities laws, including, but not limited to, legends restricting the transfer of the Common Stock.

(f) Withholding Obligations. To the extent provided by the terms of a Stock Award Agreement, the Company may, in its sole discretion, satisfy any federal, state or local tax withholding obligation relating to a Stock Award by any of the following means (in addition to the Company's right to withhold from any compensation paid to the Participant by the Company) or by a combination of such means: (i) causing the Participant to tender a cash payment; (ii) withholding shares of Common Stock from the shares of Common Stock issued or otherwise issuable to the Participant in connection with the Stock Award; or (iii) by such other method as may be set forth in the Stock Award Agreement.

(g) Electronic Delivery. Any reference herein to a written agreement or document shall include any agreement or document delivered electronically or posted on the Company's intranet.

(h) Performance Stock Awards. A Stock Award may be granted, may vest, or may be exercised based upon service conditions, upon the attainment during a Performance Period of certain Performance Goals, or both. The length of any Performance Period, the Performance Goals to be achieved during the Performance Period, and the measure of whether and to what degree such Performance Goals have been attained shall be conclusively determined by the Board in its sole discretion. The maximum benefit to be received by any individual in any calendar year attributable to Stock Awards described in this Section 10(h) shall not exceed the value of one hundred thousand (100,000) shares of Common Stock.

Table of Contents**11. Adjustments upon Changes in Common Stock; Corporate Transactions.**

(a) Capitalization Adjustments. If any change is made in, or other events occur with respect to, the Common Stock subject to the Plan or subject to any Stock Award after the effective date of the Plan set forth in Section 14 without the receipt of consideration by the Company (through merger, consolidation, reorganization, recapitalization, reincorporation, stock dividend, dividend in property other than cash, stock split, liquidating dividend, combination of shares, exchange of shares, change in corporate structure or other transaction not involving the receipt of consideration by the Company (each a *Capitalization Adjustment*)), the Plan shall be appropriately adjusted in: (i) the class(es) and maximum number of securities subject to the Plan pursuant to Sections 4(a) and 4(b), (ii) the class(es) and maximum number of securities that may be issued pursuant to the exercise of Incentive Stock Options pursuant to Section 4(b), (iii) the maximum number of securities that may be awarded to any person pursuant to Sections 5(c) and 10(h) and (iv) the class(es) and number of securities and price per share of stock subject to outstanding Stock Awards. The Board shall make such adjustments, and its determination shall be final, binding and conclusive. (Notwithstanding the foregoing, the conversion of any convertible securities of the Company shall not be treated as a transaction without receipt of consideration by the Company.)

(b) Dissolution or Liquidation. In the event of a dissolution or liquidation of the Company, all outstanding Stock Awards (other than Stock Awards consisting of vested and outstanding shares of Common Stock not subject to the Company's right of repurchase) shall terminate immediately prior to the completion of such dissolution or liquidation, and the shares of Common Stock subject to the Company's repurchase option may be repurchased by the Company notwithstanding the fact that the holder of such Stock Award is providing Continuous Service, *provided, however*, that the Board may, in its sole discretion, cause some or all Stock Awards to become fully vested, exercisable and/or no longer subject to repurchase or forfeiture (to the extent such Stock Awards have not previously expired or terminated) before the dissolution or liquidation is completed but contingent on its completion.

(c) Corporate Transaction. The following provisions shall apply to Stock Awards in the event of a Corporate Transaction unless otherwise provided in a written agreement between the Company or any Affiliate and the holder of the Stock Award:

(i) Stock Awards May Be Assumed. In the event of a Corporate Transaction, any surviving corporation or acquiring corporation (or the surviving or acquiring corporation's parent company) may assume or continue any or all Stock Awards outstanding under the Plan or may substitute similar stock awards for Stock Awards outstanding under the Plan (including but not limited to, awards to acquire the same consideration paid to the shareholders of the Company pursuant to the Corporate Transaction), and any reacquisition or repurchase rights held by the Company in respect of Common Stock issued pursuant to Stock Awards may be assigned by the Company to the successor of the Company (or the successor's parent company, if any), in connection with such Corporate Transaction. A surviving corporation or acquiring corporation may choose to assume or continue only a portion of a Stock Award or substitute a similar stock award for only a portion of a Stock Award. The terms of any assumption, continuation or substitution shall be set by the Board in accordance with the provisions of Section 3.

(ii) Stock Awards Held by Current Participants. In the event of a Corporate Transaction in which the surviving corporation or acquiring corporation (or its parent company) does not assume or continue such outstanding Stock Awards or substitute similar stock awards for such outstanding Stock Awards, then with respect to Stock Awards that have not been assumed, continued or substituted and that are held by Participants whose Continuous Service has not terminated prior to the effective time of the Corporate Transaction (referred to as the *Current Participants*), the vesting of such Stock Awards (and, if applicable, the time at which such Stock Awards may be exercised) shall (contingent upon the effectiveness of the Corporate Transaction) be accelerated in full to a date prior to the effective time of such Corporate Transaction as the Board shall determine (or, if the Board shall not determine such a date, to the date that is five (5) days prior to the effective time of the Corporate Transaction), and such Stock Awards shall terminate if not exercised (if applicable) at or prior to the effective time of the Corporate Transaction, and any reacquisition or repurchase rights held by the Company with respect to such Stock Awards shall lapse (contingent upon the effectiveness of the Corporate Transaction).

(iii) Stock Awards Held by Persons other than Current Participants. In the event of a Corporate Transaction in which the surviving corporation or acquiring corporation (or its parent company) does not assume or continue such outstanding Stock Awards or substitute similar stock awards for such outstanding Stock Awards, then with respect to Stock Awards that have not been assumed, continued or substituted and that are held by persons other than Current Participants, the vesting of such Stock Awards (and, if applicable, the time at which such Stock Award may be exercised) shall not be accelerated and such Stock Awards (other than a Stock Award consisting of vested and outstanding shares of Common Stock not subject to the Company's right of repurchase) shall terminate if not exercised (if applicable) prior to the effective time of the Corporate Transaction; *provided, however*, that any reacquisition or repurchase rights held by the Company with respect to such Stock Awards shall not terminate and may continue to be exercised notwithstanding the Corporate Transaction.

(iv) Payment for Stock Awards in Lieu of Exercise. Notwithstanding the foregoing, in the event a Stock Award will terminate if not exercised prior to the effective time of a Corporate Transaction, the Board may provide, in its sole discretion, that the holder of such Stock Award may not exercise such Stock Award but will receive a payment, in such form as may be determined by the Board, equal in value to the excess, if any, of (A) the value of the property the holder of the Stock Award would have received upon the exercise of the Stock Award, over (B) any exercise price payable by such holder in connection with such exercise.

(d) Change in Control. A Stock Award may be subject to additional acceleration of vesting and exercisability upon or after a Change in Control as may be provided in the Stock Award Agreement for such Stock Award or as may be provided in any other written agreement between the Company or any Affiliate and the Participant, but in the absence of such provision, no such acceleration shall occur.

12. Amendment of the Plan and Stock Awards.

(a) Amendment of Plan. Subject to the limitations, if any, of applicable law, the Board at any time, and from time to time, may amend the Plan. However, except as provided in

Section 11(a) relating to Capitalization Adjustments, no amendment shall be effective unless approved by the shareholders of the Company to the extent shareholder approval is necessary to satisfy applicable law.

(b) Shareholder Approval. The Board, in its sole discretion, may submit any other amendment to the Plan for shareholder approval, including, but not limited to, amendments to the Plan intended to satisfy the requirements of Section 162(m) of the Code and the regulations thereunder regarding the exclusion of performance-based compensation from the limit on corporate deductibility of compensation paid to Covered Employees.

(c) Contemplated Amendments. It is expressly contemplated that the Board may amend the Plan in any respect the Board deems necessary or advisable to provide eligible Employees with the maximum benefits provided or to be provided under the provisions of the Code and the regulations promulgated thereunder relating to Incentive Stock Options and/or to bring the Plan and/or Incentive Stock Options granted under it into compliance therewith.

(d) No Impairment of Rights. Rights under any Stock Award granted before amendment of the Plan shall not be impaired by any amendment of the Plan unless (i) the Company requests the consent of the affected Participant and (ii) such Participant consents in writing.

(e) Amendment of Stock Awards. The Board, at any time and from time to time, may amend the terms of any one or more Stock Awards, including, but not limited to, amendments to provide terms more favorable than previously provided in the Stock Award Agreement, subject to any specified limits in the Plan that are not subject to Board discretion; *provided, however*, that the rights under any Stock Award shall not be impaired by any such amendment unless (i) the Company requests the consent of the affected Participant and (ii) such Participant consents in writing.

13. Termination or Suspension of the Plan.

(a) Plan Term. The Board may suspend or terminate the Plan at any time. Unless sooner terminated, the Plan shall terminate on the day before the tenth (10th) anniversary of the date the Plan is adopted by the Board or approved by the shareholders of the Company, whichever is earlier. No Stock Awards may be granted under the Plan while the Plan is suspended or after it is terminated.

(b) No Impairment of Rights. Suspension or termination of the Plan shall not impair rights and obligations under any Stock Award granted while the Plan is in effect except with the written consent of the affected Participant.

14. Effective Date of Plan.

This Plan (as an amendment and restatement of the Prior Plan) shall become effective on the date that the Plan is adopted by the Board, but no Stock Award shall be exercised (or, in the case of a Stock Purchase Award, Stock Bonus Award, Stock Unit Award, or Other Stock Award shall be granted) unless and until the Plan has been approved by the shareholders of the
