PROXY STATEMENT

Annual Meeting of Shareholders to be held March 21, 2012

The enclosed proxy is solicited by the Board of Directors of Bridgford Foods Corporation, a California corporation (the "Company"), for use at the annual meeting of shareholders of the Company (the "Annual Meeting") to be held at the offices of the Company, which are located at 1308 North Patt Street, Anaheim, California 92801, on Wednesday, March 21, 2012 at 10:00 a.m. Pacific Standard Time, and at any adjournment thereof. All shareholders of record at the close of business on February 3, 2012 are entitled to notice of and to vote at such meeting. This Proxy Statement and the accompanying proxy are being mailed on or about February 24, 2012.

The persons named as proxies were designated by the Board of Directors. Any proxy may be revoked or superseded by (i) executing a later proxy (ii) giving notice of revocation in writing prior to, or at, the Annual Meeting, or (iii) attending the Annual Meeting, withdrawing the proxy and voting in person. Attendance at the Annual Meeting will not in and of itself constitute revocation of the proxy.

All proxies, which are properly completed, signed and returned to the Company prior to the Annual Meeting, and not revoked, will be voted in accordance with the instructions given in the proxy. If a choice is not specified in the proxy, the proxy will be voted "FOR" election of each of the eight director nominees proposed by the Board of Directors and "FOR" ratification of the Company's appointment of Squar, Milner, Peterson, Miranda & Williamson, LLP as the Company's independent registered public accountants for the fiscal year ending on November 2, 2012. Management does not know of any matters which will be brought before the Annual Meeting other than those specifically set forth in the notice hereof. However, if any other matter properly comes before the Annual Meeting, it is intended that the proxies, or their substitutes, will vote on such matters in accordance with their best judgment.

Solicitation of proxies will be primarily by mail, although some of the officers, directors and employees of the Company may solicit proxies personally or by telephone, facsimile or electronic mail. All expenses incurred in connection with this solicitation will be borne by the Company. The Company will reimburse brokers and others who incur costs to send proxy materials to beneficial owners of stock in the name of a broker or nominee.

On February 3, 2012, the record date for the Annual Meeting, there were 9,191,009 shares of common stock of the Company outstanding. The presence at the Annual Meeting of a majority of the outstanding shares, in person or by proxy relating to any matter to be acted upon at the Annual Meeting, is necessary to constitute a quorum for the Annual Meeting.

Each share of common stock entitles the holder thereof to one vote on each matter to be voted upon by such shareholders and, upon prior notice, to cumulate votes for the election of directors. For purposes of the quorum and the discussion below regarding the vote necessary to take shareholder action, shareholders of record who are present at the Annual Meeting in person or by proxy and who abstain or withhold their vote, including brokers, dealers or other nominees holding shares of their respective customers of record who cause abstentions to be recorded at the Annual Meeting, are considered shareholders who are present and entitled to vote and count toward the quorum. Brokers, banks or other nominees holding shares of record for their respective customers generally are not entitled to vote on the election of directors unless they receive voting instructions from their customers. As used herein, "uninstructed shares" means shares held by a nominee who has not received instructions from its customers on a particular

matter. As used herein, “broker non-vote” means the votes that could have been cast on the matter by nominees with respect to uninstructed shares if the nominees had received instructions. The effect of proxies marked “withheld” as to any director nominee or “abstain” as to any other Proposal, and the effect of broker non-votes on each of the Proposals, is discussed in each Proposal below.

PROPOSAL 1

ELECTION OF DIRECTORS

The directors of the Company are elected annually to serve until the next annual meeting of the shareholders or until their respective successors are elected and duly qualified. At the Annual Meeting, eight directors have been nominated for election. The election of directors shall be by the affirmative vote of the holders of a plurality of the shares voting in person or by proxy at the Annual Meeting. Every shareholder, or his or her proxy, entitled to vote upon the election of directors may cumulate his or her votes and give one candidate a number of votes equal to the number of directors to be elected multiplied by the number of votes to which his or her shares are entitled, or distribute his or her votes on the same principle among as many candidates as he or she deems appropriate. No shareholder or proxy, however, shall be entitled to cumulate votes unless such candidate or candidates have been nominated prior to the voting and the shareholder has given notice at the meeting, prior to the voting, of the shareholder's intention to cumulate such shareholder's votes. If any one shareholder gives such notice, all shareholders may cumulate their votes for candidates in nomination. Each of these individuals has served as a director since the last annual meeting except for Allan Bridgford Jr. and John V. Simmons. All current directorships are being filled.

Unless otherwise instructed, shares represented by the proxies will be voted "FOR" the election of each of the nominees listed below. Broker non-votes and proxies marked "withheld" as to one or more of the nominees will result in the respective nominees receiving fewer votes. However, the number of votes otherwise received by the nominee will not be reduced by such action.

Each nominee has indicated that he is willing and able to serve as director if elected. In the event that any of such nominees shall become unavailable for any reason, an event which management does not anticipate, it is intended that proxies will be voted for substitute nominees designated by management.

THE BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE "FOR" THE ELECTION OF EACH OF THE DIRECTOR NOMINEES NAMED BELOW.

The following table and biographical summaries set forth, with respect to each nominee for director, his age, the positions he currently holds in the Company and the year in which he first became a director of the Company. Data with respect to the number of shares of the Company's common stock beneficially owned by each of such directors as of February 3, 2012 appears under the caption "PRINCIPAL SHAREHOLDERS AND MANAGEMENT" below.

Public Company Directorships

Except as indicated above, none of the directors have been a director of any other public company in the past five years.

Board Meetings

During fiscal year 2011, the Company's Board of Directors held twelve regularly scheduled monthly meetings and no special meetings. Each of the nominees holding office during this period attended at least 75% of the aggregate number of monthly meetings of the Board of Directors and meetings of committees upon which he served.

Arrangements or Understandings with Directors

There are no agreements or understandings pursuant to which any of the directors was elected to serve as a director.

Controlled Company Status

The Company is considered a "controlled company" within the meaning of Rule 5615(c)(1) of the NASDAQ Listing Rules based on the approximate 78% ownership of the Company by Bridgford Industries Incorporated and is therefore exempted from various rules pertaining to certain "independence" requirements of its directors and certain requirements with respect to the committees of the Board. Nevertheless, the Board of Directors has determined that Messrs. Andrews, Foster, Scott and Zippwald are all "independent directors" within the meaning of Rule 5605 of the NASDAQ Listing Rules.

Board Committees

The Board of Directors maintains three committees, the Compensation Committee, the Audit Committee and the Nominating Committee.

Compensation Committee

The Compensation Committee for fiscal year 2011 consisted of Messrs. Andrews, Foster, Scott, Zippwald and Schulze, who resigned from his position on the Board on October 10, 2011. As of the date of mailing of this proxy statement, the Compensation Committee consists of Messrs. Andrews, Foster, Scott and Zippwald. Each of the members of the Compensation Committee is a non-employee director and, notwithstanding that the Company is a "controlled company" within the meaning of the NASDAQ Listing Rules, each member is independent as defined in Rule 5605(a)(2) of the NASDAQ Listing Rules. The Compensation Committee is responsible for establishing and administering the Company's compensation arrangements for all executive officers.

The Compensation Committee meets no less frequently than annually (and more frequently as circumstances dictate) to discuss and determine executive officer and director compensation. The Compensation Committee does not generally retain the services of any compensation consultants. However, from time to time it utilizes compensation data from companies that the Compensation Committee deems to be competitive with the Company in connection with its annual review of executive compensation. The Compensation Committee has the power to form and delegate authority to subcommittees when appropriate, provided that such subcommittees are composed entirely of directors who would qualify for membership on the Compensation Committee pursuant to applicable NASDAQ Listing Rules. See "Compensation Discussion and Analysis" and "Director Compensation."

The Compensation Committee held one meeting during fiscal year 2011, which was attended by all committee members except Mr. Schulze. No additional compensation is paid to directors for participation on the Compensation Committee. The Compensation Committee operates under a written charter, which was adopted on October 11, 2010 and is attached as Exhibit A to the Company's proxy statement for the 2011 Annual Meeting of Shareholders filed with the SEC on February 18, 2011. The charter is not available on the Company's website.

Audit Committee

The Audit Committee for fiscal year 2011 consisted of Messrs. Andrews, Foster, Scott, Zippwald and Schulze, who resigned from his position on the Board on October 10, 2011. As of the date of mailing of this proxy statement, the Audit Committee consists of Messrs. Andrews, Foster, Scott and Zippwald. The Audit Committee has been established in accordance with the rules and regulations of the SEC and each of the members of the Audit Committee is an “independent director” as defined in Rule 5605(c)(2) of the NASDAQ Listing Rules. In addition, the Board has determined that Messrs. Andrews and Scott qualify as “audit committee financial experts” as such term is used in the rules and regulations of the SEC.

The Audit Committee meets periodically with the Company’s independent registered public accountants and reviews the Company’s accounting policies and internal controls. It also reviews the scope and adequacy of the independent registered public accountants’ examination of the Company’s annual financial statements. In addition, the Audit Committee selects the firm of independent registered public accountants to be retained by the Company, subject to shareholder approval, pre-approves services rendered by its independent registered public accountants and pre-approves all related-party transactions.

The Audit Committee held 10 meetings during fiscal year 2011. Each of the members of the Audit Committee receives \$300 to \$550 per meeting depending on the length of each meeting attended. In addition, the Audit Committee holds a pre-earnings release conference with the Company’s independent registered public accountants on a quarterly basis. The Audit Committee operates under an Amended and Restated Audit Committee Charter, which was approved on November 8, 2010 and is attached as Exhibit B to the Company’s proxy statement for the 2011 Annual Meeting of Shareholders filed with the SEC on February 18, 2011. The charter is not available on the Company’s website.

Nominating Committee

The Board of Directors has decided that the full Board should perform the functions of a Nominating Committee for the Company. It made that decision because the Board believes that selecting new Board nominees is one of the most important responsibilities the Board members have to the Company’s shareholders and, for that reason, all of the members of the Board should have the right and responsibility to participate in the selection process. Because of its status as a “controlled company” within the meaning of Rule 5615(c)(1) of the NASDAQ Listing Rules, the Company is not required to have a Nominating Committee comprised solely of independent directors.

In its role as Nominating Committee, the full Board identifies and screens new candidates for Board membership. Nevertheless, actions of the Board, in its role as Nominating Committee, can be taken only with the affirmative vote of a majority of the independent directors on the Board, as defined by the NASDAQ Listing Rules. The Board last met in its role as Nominating Committee in October 2011 to approve the appointments of Messrs. Allan Bridgford, Jr. and John Simmons. The Nominating Committee does not act pursuant to a written charter.

Director Nomination Process

In identifying new Board candidates, the Board will seek recommendations from existing Board members and executive officers. In addition, the Board will consider any candidates that may have been recommended by any of the Company's shareholders who have made those recommendations in accordance with the shareholder nomination procedures described below. The Board, in its capacity as Nominating Committee, does not evaluate nominees recommended by shareholders differently from its evaluation of other director nominees. The Board also has the authority to engage an executive search firm and other advisors as it deems appropriate to assist in identifying qualified candidates for the Board.

In assessing and selecting Board candidates, the Board will consider such factors, among others, as the candidate's independence, experience, knowledge, skills and expertise, as demonstrated by past employment and board experience; the candidate's reputation for integrity; and the candidate's participation in local community and local, state, regional or national charitable organizations. When selecting a nominee from among candidates considered by the Board, it will conduct background inquiries of and interviews with the candidates the Board members believe are best qualified to serve as directors. The Board members will consider a number of factors in making their selection of a nominee from among those candidates, including, among others, whether the candidate has the ability, willingness and enthusiasm to devote the time and effort required of members of the Board; whether the candidate has any conflicts of interest or commitments that would interfere with the candidate's ability to fulfill the responsibilities of directors of the Company, including membership on Board committees; whether the candidate's skills and experience would add to the overall competencies of the Board; and whether the candidate has any special background or experience relevant to the Company's business.

Board Consideration of Diversity

The Board believes that differences in experience, knowledge, skills and expertise enhance the performance of the Board. Accordingly, the Board, in its capacity as Nominating Committee, considers such diversity in selecting and evaluating proposed Board nominees. However, the Board has not implemented a formal policy with respect to the consideration of diversity for the composition of the Board.

Shareholder Recommendation of Board Candidates

Any shareholder desiring to submit a recommendation for consideration by the Board of a candidate that the shareholder believes is qualified to be a Board nominee at any upcoming shareholders meeting may do so by submitting that recommendation in writing to the Board not later than 120 days prior to the first anniversary of the date on which the proxy materials for the prior year's annual meeting were first sent to shareholders. However, if the date of the upcoming annual meeting has been changed by more than 30 days from the date of the prior year's meeting, the recommendation must be received within a reasonable time before the Company begins to print and mail its proxy materials for the upcoming annual meeting. In addition, the recommendation should be accompanied by the following information: (i) the name and address of the nominating shareholder and of the person or persons being recommended for consideration as a candidate for Board membership; (ii) the number of shares of voting stock of the Company that are owned by the nominating shareholder, his or her recommended candidate and any other shareholders known by the

nominating shareholder to be supporting the candidate's nomination; (iii) a description of any arrangements or understandings, that relate to the election of directors of the Company, between the nominating shareholder, or any person that (directly or indirectly through one or more intermediaries) controls, or is controlled by, or is under common control with, such shareholder and any other person or persons (naming such other person or persons); (iv) such other information regarding each such recommended candidate as would be required to be included in a proxy statement filed pursuant to the proxy rules of the SEC; and (v) the written consent of each such recommended candidate to be named as a nominee and, if nominated and elected, to serve as a director. No director nominations by shareholders have been received as of the filing of this Proxy Statement.

Board Leadership Structure and the Role of the Board in Risk Management Oversight

Board Leadership Structure.

The Board is comprised of a total of eight directors. One of those directors, William L. Bridgford, serves as the Chairman of the Board. In this capacity, he is principally charged with fulfilling the following duties:

- § Presiding as the Chairman of the meetings of the Board of Directors;
- § Serving as a conduit of information between the independent directors and members of management;
- § Approving Board of Director meeting agendas and schedules;
- § Calling executive session meetings of the Independent Directors, as needed;
- § Reviewing information sent to the Board of Directors;
- § Working with the Chief Financial Officer and Corporate Secretary to ensure the Board has adequate resources to support its decision-making obligations;

- § Meeting with shareholders as appropriate; and
- § Such other responsibilities and duties as the Board of Directors shall designate.

The Company has not appointed a Chief Executive Officer. Instead, the Company has historically utilized an Executive Committee to serve in the capacity of Chief Executive Officer. The Board believes that the Executive Committee structure is appropriate for the Company because it requires a full committee of officers, each of whom bring their own experiences and perspectives to bear on their decision making, to discuss and vote on important decisions affecting the Company. The Company has utilized an Executive Committee in lieu of appointing a Chief Executive Officer for more than twenty years. See "Executive Officers" for further discussion about the role and membership of the Executive Committee.

The Chairman of the Board serves on the Executive Committee. Thus, the roles of Chairman of the Board and Chief Executive Officer are intertwined to some extent. However, the Chairman of the Board and the President represent only two of the five members of the Executive Committee and no other directors serve on the Executive Committee. Accordingly, three members of the Executive Committee, comprising a majority of the voting power on the Executive Committee, are not directors of the Company. The Board believes that this structure properly maintains the independence of the Board as a whole, and of the Chairman of the Board, from the management team.

The Board's Role in Risk Oversight.

The responsibility for the day-to-day management of risk lies with the Executive Committee. Risk management is not viewed by the Executive Committee as a separate function, but rather is viewed as part of the day-to-day process of running the Company. It is the Board's responsibility to oversee the Executive Committee with respect to its risk management function and to ensure that the Company's risk management system is well-functioning and consistent with the Company's overall corporate strategy and financial goals. In fulfilling that oversight role, the Board focuses on the adequacy of the Company's overall risk management system. The Board believes that an effective risk management system will adequately identify the material risks to the Company's business, monitor the effectiveness of the risk mitigating policies and procedures, and provide the Executive Committee with input with respect to the risk management process.

Code of Ethics

The Company adopted a code of ethics that is applicable to, among other individuals, its principal executive officer, principal financial officer, principal accounting officer or controller, or persons performing similar functions, and posted the code of ethics on its website at <http://www.bridgford.com> (and designated therein as the Code of Conduct). Any amendment or waiver to the Company's code of ethics that applies to its directors or executive officers will be posted on its website or in a report filed with the SEC on Form 8-K.

Communications with the Board

Shareholders may communicate with the Board or any of the directors by sending written communications addressed to the Board of Directors generally, or to any director(s), to Bridgford Foods Corporation, 1308 North Patt Street, Anaheim, California 92801, Attention: Corporate Secretary. All communications are compiled by the Corporate Secretary and forwarded to the Board or the individual director(s) accordingly.

Director Attendance at Annual Meetings

The Company does not currently have a specific policy regarding director attendance at annual shareholder meetings. However, directors are strongly encouraged to attend annual shareholder meetings. All eight directors

(then serving as directors of the Company) attended the Company's 2011 Annual Meeting of Shareholders.

Members of the Company's Executive Committee, comprised of the five executive officers named below, act in the capacity of Chief Executive Officer of the Company. The following five executive officers are elected annually to serve on the Executive Committee at the pleasure of the Board of Directors:

Allan L. Bridgford (1)
Hugh Wm. Bridgford

COMPENSATION OF EXECUTIVE OFFICERS

Compensation Discussion and Analysis

Compensation Overview

This section provides information regarding the compensation paid to the Company's "named executive officers" or "NEOs," all of whom are members of the Executive Committee. The Company has historically been and continues to be principally managed by the Executive Committee. The Executive Committee, as a unit, serves as the Company's "Chief Executive Officer." The Executive Committee currently consists of the following five members:

- Hugh Wm. Bridgford, Vice President and Chairman of the Executive Committee
- Allan L. Bridgford
- William L. Bridgford, Chairman of the Board (Principal Executive Officer)
- John V. Simmons, President
- Raymond F. Lancy, Chief Financial Officer, Vice President and Treasurer (Principal Financial Officer)

The Company's executive compensation program is overseen by the Compensation Committee of the Board (the "Committee"), which is comprised of certain non-employee members of the Board. The basic responsibility of the Committee is to review the performance of the officers and key employees toward achieving the Company's strategic goals and to help ensure that the Company is able to attract and retain individuals who can lead the Company to achieve those goals. Each member of the Committee is an independent director as defined in Rule 5605(a)(2) of the NASDAQ Listing Rules.

One of the Company's primary strategic goals is to increase shareholder value while meeting its objectives for customer satisfaction, improved sales and financial performance, sound corporate governance, and competitive advantage. The Company's current emphases on controlling costs and improving profit margins on a consistent basis are also important factors which affect the Company's compensation decisions. The Committee's goal is to work with management to balance the Company's financial goals and circumstances with the need to attract, motivate and retain the fully qualified and capable individuals the Company needs to meet and surpass its customers' and shareholders' expectations in a highly-competitive industry.

Compensation Philosophy and Objectives

The core of the Company's executive compensation philosophy is to pay for performance. To that end, incentive bonus targets are set each year to reward excellent executive performance based upon the achievement of profit objectives by business unit and the Company's overall profitability based on pretax income, thus stimulating all executives to assume broad responsibility for the Company's overall financial welfare and financial performance.

The Committee's guiding principles are as follows:

- Work with management to provide a compensation program that recognizes individual contributions as well as the Company's overall business results;
- Provide reasonable levels of total compensation which will enable the Company to attract and retain qualified and capable executive talent within its industry, while also considering the Company's current goals of controlling costs and effecting consistent improvements in its overall financial condition;
- Motivate executive officers to deliver optimum individual and business unit performance;
- Develop and retain a leadership team that is capable of successfully operating and growing an increasingly competitive and complex business in a rapidly changing industry;

- Ensure that executive compensation-related disclosures are made to the public on a timely basis.

Role of the Compensation Committee

The compensation of all NEOs is recommended by the Executive Committee and, after review and analysis, approved by the Compensation Committee. The Compensation Committee met one time during fiscal year 2011. The responsibilities of the Compensation Committee are as follows:

- Review and approve, on an annual basis, the total compensation and compensation structure for the Executive Committee, including base salary, benefits, bonuses and equity compensation (if any). The Board's evaluation of the Executive Committee's performance is considered in setting incentives. The Committee seeks to maintain an appropriate balance, in light of overall Company performance and profitability, between the compensation of the Executive Committee and the compensation of other officers and employees generally. The Committee may also make any interim adjustments in any such compensation or plan as the Committee may deem appropriate, or as may be requested by the Board or the Compensation Committee.
- Provide oversight of senior management's decisions concerning the compensation of management, including evaluation procedures for Company officers and other executives deemed eligible for bonuses or equity compensation.
- Review and approve compensation packages for new management personnel and, as needed, termination packages for departing management personnel.
- Review and, as deemed necessary or desirable, oversee the administration of the Company's stock incentive and stock purchase plans, if any.
- Assist the Board of Directors and management in developing and evaluating potential candidates for executive positions.
- Advise the Board of Directors in its succession-planning initiatives for the Company's executive officers and other management personnel.
- Oversee preparation of a report on executive compensation as required for inclusion in the Company's annual proxy statement.

Role of Management in the Compensation Determination Process

The Company's senior management team, particularly the Chairman of the Board and the Chairman of the Executive Committee, support the Committee in the executive compensation decision-making process. At the request of the Compensation Committee, one or more members of the Executive Committee may present a performance assessment and recommendations to the Committee regarding base salaries, bonus payments, incentive plan structure and other compensation-related matters for the Company's executives (other than with respect to their own compensation).

Role of Compensation Consultant

The Compensation Committee has decided not to utilize the services of a paid compensation consultant after concluding that such a consultant would provide insufficient value compared to the cost.

Total Compensation for Executive Officers

The compensation packages offered to the Company's executive officers are comprised of one or more of the following elements:

- Base salary;
- Discretionary cash bonuses;
- Post retirement healthcare and pension benefits.

The Company does not have any formal policies which dictate the amount to be paid with respect to each element, nor does it have any policies which dictate the relative proportion of the various elements. The Company also does not have any formal policies for allocating between cash and non-cash compensation or short-term and long-term compensation. Instead, the Company relies on the judgment of the Compensation Committee and input and feedback from the management team, including in particular members of the Executive Committee. The Committee has no plans to adopt any such formulas, ratios or other such targets that might artificially dilute the Company's effectiveness in achieving its overall profit objectives. In fact, all of the Company's compensation policy decisions are made in the context of its current financial position and are subordinated to the Company's current goal of achieving overall profitability on an annual basis. Each of the compensation components is described in more detail below.

Base Salary

The Company provides executive officers and other employees with base salary to compensate them for services rendered during the fiscal year. The purpose of base salary is to reward effective fulfillment of an executive's assigned job responsibilities, and to reflect the position's relative value to the Company and competitiveness of the executive job market. Base salaries for executive officers are determined based on the nature and responsibility of the position, salary norms for comparable positions at similar companies, the expertise and effectiveness of the individual executive, and the competitiveness of the market for the executive officer's services.

The Company has successfully held most base salaries at the low end of the competitive range in order to reduce its overall cost structure and to achieve systematic improvement in the financial performance of the business without incurring a large turnover in executive talent and leadership.

Any "merit increases" for the Company's executive officers are subject to the same budgetary constraints that apply to all other employees. Executive officer salaries are evaluated as part of the Company's annual review process and may be adjusted where justified in the context of the Company's current focus on profitability and controlling expenses.

For fiscal year 2011, the Compensation Committee set a base salary of \$4,430.18 per week for each Executive Committee member, reduced on a pro-rata basis for any member working less than a full time schedule. This change represented an approximate 2% increase in the base salary compared to fiscal year 2010, which was derived from management's assessment of the increase in the cost of living. The same percentage increase was applied to all non-executive, non-union team members when evaluating salary changes.

Discretionary Cash Bonuses

The Company's policy is to make a significant portion of each NEO's total compensation contingent upon the Company's financial performance. The Compensation Committee believes that the payment of cash bonuses based on the Company's financial success allows the Company to offer a competitive total compensation package despite relatively lower base salaries, while aligning a significant portion of executive compensation with the achievement of positive Company financial results. However, while the payment of these cash bonuses to the NEOs is generally correlated with the achievement of positive Company financial results, there are no specific performance targets communicated to the NEOs in advance, and the bonuses are ultimately paid at the discretion of the Compensation Committee after receiving input from the Chairman of the Board. The Compensation Committee did not grant cash bonuses to the NEOs with respect to fiscal year 2011.

Long-Term Equity-Based Incentive Compensation

The Compensation Committee has concluded that long-term stock-related compensation has very limited value as an employee incentive or retention tool because the Company's equity-based incentive awards have historically provided little or no value to the recipient. In addition, beginning in 2005, U.S. accounting rules required the Company to expense any stock option awards according to a formula which could impose a costly charge on the Company's income statements, thereby burdening or erasing its profit margins. Because of these factors, the Company has not granted stock options or restricted stock awards for many years. Instead, the Compensation Committee aims to align the interests of the NEOs with those of the Company's shareholders by creating a link between the payment of executive compensation and the achievement of Company financial goals as described above. The Company's 1999 Stock Incentive Plan expired by its own terms on April 29, 2009 and no additional stock options or restricted stock may be granted thereunder.

Pension and Retirement Benefits

Retirement Plan for Administrative and Sales Employees of Bridgford Foods Corporation. The Company has a defined benefit plan (the "Primary Benefit Plan") for certain of its employees not covered by collective bargaining agreements. The Primary Benefit Plan, administered by a major life insurance company, presently provides that participants receive an annual benefit on retirement equal to 1.5% of their total compensation from the Company during their period of participation from 1958. Benefits are not reduced by Social Security payments or by payments from other sources and are payable in the form of fully-insured monthly lifetime annuity contracts commencing at age 65 or the participant's date of retirement, whichever is later. Effective May 12, 2006, future benefit accruals under the Primary Benefit Plan were frozen.

Supplemental Executive Retirement Plan. Retirement benefits otherwise available to certain key executives under the Primary Benefit Plan have been limited by the effects of the Tax Equity and Fiscal Responsibility Act of 1982 ("TEFRA") and the Tax Reform Act of 1986 ("TRA"). To offset the loss of retirement benefits associated with TEFRA and TRA, the Company has adopted a non-qualified "makeup" benefit plan (the "Supplemental Executive Retirement Plan"). Benefits will be provided under the Supplemental Executive Retirement Plan in an amount equal to 60% of their final average earnings minus any pension benefits and primary insurance amounts available to them under Social Security. However, in all cases the benefits are capped at \$120,000 per year for Allan L. Bridgford and Hugh Wm. Bridgford. Benefits provided under this plan for William L. Bridgford and Raymond F. Lancy are calculated at 50% of final average earnings, capped at \$200,000 per year, without offsets for other pension or Social Security benefits.

Bridgford Foods Retirement Savings 401(k) Plan. The Company implemented a 401(k) plan effective May 13, 2006. The Company makes a matching contribution to each employee's account based on pretax contributions in an amount equal to 100% of the first 3% of compensation and 50% of the next 2% of compensation contributed to the Plan. No amounts are contributed by the Company unless the employee elects to make a pretax contribution to the plan.

Non-Qualified Deferred Compensation

Effective January 1, 1991 the Company adopted a deferred compensation savings plan for certain key employees. Under this arrangement, selected employees contributed a portion of their annual compensation to the plan. The Company contributed an amount to each participant's account by computing an investment return equal to Moody's Average Seasoned Bond Rate plus 2%. The purpose of the plan was to provide tax planning and supplemental funds upon retirement or death for certain selected employees and to aid in retaining and attracting employees of exceptional ability. Separate accounts are maintained for each participant to properly reflect his or her total vested account balance.

Perquisites and Other Benefits

The Company provides its executive officers with various health and welfare programs and other employee benefits which are generally available on the same cost-sharing basis to all of its employees. However, in keeping with the Company's policy of controlling costs in connection with its profitability objectives, it does not provide any significant perquisites or other special benefits to its executive officers including, but not limited to, payment of club memberships, fees associated with financial planning, executive dining rooms or special transportation rights. The Company does not own an airplane and does not provide aircraft for executives for business or personal purposes.

The Company provides post-retirement healthcare for certain executives and their spouses (who are within fifteen years of age of the employee) who have reached normal retirement age. This coverage is secondary to Medicare. Coverage for spouses continues upon the death of the employee. The maximum benefit under the plan is

\$100,000 per year per retiree. The plan is subject to annual renewal by the Board of Directors and may be discontinued at the Board's discretion. The plan was renewed for one year at the Board of Directors meeting held in December 2011. The combined cost of this plan during fiscal year 2011 was \$138,000 for all active and retired participants.

The Company pays life and disability insurance premiums on policies under which the Company's President is the named owner and beneficiary.

Employment Agreements

The Company currently does not have any employment, severance, change of control or similar agreements with any of its NEOs. Refer to the compensation discussion below for information on pension, deferred compensation, and benefit-related payments payable in the event of a qualifying event such as employment termination, disability, death, or sale/merger/acquisition.

Tax and Accounting Implications

The Compensation Committee is responsible for considering the deductibility of executive compensation under Section 162(m) of the Internal Revenue Code, which provides that it may not deduct non-performance-based compensation of more than \$1,000,000 that is paid to its executive officers. The Company believes that the compensation paid under the current management incentive programs is fully deductible for federal income tax purposes. In certain situations, the Committee may approve compensation that will not meet the requirements for deductibility in order to ensure competitive levels of compensation for its executives and to meet its obligations under the terms of various incentive programs. However, the issue of deductibility has not come before the Committee in recent years and is not expected to be a concern for the foreseeable future.

Shareholder Advisory Vote on Executive Compensation and Frequency of Advisory Vote

Pursuant to the Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 (the “Dodd-Frank Act”), the Company held its first advisory (non-binding) shareholder vote on the compensation of the Company’s named executive officers (commonly known as a “say-on-pay” proposal), and its first shareholder vote on the frequency of such say-on-pay proposal, at its 2011 Annual Meeting of Shareholders. At such meeting, the shareholders of the Company approved the overall compensation of the Company’s named executive officers and elected to hold a say-on-pay vote every three years. Accordingly, the Company’s next say-on-pay proposal will be included in its proxy statement for its 2014 Annual Meeting of Shareholders.

(3) The Company did not grant any option awards to any of the NEOs during fiscal years 2009, 2010 or 2011.

(4) The Company did not utilize any non-equity incentive plans in order to pay compensation to its NEOs in fiscal year 2011. While it is the Company's policy to provide each of the NEOs with an opportunity to earn cash bonuses that are correlated with the Company's financial performance, the payment of the bonuses are ultimately subject to the discretion of the Compensation Committee. See "Compensation Discussion and Analysis – Total Compensation for Executive Officers – Discretionary Cash Bonuses."

- (5) This column includes the aggregate positive change in actuarial present value of each NEO's accumulated benefit under all defined benefit and actuarial pension plans. In accordance with SEC rules, to the extent the aggregate change in present value of all defined benefit and actuarial pension plans for a particular fiscal year would have been a negative amount, the amount has instead been reported as \$0 and the aggregate compensation for the NEO in the "Total" column has not been adjusted to reflect the negative amount. In addition, to the extent that the change in present value of any particular defined benefit or actuarial pension plan for a particular year was a negative amount, the negative amount has not been used to offset the positive change in present value associated with the other applicable defined benefit or actuarial pension plans. The aggregate negative change in the present value of the non-qualified deferred compensation plan and pension and retirement benefits for certain NEOs in certain fiscal years was as follows: (i) fiscal year 2010 (Allan L. Supplemental Executive Retirement Plan (SERP)

Payment of Retirement Benefit: All retirement, disability and death benefits shall be paid in monthly installments beginning on the commencement date following the participant's retirement, disability or death and shall continue for a period of fifteen years.

Normal Retirement: Benefits commence upon reaching the "Normal Retirement Date", which means the date on which the participant has both attained age 65 and completed at least ten years of participation. SERP benefit payments begin at the normal retirement date and continue until death.

Early Retirement: A participant may choose to retire up to ten years before the normal retirement date if the participant has completed at least five years of participation. If a participant retires early, the SERP benefit will be determined based on the vested percentage attained as the time of retirement.

Death Benefits: If a participant dies prior to having commenced receipt of benefits and is eligible for benefits hereunder, the participant's beneficiary shall be entitled to receive an annual death benefit equal to the Normal Retirement Benefit determined as if the participant attained Normal Retirement Age on the date of his death, or, if after the Participant's Normal Retirement Date, equal to the Late Retirement Benefit. If a participant dies after having commenced receipt of benefits, benefits shall continue to be paid but to the Participant's Beneficiary at the same time

and in the same form as the benefits would have been payable to the participant. No benefit will be payable to a participant's beneficiary if the participant terminates employment with the Company before he is eligible for a retirement benefit and thereafter dies.

Disability Benefits: A disability benefit is the vested percentage of SERP benefit credited to a participant as of the date of disability.

The present value of accumulated plan benefits and payments made during the fiscal year were as follows:

The following table estimates the present value of SERP benefits under different employment termination scenarios as of October 28, 2011:

| Name | Present Value of Benefit Upon Voluntary Termination of Employment (1) | Present Value of Benefit if Disabled (1) | Present Value of Benefit Upon Death (1) | Present Value of Benefit Upon Involuntary Termination of Employment Due to Sale/Merger/ Acquisition (1) |
|--------------------------|--|--|---|---|
| Allan L. Bridgford | \$ 217,101 | \$ 217,101 | \$ 217,101 | \$ 217,101 |

| Raymond F. Lancy (2) | \$ 621,801 | \$ 1,219,308 | \$ 1,219,308 | \$ 1,219,308 |

(1) In each scenario above, the benefit amount shown is calculated at October 28, 2011. A 4.65% discount rate was used to compute the present values. In the case of a voluntary termination, the participant shall be entitled to the vested portion of any such early retirement benefit but shall not commence receipt of such early retirement benefit until the commencement date following the date the participant would have attained the early retirement date had the participant remained employed by the Company. Upon a finding that the participant (or, after the participant's death, a beneficiary) has suffered an unforeseeable emergency, the

Committee may at the request of the participant or beneficiary, and subject to compliance with Internal Revenue Code Section 409A, accelerate distribution of benefits under the SERP in the amount reasonably necessary to alleviate such unforeseeable emergency.

- (2) Benefits for William L. Bridgford and Raymond F. Lancy are paid in the form of a monthly annuity. The actual payment amount for William L. Bridgford and Raymond F. Lancy would be determined using a discount rate similar to the rate required for qualified plans. The rate assumed for these estimates is 4.65%.

The following table estimates future SERP payments under different termination scenarios as of October 28, 2011:

| Name | Payment Upon Voluntary Termination of Employment | Payment if Disabled (1) | Death Benefit from Plan (2) | Involuntary Termination of Employment Due to Sale/Merger/Acquisition (2) |

| John V. Simmons | — | — | — | — |
| Raymond F. Lancy | \$4,786 per month for 180 months beginning on 10/28/2011 | \$9,385 per month for 180 months commencing after disability | \$9,385 per month for 180 months beginning just after death | Lump Sum payment due at termination of \$1,219,307 |

- (1) Disability amount is decreased by any Company paid disability insurance policies, Social Security disability benefits, or other Federal or State disability programs. In the case of a voluntary termination, the participant shall be entitled to the vested portion of any such early retirement benefit but shall not commence receipt of such early retirement benefit until the commencement date following the date the participant would have attained the early retirement date had the participant remained employed by the Company. Upon a finding that the participant (or, after the participant's death, a beneficiary) has suffered an unforeseeable emergency, the Committee may at the request of the participant or beneficiary, and subject to compliance with Internal Revenue Code Section 409A, accelerate distribution of benefits under the SERP in the amount reasonably necessary to alleviate such unforeseeable emergency.

Mr. Schulze received contributions to such plans as an employee of the Company prior to his retirement on June 30, 2004.

(2) Mr. Bridgford was appointed to the Board to fill the vacancy created by the resignation of his father, Allan L. Bridgford Sr., on October 10, 2011 and did not receive any compensation as a member of the Board in fiscal year 2011.

(3) Mr. Schulze resigned from his position on the Board on October 10, 2011.

The Company uses cash compensation to attract and retain qualified candidates to serve on its Board of Directors. In setting director compensation, the Company considers the demands that have been placed and will continue to be placed on the directors and the skill-level required by its directors. In addition, as with the Company's executive officers, compensation decisions for directors are made in the context of the Company's focus on controlling costs and increasing profitability.

The directors are not paid an annual retainer for their service on the Board. Instead, each non-employee director was paid \$1,500 for each of the first two Board meetings attended during fiscal year 2011 and \$1,600 for each subsequent Board meeting attended in fiscal year 2011. Members of the Audit Committee were paid \$300 to \$550 for each Audit Committee meeting attended depending on the length of the meeting. The members of the Compensation Committee were not paid any additional compensation for their service. In addition, the directors were not paid any additional compensation for their service on the Nominating Committee.

CERTAIN RELATIONSHIPS AND RELATED PARTY TRANSACTIONS

The Company's general legal counsel is the son of Allan L. Bridgford. For his legal counsel, he currently is paid a fee of \$1,500 to \$1,600 for each Board of Directors meeting attended. Total fees paid under this arrangement were \$19,000 in fiscal year 2011 and \$16,050 in fiscal year 2010. In addition, legal services are performed on behalf of the Company and billed by a firm in which he is a partner. Total fees billed under this arrangement for each of fiscal years 2011 and 2010 were approximately \$62,212 and \$70,000, respectively. Other than the relationship noted above, the Company is not aware of any related party transactions that would require disclosure as a related party transaction under SEC rules.

The Company's executive officers, directors, nominees for directors and principal shareholders, including their immediate family members and affiliates, are prohibited from entering into related party transactions with the Company that would be reportable under Item 404 of Regulation S-K without the prior approval of its Audit Committee (or other independent committee of the Board of Directors in cases where it is inappropriate for the Audit Committee to review such transaction due to a conflict of interest). Any request for the Company to enter into a transaction with an executive officer, director, or nominee for director, principal shareholder or any of such persons' immediate family members or affiliates that would be reportable under Item 404 of Regulation S-K must first be presented to the Audit Committee for review, consideration and approval. In approving or rejecting the proposed agreement, the Audit Committee will consider the relevant facts and circumstances available and deemed relevant, including but not limited to, the risks, costs, and benefits to the Company, the terms of the transactions, the availability of other sources for comparable services or products, and, if applicable, the impact on director independence. The Audit Committee shall only approve those agreements that, in light of known circumstances, are in or are not inconsistent with, the Company's best interests, as determined in good faith by the Audit Committee (or other independent committee, as applicable). The requirement for the Audit Committee to review related-party transactions is set forth in the Amended and Restated Audit Committee Charter, which was approved on November 8, 2010 and is attached as Exhibit A to the Company's proxy statement for its 2011 Annual Meeting of Shareholders filed with the SEC on February 18, 2011.
