Item 8.01 Other Events.

As previously reported in a Current Report on Form 8-K filed with the United States Securities and Exchange Commission on March 3, 2017, the related disclosures of which are incorporated by reference herein, Geron Corporation (the *Company*) entered into a Stipulation and Agreement of Settlement (the *Stipulation*) and related documents to resolve the consolidated class action securities lawsuit captioned *in re Geron Corporation Securities Litigation*, Case No. 3:14-cv-01224-CRB (the *Securities Class Action*), pending in the United States District Court for the Northern District of the State of California (the *California District Court*).

Under the Stipulation, in exchange for the dismissal with prejudice of all claims against all defendants in connection with the Securities Class Action, the Company has agreed to settle the Securities Class Action for \$6.25 million in cash. The Company and its insurers have agreed that \$6.0 million of the settlement amount will be paid by the Company's insurance providers and the remaining \$250,000 will be paid by the Company. The Settlement does not constitute any admission of fault or wrongdoing by the Company or any of the individual defendants.

On April 7, 2017, the California District Court issued an order (the *Order*) preliminarily approving the settlement proposed in the Stipulation by and among plaintiffs, on behalf of a class consisting of purchasers of the Company's common stock during the period from December 10, 2012 through and including March 11, 2014 (the *Class Members*), and all named defendants in the Securities Class Action, including the Company (the *Settlement*), and directing that notice of the Settlement be given to the Class Members pursuant to the terms in the Stipulation.

The California District Court scheduled a hearing (*Settlement Fairness Hearing*) on July 21, 2017, at 10 a.m. Pacific Time at the California District Court, to, among other things, make a final determination whether the Settlement is fair, reasonable and adequate and should be approved by the California District Court.
