

UNILEVER N V
Form 425
September 11, 2018

Filed by Unilever N.V.

This communication is filed pursuant to Rule 425 under the United States Securities Act of 1933

Subject Company: Unilever N.V.

Commission File Number: 001-04547

Date: September 11, 2018

On September 11, 2018, Unilever N.V. and Unilever PLC sent the following communications to employees with shares at Fidelity:

11 September 2018

Dear Colleague,

Simplification and related updates to share plan arrangements

As you will have seen, Unilever is proposing to simplify its corporate structure (a process we call **Simplification**) from two legal entities (NV and PLC) into a new, single legal entity incorporated in the Netherlands (**New Unilever NV**), which will be renamed Unilever NV on completion of Simplification. For more detail on why and how we are simplifying our corporate structure, we recommend you read the **Simplification of Unilever** brochure sent to Unilever's shareholders on 11 September 2018 which can be found here www.unilever.com/simplification

I am writing to outline how Simplification will work, and how our share plan arrangements will be updated to reflect Unilever's new corporate structure. Essentially, if Simplification is approved, it will result in New Unilever NV becoming the ultimate parent of the Unilever group and your existing shares or awards over NV and/or PLC shares (which for these purposes may include NV NYRSs and/or PLC ADSs) will be exchanged for shares or awards over shares in New Unilever NV (which for these purposes may include New Unilever NV ADSs) on a one for

one basis. This is consistent with the wider Simplification process. New Unilever NV s shares will be listed in the Netherlands, the United Kingdom and the United States.

When will Simplification take place?

Shareholders in NV and PLC will be asked to approve the proposed Simplification at shareholder meetings that are scheduled to occur on 25 October 2018 and 26 October 2018 respectively (Shareholder Meetings), before Simplification can go ahead. Subject to shareholder approval, it is anticipated that implementation of Simplification will occur on 24 December 2018. Announcements will be made in due course if this timetable changes.

Impact of Simplification on your entitlements under the Unilever share plans

As you participate, or have previously participated, in the Unilever share plans you currently hold shares or awards over NV and/or PLC shares which will be impacted by Simplification:

- **Shares:** If you hold Unilever shares (for example, if you hold a vested award in a Unilever share plan, investment shares under the SHARES plan or investment shares under the MCIP) you will be treated in the same way as other Unilever shareholders, which includes having the ability to vote on Simplification at the relevant Shareholder Meetings. As a result of Simplification, your shares will be exchanged for New Unilever NV shares
-

and you will be entitled to receive one New Unilever NV share (or an interest over one New Unilever NV share) for each NV and/or PLC share you hold when Simplification takes place. If you hold investment shares under the SHARES plan or under the MCIP, your exchanged New Unilever NV shares will continue to be held for you on the same terms after Simplification, e.g. they will be released at the same time and subject to the same conditions.

- **Awards:** If you hold an outstanding award under any of the Unilever share plans, being the Unilever Share Plan 2017, the Unilever North America Omnibus Equity Compensation Plan, the Management Co-Investment Plan 2010, the Global Share Incentive Plan 2007 or the BCS Global Performance Share Program, (that is, a conditional right to acquire NV or PLC shares in the future), under the rules of the Unilever share plans, immediately following Simplification, your existing awards over NV and PLC shares will be automatically exchanged on the same one-for-one ratio for awards over New Unilever NV shares. Immediately after Simplification, you will therefore hold awards over New Unilever NV shares with equivalent terms as to rights of vesting and other substantive terms and conditions as you held immediately before Simplification. After Simplification has completed, you will be able to view your awards (which will be over New Unilever NV shares) by logging on to the Fidelity portal.

What action do I need to take?

If you hold shares under a Unilever share plan and you would like to give voting instructions in respect of your shares, please keep a look out for the separate communication you will be sent by Fidelity as action will be required.

If you hold an unvested share award, you do not need to take any action in relation to this email.

The market price of New Unilever NV shares could be volatile and subject to significant fluctuations due to a variety of factors, many of which are beyond the control of the Unilever Group, including general economic and political conditions, market expectations regarding Unilever Group's performance and investor perception of the impact of Simplification on the Unilever Group and its shareholders. In addition, stock markets can experience substantial price and volume fluctuations which are not always related to the performance of the specific companies whose shares are traded.

Voting on Simplification

As you will have seen, on 15 March 2018, Unilever announced its proposal to simplify its corporate structure (a process we call Simplification) from two legal entities (NV and PLC) into a new, single legal entity (New Unilever NV). New Unilever NV is incorporated in the Netherlands, and will be renamed Unilever NV on completion of Simplification. New Unilever NV's shares will be listed in the Netherlands, the United Kingdom and the United States.

Shareholders in NV and PLC will be asked to approve the proposed Simplification at shareholder meetings that are scheduled to occur on 25 October 2018 and 26 October 2018 respectively (Shareholder Meetings), before Simplification can go ahead. If approved, Simplification will result in New Unilever NV becoming the ultimate parent of the Unilever group. NV and PLC shareholders will cease to hold NV and PLC shares and will instead hold New Unilever NV shares (on a one for one basis).

Edgar Filing: UNILEVER N V - Form 425

Subject to shareholder approval, it is anticipated that the final day of trading in NV and PLC shares will be 21 December 2018 and trading in New Unilever NV Shares will begin on 24 December 2018. Announcements will be made in due course if this timetable changes.
